Peoples' Party Loses At Polls

TRUESDALE NAMED PRESIDENT AND ENTIRE PROGRESSIVE TICKET ELECTED

John C. Truesdale was elected village president and led to victory the entire Progressive Party ticket when voters went to the polls here on Monday to choose village officers for the new year, beginning in April. Mr. Truesdale defeated J. Floyd Elliott, eight times president and veteran member of the village council, who headed the Peoples' Party ticket.

Monday's election was the first time in 11 years that two tickets have been presented to voters here, and a total of 727 votes were cast of which number 282 were "straight" Progressive and 93 "straight" for the Peoples'. Only one spoiled ballot was found by the election board.

A tabulation of the returns on Monday follows:

For President:
John C. Truesdale, 503.
J. Floyd Elliott, 220.

For Clerk:
Wade L. Jones, 465.
James Artman, 171.

For Treasurer.
Charles Fay, 364.
Margaret Kidman, 290.

For Assessor:
Thomas O'Hara, 365.
Lester Rogers, 287.

For Trustees: (Three elected):
Archie Porter, sr., 438.
Fay Whelan, 249.
Charles Mensing, 424.
Howard Truesdale, 248.
George McCombs, 429.
Joseph Rohweder, 211.

The election on Monday will bring six new faces into Tecumseh's official family, the only surviving incumbent being Mr. Jones, who was elected clerk. Jones has served the village for several years as its clerk and when the new Progressive Party was organized his name was placed on its ballot as a complimentary act. Previously, he has been a member of the Peoples' Party. At the Peoples' caucus, Mr. Artman was nominated to oppose him in the election.

Mr. Truesdale, the new president, is the owner of the John C. Truesdale Monument Works here. At the present time he is in Mayo Hospital, Rochester, Minn., where he underwent an operation, Tuesday. Mr. Fay, the new treasurer, is a Tecumseh Products employee. K. D. Hall, the former treasurer, did not seek re-election. Mr. O'Hara, the assessor, is an accountant. Of the new trustees, Mr. Porter is a printer, Mr. Mensing is a Products employee, and Mr. McCombs is an employee of the Bruce Foundry & Manufacturing Co.

Monday's election was the first time in over a decade that residents have taken any interest in local politics. Usually, not to exceed 100 votes were cast in an election, and some years the number was near the 50 mark. There are about 1,300 registered voters in the village.

Officials elected on Monday will take their offices, officially, on Monday evening, April 7. Other members of the council, hold-overs from the election of a year ago, are S. Henry Smith, B. B. Turnbull and Geo. H. Adamson.

Lenawee's seven other villages also elected officers on Monday, and three of them named new presidents. Don Brown was named president at Addison, R. C. Pelham at Clayton and Jesse Iott at Deerfild. In Blissfield, Rex Crist was returned to office for his 14th term as president.

In nearby villages the voting was as follows:

WELL-KNOWN MERCHANT DIES IN UNIVERSITY HOSPITAL FOLLOWING ILLNESS

William Palman, well-known local merchant, died at midnight Friday at University hospital in Ann Arbor where he had been a patient for eight weeks. He had been in failing health for some time.

Mr. Palman, who was nearly 75 years of age, was born in Moscow, Russia, August 22, 1872 and came to the United States when 18 years of age. He then located in Wyoming, Iowa, but later operated business places in Martin and Genoa, O., before coming to Michigan. He and his family moved to Tecumseh in 1908 and he had continuously operated a business here since that time. Since stricken with ill health his sons had taken over the active duties of the Palman store. He was a member of the B'nai Israel Synagogue in Toledo.

Survivors are the widow Rose, a daughter Goldie and three sons Morris, Abe and Joe, all at home; one sister Mrs. Ida Levine of Toledo, and one brother, Harry Palman of Indianapolis, Indiana.

The body was taken to the Zimmerman Mortuary in Toledo where funeral services were held Sunday afternoon, Rabbi Morton Goldberg of B'nai Israel Snyagogue officiating. Burial was in Oregon cemetery in Toledo.

Boy Scouts To Stage Waste Paper Collection

A village-wide waste paper collection, sponsored by Tecumseh Boy Scouts, will be staged here on Saturday, April 12, E. M. Campbell, chairman of the Rotary Club's committee on Boy Scouting, announced today.

"We hope that residents will save their paper for the Scouts, and that they will cooperate with us in this drive," Mr. Campbell said. "The Scouts are very anxious to boost their treasury to aid in the building fund for a new cabin, and they are willing and anxious to work to get the money."

Mr. Campbell recalled that in the last waste paper drive staged here by the Scouts, about seven tons of paper was collected and that the Scouts received $156 for their efforts.

H. H. KOELBEL TALKS TO ROTARY CLUB HERE

Pointing out the many advantages of the State of Michigan, with its air-conditioned climate and with resources far greater than any other state in the Union, H. H. Koelbel, district manager of the Consumers Power Co., with offices in Jackson, spoke to the Rotary Club here Tuesday evening, following dinner at Brees House. Mr. Koelbel was the guest of S. Henry Smith, local Consumers manager. He also is a member of Rotary in Jackson.

The speaker declared that it would be entirely possible for six million residents of this state to live, practically self-contained, indefinitely, so vast are Michigan's resources. Mr. Koelbel's talk was a bit different than had been heard from other speakers on Michigan's advantages, and it was highly interesting as well as educational.

Local Youth Injured In Birdsall Accident

Ralph Snyder, 17, of Tecumseh, suffered a broken right leg and other cuts and bruises Saturday night when he lost control of his car and struck a mail box and tree on M-52 near Birdsall. He was taken to Bixby hospital. The car was badly damaged.

YOUTH MEETING

The Methodist Senior Fellowship has invited all of the youth of Tecumseh to meet with them on Sunday evening, March 16 at 7:30. The theme for the evening will be "India" and Miss Godfrey, a native of India who attends Adrian College, will be the guest of honor.

School Budget Plans Delayed

BOARD HOLDS UP TEACHERS' CONTRACTS AWAITING SUPREME COURT DECISION

The board of education, in session Tuesday evening, postponed until April its effort to fix a budget for the school year 1947-48 and, likewise, held up the matter of teachers' contracts until next month in the hope that within 30 days the courts will clarify the state's position in the matter of state aid for schools. W. L. Berkhof, superintendent, said that at the present time it is impossible for the board to arrive at any conclusion regarding finances, so jumbled are estimates of state assistance.

The matter of state aid for schools is now before the supreme court, the result of the questioning of the legality of the sales tax diversion amendment, adopted by voters. Until the court hands down a decision, or the legislature takes some steps to clarify the situation, schools must mark time on budget affairs.

The board adopted a school calendar for the coming year similar to the one for 1946-47 and authorized the superintendent to investigate the possibility of operating a cooperative vocational educational program village-wide, with the schools, business and industry participating.

Mr. Berkhof said that there has been some demand for such a training program and that he would soon contact local business and industry to determine just what steps should be taken to make it operative.

Girl Scouts Observe Thirty-fifth Anniversary

The 35th anniversary of Girl Scouting in the United States is being celebrated this week by over one and a half million girls.

Girl Scouting in Tecumseh started about 14 years ago with 20 girls. Now, instead of one lone troop, there are nine troops, five Girl Scouts and two Brownies, and a total of 146 girls. Each troop has two leaders and five committee women.

All local troops are observing the birthday this week and a few have displays in store windows. The project of the year will be a dance April 11 to raise funds for a Day Camp here this summer.

Lee Randall Transferred To Store in Mt. Pleasant

Leland Randall, manager of the local D & C Store for the past 10 years, is being transferred to a similar position with the company in Mt. Pleasant. Mr. Randall formerly operated a store in Mt. Pleasant. He left this week for his new duties. Mrs. Randall and children will remain here until school closes.

Eugene Pangle, a Tecumseh boy, son of Mr. and Mrs. Ed. Pangle, who has been with the company for 10 years, succeeds Mr. Randall as manager here and began his new duties Monday. Mr. Pangle served four years in the South Pacific during World War II and since his discharge has been in charge of a store in Lansing.

MONDAY CLUB TO MEET WITH MRS. WHELAN

Tecumseh Monday Club will meet Monday afternoon, March 17, at the home of Mrs. H. E. Whelan when students from Adrian College will present a musical program. This will be a Birthday Tea and the assisting hostesses are Mrs. Kennard Wise, Mrs. B. B. TurnBull, Mrs. I. W. Boltz, Mrs. R. W. Herrick, Mrs. Zella Gray and Mrs. Ida Spencer.

GRANGE TONIGHT

Tecumseh Grange will meet tonight for potluck supper at 7 o'clock followed by the business session when the first and second degrees will be conferred on a class of candidates by the new degree team.

The supper committee includes Mr. and Mrs. Ted Zarno, Mr. and Mrs. Douglas Grady, Mr. and Mrs. Harry Day, Murray Day and Mr. and Mrs. Alex Gibson.

CLASS ENTERTAINED

Mrs. Pearl Beaubien entertained the entire senior class of the high school at dinner last evening honoring the birthday of her son, Donald, who is a member of the class. Mr. and Mrs. F. C. Dickinson also were guests. Covers were laid for 58 guests. The evening was spent socially with plenty of music. Donald and his mother were both presented with gifts from the class.

Civic Service Award Presented To Wade Jones

A Civic Service Award for outstanding community service has been presented by Chiefs Aerie No. 1563, Fraternal Order of Eagles, Tecumseh, to Wade L. Jones, village clerk.

The award is given by the Aerie to a citizen for noteworthy civic advancement. In Mr. Jones' instance, it was presented for "his untiring efforts to bring to the people of Tecumseh better conditions and better government. Also, for his grand work in assisting in child welfare," a project sponsored by the local Aerie for the teenage.

The award was presented to Mr. Jones at a meeting in the Eagles hall on Monday evening by Leon N. Hall, president.

Milan Big Reds Humble Indians

AFTER 16 VICTORIES, TECUMSEH CAGERS ARE ELIMINATED AT DUNDEE

By Jim Sisson

The Tecumseh championship cage team dropped its first contest in seventeen starts to the Milan Big Reds last Saturday evening, 49-29. The Warriors appeared outclassed by the smooth functioning Milan five as they were eliminated from the state tourney in Dundee.

Coach Runk's Braves wiped out the Dundee and Monroe Catholic Central quintets 32-28, and 41-37, respectively, in the preliminary district games to earn a chance at the title.

LaMar Cheever, the Indians' lanky center, clipped off 12 counters as the Redskins swept through Monroe C. C. last Thursday. Piling up a heavy first half lead was not enough for the local lads and they were forced to edge away from a third quarter deadlock for the thrilling 41-37 finish.

In the Class C finals, however, the L.C.A.A. titlists ran into the also undefeated Big Reds who boast of one of the best quintets in the state.

Tecumseh fell behind 15-4 in the opening period and by halftime trailed 28-12. The Orange and Black never gave up in the losing battle and hammered back in the final quarter, outscoring the Reds 16-6 but the contest was too far gone and Milan hung up the 49-29 triumph.

Ben Hammack led the Indian efforts as he flipped in 3 field goals and an equal number of free tosses for 9 points. Roger Williams took second place in the Braves' scoring column in tallying 6 markers as a substitute.

With this defeat, the home town basketball schedule ends. During the season Myles Runk's charges whipped up 16 straight victories for the year and for one of the best records on file at THS.

Four of the starting five are lost through graduation along with two substitutes. Hayden, Sisson and co-capts. Hammack and Cheever will leave with the reserves Williams and Judd. Anderson will be the only returning regular to the depleted squad next season.

Mary Louise Stevenson Weds John H. Lancaster

At an impressive wedding ceremony held at St. Peter's Episcopal church, Saturday afternoon at 4 o'clock, Miss Mary Louis Stevenson, daughter of Mr. and Mrs. Charles Stevenson of Tecumseh, became the bride of John H. Lancaster, son of Mrs. George H. Lancaster of Clinton. The Rev. Allan L. Ramsay read the single ring ceremony in the presence of the immediate families and friends of the couple.

Easter lilies decorated the altar and large hampers of white snapdragons and stock were used to decorate the chancel. Jack Tonneberger played th organ prelude and wedding march and Kenneth Koch, brother-in-law of the groom, seated the guests.

The bride who was given in marriage by her mother, wore a suit of chartreuse wool gabardine with beige accessories and a flower hat. She carried a white prayer book and butterfly orchids. Her only

"Bill" Coller Taken By Death

FORMER RESIDENT, WORLD CHAMPION TRICK CASTER, DIED IN CLEVELAND

W. L. (Bill) Coller, world champion trick caster, formerly of Tecumseh, died Thursday at his home in Cleveland, O. He had been an invalid for more than a year.

Mr. Coller, who was 64 years of age, was born in Britton and was a son of the late Jesse B. and Ida Easterly Coller. He spent the first 40 years of his life in Macon and Tecumseh and for many years operated a sporting goods store in the Witherell Building. He was a professional drummer and played for more than 5200 dances in the community. He also served as village clerk.

Mr. Coller left Tecumseh about 22 years ago to travel for a bait casting company and in a few years had won the fame of being the world's champion trick caster. He gave exhibitions at the World's Fair in Chicago and Cleveland. He traveled in Indian regalia, organizing casting clubs and giving public demonstrations, and he was known as Chief Dowagiac by thousands of fishermen.

He leaves the widow, four sons, Maurice of Los Angeles, Calif., Earl of Ft. Wayne, Ind., Max and Bill of Jackson, and three brothers, Leon of Lindsay, Oklohoma, Earl of Lansing and Lester of Tecumseh.

Funeral services and burial were held Saturday in Cleveland.

Junior Class To Stage Play Here March 20-21

The Junior class of Tecumseh high school is presenting "Best Foot Forward," a Broadway comedy, March 20 and 21 in the school auditorium.

This highly amusing farce has been a success as a movie, musical comedy, and stage play.

The scene is in a boys' dormitory on the night of their biggest danc. Charles Every as Bud has invited a movie actress Gale Joy, played by Donna Adams to the party. His own home town girl Helen (Marlou Gilmah) also arrives at the party. The plot thickens and the fun piles up. Bud's room-mates Dutch (Dick Colson) and Hunk (Floyd Guy) decide to help him out. In doing this, the boys make their own girls, Minerva (Anna Aebersold) and Ethel (Betty Lou LeGore) jealous. So with everything in an uproar Dr. Reeber (Jay Tressler) decides to settle things. Miss Joy, however, finally becomes the deciding factor.

Others taking part are Doug Tate, Bill Brown, Marian Murphy, Pat Wilson, Mary Erhart, Charles Manley, Richard Hubbard, Conrad Fosbender and Don Maves. The directors are Miss Bessie Bortner and Mrs. F. C. Dickinson.

Postal Exam Will Be Held

GOVERNMENT SEEKS APPLICATIONS FROM THOSE WHO WOULD BE POSTMASTER

An open competitive examination to fill the vacancy in the position of postmaster in Tecumseh has been announced by the United States Civil Service Commission. The examination is necessary because of the recent resignation of Percy Bowen as postmaster, and until the vacancy is filled, Wylie McCann has been named as acting postmaster in the local office.

Persons who desire to compete for the office, either men or women, have until April 3 to file applications with the Commission at Washington. Applications may be obtained at the local office. In order to be eligible for the examination, which probably will be held within two weeks after April 3, an applicant must be a citizen of the U. S., must have actually resided within the delivery of the local office, or within the village, for at least one year immediately preceeding the date of filing the application, must be in good physical condition, and between the ages of 23 and 63 years.

Applicants will be required to assemble in the local office for written tests, and will be rated on education, business or professional experience, general qualifications and suitability. The commission is not interested in the political, religious, or fraternal affiliations of any applicant.

Under the terms of an Act of Congress, the Commission will certify the names of the highest three qualified eligibles after the examination to the postmaster general who shall thereupon submit the name of the one selected to the President for nomination. Confirmation by the Senate is the final action.

The postmastership here pays $3,700 annually. Mr. Bowen resigned to become a rural mail carrier, taking over the route out of the local office served by Ira Ashley, who retired.

Rehearsals Under Way For "Messiah" on Easter

Rehearsals have been under way since January 12 for the presentation of "The Messiah" here on Easter Sunday afternoon in the Presbyterian church. Twelve members from "The Messiah" will be sung. Worth Mallory of Clinton is directing and rehearsals are held with the organ on Sunday afternoons at 3 o'clock in the Presbyterian church. The chorus of 40 singers from Tecumseh and Clinton also sing in Clinton on Palm Sunday and will be accompanied by the Civic Orchestra from Ann Arbor. They will go to Ann Arbor Monday evening to practice with the orchestra.

All those taking part must be at next Sunday's rehearsal when seating will be arranged and cottas will be distributed.

Mrs. William Meeks, Former Resident, Dies

Mrs. William Meeks, a former resident of Tecumseh, died Friday at Mercy hospital in Monroe after a three months' illness.

Mrs. Meeks was formerly Mae Parks, daughter of the late Alex Parks and wife and lived all her life in Tecumseh until she and Mr. Meeks moved to Monroe 33 years ago.

Besides her husband she leaves one son Roy of Monroe, a sister Mrs. Martha Nye of Tecumseh, two nieces, two nephews and several grandchildren.

Mrs. Nye and son Park, with Mr. and Mrs. Horace Dowell of Devils Lake and Mrs. Merle Kaiser of Adrian attended the funeral in Monroe on Sunday.

LEADER TRAINING CLASS TO ORGANIZE

BUYER CONFIDENCE

Today, one hears a lot of loose talk about "low prices" and "high prices." To compare, for instance, the price structure of 1935, when the national debt was small and when wages and the national income were relatively low, with the price structure of 1947, a $280,000,000,000 debt, record wages, and an enormous national income, just doesn't make sense. Prices are sensitive to all the economic influences of the time.

The sensible thing to talk about is a "fair price." That, to define it briefly, is the lowest price at which any given commodity may be sold in the light of today's wages, debt, taxes, rents, material costs and everything else. And that kind of price is rapidly being established in all fields.

Increased production in manufacturing has injected new blood into the American competitive spirit—and that always helps to hold prices down as well as to force quality up. Consumer resistance against the shoddy and the over-priced article has been another excellent factor. Finally, on the retail level, the American distribution machine is again proving its metal.

No merchant who wants to stay in business will deliberately exploit the consumer. "Let the buyer beware" is the exact reverse of American retailing principles. "Let the buyer have confidence" is, in essence, the motto of modern retailers, and that goes for the small independent as well as the large chain stores. The merchant's principal asset is consumer friendship and faith, and he stocks his shelves and prices his goods accordingly.

The local boys will be gunning for a share of the numerous awards being offered. The awards include: two team trophies: gold, silver, or bronze medals for all members of the first four teams; five gold medals for the "All-Tournament team;" ten silver and bronze medals for honorable mention players; five medals of merit; a high point medal for the entire tournament and one for the single game record; a gold Sportsmanship award; a medal for the tournament's "most spectacular shot;" the "coolest under fire" medal; three U. S. Federation honor medals. Two of the latter awards also carry the tournament's nominations to the Federation's All-American selections.

Team manager Max Brandt has listed the following players who will participate in the tournament: Bill Sisson, Don Purkey, John Hamilton, Jack Osburn, Jim Osburn, Cliff Jackson, Dave Laidlaw, Max Brandt, Chuck Osburn, Myles Runk.

Fifteen other teams are to be entered. Loss of one tournament game eliminates the contender. Pairings for the first round of play are to be made at Adrian College Saturday afternoon, March 15, with Judge Arthur Rathbun and Judge Maurice Tripp in charge of the drawings. The winner of Monday, March 17's game between the Britton Independents and the Tecumseh Products Union squad will also be in the tournament.

From where I sit ... by Joe Marsh

Mystery of the Rocking Chair

Ma Hoskins has a favorite rocking chair that's worn and shabby, with a noisy creak. Pa Hoskins has listened to that squeak for thirty years . . . and he decided to do something about it. So he bought a new rocker, and hid the other in the barn.

Ma allowed as how grateful she was . . . but when Pa missed her one afternoon, he heard a familiar sound that led him to the barn. There was Ma rocking happily in her old chair—squeak . . . squeak.

No need to tell you how Pa felt. Quick as a wink he hid the new rocker and then brought Ma's old chair back to the house. Now when he hears that squeak, he looks at the mellow glass of beer he's drinking and says to himself: "She's just as entitled to her small pleasures as I am."

From where I sit, that's one of the reasons the Hoskinses are the happiest, oldest-married, peacefulest folks in our town.

IT'S a picture in a lot of ways, this big-'n'-beautiful Buick—

The picture of things-to-come in automobile styling—long, follow-through fenders, sleek lines, broad and solid look.

The picture of dynamic action, with its bonnet jam-packed with Fireball power, equally ready, equally willing for creep-speed jaunt or quick-paced emergency call.

The picture of perfect poise—with plenty of roadweight for solidity—cushioned all around on soft coil springs for jarless ease.

The picture of precise and exacting manufacture, with engine tolerances often closer than in airplane practice—bodies floated on new Silent Zone mountings for tautness and quiet—everything from rear-axle strut rods to water pump seal all tidily buttoned up to give you the best to be had today.

You don't have to be told how eyes follow you when you're behind this wheel. You can sample for yourself the great ease of this gallant traveler, the comfort, the room, the thrill-of-a-lifetime lift that answers every nudge of your foot on the treadle.

You've probably even told yourself, "Well, someday..."

Why wait for someday — when that someday may have to be followed by more waiting between order and delivery?

Why not call your shots now—and make sure your future will be bright and happy?

We'll take your order any time—*what's wrong with right now?*

Mr. and Mrs. W. F. Walker, Clinton, Observe 50th Wedding Anniversary

In observance of their golden wedding anniversary, Mr. and Mrs. W. F. Walker held open house Sunday afternoon at their home west of Clinton, when 125 guests were served refreshments from a crocheted lace covered table centered with yellow roses and a large tiered wedding cake decorated in gold and white. Coffee and tea were served by the daughters. Their daughter Mrs. Elnora Brooks, passed the marriage record of 50 years ago for the guests to sign. The bride's wedding dress, dishes, linen, silver and a photograph of 50 years ago were on display.

Mrs. Walker and her sister Mrs. Mayzie Egan, who was her bridesmaid, wore corsages of yellow roses. The daughters and daughters-in-law wore yellow carnations tied with gold ribbon and Mr. Walker and son wore carnation boutonnieres.

William F. Walker and Anna E. Beech were married in Jackson on March 10, 1897 and have always lived in this vicinity. They have five daughters Mrs. Rosemond Hoelzer of Sand Lake, Mrs. Elnora Brooks of Iron Creek, Mrs. Imogene Miller of Clinton, Mrs. Linna Eder of Chelsea and Miss Bertine Walker at home, one son William of Sand Lake, 12 grandchildren and two great-grandchildren. All were present except one granddaughter who lives in Florida.

Friends and relatives from Youngstown, O., Detroit, Chelsea, Parma, Willow Run, Onsted, Iron Creek, Holloway, Brooklyn, Jackson, Manchester, Tipton, Tecumseh and Clinton attended the reception.

Preceding the open house Mr. and Mrs. Walker were entertained at a family dinner at noon at Preston's Inn where table decorations were carried out in gold and white. A program was given consisting of recitations "Looking Backward" by a granddaughter Marilyn Brooks, and "Sincere Congratulations" by a grandson Ronnie Eder; vocal solos, "I Love You Truly," "Let Me Call You Sweetheart," "Put On Your Old Gray Bonnet" and "Silver Threads Among the Gold" by Mrs. Vera Driffill of Tipton.

The honored couple received many gifts, greetings and flowers.

Mary Louise Stevenson Weds John H. Lancaster

(Continued from page one)

jewelry was a strand of pearls, a gift from the groom.

Mrs. Arthur Williams, in a sea green suit with pink accessories, and a corsage of brown orchids, was matron of honor. George Lancaster attended his brother as best man. Mrs. Stevenson and Mrs. Lancaster were both in navy blue with black accessories and corsages of pink camellias.

Following the ceremony a reception for 50 guests was held at the home of the bride's parents on West Logan street which was decorated with spring flowers. The bride's table was centered with sweetpeas and freesia and candles in crystal holders. Mrs. Jack Harrison of Clinton and Miss Mary Jane Smith assisted in serving. Guests attended from Mt. Clemens, Dearborn, Detroit, Adrian, Clinton and Tecumseh.

Mr. and Mrs. Lancaster left later on a trip to Chicago and on their return will make their home in Clinton where he is associated with the Lancaster Motor Sales.

Mrs. Lancaster s a graduate of Tecumseh high school and also attended Siena Heights College in Adrian. Mr. Lancaster graduated from Clinton high school, attended Albion College where he became affiliated with the Delta Sigma Phi fraternity, and later served three years as a lieutenant in the Army Air Corps, part of the time overseas.

LANNING P. T. A.

The Lanning P.T.A. will meet Friday evening at the home of Mr. and Mrs. Lawrence Boyd. Refreshments will consist of sandwiches and cookies or doughnuts.

REV. PRIEST TO PREACH HERE

Rev. O. E. Priest of Clinton will have charge of the service at the Presbyterian church Sunday morning.

Tecumseh Garden Club will meet Friday, March 21 at the home of Mrs. Allan L. Ramsay with Miss Mary McWilliams in charge of the program on "Fruits and Vegetables." Assisting hostesses are Mrs. Don Goddard, Mrs. Lester Rogers and Mrs. Geo. E. Green.

MACON

Macon Community Club

The Macon Community Club will be entertained Tuesday, March 18, at an all-day meeting at the home of Mr. and Mrs. Burt Bruder. A co-operative dinner will be served at 12:30. This meeting is the last day meeting of the season. The April meeting will be an evening meeting.

Mrs. Gordon Matthews and son David of Royal Oak were guests last week of her sister Mrs. J. W. Sheward and Mr. Sheward and family. An additional guest Saturday in the same home was Mrs. C. C. Winter of Northville, another sister.

Mr. and Mrs. O. S. Evans, Mr. and Mrs. R. A. Halladay and Mr. and Mrs. Otto Hagans attended the annual meeting and luncheon of the Detroit Packing Co., Thursday.

Mr. and Mrs. Clayton Bigelow entertained over the weekend Mr. and Mrs. Clayton Bigelow, Jr., and children of Willow Run village.

Mr. and Mrs. Clare Rhoades entertained Mr. and Mrs. R. A. Halladay at dinner on Friday.

Mr. and Mrs. Douglas Hall, Mrs. Leon Vealey and Jack Vealey were at St. Joseph hospital, Ann Arbor, Sunday evening, to call on Mrs. Lisle Morse (nee Miss Madge Garritt) of Inkster who had an operation, Saturday, for removal of goitre. The same group spent the remainder of the evening with Mr. and Mrs. E. Root and family near Ann Arbor.

PRESBYTERIAN MEET

The Women's Association, formerly the Ladies Aid Society of the Presbyterian church, will hold its regular meeting in the church parlors Wednesday evening, March 19, at 8 o'clock. Every woman of the congregation is invited to be present. Mrs. Guy Pocklington will present the program and Mrs. Clare Dickinson is chairman of the refreshment committee.

TO CHOOSE OFFICERS

The annual meeting of the Lenawee County Guernsey Breeders' Association will be held tonight at the Methodist church in Adrian with dinner at 7:30. Officers and directors will be elected and a program will be presented.

MAKE HOSPITAL BAGS

The Daisy Troop of Brownie Scouts last week made 700 hospital bags. Flora Nixon made 216 winning the contest. The girls have a display this week in Rosacrans store window in observance of the Girl Scout birthday.

HOSTESSES AT PARTY

Mrs. George Elliott and Miss Sally Hellman were co-hostesses Thursday evening at a party in the Hellman home in honor of Mrs. W. A. Wright. Potluck supper was followed by bridge. Mrs. Wright was presented with gifts.

PLAN BENEFIT DANCE

At the regular meeting of the Girl Scout Association, held last Wednesday evening at the high school, plans were made for a dance to be held April 11 for the benefit of the Scout day school.

JERSEY CLUB TO HOLD ANNUAL MEET, FRIDAY

The annual meeting of the Lenawee Jersey Club will be held Friday evening in the junior project building at the fair grounds in Adrian when officers will be elected. Dinner at 7:30 will precede the meeting and an interesting program is planned.

NOW IN JAPAN

Pvt. Frederick J. Ward, who entered army service in September, 1946, is now with the Eighth Army in Kokura, Kyushu, Japan. He has recently been assigned to the 19th Infantry Regiment, a unit of the 24th Infantry Division. The 24th, also known as the "Victory" Division, is now occupying the entire island of Kyushu, southernmost and third largest of the Japanese archipelago, and has modern living quarters and the best recreational and amusement facilities available for its men.

The Red Cross drive is on...

WHY?

- **ASK THE VICTIMS OF DISASTER.** Hurricanes, floods and epidemics strike at thousands of American families every year.
- **ASK THE VICTIMS OF ACCIDENTS.** Every year 100,000 are killed and 10,000,000 injured by accidents in the U.S.
- **ASK OUR WOUNDED VETERANS.** They know at first-hand how Red Cross helps them through their suffering and makes their days less drab.

Yes, this year, as always, the Red Cross will be there — with emergency medical aid for the injured — food, clothing, and shelter for the homeless — rehabilitation for the needy.

GIVE!

so your RED CROSS can carry on

Your Red Cross needs your help to carry on this vital, humanitarian work. Your contributions will help thousands of our fellow-Americans — many of them in our community.

ONSTED

Married 50 Years

Mr. and Mrs. Harold Drake entertained at open house Sunday afternoon honoring the 50th anniversary of his parents Mr. and Mrs. Lavern Drake.

Onsted Resident Dies

Samuel H. Baker, aged 87 years, died Thursday at a nursing home in Hudson. Mr. Baker was operated on Feb. 14 and later suffered a cerebral hemorrhage. He was moved from University hospital in Ann Arbor to Hudson recently.

Mr. Bak... as a... at Wolf Creek and spent his entire life in the Onsted community, operating a barber shop and grocery for 25 years.

He leaves a daughter Mrs. Hazel VanAntwerp of Adrian.

The funeral was held Monday in Onsted with burial in Jackson.

The Onsted Woman's Club held its annual banquet last Wednesday evening in the I.O.O.F. hall with 83 members and guests present. Prof. R. G. Hall of Albion College spoke on "Meeting Our International Situation." The program also included musical numbers by Miss Mardell Burton and Mrs. Charles Lee. Intangible Taxpayers To Be Given Assistance

On March 17, G. Carl Fast, representing he Michigan Department of Revenue will be at the United Savings Bank, Tecumseh, between the hours of 9:00 a.m. to 3 p.m. for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31, 1947.

Intangible personal property subject to the tax includes all mortgages, land contracts, bank accounts, accounts and notes receivable, corporate stocks, corporate bonds and other similar types of property. However, all United States bonds, including War Bonds, are exempt from the tax, and the tax on deposits in Michigan banks and building and loan associations, as well as stocks in Michigan banks, will be paid to the Department of Revenue directly by the banks or building and loan associations.

Under the present law as amended by the Legislature in 1945, all Corporate Stocks are 100% taxable including Michigan Corporations.

The Department has issued a warning to all owners of property, such as is outlined above, to file the necessary return forms prior to March 31. The Revenue Department is constantly engaged in checking stockholders' lists, mortgage records, income tax returns and other data for the purpose of discovering evasions of the Intangibles Tax Act. Failure to file a return when a tax is due subjects the taxpayer to severe penalties.

In addition to assisting taxpayers in the preparation of their returns, Mr. Fast will also be glad to advise any person concerning his liability, if any, under the Intangibles Tax Act.

Those desiring this advice or assistance are requested to bring with them full information concerning their holdings, including the face or par value, and income received therefrom during the year 1946 and copy of their 1945 return filed with the Department.

CLINTON

REGISTRATION NOTICE FOR TOWNSHIP ELECTION MONDAY, APRIL 7th, 1947

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, and the day of any regular or special election or primary election, receive for registration then and one of any legal Voter in said Township not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at the Supervisor's Office on

MONDAY, MARCH 17, 1947

The Twentieth Day Preceding Said Election, as provided by Section 2822, Michigan Election Laws, from 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor.

In any township in which the clerk does not maintain regular daily office hours, the township board of such township may require that the clerk of such township shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at Supervisor's Office Friday, March 7, 1947, from 9 o'clock a.m., to 5 o'clock p.m., and each day thereafter, except Sunday, from 9 o'clock a.m., to 5 o'clock p.m.

NOTE—MONDAY, MARCH 18th is the Last Day

For General Registration by Personal Application for Said Election

The name of no person but an ACTUAL Resident of the Township at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

Registration of Absentee by Oath

PART II-A, CHAP. 1, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city of village before the close of office hours on the last day of registration or prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

NOTE—Sec. 2825 provides that in townships, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

There's a Lot of Satisfaction In Satisfying a Customer

We've laid down a hard and fast rule in our service department to this effect: "No service job is complete until it meets the customer's satisfaction, based upon the customer's willingness to permit us to do the work we deem essential to make his car operate in an efficient manner."

We have customers who make their own diagnosis of their car's ailments and téll us what they want us to do. In such instances, we feel that we have satisfied the customer, because we have done the work that he ordered.

However, when a customer brings his car to us and we make the diagnosis, after we complete the job the car must operate efficiently—there can be no other way to satisfy the customer and ourselves.

That is the kind of service you'll get if you will let Harry Schuch, our service and parts manager, care for your car. Harry's back with us again—and he's anxious to please you.

Public Invited To Talk About Local Problems

SPECIAL TOWN HALL MEETINGS TO DISCUSS HOSPITAL, SCHOOL, ZONING, ETC.

A special Town Hall meeting, to discuss problems confronting Tecumseh as a growing community, and to which the public is urgently invited, will be held in the auditorium of the high school on Monday evening, March 31, at 8 o'clock, it was announced today by Neville Hart, vice-president of Town Hall Council.

Scheduled for discussion at the meeting, Mr. Hart said, are these problems:

Tecumseh Hospital. What steps must be taken to permit enlargement. The hospital already is crowded beyond capacity.

Tecumseh's zoning ordinance. Is it adequate? Should it be amended, and, if so, what steps should be taken?

Tecumseh's postoffice. A new site has been purchased by the federal government but building plans are unannounced. Can something be done to hurry such construction?

Tecumseh's water and sewer systems. Some folk contend that these utilities are inadequate to meet the demands of the rapid growth of the village. What steps can be taken to better these utilities?

Tecumseh's public schools. School buildings already are crowded. What can be done to relieve the condition, and what part can the public play in such relief?

Tecumseh's Recreation Center. Is it operating as you would like it, or should some changes be made? Should there be some increase in summer playground activities, etc?

"These are only half a dozen of the problems that are discussed daily by residents at their dinner tables, and in evening conversations," Mr. Hart said. "Perhaps, if we get together and talk these questions over, we will arrive at a solution very beneficial to all of us.

"Such a meeting as we plan," Hart said, "is truly Town Hall, and we believe that the residents here will enjoy meeting together and discussing their own home town problems."

Hart said that at least half a dozen local speakers would appear on the program, explaining to the audience the problems that confront the village in each of the instances, and advising what steps already have been taken by the village to relieve them. After each speaker has finished, the audience will be given an opportunity to ask questions and voice opinions.

"We hope that there will be a large crowd at this meeting because it will be highly educational from a local standpoint," Hart declared. "If there is sufficient interest, then we will hold another such meeting, and discuss other problems of a local nature."

Vets Must Register Discharges With Clerk

With the payment of the Michigan soldiers' bonus just around the corner, Robert B. King, county clerk, today warned that veterans must have their discharges recorded and furnish a certified copy of the discharge to proper authorities before such bonus will be paid.

Under the law, all veterans are entitled to have their discharges recorded with the county clerk without charge, and two certified copies are furnished to them at that time. These recorded discharges will, undoubtedly, be of great value in later years.

"We are not so rushed now on the registering of discharges, and we can get them out for the veterans in a couple of days," Mr. King said. "However, if the bonus is suddenly announced, and there is a rush for copies, it will slow up our work considerably."

Veterans whose discharges already are on record may get extra copies by taking the original to the Register of Deeds office in the county building, Adrian. However, in any event, they must get their copies certified at the clerk's office.

PLAN B. B. BANQUET

The Athletic Mothers Club met Tuesday evening at the home of Mrs. Marion Vanderpool and made plans for the basketball banquet to be held April 2 at the high school.

RIBS FRACTURED

Fred Chase has been confined to his home the past week with several fractured ribs, suffered when caught between two skids at Tecumseh Products Company.

To Collect Shoes For European War Relief

Next Sunday, the World Wide Guild girls will conduct services at the Baptist church at 11:00 a. m. for the purpose of collecting shoes for European relief.

Every family attending is requested to bring shoes which will be displayed on the rostrum. "Don't send a pair you wouldn't wear" is the slogan for the project. The girls will have complete charge of the service and Rev. B. O. Bashore will deliver the sermon.

Veterans Plan For Initiation

PUBLIC SERVICE TO BE HELD HERE ON MARCH 30 AT THE HIGH SCHOOL

The Veterans of Foreign Wars are planning for a public initiation to be held Sunday afternoon, March 30, at the high school. A team of 12 from Lansing V.F.W. will put on the initiatory work for a large class of candidates. The local organization now has 105 members.

Presentation of flags will be made by R. W. Herrick and speakers will include M. Hopper, department senior vice commander, and George Gee, district commander of the organization. Mr. Hopper will give latest information on veterans affairs in Washington. The national organization has increased 200 per cent the past year.

The public is invited to attend this initiation for an afternoon of real fun. The meeting will open at 2 o'clock. There is no charge.

50 Attend Rehearsal For Easter Program

Fifty members of the community choir were out for rehearsal of "The Messiah" Sunday afternoon when seating was arranged and cottas distributed. On Monday evening the group and their director, Worth Mallory of Clinton, were in Ann Arbor to practice with the Civic Orchestra which will appear with them on Palm Sunday evening at 7:30 in the Clinton high school auditorium.

Next Sunday arrangements have been made for recording several numbers and also for photographs of the choir.

"The Messiah" will be presented at the Presbyterian church here on Easter Sunday afternoon at 3 o'clock.

F. S. Anderson Hurt When Struck By Car

F. S. Anderson is recovering from painful cuts and bruises suffered early Saturday evening when he was struck by a car driven by Mrs. Frank Hamler, while crossing the Chicago-Evans street intersection.

Mr. Anderson was thrown about 15 feet by the impact. He suffered a cut on one leg, a small cut on his head, an injured finger and bruised shoulder. He was taken to Tecumseh hospital for treatment and later removed to his home on East Chicago Blvd.

GAY LARSEN TO WED PETER LOCKWOOD McGEE

Mr. and Mrs. L. W. Larsen held open house at their home on West Pottawatamie street Sunday when announcement was made of the engagement of their daughter, Gay, to Peter Lockwood McGee, son of Mr. and Mrs. Harold McGee of Hudson, Ohio. One hundred guests were received and were served by Misses Jackie Costigan and Haldee Prager, a sorority sister from Ann Arbor. Spring flowers were used in decorating.

Out of town guests were Mr. and Mrs. John W. Bradshaw, Miss Mary Helen Bradshaw and Mr. and Mrs. Lockwood Merriman of Ann Arbor, Mrs. A. R. Maclean, Miss Marguerite Deuel and Mr. and Mrs. A. D. Maclean of Chicago.

The wedding is planned for late summer.

$500 FIRE LOSS AT COZY CAFE

Fire, caused by a flooded oil burner, did about $500 damage at the Cozy Cafe just before midnight Friday night. The blaze which was confined to the floor, was extinguished with a 2½ gallon can of chemical. The interior of the restaurant was badly damaged by smoke.

TO WED APRIL 5

Invitations are being issued for the wedding of Miss Nina C. Marsh, daughter of Mrs. Nina Marsh to Andrew Burr Clark of Hanover, which will take place Saturday afternoon, April 5 at 4 o'clock at the Tecumseh Baptist church.

To Celebrate 50th Anniversary

MR. AND MRS. CLARENCE J. EXELBY

Britton Couple Married 50 Years

MR AND MRS. CLARENCE J. EXELBY TO OBSERVE ANNIVERSARY, SUNDAY

Mr. and Mrs. Clarence J. Exelby of Britton, will observe their 50th wedding anniversary on Sunday, March 23, with an open house from 3 to 6 p.m., at their home.

Mr. and Mrs. Exelby were married March 24, 1897, at the home of her parents, Mr. and Mrs. John T. Wiggins in Macon township. Mrs. Exelby was the former Fannie Jane Wiggins. They moved to their farm home two miles south of Britton where they lived for 13 years, and then moved to their present residence, at the westerly limits of Britton village.

The Exelbys have one son, Donald J., of Dearborn, and two grand children, Donald C., and Mary Jane. Mr. and Mrs. Donald Exelby and their children will be with his parents for the anniversary.

Both Mr. and Mrs. Exelby are enjoying good health. Mrs. Exelby will be 70 years of age on Monday, following the anniversary, and Mr. Exelby is 72 years of age.

Mr. Exelby has been active in the community affairs of his village and county, having served for four years as highway commissioner, several years as a member of the Britton village council, and for 13 years as a member of the Britton board of education. Both he and his wife are members of the Christian church of Britton.

Family Night Observed By The Baptist Church

Propaganda Is Town Hall Topic

RESEARCH DIRECTOR WITH GOVERNMENT IN EUROPE TO SPEAK MARCH 24

Dr. Theodore M. Newcomb, associate professor of sociology at the University of Michigan and research director with the government in Europe during the war, will be the speaker at the third Town Hall meeting at the high school, Monday evening, March 24, at 8:15. His subject will be "Propaganda."

It was the duty of the agency with which Dr. Newcomb was associated during the summer of 1945 to investigate the condition of the German civilian morale during and after the war. A staff of 100 odd interviews, of which Newcomb was a member, talked at great length with men and women from all walks of life in American, British and French occupied territory, but not those in Russian occupied territory. Interviewers were trained in research methods, as well as being thoroughly at home with the German language. An interesting analysis of official German records of the state of civilian morale throughout the war was made. The results of the study will be published under the title, "German Civilian Morale," but until the book is off the press certain of the most interesting findings must be considered as "off the record" so far as any publicity is concerned.

Dr. Newcomb received his Ph. D. from Columbia, at Lehigh University, at Western Reserve University and at Bennington College, Vermont. He also is the author of several books.

The public is invited to the Town Hall meeting, and admission is free. The cost of operating Town Hall is borne by the several clubs and civic organizations here.

Girls' Glee Club Will Will Concert, Sunday

The Girls' Glee Club of Cleveland Bible College will present a sacred concert at the Tecumseh Friends church at 7:30 p.m. Sunday, under the direction of Miss Jeannette Moore. Groups from the Bibe college have been much appreciated in the past, and the public is invited to hear the glee club Sunday evening.

A girls' trio from this college will sing on the broadcast of the "Quaker Gospel Hour" at 8:30 a.m. over station WABJ. The speaker on this broadcast will be the Rev. Edward Escolme, pastor of the Tecumseh Friends church.

The Glee Club will also present a program over WABJ from 4:35 p.m. to 5 p.m. Sunday afternoon, with Roger Wood, pastor of the Raisin Valley Friends church, announcing. They will sing again over this station on Monday morning at 8:15 on the "Morning Devotions" program sponsored by the Lenawee County Ministerial Association. The Rev. Escolme will be the speaker during this fifteen minute devotional period which begins at 8:15 a.m. over WABJ, Monday to Friday, March 24 to 28.

MISS SPAULDING SPEAKS TO HOSPITAL AUXILIARY

At the March meeting of Tecumseh Hospital Auxiliary held in the home of Mrs. Percy Bowen, Miss Gertrude Spaulding gave an interesting talk on "Cornelian Corner," a child welfare project. Committee reports were also given.

The next meeting will be held April 8 at the home of Mrs. R. F. Helzerman.

New Addition To Hayden Mill

FIFTH EXPANSION IN FIVE YEARS; TO BE DEDICATED AT SERVICE, SUNDAY

A new feed warehouse, the fifth addition in five years to the plant of Tecumseh's 112-year-old industry, Hayden Flour Mills, will be dedicated Sunday afternoon, March 23, at 2:30 at a public service.

The new addition will increase the total floor space of the plant to five times what it was 10 years ago. The addition, adjoining the present feed warehouse at the east end of the building, is the first step in a modernization program for increasing the efficiency and capacity of the feed mixing division of the business. Other stops now planned and soon to be put into effect are the installation of a pelleting machine, the doubling of the present corn shelling capacity, and the erection of a new feed mixing plant and additional feed storage, and molasses mixer.

The grain storage of the Hayden plant and the feed mixing capacity have been tripled, and the feed grinding capacity doubled in the past few years.

This is the fifth in a series of plant dedications to be held at the Hayden Flour Mills since 1938, when R. G. LeTourneau, of Peoria, Illinois, manufacturer of heavy grading equipment, spoke at the dedication of a new warehouse. Again on October 3, 1942, on July 3, 1944, and on September 30, 1945 new grain storage tanks were dedicated.

Rev. Worthy A. Spring, president of Cleveland Bible College, of Cleveland, Ohio, will speak. Selections will be sung by the girls choir of the same college. Edward Escolme, pastor of Tecumseh Friends Church, and Perry Hayden, president of the Hayden Flour Mills, will speak.

Perry Hayden stated that the growth of the business was only the natural result of tithing, and of applying the Golden Rule to all phases of the business.

"We have known personally many firms and business men who have consistently paid a tenth of their income to the Lord's work, but have yet to see the first failure when operating on that basis," said Mr. Hayden.

Perry Hayden's own "Dynamic Kernels" Tithing Wheat project, in which a cubic inch of wheat grew in six years to 70,000 bushels is another example of a tithing demonstration.

The Hayden Mill is operating 24 hours a day, selling a large portion of its output for export to Europe.

Mrs. Schuyler C. Easlick Dies In Florida Hospital

Mrs. Schuyler C. Easlick, aged 65 years, a resident of this community all her life, died Wednesday, March 12 in a hospital at St. Augustine, Fla. Mrs. Easlick was taken ill while enroute home from Florida with her husband and Mr. and Mrs. D. J. Sturtevant of Britton. They had been vacationing since January.

Mrs. Easlick was formerly Rhoda Palmer, a daughter of the late Albert E. and Isabelle Palmer, and was born December 8, 1882 in Ridgeway township where she spent most of her life. She attended the local schools and later St. Joseph's Academy in Adrian. For seven years she served as postmistress at Ridgeway postoffice. In November 1905 she was married to Mr. Easlick and they had lived for short times in Onsted and Hudson, but had lived in Britton the past 15 years.

Mrs. Easlick was a member of Tecumseh chapter, Order of the Eastern Star, a past president of the Britton Woman's Club and a member of the Ridgeway Methodist church.

Besides her husband she leaves a stepson Dr. Kenneth A. Easlick of Ann Arbor, a step-daughter Mrs. Enena Easlick of Cleveland, O., two sisters Mrs. Rhena Wright of Tecumseh and Mrs. Carrie Murphy of Britton, one brother Willis Palmer of Britton and three grandchildren.

Mrs. Murphy left Wednesday for Florida and accompanied Mr. Easlick and the body home on Saturday. Funeral services were held Monday afternoon at the Niblack Funeral Home in Britton. Rev. A. B. Johns officiated and burial was made in the Ridgeway cemetery.

BUY MARKERS

The local temple of Pythian Sisters has purchased memorial markers which are to be placed on graves of all deceased members before Decoration Day.

PAST MATRONS TO MEET

The Past Matrons Club of Tecumseh chapter, Order of the Eastern Star, will meet Wednesday evening, March 26, with Mrs. Edward Beal. Potluck supper.

Husband, Wife Injured In Accident on US-112

Mr. and Mrs. Leo W. Herbert of Detroit were brought to Tecumseh hospital early last Wednesday morning after their car had skidded on the ice on US-112 near Clinton and crashed into a tree.

Mrs. Herbert suffered head and pelvis injuries. Mr. Herbert was trated for cuts and bruises and released. Mrs. Herbert was transferred later to a Detroit hospital.

Indians Named On All-County

HAYDEN, HAMMACK PLACED ON MYTHICAL LCAA TEAM BY COACHES

At the recent Lenawee County Athletic Association meeting of coaches, the county mentors selected the mythical all-conference fives for the 1947 basketball season, and placed two Tecumseh men on the string.

The mythical team follows:

Hayden	F	Tecumseh
Kroh	F	Clinton
Gray	C	Addison
Hammack	G	Tecumseh
Reed	G	Blissfield

Added to the Indian laurels of having Bill Hayden and Ben Hammack on the first string, Coach M. E. Runk's quintet placed Harold Anderson on the second squad, and LaMar Cheever and Jim Sisson received honorable mention.

This gives mention to every player on the county championship Warrior five which outpoints every other quintet in the conference.

In the 16 games which the Indians played with only one loss, Tecumseh scored 589 points to their opponents' 440. The completed schedule was as follows:

24	Dundee	21	
37	Morenci	23	
33	Monroe C. C.	23	
48	Clinton	24	
31	Blissfield	25

Contest In Prospect For Ridgeway Offices

A contest for Ridgeway township offices is assured with two complete tickets in the field, both Republican and Democrat. Alex ander Gibson has been nominated as the Republican supervisor, and Raynor Benedict has been selected by the Democrats. Millard Cheever, who has been Ridgeway's supervisor since 1937, has declined nomination because of his health.

Other Republican nominees are: clerk, Mrs. Viva Brown; treasurer, Elmer Eberhardt; highway commissioner, William Filter; fulltime justices, William Kuster and Jay Ferman; justice to fill vacancy, Raiph Younglove; board of review member, Royal McElroy; constables, Earnest Wright, Charles Fairbanks, Holden McElroy and Lee Keeling.

The Democrats also nominated: clerk, Mrs. Mary Collins; treasurer, Mrs. Nellie Gall; highway commissioner, Clifford Underwood; fulltime justices, Everett Exelby and Joseph Brosamer; justice to fill a vacancy, Jennings Frayer; board of review members, Ernest Taylor; constables, Martin Ivan Jr., Alvin LaPoint, Daniel Linn and George Issen.

Fins Say Thank You For Gifts From Tecumseh

Junior Red Cross members of the East Branch school with Miss Margaret Roberts their sponsor, have received a letter of thanks from Finland for gift boxes sent by the group last November. The art classes of Tecumseh high schools have recently contributed walnut cribbage boards and lap boards which have been sent to Veterans hopitals in Nebraska and Wyoming.

REPUBLICANS NAME TOWNSHIP TICKET

Republicans of Tecumseh township met in caucus att he council building last week and nominated this ticket: Supervisor, LeRoy Titley; clerk, H. H. Hanna; treasurer, Amey K. Scutt; justices, P. C. Hanna and Clyde Barber; member of board of review, B. B. TurnBull, and highway commissioner, Geo. Sanford.

All nominees are present office holders. About 30 attended the caucus, and Mrs. Florence Howe served as chairman and Miss Bess Spayde was clerk.

Red Cross Asks $1,200 Locally

BUT THE DRIVE FOR FUNDS MUST WAIT UNTIL CHAIRMAN IS FOUND

The Lenawee county chapter of the American Red Cross has assigned a $1,200 quota to the Village of Tecumseh, but the drive for funds is marking time, pending the selection of a chairman who will head up the money-raising campaign. Thus, while other sections of the county are busy on their drives, Tecumseh is awaiting the organization of a fund-raising machine.

Thus far, it was said, it has been impossible to obtain a chairman for the local campaign, everyone approached pleading that he or she is too busy to devote the necessary time. Then, there are others who feel that the Red Cross should have been included in the regular Community Fund campaign, staged here last fall, but, it was pointed out, the Red Cross does not care to share in such drives. All other community enterprises are included in the Fund's budget, however, making it unnecessary for the operation of more than one money-raising campaign in a year.

In Lenawee county the Red Cross is seeking $8,300 from the City of Adrian and $7,228 from the remaining portion of the county.

Tecumseh township's quota, out side the village, is $255 and Mrs. Edward Aebersold is the chairman. Clinton's quota is $458 with O. E. Priest chairman. Franklin's $155, Mrs. Grover Swarts, chairman. Macon, $155, Mrs. Merle Croft; Raisin, $135, Mrs. Bennington; Ridgeway, $160, William Custer.

Students Get Medical Tests

COUNTY HEALTH UNIT HAS ONLY PRAISE FOR COOPERATION OF PARENTS

The Lenawee County Health Department nurses have completed their inspections in the rural schools and have recommended that approximately 650 rural children attend the medical conferences where Dr. H. C. Huntley will discuss their physical status with their parents.

The health department reports excellent cooperation from the teachers in the screening of their children, and loyal support from the people in the townships who are making arrangements for these medical conferences. They are especially grateful to Mrs. Lloyd Ruesink who has given much of her time to the organization of these conferences and who has been responsible for the appointment of a township health chairman in every township. These chairmen have appointed health chairmen in nearly every rural school in Lenawee county.

The medical conferences in this vicinity have been scheduled as follows:

March 25—Franklin township schools at Pythian Hall, Tipton.

March 27—Palmyra township schools at Palmyra Grange Hall.

April 4—Macon and Tecumseh township schools at home of Mrs. Clay Croll, Milwaukee Road.

April 8—Morning and afternoon—Raisin township schools at Holloway Presbyterian Church.

April 9—Morning—Raisin township schools at Holloway Presbyterian Church.

April 17—Ridgeway township schools at Britton High School Gymnasium.

The rural teachers will be notified two weeks in advance regarding the place where their medical conference will be held and the time of day their children should be present.

Local Band To Play At Music Festival

The District Music Festival for high school bands and orchestras will be held Wednesday afternoon and evening, March 26 at the Adrian high school gym.

Tecumseh high school band under the direction of Clare Camburn, will play "One Beautiful Day" by Hildreth, "Triumph of Ishtar" by Olivadoti and a March.

Those taking part in the evening festival are Hillsdale and Adrian Senior Hi orchestras; Jackson East Intermediate, Brooklyn, Reading, Hillsfield and Tecumseh high school bands and Hillsdale and Adrian Senior Hi bands.

All bands placing in the first or second divisions will be eligible to enter the state festival in Ann Arbor, April 19.

Judges are Mr. Foskemper of Detroit Symphony, Leonard Falcone of M.S.C., and Leonard Maretta formerly of Ann Arbor.

A SHOCKING TRUTH

With the date for filing income tax returns still fresh in our minds, we cannot but remember the oratory of the soap-box politicians in behalf of the little man, the average man, the under-privileged man, and their pleas for another billion or two for the benevolent increase in the size of government.

It is interesting to note the path down which this line of demagoguery is leading the little people, which means practically all of us. The point has now been reached where those with net incomes of less than $5,000 a year make up 96 per cent of all income taxpayers in the U. S. and they pay the treasury $10,137,000,000 a year, or 58 per cent of the total revenue from taxes on individual incomes. People with net incomes of more than $5,000 a year make up only four per cent of the taxpayers and account for 42 per cent of the take from personal income taxes.

Federal spending has reached the stage—30 to 40 billions— annually, where if all the income retained by the "rich" after present tax payments were seized, it would not make a noticeable dent in the tax burden. As one analyst has very modestly summed up the problem: "Congress, therefore, is having to face the hard fact that it takes a broad taxpayer base to support high-cost government."

The Pied Piper has played a merry tune and the little people who have followed him will soon know what the inside of the mountain looks like.

From where I sit ... by Joe Marsh

Do Men Like Women?

Maybe you read that recent article in a national magazine, claiming that American men don't really like the company of women. They just put them up on a pedestal and leave them there.

But I wouldn't say that that was so in our town. Look at any married couple—like the Cuppers. Jane wouldn't nag if Dee spent his evenings "with the boys"—but actually Dee likes nothing better than to stay home by the fire, sharing a glass of beer with Jane, playing cribbage, or just talking.

And when he does go out, for an afternoon of fishing down at Seward's Creek, or for an evening glass of beer at Andy Botkin's Garden Tavern, Jane is almost always with him (except when she's got a spot of baking in the oven).

From where I sit, respect doesn't rule out everyday companionship . . . and never should. They go together—essential parts of a successful marriage.

Yes, we have just everything that you will need to complete whatever construction you plan.

That's important, too, because you need never "shop around" for your items. That is another advantage of our three big yards.

Farm Buildings Need Constant Repair

During the war years, many farm buildings were neglected because materials were difficult and manpower was scarce. This year, however, both are available.

So, whatever your needs may be, new constructions, repairing or remodeling, we are in a position to serve you with all of the necessary materials.

You'll find it convenient, too, to shop at any one of our three yards—in Tecumseh, Britton or Clinton. Possibly, one of our yards may be temporarily out of just the materials you are looking for, but you'll be reasonably certain that you'll find it in one of the others.

CLINTON

Clinton Chamber of Commerce will meet Monday evening March 31 in the Town Hall.

The local P.T.A. has collected about 1000 lbs. of clothing and bedding for overseas relief. Articles may be left at the school, the churches or Lancaster's Garage.

A village owned lot on East Michigan Avenue has been offered as a site for the proposed new post-office building in Clinton and Detroit parties have offered to construct a concrete building to be leased by the federal government for the postoffice. The plan has been submitted to postal inspectors for approval.

Fire caused by a defective chimney caused considerable damage at the Floyd Jacobs home west of Clinton Friday morning. The flames were confined to a room over the kitchen and the Clinton fire department's prompt action kept the blaze from spreading. The damage was covered by insurance.

The South Bridgewater Extension Club met last Wednesday with Mrs. Fred Blumhardt when plans were made for the Recreation Day program to be held March 28 in Manchester. It's Too Late To Worry After the Crash!

Protect Yourself With Insurance

MOST OF US WORRY. Some of us worry when it is too late. Such is the case of the man who, after his car has been involved in an accident, worries because he was not properly insured.

ARE YOU THAT MAN? Is your car protected by insurance? What would happen if your car became involved in a serious accident? Would you be protected, fully, by the insurance you now carry?

ANSWER THE QUESTIONS HONESTLY! You can't afford to be underinsured. Damage suits sometimes wipe out home and business.

A MESSAGE FROM THE SECRETARY OF WAR

How you can help YOUR ARMY DO ITS PART FOR PEACE

WITH the President's proposal for the discontinuance of Selective Service on March 31, America will rely on voluntary enlistments for the maintenance of the Regular Army at authorized strength.

In view of world conditions today, this is a step of the gravest importance to every American citizen. Never before in history has any nation raised and maintained a million-man army by the volunteer system alone. Our ideals, our belief in individual freedom, our safety and our duty to promote world peace — all are bound up in this decision.

This is *your* Army, and voluntary enlistment is your choice. It must not fail. With your help it *will not* fail. The Army must continue to provide adequate occupation forces overseas, to supply these forces, and to help in keeping America strong and secure.

Your help and understanding can do much to encourage a steady flow of 3-year voluntary enlistments necessary to sound training and the efficient performance of the Army's task.

When you discuss this subject with your sons, brothers, husbands or friends who may be considering an Army career, bear in mind the advantages offered by a 3-year enlistment. Among them are the choice of branch of service and of overseas theater where openings exist, and the opportunity for thorough training in valuable skills.

A job in the new Regular Army compares favorably with the average in industry, and has more opportunities for promotion than most.

You can help by giving your respect and support to the man who enlists voluntarily — to do his part in carrying out your country's world-wide obligations to build a peace that will endure.

Payrolls Gain In 13 Industries

FIRST UPTURN IN EMPLOYMENT IN COUNTY NOTED DURING FEBRUARY

Employment in Lenawee county's 13 major industrial plants increased from 7,179 to 7,407 in mid-February, a gain of 228 workers, the first employment increase noted by the Michigan State Employment Service since mid-November, according to a bulletin by Clifford J. Rice, MSES manager.

Current expansion plans of the major employers calls for the addition of approximately 500 workers by mid-June, 400 of them by April 15. About 100 unfilled job opportunities are currently available at the MSES offices in Adrian.

On March 1, Rise said, there were 604 job applicants registered with the Michigan Unemployment offices.

Hiring of 755 new workers by the county's principal manufacturers during January more than offset the concurrent loss of 584 workers, including 167 layoffs. The separation rate, excluding layoffs, averaged 57 per thousand workers during January, an increase over the 51-per-thousand average in December.

Of the persons now unemployed in the county, the MUCC report listed as follows: 103 men and 84 women under the age of 25 years; 63 men and 49 women between 26 and 35 years; 29 men and 42 women between the 36-45 age, and 116 men and 118 women in the over-46-years age bracket.

Of the 134 male workers placed in employment during the month of February, 73 were veterans including 14 veterans with handicaps.

Tecumseh Man Heads Crop Growers Assn.

Leland Bush of Tecumseh was elected president and Percy Cadmus, also of Tecumseh, vice president of the Lenawee-Monroe Special Crops Growers' Association, at the annual meeting of the organization held in Blissfield. Russell Thompson of Petersburg was elected secretary and the board of directors includes Zell McCarty of Deerfield, Elwyn Isley of Palmyra and Joe Perry of Riga. The board will meet April 1 in Deerfield.

Program on Michigan Is Enjoyed By D. A. R.

Abi Evans chapter, Daughters of the American Revolution, was entertained Friday afternoon in the home of Miss Edith Ingersoll. The assisting hostesses were Mrs. C. H. Williamson, Mrs. Clark Engle and Mrs. Clare Beland.

Mrs. Arthur H. Brown, regent, presided at the business session when it was voted to give $5 to the American Red Cross. A box of clothing is to be sent to Tamassee School and members who wish to contribute garments are asked to leave them with Mrs. George Wittrup this week.

Miss Ethelyn Garlinghouse acted as leader in the absence of Mrs. D. F. Wright, who had prepared an interesting program on Michigan. Those taking part were Miss Ingersoll, Mrs. B. O. Pashore, Mrs. Beland, Mrs. Williamson, Mrs. Edward Beal, Mrs. Hoyt Whelan, Mrs. Wittrup and Mrs. H. H. Loveland. Mrs. R. S. Moore was in charge of the music which consisted of a solo "Michigan, My Land O'Lakes" by Mrs. Beal and assembly singing of "Michigan, My Michigan."

During the social hour tea and cookies were served.

The next meeting will be held the evening of April 11, at the home of Mrs. R. S. Moore.

John Hastings Dies: Was Former Resident

John Hastings, a former resident of Tecumseh, died Thursday at his home in Jackson after a long illness. Mr. Hastings was a son of the late John and Mary Hastings. He was born in Tecumseh and spent his early life here. Mr. Hastings was a moulder by trade and for several years taught brass moulding at the University of Michigan in Ann Arbor. He had been unable to work for about six years.

Survivors are the widow, formerly Minnie Clark of Clinton, a son Louis and a daughter Mrs. Alice Wheeler, all of Jackson, and three sisters, Mrs. Nejle Lawrence of Tecumseh, Mrs. Mary Miller and Mrs. Martha Mosher of Coldwater. Two brothers, W.J.C. Hastings and Charles Hastings preceded him in death.

Funeral services were held Saturday afternoon at the Horne Funeral Home in Jackson and the body was brought to Clinton for burial.

Mr. and Mrs. B. A. Lawrence and Mrs. Dena Wallace attended from Tecumseh.

Mrs. Emma Fluhrer was notified of the death of her brother Frank A. Parry which occurred Friday at his home in Detroit. Funeral services were held Monday with burial in Clio cemetery.

NEW MAN . . . They made a new man of Field Marshal Viscount Montgomery during his visit to Moscow by presenting the hero of El Alamein with a caracul and sable coat and a caracul cap. He doesn't look the same without the familiar beret and sweater.

DUTCH COURAGE . . . This is a street in "Bunker Valley," near Breskens, where the Germans once boasted an "impregnable" line of fortifications. Dutch families now occupy the bunkers. One woman has her weekly wash hanging out to dry on the remains of a pillbox. The lady in foreground is standing near the doorway of her pillbox home. Shell cases are used to make a fence. Walcheron was the key to the great port of Antwerp, and the Germans held it.

Any price is too high if it can be reduced — Fowler McCormick

International Harvester announces $20,000,000 price reductions

We believe there is nothing more important to this country than to lower the prices of the goods that people buy.

The American people have insisted that the government withdraw from its attempts to control prices in peacetime. That places the responsibility where it belongs—in the hands of business and industry. Not all business can reduce prices now. Not all can reduce by the same amount.

Our company has felt a duty to act as promptly as possible. In our case, the business outlook now makes it possible to move toward the goal of lower prices. The only way out of the vicious circle of higher and higher prices is to break through.

We have taken this step not because of present competitive conditions nor because of a drop in demand from customers. We have taken it because of our belief that ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED.

These reductions, which will save the users of our products approximately $20,000,000 a year, will become effective before April 1, and will apply to a selected list of tractor, farm machine, motor truck, and industrial power products. Since we lose money on a few of our products, and barely break even on some others, these reductions will not apply to our entire line. Reductions will be made individually on products. Some will be cut more than others. Exact details will be announced as soon as possible.

Our ability to maintain this lower level of prices will depend in part on what happens to the prices and flow of materials that we buy from others. Because we believe price reduction is vital, we are willing to assume the risks that are involved.

IH prices had not gone up as much or as fast as many others

Here are Average Price Increases since 1941

All Manufactured Products (U. S. Government Reports)	63.7%
Metals and Metal Products (U. S. Government Reports)	41.2%
IH Motor Trucks	35%
IH Industrial Power Products	34%
IH Farm Machines	25%

These benefits to customers will depend, too, on uninterrupted production at reasonable wage levels. This is not a program that can be carried out if it is hampered by strikes or work stoppages.

Our employes have had substantial increases in pay, and wage questions are currently being discussed with many of the unions with which we deal. Stockholders have recently had an increase in dividend rate. Having considered the interests of these two groups, we are now making these price reductions for the benefit of the third group—our customers.

Business, to our way of thinking, has a social as well as an economic responsibility. This company has long followed the policy of operating in the interests of three groups—its customers, its employes and its stockholders. The duty of the management is to see that equal justice is done as between the three groups.

This price reduction program is another demonstration of our policy in action.

IT'S CHEAPER TO KEEP WELL!

Don't Take Chances With an Aching Stomach

Of course, and particularly with children, there is often good and sufficient cause for an aching stomach. But it's very foolish to permit such an ache to continue for long without determining its cause.

Simple home remedies may be taken—never harsh remedies.

If the condition is not promptly relieved you should call your doctor. And, if he gives you a prescription to be compounded, bring it to us.

Wilmont C. Allen, 71, Is Buried at Macon

Services were held Friday at 1:30 from the Geer Funeral Home in Ypsilanti and later in the afternoon from the Macon Methodist church, the Rev. Wm. R. Shaw officiating, for Wilmont C. Allen, Ypsilanti resident, who died March 11 in University Hospital, Ann Arbor, from a cerebral hemorrhage. Mr. Allen had been ill for two weeks in his home, 124 College Place, preceding his removal to the hospital. Interment was in the family lot in Macon cemetery.

Mr. Allen was born March 30, 1876, in Macon, the son of the late Parker and Emma Allen. He was graduated from Tecumseh high school and from Cleary's Business College, Ypsilanti. He had resided in Ypsilanti for 35 years, and for a considerable time was employed by the city. For seven years he was employed in the Summit grocery store.

Surviving are his widow, the former Adelaide B. Chambers, whom he married June 7, 1902, a daughter, Mary Louise, at home, and a son, Stanley, of Philadelphia, Pa., also, a brother, Charles F., of Ann Arbor, and a sister, Mrs. Mabel Kempf of Milan, and several nieces and nephews. A sister, Bertha, (Mrs. L. B. Skinner) preceded him in death.

...yes, we'd like to say

THANK YOU

to the voters of Tecumseh

for the fine expression of confidence at the polls on Monday, March 10, when the new Progressive Party's candidates were endorsed 100 per cent by the electors.

Such an overwhelming vote of confidence in the elected officers imposes a very definite responsibility, an obligation to the citizens of Tecumseh which is fully recognized.

Your new president, trustees, clerk, treasurer and assessor will enter upon their duties next month, fully aware of their obligation; mindful of the fact that they are the servants of the people.

Tecumseh is a growing, progressive community. There is much to be done, many problems to be solved.

If your new government is to operate efficiently it must have the complete co-operation of those whom it serves. Feel free at any time to discuss with your "official family" any municipal problem that may arise. Express your opinions, voice your sentiments.

The door to your council chamber is always open. You will be welcome to all meetings, to learn, personally, of the problems your council faces.

You have given us a fine vote of confidence. Continue your support by giving us your complete co-operation. By doing this, all of us will benefit.

The PROGRESSIVE PARTY of Tecumseh

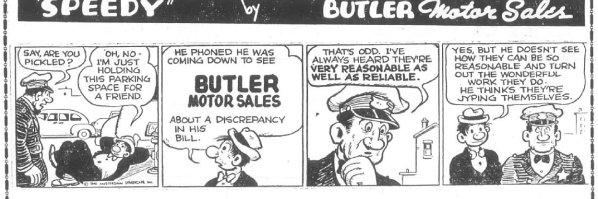
"SPEEDY" by BUTLER Motor Sales



SERVICE Is the Most Important Purchase You Make

There's no doubt about it, the service—the care and attention—that your car receives is the most important purchase that you make. It is far more imporant than the car itself because all cars, regardless of make, require service.

Upon the service that your car receives depends these important factors: Economical operation; carefree performance; high trade-in value when you buy another car.

We service all makes of motor cars and trucks. We service them with one idea in mind—to satisfy the customer. For more than 18 years we've had the reputation of being "the honest service garage."

If you'd like the most for your service dollar, we'd like to help you. See Harry Schuch, our service manager. He'll be happy to assist you in every way that he can.

PIMPLES Disappeared Overnight

Blackheads too. No waiting
Yes, it is true, there is a safe, harmless, medicinal liquid called KLEEREX that dries up pimples overnight as it acts to loosen and remove ugly blackheads. Those who followed simple directions and applied Kleerex upon retiring were amazingly surprised when they found their pimples and blackheads had disappeared. These users enthusiastically praise Kleerex and claim they are no longer embarrassed and are now happy with their clear complexions. Use Kleerex. If one application does not satisfy, you get double your money back. Ask for Kleerex today, sure.

NINETY-SEVENTH YEAR—NUMBER EIGHTEEN TECUMSEH, MICHIGAN, THURSDAY, MARCH 27, 1947 FIVE CENTS PER COPY

Flu And Storm Cut Attendance

MORE THAN HALF OF GRADE ENROLLMENT ABSENT TUES-DAY, REPORT SAYS

Despite a 50% absenteeism, due to sickness and colds, and drifted roads, W. L. Berkhof, superintendent, said that schools in Tecumseh would not close at this time. "Attendance was better on Wednesday than it was on Tuesday, and we hope that it will continue to improve," he said.

Schools in Clinton were closed Tuesday for an indefinite period, due to illness and the drifted highways.

The mild epidemic of influenza and colds and Monday night's wind, rain and snowstorm shattered school attendance here on Tuesday, with less than half of the students enrolled reporting for classes, W. L. Berkhof, superintendent, said.

In the high school, junior-senior division, about fifty per cent of the students reported for classes Tuesday and in the elimentary grades the reported absence was about 60 per cent.

"It is difficult to say just what caused the attendance drop, whether it was primarily sickness or the bad condition of the roads," Mr. Berkhof said in discussing the matter. "Of course, we had a large reported absence from classes on Monday, due to illness, but nothing as serious as on Tuesday."

The superintendent also said that six teachers were absent from their classes on Tuesday, at least half of that number reported ill. Others, he believed, were unable to get to school because of the snow drifts.

"We were just marking time on Tuesday, because it was impossible to complete assignments, or to issue new assignments because of the great number of absences," Berkhof said. "However, we hope that within a day or two we will be back to normal, with classes operating as usual."

Fog And Rain Storm Halt Town Hall Speaker

Monday evening's severe wind and rain storm, and the heavy fog that settled over this area between six and nine o'clock, made it impossible for Dr. T. M. Newcomb to make the trip to Tecumseh from Ann Arbor, to speak at the third Town Hall meeting at the high school. Dr. Newcomb attempted the journey but turned back after he was about five miles outside the University City.

Dr. Newcomb, associate professor of sociology, was scheduled to speak on propaganda. He spent some time during the war in Europe, investigating German morale.

The storm, likewise, dampened the spirits of local Town Hall attendants, and only about 30 persons were on hand for the program. Mrs. Truman Rentschler, president, presided, and about an hour was spent discussing plans for future Town Hall meetings and ways and means of creating greater interest in such programs.

15 Persons Enrolled In Leadership Training

Some 15 persons are enrolled in the Leadership Training Course, a section of the Adult Education Program sponsored by the public schools, Neville Hart, faculty member in charge, said today. The class was organized last Friday evening, and will continue each Friday at 7:45 for the next five weeks.

Tomorrow evening, parliamentary procedure will be the topic under discussion and Fred Stevens of the University of Michigan staff, will be in charge. Allied subjects will be used at subsequent sessions.

Mr. Hart stressed the fact that the course is open to any interested Tecumseh resident, and he pointed out that it is not yet too late to enroll. Persons active in club work should be especially interested in the course, Hart pointed out.

WOLTERS—SMITH

Miss Mary Jane Smith, daughter of Mr. and Mrs. William Smith, and Robert Wolters, son of Mrs. Pearl Elliott, all of Tecumseh, were married Saturday, March 22, at the Methodist parsonage in Angola, Ind. They were attended by Miss Mary Jean Wolters and William Powell of Tecumseh.

They will make their home in South Lyons.

PRESBYTETRIAN LEAGUE

The Presbyterian League will meet Tuesday evening, April 1, at the home of Mrs. Hubert VanCamp on East Logan street. Miss Bernice Parker and Mrs. R. B. Gillespie are the assisting hostesses.

Scouts Complete Plans For Waste Paper Pick-up

Boy Scouts and Cub Scouts of Tecumseh are making definite plans for their waste paper collection, to be staged here on Saturday, April 12, it was said today. Cub Scouts from Pack 4, and Boy Scouts from Troops 4 and 57, will participate.

"We hope that the residents of Tecumseh will cooperate with the boys in this very worthy enterprise," one man inerested in Scouting, said today. "The boys are working hard on the project, and I know Tecumseh folk would like to see them successful."

The waste paper collected will be sold to a Monroe mill on the same day of the collection, and funds received will go into the treasury to help build and equip the new Scout cabin in Elliott park, and for other equipment needed to carry on scouting activities locally.

3-Hour Service On Good Friday

WILL BE HELD AT ST. PETERS; PUBLIC WELCOME TO COME, GO AT ANY TIME

The annual observance of Good Friday will be held April 4 at St. Peter's Episcopal church with the usual three hour union service beginning at 12:30 p.m.

The Seven Last Words of Christ will be given, interspersed with prayer, responses and hymns. Rev. A. L. Ramsay will have the opening and closing and give the Fourth Word. Rev. B. O. Bashore will give the First and Sixth Words; Rev. Edward Bacolme, the Second and Seventh Words and Rev. A. C. Brazee the Third and Fifth Words.

All are invited to attend the service, either all or part, and will be welcome to enter or leave at any time.

80 Pairs of Shoes Given To Aid European Relief

The World Wide Guild girls of the Baptist church conducted services at the church Sunday morning for the purpose of collecting shoes for European relief.

The responsive reading was led by Dorothy Schumm and scripture reading by Priscilla Sisson. A special number was sung by the choir and Rev. B. O. Bashore delivered the sermon "Do Thy Will." Patty Patton and Lenore McKenzie were ushers.

Approximately 80 pairs of shoes were donated and were displayed on the rostrum.

The collection is still on and anyone who has a pair to give should call the Baptist parsonage. "Don't give a pair you wouldn't wear."

ROTARY-GRANGE MEET POSTPONED BY STORM

Because of Monday night's severe wind and snowstorm, the program planned by the Rotary Club at Tecumseh Grange Hall, Tuesday evening, was postponed for one week. The road leading to the hall was so badly drifted, as were other side roads, that it was feared that attendance would be greatly reduced.

FFA members and others will be guests of the club at the dinner meeting next Tuesday at 7 o'clock. Fay Whelan is in charge of the arrangements.

BRITTON COUPLE MARRIED 50 YEARS

Mr. and Mrs. Elmer G. Miller of Britton entertained Saturday afternoon in observance of their 50th wedding anniversary. Guests were served by Mrs. Viola Durham and Miss Dorothy Kehrl.

Mr. Miller and Effie Sampson were married at West Sumpter, Wayne county, Michigan, March 25, 1897 and have lived in their present home since 1915. They have three daughters, Edna at home, Mrs. Luella Kehrl of Northville and Mrs. Mabel Adrion of Blissfield, also one son Ervin of Garden City, 10 grandchildren and one great grandson.

TO WED IN JUNE

The engagement and approaching marriage of Barbara Darline Bater to William Beckey, son of Mrs. Chloe Beckey of Blissfield, is announced by her parents Mr. and Mrs. Lawrence Bater of 412 East Logan street. The wedding will take place late in June.

TO SPONSOR SUPPER

St. Peter's Guild will sponsor a parish potluck supper at the parish house on Maundy Thursday, April 3, at 6:45 p.m. Following the dinner there will be a devotional service and sound pictures will be shown.

Town Hall Will Talk About Tecumseh's "Growing Pains"

HERRICK, BERKHOF AND OTHERS TO APPEAR ON ROUND-TABLE DISCUSSION

A special Town Hall meeting, of unusual interest to every local resident, will be held at the high school next Monday evening, March 31, at 8 o'clock, when problems confronting Tecumseh as a growing community will be discussed. This meeting will be the first of two or three such sessions, it was said, if there is sufficient interest to warrant future discussions.

"The meeting that we plan is truly Town Hall," Neville Hart, vice-president of Town Hall Council, declared. "Instead of discussing national and international affairs, we will talk about our home town and its growing pains. There has been considerable demand for such discussions, and at Monday's meeting there will be half a dozen invited speakers and then the audience will be given an opportunity to ask questions and discuss, informally, ways and means of solving problems as they arise."

Ray W. Herrick, president of Tecumseh Products Company, heads the list of speakers at Monday's session. Mr. Herrick will talk about the growth and expansion of his factory, the need for the building of more homes, and other allied problems. Mr. Herrick, early in January, expressed a need for the building of 300 to 400 new houses locally if employees of his factory and other plants here are to be cared for.

Carleton Finkbeiner of Toledo, a member of an engineering firm employed by the village, will discuss Tecumseh's problems in connection with the expansion of sewer and water mains.

Wiley McCann, acting postmaster, will talk about the possibilities of obtaining a new postoffice building, the site for which has been purchased by the government on South Pearl street.

A. P. Cothran of Detroit, representing an engineering firm, will discuss the possibility of softening Tecumseh's water supply, a move long considered by village councils. Tecumseh's water is 20 grains hard, and presents many household problems.

E. M. Campbell, chairman of the board of trustees of Tecumseh Hospital, is slated to discuss some of the problems that confront that institution. The hospital is now crowded to capacity and there is a plan for enlargement under consideration.

W. L. Berkhof, superintendent of schools, will tell residents some of the problems that system faces in a growing community. Already, local school buildings are crowded to capacity, and classes are meeting in the parish house of St. Peter's church. What steps must be taken to meet and solve such a situation will be of interest to every resident, especially parents.

Fay Whelan, treasurer of Tecumseh Recreation Center, also is scheduled to speak. There are those who feel that play programs at Recreation should be expanded, and they will be given an opportunity to voice their sentiments at the meeting.

"We have seven speakers scheduled, but it is possible that we will not be able to get all the way through the program, depending, of course, upon the amount of discussion that follows," Mr. Hart said. "However, that is exactly what we hope will happen. If the people are interested; if they want to take part in a plan for solving some of Tecumseh's problems, then we will hold other meetings, and give everyone an opportunity to voice his or her opinions."

The Council has gone to considerable work to arrange the program and Hart expressed hope that there would be a large crowd on hand. "Tecumseh residents should be interested in their own problems and I can think of no finer way of solving them than through Town Hall," he declared.

HONOR PARENTS ON 50TH WEDDING DATE

Mr. and Mrs. Grenval Spangler entertained at open house Sunday at their home on Mill street honoring the 50th wedding anniversary of his parents Mr. and Mrs. H. A. Spangler of Morenci. Sixty guests attended from Toledo and Napoleon, O., Detroit, Flint, Ypsilanti, Adrian, Morenci, Weston, Cadmus and Tecumseh.

A family dinner for 22 preceded the reception.

TO WED MARCH 30

The wedding of Miss Lois Clark, daughter of Mr. and Mrs. Ed Clark of Tecumseh, and Russell Cheever, son of Mr. and Mrs. Millard Cheever of Britton, will be held Palm Sunday, March 30 at 4 o'clock in St. Peter's Episcopal church.

Fire Destroys Barn and Stock

$4,500 LOSS ON FARM NEAR HOLLOWAY; LOCAL DEPARTMENT RESPONDS

A large barn, 50x96 ft. and several head of prize livestock, were destroyed early Thursday in a fire at the Harry Dorrel farm near Holloway.

The fire, of unknown origin, was discovered at 5 a.m. by John Young, a neighbor. The Tecumseh and Adrian fire departments were called but the blaze was beyond control. The flames were kept from spreading to a nearby granery.

The loss estimated at $4500 included five head of cattle, four of them full-blooded 4-H project heifers; also two hogs, one an F.F.A. project; 450 laying hens; a tractor just taken home from the repair shop and several articles of farm equipment. The loss was only partially covered by insurance.

Funeral Services Held For Mrs. Robert Hyde

Mrs. Robert Hyde, aged 21 years, of Holloway, died Saturday morning at Tecumseh hospital where she had been a patient since Wednesday. Mrs. Hyde gave birth to a daughter on Friday and death followed complications.

Mrs. Hyde was formerly Elizabeth Marie Woolsey, daughter of Mr. and Mrs. John W. Woolsey of Ypsilanti and was born July 13, 1925.

Besides her husband, she leaves two daughters, Shirley Ann, 5 years and Elizabeth Marie, 5 days, her parents and two sisters, Mrs. Esther Wilkerson of Belleville and Mrs. Frances Todd of Royal Oak.

Funeral services were held Wednesday at the Collins Funeral Home, Rev. Jonathan Snow of Royal Oak officiated and burial was in Brookside cemetery. Bearers were Irving Shaw, Allan Eccles, Otto Baaske, Orville Dewey, Duane Gillin, and Earl Betser.

House Destroyed

Fire, which started around the stove pipe and then ate its way through into the second floor, completely destroyed the Ernest Griehwan farm home, two miles northeast of Birdsall, about 9 o'clock Tuesday evening.

The family fought the flames for a time and then called the Adrian fire department. The nearest telephone was at the Waldo Johnson store, Birdsall. The rural fire truck from Adrian was stalled twice in the snowdrifts in attempting to get to the scene.

Adrian firemen said that there had been no estimate of loss. The seven-room dwelling was of frame construction. Some of the furnishings were removed from the house.

Mrs. Sarah Rosenbaum Dies At Britton Home

Mrs. Sarah Rosenbaum, aged 75 years, widow of the late William Rosenbaum, died Tuesday morning at her home 1½ miles south of Britton. She came to Michigan from Illinois in 1920.

She leaves one son William of Britton and six daughters, Mrs. Lucille George of Maybee, Mrs. Bernice Meyers of Palmyra, Mrs. Bertha VanNest and Mrs. Louise Van Etten of Britton, Mrs. Stella Cox at home and Mrs. Evelyn Kopka of Tecumseh. Her husband and two daughters preceded her in death.

Funeral services will be held this (Thursday) afternoon at 2:30 at the Niblack Funeral Home in Britton. Burial will be in Ridgeway cemetery.

MAUNDY THURSDAY SUPPER PLANNED AT ST. PETER'S

The members of St. Peter's Episcopal church will hold a potluck supper on Maundy Thursday, April 3, at 6:45 p.m. Following the supper there will be evening devotions and the showing of a sound film from the Presiding Bishop's office, "Not By Bread Alone." This family dinner is under the direction of St. Peter's Guild assisted by the Daughters of St. Peter and the Lyster League. Those attending are asked to bring their own table service, sandwiches and one dish to pass.

LENTEN TEA

The Methodist W.S.C.S. held a Lenten tea in the church parlors yesterday afternoon. The program was presented by students of Adrian College.

Ridgeway Man Ends Own Life

BRICE MOREHOUSE, 53, VICTIM OF SHOOTING AT HIS HOME, SUNDAY

Brice Morehouse, 53, bachelor, whose home was on M-50 in the Village of Ridgeway, ended his own life by shooting, Sunday night, according to state police from the Clinton post. The body was found about noon on Monday.

According to police, Mr. and Mrs. Glen Furgason had lived in the Morehouse residence for about 15 months. Mr. Morehouse having occupied only a part of the house. The Furgasons were away from home on Sunday evening from about 7 to 10:30 p.m., and upon their return they saw a light in the Morehouse kitchen and bedroom. They thought nothing of this and retired. Monday morning they saw nothing of Morehouse and shortly before noon Mrs. Furgason went to his room. She found his body in a rocking chair. A charge from a 16-gauge shotgun which lay nearby had entered his head, and he was dead. State police fixed the time of death as sometime between 7 and 10 p.m., Sunday night. Coroner Paul Mott ruled with the police that death was suicide and ordered the body sent to the Niblack Funeral Home, Britton.

State police said that Morehouse left no suicide note. He had, however, suffered from a stomach ailment for several years, they learned. He had talked with his brother, Norris, about 7 o'clock Sunday night and seemed to have been in good spirits, it was said.

Surviving are two brothers, Norris of Tecumseh and Dale of Cleveland, three sisters, Mrs. Nova Lloyd of Tecumseh, Mrs. Neva Campbell of Toledo, and Mrs. Elsie Walker of Detroit. He was a son of the late Mr. and Mrs. George Morehouse of Ridgeway, and had spent his entire life in this community, having followed the cabinet maker's trade. He was a veteran of World War 1 and a member of the American Legion.

Funeral services were held at 2:30 Wednesday afternoon from the Niblack Funeral Home, Britton, with burial in Ridgeway cemetery.

Bert E. Bartholomew Buried In Brookside

Bert E. Bartholomew, aged 80 years, died Sunday at Tecumseh hospital where he had been a patient since March 17. Mr. Bartholomew, a carpenter by trade, suffered a severe heart attack while working at the Sloan farm southwest of town, and was found by workers as they were returning from lunch. He was taken to the hospital by ambulance.

Mr. Bartholomew was a son of the late Charles Bartholomew and wife and was born in Milan, January 5, 1867. He came to Tecumseh with his parents in 1880 and had spent the remainder of his life here. On June 25, 1891 he was married to Ada Penman who died July 9, 1943. He lived by himself at 509 East Pottawatamie street.

Survivors are one son Carl and three grandsons Carl Jr., Eugene and Bertram all of Adrian, two sisters Mrs. Harriett Knight of Tecumseh and Mrs. Lillian Packard of Detroit, and several nieces. A brother George Bartholomew also preceded him in death.

Funeral services were held Tuesday afternoon at the Green Funeral Home. Rev. B. O. Bashore officiated and burial was in Brookside cemetery.

SIX PLEAD GUILTY TO LARCENY CHARGES

Six persons, all former employees of the Clinton Machine Company, Clinton, were ordered to pay $25 fines and court costs after they had pleaded guilty to larceny charges. The men are: Carless Gumm and Lindy Dove, Tecumseh, Lane and Keith Elting of Manitou Beach, Frank L. Mitchell, Willis, and Herbert David, Clarks Lake. All except Gumm were arraigned on Saturday before Justice Leon VanDusen of Clinton. Gumm was arraigned on Friday before Justice John Lowe, Adrian.

State police say that the men stole, piece by piece, enough parts from the Machine company to build three one-cylinder motors, which are manufactured by the company.

CAMPBELL SPEAKS TO EXCHANGE CLUB

E. M. Campbell was speaker at this week's meeting of the Exchange Club held at Lyons House Monday evening. His subject was "Hospital Statistics." Ogland Lay, laboratory technician at Tecumseh hospital also spoke. George E. Green, Jr., was a guest.

Plans were discussed for Ladies' Night on April 14.

MRS. PERRY HAYDEN SPEAKS ON MEXICO

The Women's Association of the Presbyterian church met Wednesday evening in the church parlors with 33 in attendance. Hostesses were Mrs. Ted LaBounty, Mrs. Raymond Puffer and Mrs. Keith Barton. Mrs. Guy Pocklington was leader of the program which included a talk by Mrs. Perry Hayden on her recent trip to Mexico; an account of a bull fight in Mexico seen by Mrs. H. E. Whelan, and readings by Mrs. Pauline Kopke. Refreshments were served in conclusion.

School, Chapel Gifts To Macon

BOARDS OF FIVE SCHOOL DISTRICTS VOTE TO ACCEPT FAVORS FROM FORD

Gifts of the Ford-Pennington stone schoolhouse and the Martha-Mary Chapel, both in Macon, from the Ford-Edison Institute, were accepted by the school boards of five districts in the Macon area, it was announced today. Acceptance of the buildings is contingent upon completion of the necessary financial arrangements. The plan calls for the consolidation of small school districts in the Macon vicinity, and the operation of classes in the buildings through the ninth grade.

All residents of the area surrounding Macon are requested to attend a meeting next Tuesday evening at 8 o'clock in the Martha-Mary chapel, when the plan will be submitted for definite action. Mrs. E. T. Armstrong, county school commissioner, and Donald M. Currie, former superintendent of the Macon schools, have been asked to participate in the discussion. Mr. Currie is now a member of the Ypsilanti State Normal College faculty.

District board members present on Saturday when the vote to accept the gifts was taken were from Macon Districts 1-2-5-7, and Saline 12, fractional. William Gibson of Macon served as chairman and Mrs. Ida Mehler of Saline district, acted as secretary. It is likely that other districts will interest themselves in the plan, too.

Clinton Folk To Hear "Messiah"

LOCAL GROUP AND CIVIC ORCHESTRA, FROM ANN ARBOR, TO PRESENT PROGRAM

At the rehearsal for "The Messiah" held Sunday afternoon at the Presbyterian church, several recordings were made of chorus numbers and group photographs were taken.

"The Messiah" will be presented at the Presbyterian church here Easter Sunday afternoon, the Tecumseh members taking the solo parts.

On Palm Sunday the chorus of 60 voices will present "The Messiah" at 7:30 p.m. in the Clinton high school auditorium and will be accompanied by the Civic Orchestra of 45 pieces from Ann Arbor. Those in the group from Clinton who will take the solo parts are Mrs. Henry Vaughn, Mrs. Gilbert Wolfe, Mrs. C. Foltz and Mrs. Amos Wilson. A rehearsal will be held with the orchestra at 3 o'clock and will be followed by luncheon for the entire group. Worth Mallory of Clinton is the director.

At the time of the first presentation of "The Messiah" in London in 1743, King George II was so impressed with the "Hallelujah" chorus that he asked the congregation to stand. Since that time it has been the custom to stand during this chorus and also for anyone in the congergation who knows the number, to join in the singing.

Chas. A. Cutler Dies At Home In Birdsall

Charles A. Cutler, aged 62, died early Friday at his farm home near Birdsall.

He leaves four daughters Mrs. Ross Bradford of Hillsdale, Mrs. Leland Kapnick of Adrian, Mrs. Fred Arndt of Dearborn and Miss Annabelle Wilson of Clinton; eight sons Arthur and Andrew of Wayne, Allen of Holloway, Alfred of Canandaigua, Archie and Alva of Adrian, Algernon in Japan with the army and Armond Wilson of Clinton; also a sister Mrs. Harry Bogart, and a niece Mrs. Victor Clauds of Adrian and 18 grandchildren.

Funeral services were held Monday afternoon at the Green Funeral Home here. Burial was in Raisin Valley cemetery.

The Presbyterian League is planning a Mother and Daughter banquet to be held Tuesday evening, April 29.

Blizzard Stops County Traffic

MOTORISTS UNABLE TO BATTLE DRIFTS; UTILITY COMPANIES BUSY

With Spring four days old, the worst blizzard of the 1946-47 winter struck Tecumseh and Southern Michigan Monday night, and a near-complete paralysis of traffic during the early morning hours of Tuesday was reported throughout the county. In Tecumseh, wreckers were six and seven hours behind on their calls, and schools and industries reported heavy absenteeism because of the drifted highways.

The storm rode into this section early Monday evening with heavy wind and rain, thunder and lightning, turning to snow about midnight. Drifts higher than cars were reported in almost every direction from this village, particularly in the Irish Hills area. Eight cars were stalled between Tecumseh and Tipton during the early morning traffic hours, and one motorist, making the trip to Adrian, reported counting 26 cars in the ditches on the 13-mile journey. Traffic north to Clinton also was slowed to a snail's pace, and in the Macon-Britton-Ridgeway and Holloway areas reports were "complete isolation." A bridge was damaged on the Ridge road by the heavy downpour on Monday night, and another bridge on the Holloway-Palmyra road was feared unsafe for traffic.

"We had three wrecking crews at work all day on Tuesday," Louis S. Schneider of Schneider Bros. Garage, Inc., said. "We worked in shifts, but it was impossible for us to give motorists the service they would have liked, and that we would have liked to have given them. Our telephone rang constantly, and we just couldn't keep up with the calls." Similar reports came from other garages in Tecumseh.

In the village, dozens of motorists found themselves stalled in their driveways when they attempted to get their cars out on Tuesday morning. In some instances, snow had drifted so badly that it was impossible for residents to open their garage doors.

The snowfall was not heavy, about two inches, but the heavy winds caused it to drift.

Utility companies reported that they were experiencing considerable during Tuesday. The Consumers Power Company said that while a number of lines were down in the Ridgeway-Holloway area, they had received no reports of any "serious" break. Likewise, the Michigan Associated Telephone Company said that all of their damage was in the minor classification.

Near Ridgeway, on M-50, a tree was down across the highway, and had carried a telephone pole with it when it fell. This blocked traffic for a time Tuesday morning, until it was removed.

Satterthwaite Heads Diplomatic Mission

Joseph C. Satterthwaite of Tecumseh, veteran Foreign Service Officer, now assigned to the Department of State in Washington, D. C., has been designated by the President as his personal representative with the rank of minister to be chief of a special United States diplomatic mission to the isolated mountain kingdom of Nepal, between Tibet on the north and India on the south.

The seven-man mission headed by Mr. Satterthwaite will leave Washington on Sunday, March 30, going by airplane to India, then overland on foot or horseback to reach the capital of Katmandu, Nepal has a population of six or seven million persons and for many years has followed a policy of semi-isolation.

The purpose of the mission is to conclude an agreement of commerce and friendship with the government of Nepal and to make arrangements for the exchange of diplomatic and consular representatives between the United States and Nepal, as was invited by the Nepalese government in November 1946. Informal contacts between officials of the countries began in 1945. About that time the Nepalese minister in London visited the United States and the President. In 1946 a Nepalese goodwill mission spent several weeks in this country as guests of the Department of State and the War Department.

Mr. Satterthwaite entered consular service in 1926 and has served in Guadalajara; Mexico City; Buenos Aires; Argentine; Cairo, Egypt; Iraq, Persia; Ankara and Damascus. He returned to the states in 1945 and since has been in Washington.

The Senior Hi Fellowship will hold a Young People's meeting at the Presbyterian church Sunday evening at 6:30.

EVERYBODY WORRIES

The consumer is not alone in worrying about high prices. The manufacturer and the merchant are definitely disturbed, too. It is a problem that everybody is worrying about.

The manufacturer's and the merchant's interest in the price problem is plain enough. Consumer resistance is strong and it is increasing. When people think that prices are too high, they go without or purchase cheaper substitutes. Markets decline. And goods remain on store shelves.

The retailers of the country are devoting intense attention to this problem now. They are going to the mat with manufacturers, seeking ways and means to produce better goods for less money. Merchandise which may be over-priced or of less desirable quality is meeting with skeptical eyes.

In addition, all types of stores are cutting overhead in every way possible. Most of the savings find their way, directly or indirectly, into the pockets of the consumer. Prices are brought down or, of equal benefit, price increases that would otherwise be unavoidable are prevented.

Competition is the certain guarantee that the consumer will get the best break possible when he buys food, clothes, household appliances or anything else. Prices find the lowest level that is consistent with the conditions of the present.

So, the next time that you feel that prices are too high, shop around. If prices are consistent in all stores, remember: your merchant is having his headaches, too.

If you ever visit Jeb Crowell's farm, he'll take you right out on that back porch of his and show you his apple tree.

"There," ... Jeb, "is nature's noblest creation—fifty years, and bearin' still the finest cider apples in the county!"

But last fall, when a group of us was there, Lud Denny points across the river to his grain fields and says: "There's an even finer sight! Acres and acres of golden grain you can make dozens of appetizing things with—including wholesome, sparkling beer."

Both of them got so eloquent on the subject, that the rest of us worked up quite a thirst; so Jeb goes to the icebox for beer and cider. And when the refreshments come, Lud chooses cider, and Jeb takes the beer!

From where I sit, that's the answer to most disputes. You can talk all you want, but when it comes to tastes and preferences, there's just no argument.

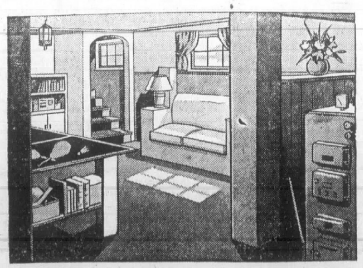
There's Extra Room In Your Home!

In these times of extreme housing shortages, it is entirely possible that with a little remodeling, perhaps on the second or third floor, you could make available one or two extra rooms or a small apartment that would bring happiness to someone, and add a neat sum to your income. We can furnish the needed materials.

Your Basement Rumpus Room



The whole family, especially the youngsters, would enjoy a rumpus room in the basement. Materials to make such remodeling possible are now available in our yards.

Twenty years ago girls never thought of doing the things they do nowadays. That's why they didn't do them.

* * * * *

A small boy who was buying a ticket for an afternoon movie was asked by the cashier why he wasn't in school.

"Oh, it's all right, ma'am," he replied. "I have the measles."

* * * * *

Madame: "Have you given the goldfish fresh water?"
Maid: "No, ma'am. They haven't even finished the water I gave them yesterday."

* * * * *

And this is for sure: If you wait until the oil in your crank case is "finished" before you change, you're going to have trouble, brother. Right now — and we mean today — drive in for prompt attention, courteous service and top quality gas and oil at economy prices.

Grange School Ends Meetings

BANQUET AND PROGRAM HELD ON FRIDAY EVENING AT GRANGE HALL

The Tecumseh Adult Evening School which has been holding a series of meetings each week since last January at the Tecumseh Grange Hall, concluded sessions with a banquet and program, last Friday night.

John C. Doneth of the Farm Management Department of Michigan State College, was the principal speaker, using as his subject, "The Outlook for Farming in 1947." He advised farmers to watch their farm expenses this year, and to be sure that any new purchase will justify itself by providing increased income. Otherwise, he warned that farmers should delay purchases.

W. L. Berkhof, superintendent of schools, spoke of the service the Tecumseh schools were rendering and are willing to render in the community and praised the work accomplished by David Locke, local agricultural teacher, who has had charge of the evening school. He also spoke highly of the progressive spirit of the farmers in this area who are anxious to avail themselves of these services, and to improve their farm programs.

Other numbers on the program included: community singing led by Earl Harris and his choir, and musical selections by the Beach brothers. Mr. Locke acted as toastmaster. He reported an average attendance at the meetings of 28, and expressed his appreciation for the fine cooperation he had received from the farmers, and Grange and all discussion leaders who had helped to make the school the success that it was.

PROPOSED AMENDMENTS (Proposal No. 1)

Proposed Amendment to the State Constitution Relative to the Non Partisan Primary Election of Judicial Officers in Cases of No Contest.

Proposed amendment to Section 23 of Article 7 of the Constitution, originated by Joint Resolution of the Legislature, and to read as follows:

Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of probate courts and all county judicial officers provided for by the legislature under section 21 of article VII of the constitution shall be non-partisan and shall be conducted hereunder. For the purposes of this section, all elections at which candidates for said judicial offices are nominated are designated "primary elections." Nominations for justices of the supreme court shall be made as may be provided by law. Any nominations for all other said judicial offices shall be made at non-partisan primary elections. This section is declared to be self-executing. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern primary elections and elections here under.

Nomination petitions for candidates at any primary election hereunder, in form as designated by the secretary of state, shall be filed at least 35 days before such primary election. Nomination petitions for judge of the circuit court shall be filed with the secretary of state, and for all other judicial offices effected hereby with the county clerk. Petitions shall contain the signatures, addresses and dates of signing of a number of qualified voters equal to not less than 2 per cent, nor more than 4 per cent, of the total number of votes cast for secretary of state at the last preceding November election in the judicial district or county, as applicable.

One separate judicial ballot containing no party designation shall be used for primary elections and elections hereunder. Such ballots shall contain the names of the candidates certified, or the nominees, as provided herein. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office. At any such primary election no voter shall vote for more candidates for any office than the number to be elected thereto. The candidates receiving the largest number of votes at any such primary election, to a number equal to twice the number of places to be filled, shall be nominated.

If upon the expiration of the time for filing petitions for the primary election of said judicial officer, it shall appear that as to any such judicial office on any non partisan ticket there is no opposition, then the officer with whom such petitions are filed shall certify to the proper board of election commissioners the name of such candidate for said judicial office whose petitions have been properly filed, and such candidate shall be the nominee for such judicial office and shall be so certified. As to such judicial office there shall be no primary election and such judicial office shall be omitted from the judicial primary election ballot. The provisions of this paragraph shall likewise apply where more than 1 candidate is to be nominated for any judicial office and there are no more candidates than there are persons to be nominated.

The Section of the Constitution Which Would Be Altered in the Event of This Proposed Amendment now reads as follows:

Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of probate courts and all county judicial officers provided for by the legislature under section 21 of article 7 of the constitution shall be non-partisan and shall be conducted hereunder. For the purposes of this section, all elections at which candidates for said judicial offices are nominated are designated "primary elections." Nominations for justices of the supreme court shall be made as now or hereafter provided by law; nominations for all other said judicial offices shall be made at non-partisan primary elections. This section is declared to be self executing. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern primary elections and elections here under.

Nomination petitions for candidates at any primary election hereunder, in form as designated by the secretary of state, shall be filed at least thirty-five days before such primary election. Nomination petitions for judge of the circuit court shall be filed with the secretary of state, and for all other judicial offices effected hereby with the county clerk. Petitions shall contain the signatures, addresses and dates of signing of a number of qualified voters equal to not less than two per cent nor more than four per cent, of the total number of votes cast for secretary of state at the last preceding November election in the judicial district or county, as applicable.

One separate judicial ballot containing no party designation shall be used for primary elections and elections hereunder. Such ballots shall contain the names of the candidates certified, or the nominees, as provided herein. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office. At any such primary election no voter shall vote for more candidates for any office than the number to be elected thereto. The candidates receiving the largest number of votes at any such primary election, to a number equal to twice the number of places to be filled, shall be nominated.

be filled, shall be nominated.

This amendment, if adopted, will dispense with the holding of primary elections for the nomination of certain judicial officers in those cases where the number of candidates whose petitions are filed for any such office does not exceed the number of candidates to be nominated therefor.

(Proposal No. 2)

Proposed Amendment to the State Constitution Relative to the Length of Time Corporations Shall Be Permitted to Hold Real Estate.

Proposed amendment to Section 5 of Article 12 of the Constitution, originated by Joint Resolution of the Legislature and to read as follows:

Sec. 5. No corporation shall hold any real estate for a longer period than 10 years, except such real estate as shall be actually occupied by such corporation in the exercise of its franchises: Provided, That in cities or villages with populations in excess of 5,000 as determined by the last federal decennial census or any federal decennial census thereafter taken, and including an area not exceeding 2 miles distant from the boundary limits of such cities or villages, a corporation may hold any such real estate as shall not be actually occupied in the exercise of its franchises for a period of not to exceed 20 years.

The Section of the Constitution Which Would Be Altered in the Event of This Proposed Amendment now reads as follows:

Sec. 5 No corporation shall hold any real estate for a longer period than 10 years, except such real estate as shall be actually occupied by such corporation in the exercise of its franchises.

This amendment, if adopted, would extend the period of time for which corporations are permitted to hold real estate from 10 to 30 years where the real estate is located in or within 2 miles of the boundary limits of cities or villages having populations in excess of 5,000.

Relative to Opening and Closing of the Polls

Act 72 - Public Acts of 1943

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no onger. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

HUGH H. HANNA, Township Clerk

MINUTES OF THE BOARD OF EDUCATION
MARCH 11, 1947

The meeting was called to order by the Secretary, Mr. Satterthwaite Members present were Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley and Dr. Helzerman. Member absent, Mr. Touborg.

The minutes of the last meeting were read and approved.

Upon motion made by Dr. Helzerman and seconded by Mr. Lindsley, the bills, as incorporated in the minutes, amounting to $2,285.41, were approved and ordered paid.

Following a discussion concerning financial problems which have arisen as a result of the Sales Tax Amendment, it was moved by Mr Lindsley and seconded by Dr. Helzerman that the adoption of a budget and the appointment of teachers for the next school year be delayed until further information concerning state aid for the next fiscal year is available. The motion was carried.

It was moved by Dr. Helzerman and seconded by Mr. Lindsley that the superintendent be authorized to investigate the advisability of developng a cooperative training program with local commerce and industry for the next school year. The motion was carried.

Upon motion made by Dr. Helzerman and seconded by Mr. Lindsley, the meeting was adjourned.

P. C. Satterthwaite, Secretary

We Expect Our Customers To Come Back

Operating a service garage in a rural community is far different than operating a similar garage in the metropolitan area. In the rural areas, customers MUST come back, if the garage is to be successful.

We've operated our service garage for more than 18 years and we're happy to say that we have scores and scores of customers whose cars we've serviced all of those years.

Just one thing kept them our customers—they were satisfied with the work that we did, and they were satisfied with the prices we charged.

If you'd like to join our list of satisfied customers we'd be happy to have you. Come in and tell Harry Schuch, our service manager, your car's ailments. He'll help you out of your difficulty and do it economically, too.

New Council To Assume Offices

JOHN C. TRUESDALE TO SUCCEED ELLIOTT AS PRESI- ... NEXT MONDAY

Tecumseh's newly elected president, John C. Truesdale, and other members of the Progressive party chosen at the election here last month will enter upon their official duties next Monday evening. Mr. Truesdale, head of the John C. Truesdale Monument Works, returned only last Sunday from the Mayo Hospital, Rochester, Minn., where he underwent surgery. He is recovering rapidly, and is spending much of his time this week meeting with members of the council and effecting the organization of his committees and preparing presidential appointments.

Mr. Truesdale succeeds J. Floyd Elliott, veteran member of the council and many times president of Tecumseh. Voters in last month's election saw for the first time in 11 years two tickets in the local political field and the Progressive party, although it was new, succeeded in electing its entire slate.

New members of the council who will take their seats are Charles H. Mensing, Geo. W. McCombs and Archie W. Porter. They succeed Howard W. Truesdale, J. H. Rohweder and E. H. VanVleet. The three members of the council whose terms of office did not expire with the election are B. B. TurnBull, S. Henry Smith and Geo. H. Adamson.

Charles M. Fay will succeed K. D. Hall as treasurer. Mr. Hall was not a candidate for re-election. Thomas N. O'Hara succeeds Lester C. Rogers as assessor.

Wade L. Jones, for many years clerk of the village, was a candidate to succeed himself, running on the Progressive ticket. Mr. Jones won an easy return to office.

Next Monday evening at 7:30 the present council will meet in the chambers at the council building, approve bills, listen to reports from committee and department heads, and officially complete all of its duties. It then will adjourn and the new president and council members will take over.

All council meetings are open to the public, and it is expected that several interested citizens will be on hand for this session.

Tecumseh Boys, Girls Warned of Kite Flying

Tecumseh boys and girls were warned today by Herman H. Koelbel, division manager of Consumers Power Company, against flying kites near electric wires.

"It's dangerous," explained Mr. Koelbel. "Anyway, it's more fun to fly kites out in the open, where there are no obstructions."

A wet kite string will conduct electricity, Mr. Koelbel pointed out. So will a dry cord with tinsel on it.

He cautioned against any attempt to recover a kite caught in electric wires.

"The only person who should climb an electric pole or try to dislodge any object from the wires," he said, "is a trained lineman. A boy who reaches into a line with a stick or rake is taking a very serious chance."

THREE MONTHS, 20 DAYS OF ICE IN THE RED POND

Perhaps you have been telling yourself that the 1946-47 winter has not been long, that it was not as cold as it was a year ago, and that Spring really, is just around the corner but—

Capt. Harry Chilson comes up with this fact. The ice in the Red Pond, (Tecumseh's mill pond) went out on Monday, March 31. According to his figures the pond was solid ice for exactly three months and 20 days. That, according to Capt. Chilson, is a long, cold winter.

So, maybe we're entitled to think that Spring IS just around the corner.

MRS. MARIAN ENGLISH IS DEAD AT CLINTON

Mrs. Marian B. English, 83, wife of Albert D. English of west of Clinton, died Friday night after a long illness.

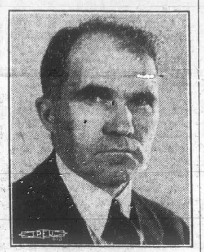
Besides the husband she leaves a daughter Mrs. Edward L. Wisner of Franklin township and four grandchildren.

Funeral services were held Tuesday at the Iron Creek Baptist church. Rev. Alvin Brazee officiated and burial was in Reynold Corners cemetery.

FINAL REHEARSAL

Final rehearsal for "The Messiah" will be held Saturday evening at 7 o'clock in the Presbyterian church.

Candidate



Judge M. E. Tripp

Judge Maurice E. Tripp of the Lenawee County Probate Court, whose home is in Hudson, is a candidate for the office of Justice of the Michigan Supreme Court at the April 7 election. If elected, he would fill the unexpired term of Justice Starr. Judge Tripp is well and favorably known throughout the state for his work in the juvenile delinquency. He is the only candidate running for the justiceship from Southern Michigan.

Britton Folk Wed 55 Years

MR. AND MRS. CASS ZELUFF TO CELEBRATE ANNIVERSARY ON APRIL 5

Mr. and Mrs. Cass D. Zeluff of Britton, will celebrate their 55th wedding anniversary next Saturday, April 5. Mr. Zeluff and his bride, the former Nellie B. Rappleye, were married in her home at Ridgeway on April 5, 1892.

Mr. and Mrs. Zeluff will leave on Friday for Paw Paw, Michigan, where they will spend about two weeks with friends and a distant relative, Mrs. Mit DeWaters. The Zeluffs have been spending much of their time at Paw Paw for several summers.

Mr. and Mrs. Zeluff have one son, Lawrence R., of Adrian, and three grandchildren, Richard, Larry Eugene and Carol Ann.

Mr. Zeluff is aged 76 years, and Mrs. Zeluff is 82. Both are in good health, although Mr. Zeluff recently recovered from a mild attack of pneumonia which kept him indoors from February 2 to March 12.

The Zeluffs have made their home in Britton all of their married life and until three years ago, Mr. Zeluff operated a general store in that village. He has been active in the civic affairs of the village, having served as its president for two years, for two years as treasurer of Ridgeway township, and for 25 years as a member of the board of trustees of Ridgeway Cemetery Association. He is a member of the Odd Fellows lodge and both he and Mrs. Zeluff are members of the Rebekahs.

Mrs. Louis Vageakos, 21, Dies Suddenly In Home

Mrs. Louis Vageakos, aged 21 years, died suddenly Saturday morning after suffering a cerebral hemorrhage at her home on North Ottawa street. Mrs. Vageakos was formerly Jacqueline June Cannon, daughter of Mr. and Mrs. James Cannon of Manchester, and was born in Nokomis, Ill., June 11, 1925. She was a graduate of Manchester high school and since her marriage to Mr. Vageakos, had made her home here.

Besides her husband she leaves an infant son Michael, her parents, two brothers William of Manchester, and James with the army in Japan and her grandparents.

The body was removed to the Jenter Funeral Home in Manchester and later was taken to South Bend, Ind., where the funeral services and burial were held Tuesday afternoon.

ELECTED TO STATE OFFICE

Mrs. A. H. Brown, Mrs. O. W. Laidlaw, Mrs. H. E. Whelan and Mrs. Edward Beal were in St. Joseph Friday and Saturday attending the 47th annual state conference of the D.A.R. Mrs. Brown, regent of Abi Evans chapter, was elected a director of the Michigan chapter.

WED IN BRYAN

Doris Rees of Manchester and William T. Underwood were married March 22 in Bryan, O., by the Rev. A. J. Hall. The bride is the daughter of Mr. and Mrs. Harold Rees of Manchester and the groom is the son of Claud Underwood and a grandson of Mrs. Maude Cummings of Tecumseh.

AUXILIARY TO MEET

Tecumseh Hospital Auxiliary will meet Tuesday evening, April 8, at the home of Mrs. R. F. Helzerman.

Light Vote Is Likely, Monday

LACK OF CONTESTS AND INTEREST IN AMENDMENTS SAID TO BE REASON

Because of a lack of local contests, and with little noticable interest in the two proposed amendments to the state constitution, a light vote is expected to be cast in Tecumseh and throughout Lenawee county on Monday when voters go to the polls in the biennial spring election.

Four ballots will be presented to each elector. On the Tecumseh township ballot, for the selection of local officials, there is but one ticket, the Republican. All present officers are seeking re-election. They are: Le Roy H. Titley, supervisor; H. H. Hanna, clerk; Amey K. Scutt, treasurer; Geo. Sanford, highway commissioner; Fred C. Hanna and Clyde A. Barber, justices of the peace; B. B. TurnBull, member of board of review; W. J. Hanna, B. W. Mominee, Roy Prichard and A. B. Harding, constables.

On the non-partisan ballot, for the election of justices of the Michigan supreme court and the Lenawee county circuit court, two of four candidates will be elected to the state office. Circuit Judge G. Arthur Rathbun of Tecumseh, is unopposed for re-election to the county office.

Three parties, the Republican, Democratic and Prohibition, are listed on the state ballot for the election of a regent of the University of Michigan, superintendent of public instruction, member of the state board of education, the state board of agriculture and county school commissioner.

Perry M. Hayden of Tecumseh, president of the Hayden Flour Mills, is the candidate for the office of member of the state board of agriculture on the Prohibition ticket. Milton C. Porter of Blissfield is unopposed for the office of county school commissioner.

There are two proposed amendments to the state constitution which will be decided by the voters. The first is a proposal to change the law governing the election of judicial officers in cases of lack of contest and the second deals with the length of time corporations shall be permitted to hold real estate.

Voting in Tecumseh will, as is customary, take place in the council building on South Evans street.

Miss Lois Elaine Clark Bride of Russell Cheever

Miss Lois Elaine Clark, daughter of Mr. and Mrs. Edwin J. Clark of Tecumseh, and Russell M. Cheever, son of Mr. and Mrs. Millard F. Cheever of Britton, were married Sunday afternoon at an impressive ceremony at St. Peter's Episcopal church. The Rev. Allan F. Ramsay read the double ring service before the altar decorated with palms, hampers of white stock and snapdragons, with crystal candelabra and lighted tapers.

Preceding the ceremony Jack Tonneberger presented an organ recital and accompanied Mrs. William Clark, aunt of the bride, who sang "Because" and "O Promise Me."

The bride, who was given in marriage by her father, was attended by her sister, Vivian, as maid of honor. The bridesmaids were Mrs. Alice Gibson and Miss Evelyn Gall of Britton and Janet Beal of Britton was the flower girl. Ronald Cheever served as his brother's best man. Lee Clark of Tecumseh and John Beal of Britton were the ushers.

Following the ceremony a reception was held in the parish house with Mrs. Ned Lanning, Mrs. John Truesdale, Jr., and Miss Joyce Service serving the 200 guests from Detroit, Monroe, Ferndale, Toledo, Adrian, Brooklyn, Britton and Tecumseh.

The bride graduated from Tecumseh high school in 1942 and from Cleary Business College in Ypsilanti in 1943. She is employed in the office of Tecumseh Refrigeration Sales and Engineering Company. Mr. Cheever graduated from Britton high school in 1942 and served 3½ years with the army in the European Area. He is now employed as a carpenter.

Mr. and Mrs. Cheever are enjoying a trip through the south and on their return will occupy an apartment at the home of her parents on Mill street.

ANNUAL CHURCH MEET

The annual meeting of the Presbyterian church will be held Wednesday evening, April 9 at 8 o'clock at the church. Rev. John Emig of Adrian, moderator during the vacancy, will preside.

FALSE ALARM

Tecumseh fire department was called Friday afternoon to 113 So. Maumee street, but it proved to be a false alarm.

Schools Close Tonight For Easter Holiday

The Tecumseh public schools will recess this afternoon for the Easter holiday, remaining closed until next Tuesday morning, W. L. Berkhof, superintendent, said today.

Acting on the advice of doctors and the board of education, Mr. Berkhof closed the schools here last week Thursday and Friday, because of the prevalence of colds and influenza among students. About one-half of the students were absent from classes last week Wednesday.

"The reaction to the closing was very helpful," Berkhof said. "We are having only a seven or eight per cent absentee list this week, and attendance is gradually improving." Berkhof said he believed that the flu and cold "bug" had about run its course.

New VFW Post Is Installed

OVER 100 PERSONS ATTEND PUBLIC CEREMONY HERE ON SUNDAY AFTERNOON

An attendance of over 100 persons witnessed the public initiation of Hall-Slater Post, Veterans of Foreign Wars, held Sunday afternoon at the high school. The initiatory degree was conferred on a class of 27 by a World War II team from Lansing Post, V.F.W.

Ray W. Herrick presented the post with a flag in memory of the following boys from Tecumseh Products Co. who were killed in action: Harold Tucker, New Guinea; Thos. Ruff, South Pacific; Vernon Cummins, Germany; Melvin Flager, France; Courtney Taylor, California; Don Lorenz, Philippines; Wilford Frolich, two Jima; Clifford Wheeler, New Guinea; Lester Wahl, Ireland; Harold Hull and Raynor Wilson, Italy; Glen Staup, France, and Joseph Marvin, Germany. The flag was accepted by Benj. Hammack and dedicated to those boys.

Merle Hopper of Lansing, senior vice department commander, told of veterans' affairs in Washington and George Gee of Milford, fifth district commander, was master of ceremonies and introduced the guests. A number attended from Dundee, Adrian, Hudson, Clinton, Lansing, Milford and Charlotte.

Toggery Shop Is Sold To Jim and Harold Green

Announcement was made this week that Jim Green of Adrian, with his brother, Harold, had purchased the Toggery Shop, local men's furnishing store, from James Mullaney, the new owners having taken possession on Monday of this week.

Mr. Harold Green is in active charge of the local store, and he plans to move to Tecumseh as soon as a suitable residence can be found. The Greens are well known in the clothing business, Jim Green having operated a men's furnishing store in Adrian for about three years, having purchased the former Heubner store. After he returned from service, Harold Green joined his bother in the business.

The local store will be closed after Easter for a week or 10 days to permit remodeling and decoration. Upon reopening, the firm plans to carry a complete line of men's furnishings, including shoes and ready-made suits and topcoats.

4-H CLUB BOYS ARE GUESTS OF ROTARIANS

Farm boys, members of the 4-H Club Tractor School in Tecumseh, and their leaders, who have just completed a 10-week period of training through the cooperation of Tecumseh's three implement dealers, were guests of the Tecumseh Rotary Club, at a meeting held Tuesday evening in Grange Hall. Ladies of the Grange served an excellent dinner, which was followed by a program.

Fay Whelan was chairman of the Rotary program committee and he introduced Mr. Wyatt of the Agricultural Bureau, Adrian, who explained the work that has been accomplished by the boys. This was followed by the showing of several reels of motion pictures.

At a business session, C. O. Butler, W. L. Berkhof and John R. Zeigler were elected to the club's board of directors, to take office in July.

TO WED APRIL 5

The wedding of Miss Nina Marsh of Tecumseh and Andrew B. Clark of Hanover will be held Saturday, Apriu 5 at 4 o'clock in the Baptist church.

O. E. S. MEET TONIGHT

Tecumseh Chapter, Order of the Eastern Star, will meet tonight for initiation.

Town Hall Audience Is Told Hospital Must Be Enlarged

OTHER "GROWING PAINS" IN CONNECTION WITH EXPANSION ARE DISCUSSED

A few of the problems that face this village as it strives to grow and keep pace with its rapidly expanding industrial program were discussed on Monday evening at the first in a series of local Town Hall programs at the high school. Some 150 persons listened attentatively and participated in discussions that followed as three speakers attempted to explain the cause of some of the "growing pains" from which the community is suffering.

E. M. Campbell, chairman of the board of trustees of Tecumseh Hospital, in a well-prepared 15-minute talk, informed his listeners that the community already has outgrown its hospital, that plans must be made for its enlargement, and that such an enlargement must come within one or two years. The hospital already is crowded to capacity, Mr. Campbell said, and it is attracting its patients from an ever-lengthening radius.

The board chairman pointed out that there were those who felt that the hospital was too large when it was constricted, and he pointed out that within two years after it was completed the first addition was built. Now, he said, plans must be in the making for a second addition, perhaps larger than the first, if the institution is to continue to serve the rapidly growing community.

In the nine years that Tecumseh Hospital has operated, Campbell declared that it has been self-supporting except for the sum of $6,500 which the council approved to "carry it over a rough period" and to make the institution a going concern. In recent months, however, the hospital has returned a profit, despite a number of improvements.

The speaker complimented the Hospital Auxiliary for its fine cooperation, and declared that every effort is being made to maintain a high quality of service. He urged, however, that the community begin to consider an expansion program which he believes must come as quickly as labor and materials are available.

Proposed expansion of Tecumseh's water and sewer systems, the installation of a sewage disposal plant, and the building of new streets, sidewalks, curbs and gutters, all a part of the more-than-a-million dollar program now under consideration by the village council and the planning commission were explained by Carleton Finkbeiner of Toledo, a member of an engineering firm employed by the village.

Mr. Finkbeiner pointed out that Tecumseh has recognized the need for these improvements since the first signs of the village boom, five years ago. He said that plans and specifications already have been completed to put the program into effect; in fact, he declared, recent storm sewers laid by the village are a part of the original program. He pointed out that the direction of Tecumseh's growth was anticipated, and that, from an engineering standpoint, the village is ready to proceed with whatever demands may be made.

The engineer warned that one of the first steps that must be taken by the village is to increase its water supply, declaring that it is not unusual for the community to demand and use a million gallons of water daily. Tecumseh's water supply is furnished from two wells and the council already has approved a plan for the location of a third well.

A. B. Cothran of Detroit, representing a chemical firm, was the third speaker, discussing the advisability of installing a municipal water softener. Tecumseh's water contains 22 grains of hardness, and is three and a half times as hard as rainwater. He pointed out that an expenditure of about $25,000 would make a softening plant available, and he declared that the saving realized by residents on soap alone would more than pay for the improvement in a few years.

Four other speakers were to have appeared on the program, including Ray W. Herrick, president of Tecumseh Products Co., Wiley McCann, acting postmaster, W. L. Berkhof, superintendent of schools, and Fay Whelan, treasurer of the Tecumseh Recreation Center. However, because of the length of Monday's program, due to the discussion that followed each speaker's remarks, there was not sufficient time to complete the numbers listed.

An expression was taken from the audience as to whether or not more such meetings should be held, and approval was unanimous. Mrs. Truman Rentschler, president of the Town Hall Council, then announced that another meeting would be held, probably in the very near future, when speakers who were to have appeared on this week's program would talk. Mr. Herrick was unable to attend Monday's meeting, having been called out of town on business at the last moment.

Mrs. Rentschler presided at Monday's meeting and Earl L. Wickwire acted as moderator.

Schools Study Gifts By Ford

DISTRICT CONSOLIDATION PROPOSAL DISCUSSED AT MEETING HELD IN MACON

Interested persons from nine school districts in the vicinity of Macon discussed plans for a possible consolidation of the units at a meeting held last Friday evening in Martha-Mary Chapel in Macon. It was proposed to operate the consolidated unit as an eight grade school, and to use the Pennington-Ford stone schoolhouse and the Martha-Mary Chapel to house the students. Both properties now are owned by the Ford-Edison Institute, and the area has been given to understand that the buildings would be turned over to a consolidated district as gifts from the owners.

In an unofficial ballot taken by districts, three of the five districts voting favored consolidation while one rejected it and the other came up with a tie vote. The total vote for the meeting was 48 in favor and 31 against the plan.

Districts favoring the plan were Macon 1, 12 yes to 6 no; Macon 5 (Merritt), 11 to 2, and Saline 12 fraction (Gleason), 11 to 3. Macon 2 (Mills) turned it down 9 to 5. The tie vote was in Macon 7 (Gibson 5 to 5. Other districts represented but not voting as districts were Saline 10, Clinton 1 and Macon 3 and 4.

A delegation was appointed to accompany Mrs. E. T. Armstrong, county school commissioner, to Lansing to consult with state school officials on the plan. The delegates elected are William Gibson, chairman, Richard Pennington, Mrs. Ida Bailey, Otto Hagans, Mrs. Marjorie Taylor, Mrs. Ida Mehler and Roscoe Smith.

Mrs. Armstrong explained the plan of the Edison Institute for making a gift of the Pennington stone school building and the Martha-Mary chapel for useful school purposes. Mrs. Mehler read a letter from Donald M. Currie of Ypsilanti, former Ford school superintendent here, favoring the proposed plan.

HAYDEN TRUCK WRECKED IN ACCIDENT ON M-50

A new heavy duty truck, owned by the Hayden Flour Mills of Tecumseh, was completely wrecked, Wednesday morning about 7 o'clock in an accident on the bridge at the foot of Bixby's hill, about midway between Birdsall and Adrian on M-50. The road was overrun by water at this point and a passenger car is said to have slowed down abruptly when the driver noticed the condition of the highway. Two other trucks and the Hayden truck were at the bridge almost at the same time and the local truck collided with one of the other trucks.

William Lace of Tipton was the driver of the Hayden truck. He suffered injuries to his face and one leg. Traffic was delayed for about 15 minutes because of the accident.

RADIO ENTERTAINERS ON EXCHANGE PROGRAM

A musical program by entertainers from Radio Station WPAG, Ann Arbor, will be enjoyed here on Monday evening, April 14, when the Tecumseh Exchange Club holds its regular Ladies Night Dinner at the high school. Leon P. Williamson is in charge of the program, and he has promised an evening filled with entertainment. The dinner will be served at 7 p.m.

At Monday evening's meeting of Exchange, at Brees House, the Rev. Edward Escolme, pastor of the Friends church here, spoke on the subject of "International Relations." The Rev. Mr. Escolme analyzed some of the important world affairs, and discussed them interestingly.

BAND POTLUCK

The Band Parents and members of the Junior and Senior bands will hold a potluck supper at the schoolhouse Tuesday evening, April 8. This meeting had been planned earlier but was postponed because of illness in the schools.

Special Easter Week Services Are Announced

TECUMSEH'S CHURCH PLAN SPECIAL PROGRAMS ON THURSDAY, FRIDAY, SUNDAY

Special services in observance of Eastertime will be held in the various local churches beginning with Maundy Thursday Holy Communion service tonight at 8 o'clock at the Grace Evangelical Lutheran church; and a devotional service following a potluck supper at St. Peter's Episcopal church. A Union communion service will also be held at 8 o'clock in the Baptist church and the annual communion service at the Friends church.

Union Good Friday services will be held at St. Peter's Episcopal church tomorrow from 12 till 3 p.m. Business places will close for this three-hour service. The Seven Last Words of Christ will be the theme of the service the following ministers participating: "Father Forgive Them for They Know Not What They Do," Rev. B. O. Bashore; "Today Thou Shalt Be With Me In Paradise," Rev Edward Escolme; "Woman, Behold Thy Son—Son, Behold Thy Mother," Rev. Alvin Brazee; "My God, My God, Why Hast Thou Forsaken Me," Rev. A. L. Ramsay; "I Thirst," Rev. Brazee; "It Is Finished," Rev. Bashore; "Father, Into Thy Hands I Commend My Spirit," Rev. Escolme. Rev. Ramsay will give the opening and closing and the words will be interspersed with prayer, responses and hymns.

Good Friday service will be held at the Grace Evangelical Lutheran church on Friday evening at 8 o'clock.

On Easter Sunday morning Easter services at Grace Lutheran will be conducted by Rev. J. A. de

SOCIALISTIC TREND

The old saying that the appetite of socialists cannot be satisfied is being demonstrated in England. Once socialism makes inroads on a nation's industries, it becomes only a matter of time until the whole economy of a country comes under socialistic attack.

England's Labor government began with the socialization of the coal industry. Production has not been increased, costs have not been lowered, and the minors are as dissatisfied as ever. Now, the next step in Britain is to take over the power and light industry though some of the best experts are extremely pessimistic as to the government's ability to better service or do anything except add billions more to the country's public debt. And, TO TOP IT ALL OFF, it is planning to extend vast and completely dictatorial government powers over farming, farm land, and even the farmers themselves.

The British farm bill contains optimistic terms and heavily stresses such alleged benefits as guaranteed prices and assured markets for agriculture. But it also has teeth—sharp teeth. For instance, the government reserves the right, under the law, to dispossess farmers by compulsory purchase of their land if they fail to comply with government directives and advice given by government agencies. In other words, the bill is written on the familiar totalitarian principle of "do as we tell you, or else."

There is a lesson here for all free nations, and especially those in the United States who have socialistic leanings. No economy can be part socialistic and part free enterprise. That is the basic issue when our government socializes, or attempts to socialize any field—whether is be industry, medicine or what not.

If government can provide power, lights, foods or medicine, it also can provide our insurance, our newspapers, in fact everything that we think that we need. And when that time comes, we are nothing more or less than servants of the government—the government no longer serves the people.

History, which is simply a collection of precedents, proves that conclusively—just as England is proving it now.

How Will State Finance Debts?

$270,000,000 BONUS, PLUS OTHER LIABILITIES WORRYING SIGLER

By Gene Alleman
(Special To The Herald)

LANSING—Running the Lansing one-man grand jury, complicated as it must have been, was "easy" compared with the staggering task now confronting Governor Kim Sigler, top executive of the State of Michigan.

When Sigler wanted to get things done, he had only to talk things over with Judge Leland W. Carr, Ingham County Circuit Court Judge. Sigler had no financial problem, as the State Legislature had provided adequate funds to cover needs of investigation and prosecution. The Carr-Sigler team swinging unitedly into action, got results in a hurry.

Contrast the above, simplified of course, with the 1947 job of being Governor of Michigan.

Instead of getting approval of one person for a program, Governor Sigler must submit his recommendations to the Legislature, membership of which includes 130 persons throughout Michigan and who represent all types of economic activity.

Governor Sigler came to the conclusion in February that a solution of the state's present financial dilemma was to re-submit the sales tax amendment to the voters at the April spring election. The House of Representatives agreed with his recommendation, but the program was upset by a majority of state senators who prevented the necessary two-thirds majority vote for approval.

Because of his experience with certain lobbyists during the Lansing Grand Jury investigations, Governor Sigler has carefully avoided applying political pressure on members of the Legislature and hence engaging in lobbying for his own administrative measures.

In his budget message to the Legislature on February 11th, Governor Sigler expressed his personal distaste for lobbying in the following words:

"There is no lobbyist for the aged. There is no lobbyist for the mentally afflicted. Dependent children have no representatives, except those public-spirited citizens who have been giving of their time in ther behalf, and the consciences of all good citizens. The taxpayer has no lobbyist. The man wo is burdened with taxation and abhors the thought of new taxes has no lobbyist. You and I must represent all the people, without bowing to pressure groups, without being worried about political futures."

Instead of having ample funds to get things done, Governor Sigler is faced with the dire and grim prospect of a staggering deficit. The voters of Michigan approved a $70,000,000 bonus for veterans of World War II without authorizing any taxation whereby such payments are to be financed.

How the Michigan veteran bonus is to be financed is as much a mystery today as it was one year ago, prior to the Michigan primary, when candidates were making political capital of the proposal.

Only last week a majority of the members of the House taxation committee, headed by Representative Elton R. Eaton of Plymouth, rejected an administrative proposal to finance the bonus by a two mill state property tax.

Such a tax would take priority over the needs of local government, and consequently it was vigorously opposed by representatives from areas in which 15-mill limitation cities predominate.

The Legislature is now nearing the final week of the third month of continuous sessions, and Governor Sigler finds himself in the situation of having no answer yet to this financial problem involving a mere $17,000,000 a year.

Governor Sigler's former associate in Grand Jury days, Judge Leland W. Carr, is now a member of the Supreme Court of Michigan.

This court is currently about to begin deliberations into the constitutionality of the controversial sales tax amendment, as adopted by the voters last November.

Uncertain as to what decision the Supreme Court will make, the State Legislature has been virtually marking time on the entire problem of state finances.

"Bill" Sisson Is Awarded Cage Tournament Medal

Max Brandt, manager of the Tecumseh Exchange Club basketball team, has been notified that "Bill" Sisson has been named as the recipient of an award of merit from his area's Gold Medal Basketball Tournament. The announcement was made by C. E. Long, chairman of the awards committee.

The Tecumseh team was unfortunate in drawing the strong Brooklyn V.F.W. team as its initial opponent. Brooklyn eliminated the former Indians and went on to take the runners-up position in the tournament.

Other final results were: Stoner's Service of Fayette, Ohio—champions; Morenci Athletic Club, third place; and Blissfield American Legion, fourth place.

The tournament was one of a series being held throughout the United States. Regulations called for sixteen leading amateur independent teams within a fifty mile radius of Adrian. Two of the games were broadcast by means of transcription over Radio StationWABJ, Adrian. The tournament is to be staged annually with the Adrian College Physical Education Department serving as the sponsorer and host.

Kroger To Hold The Line On Its Bread Prices

No increase in the price of bread during the next three weeks despite the fact that flour has risen to the highest level in the past twenty-seven years was pledged by Carl Fuller, branch manager in charge of Kroger stores in this area.

Mr. Fuller explained that his announcement was in keeping with the company's policy to resist inflationary food prices. He recalled that a similar policy on meats was announced through newspaper advertisements last fall after OPA controls were removed and meat prices began to soar.

"At that time Kroger was credited with helping to slow the upward surge and it is hoped that our present policy on bread prices will have a similar effect," Mr. Fuller said.

Although unable to predict bread prices on a long time basis, Mr. Fuller said that Kroger would make every effort to hold the line.

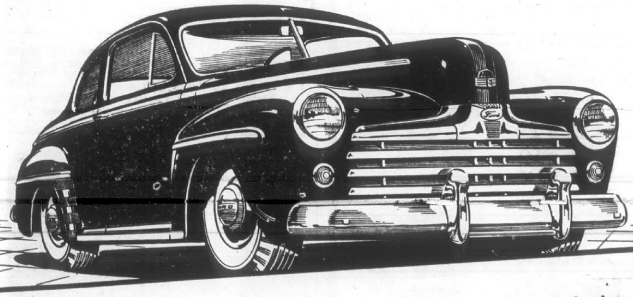
FORD
Offers the Lowest Priced Cars In Its Field!



The Ford three-window, six-cylinder business coupe is now back in production. The price has been reduced twenty dollars below the price which prevailed last fall when production on this model was temporarily suspended.

This reduction, together with those of January 15 ranging up to fifty dollars, makes the Ford business coupe and the two-door sedan the lowest priced cars in their field.

This is in keeping with Ford's policy of offering the greatest value at the lowest possible cost.

Easter Services

(Continued from Page 1)

Ruiter at 11 o'clock. Sunday school will precede the worship service.

A union Easter sunrise service and breakfast will be held at the Friends church at 7 o'clock Easter-morning. Young people from the Friends, Baptist, Methodist and Presbyterian churches will take part in the service which will include discussions on "The Risen Christ Appears" and "What Did the First Easter Mean;" selections by a male quartet composed of Bill Hayden, Charles Manley, Gordon Comfort and Wilfred Waldron; organ prelude by Mary Jane Hayden; scripture reading by Charles Bancroft and vocal solo by Dalton Van Valkenburg. Joyce Sallows from the Friends church will take part in the discussion.

The Sunday school and congregation of the Friends church will meet in a unified Easter service at 10:30 a.m. when familiar Easter hymns will be sung by the congregation and there will be special vocal numbers. The pastor will speak on "The Message of the Risen Christ" and there will be a public reception of the following new members: Mr. and Mrs. Leslie Gillin, Mr. and Mrs. Lester Randolph, Miss Margaret Smith and Mrs. Mertie Arnold.

At the Methodist church Easter morning Rev. Norman Mac Naughton will preach on the sermon theme, "Realizing the Resurrection."

Dr. Joseph A. Vance, pastor emeritus of the First Presbyterian church in Detroit, will occupy the pulpit at the Presbyterian church Easter Sunday morning. Dr. Vance who is 80 years of age, has been moderator of the general assembly of the Presbyterian church of America and is one of the outstanding ministers of the middlewest. Baptismal services will also be held Easter Sunday and those desiring to be baptized are to notify the session before that date.

At 4 o'clock in the Presbyterian church, Handel's "Messiah" will be presented by the community chorus of 53 voices under the direction of Worth Mallory. Soloists will be Mrs. Harley McConnell, Mrs. Edward Beal, Mary Jane Hayden, Fred C. Dickinson and Wallace Whiting of Tecumseh and Mrs. Henry Vaughan of Clinton. Mrs. F. C. Dickinson is the organist. The collection taken will be for the benefit of the community chorus.

On Palm Sunday the chorus presented "The Messiah" in Clinton where they were accompanied by the Civic Orchestra of 45 pieces from Ann Arbor. The school auditorium was filled to capacity for the presentation and the soloists were Mrs. Henry Vaughan, Mrs. Amos Wilson, Mrs. Carfon Foltz, and Mrs. Gilbert Wolfe of Clinton, Mrs. Harley McConnell, F. C. Dickinson and Wallace Whiting of Tecumseh. The chorus and orchestra were guests at a luncheon in the Congregational church following the afternoon rehearsal and preceding the evening chorus.

At the Baptist church on Palm Sunday the following children were dedicated: Milton James and Nancy Jo Nighswander, Lois Joy Anders, Marilyn Kay Beland, Janet Irene Bilby, Donna Lucille and David Allen Grigg. Mr. Sproull was born in Bridgewater township February 14, 1871, and Mrs. Sproull, the former Addie Rhodes, was born in Saline township, February 12, 1867.

They have four daughters, Mrs. Russell O'Hara, Mrs. Wallace Escott and Mrs. Florence Sloan, all of Clinton, Mrs. George Powers of Detroit, and one son Chester Sproull of Horton; also 20 grandchildren and 10 great grandchildren.

At the first meeting of the Cub Scouts and their parents held at the school, 29 boys were presented with registration cards by Harold Covell. Brief talks were given by T. B. Nilsen, Raymond Anglemyer, Charles Hause and Paul Dunham. The meeting closed with the tenderfoot ceremony conducted by the Scouts and their leader, Dr. E. V. Wight. Cub pack meetings are to be held the last Monday evening of each month.

The Congregational Women's Fellowship met at the church Friday for one o'clock luncheon in charge of Mrs. Lucy Kelly and committee. The program on "Thy Neighbor Beyond All Prejudice" was in charge of Mrs. Charles Spence.

At a recent meeting of the school faculty the following seniors were elected to receive awards at the commencement program in June: Dorothy Neblo, scholarship; Geraldine Anglemyer, school spirit; Audrey Hause, journalism; Kenneth Woodward, athletics; Royal Odell, shop; Kenneth Escott and Barbara Moats, citizenship.

The high school annual which goes on sale in May, is dedicated to the memory of those of Clinton school who died in World War II.

Miss Vivian Moats was home from college at Columbia, Mo., over the weekend.

Christian Schnerlia has returned from Alabama where he spent the winter and is with his sister and brother Miss Pauline and William Schnerlia. The family was notified of the death of their brother-in-law Olaf Ostman of Hastings. The funeral was held Wednesday.

The Junior Priscillas will meet this evening with Mrs. John Hause for a sewing meeting.

Dr. and Mrs. W. B. Hornsby have returned from Florida.

Golden Rod Chapter, O.E.S., will meet tonight for initiation and proficiency tests.

The Clinton Womans Club will meet Thursday, April 10 at the Congregational church for one o'clock lunch followed by a program and election of officers.

Rev. C. E. Foltz will remain as pastor of the Clinton and Macon churches for the coming year at an increase in salary.

Mrs. Katherine Wilson is at the home of her son Glenn Wilson and wife.

The Euchre Club will meet April 10 with Mrs. Christine Stout.

George Lancaster is recovering from an operation performed recently at St. Josph's hospital in Ann Arbor.

Miss Arxyro Caristianos, high school junior, was in Toledo recently attending a journalism conference given by the Toledo Blade, as representative from the school.

REFUSES TO WED GERMANS . . . Rabbi Lt. Mayer Abramowitz, army chaplain stationed in Berlin, has refused to perform any marriages between German girls and American soldiers of the Jewish faith.

RIDGEWAY

Just Like a Telephone Toll Line

Telephone toll lines, like the family bathroom, often are involved in traffic jams. It's simply a matter of too many people wanting the use of limited facilities at the same time. Today we're handling a record number of long distance calls on equipment to which we still have been able to make only limited additions. So if you have to wait before your call can be completed, we hope you will understand and be patient.

Protect Yourself With Insurance

MOST OF US WORRY. Some of us worry when it is too late. Such is the case of the man who, after his car has been involved in an accident, worries because he was not properly insured.

ARE YOU THAT MAN? Is your car protected by insurance? What would happen if your car became involved in a serious accident? Would you be protected, fully, by the insurance you now carry?

ANSWER THE QUESTIONS HONESTLY! You can't afford to be underinsured. Damage suits sometimes wipe out home and business.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above-named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for plaintiffs, it is ordered that the appearance of said above-named known defendants be entered herein on or before three months from the date of this order; and that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants, that he cause his answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ordered that said Plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan, in such case made and provided.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Alice M. Welch,
Deputy Clerk.

UNDERWRITING

JOHN R. ZEIGLER,
Attorney for Plaintiffs,
Business Address:
Tecumseh, Michigan.

April 17—Z

One separate judicial ballot containig no party designation shall be used for primary elections and elections hereunder. Such ballots shall contain the names of the candidates certified, or the nominees nominated, as provided herein. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office. At any such primary election no voter shall vote for more candidates for any office than the number to be elected thereto. The candidates receiving the largest number of votes at any such primary election, to a number not to exceed twice the number of places to be filled, shall be nominated.

If upon the expiration of the time for filing petitions for the primary election of said judicial officers, it shall appear that as to any such judicial office on any non partisan ticket there is no opposition, then the officer with whom such petitions are filed shall certify to the proper board of election commissioners the name of such candidate for said judicial office whose petitions have been properly filed and such candidate shall be the nominee for such judicial office and shall be so certified. As to such judicial office there shall be no primary election and such judicial office shall be omitted from the judicial primary election ballot. The provisions of this paragraph shall likewise apply where more than 1 candidate is to be nominated for any judicial office and there are no more candidates than there are persons to be nominated.

The Section of the Constitution Which Would Be Altered in the Event of This Proposed Amendment now reads as follows:

Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of probate courts and all county judicial officers provided for by the legislature under section 21 of article 7 of the constitution shall be non-partisan and shall be conducted hereunder. For the purposes of this section, all elections at which candidates for said judicial offices are nominated are designated "primary elections." Nominations for justices of the supreme court shall be made as now or hereafter provided by law; nominations for all other said judicial offices shall be made at non-partisan "primary" elections. This section is declared to be self executing. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern primary elections and elections here under.

Nomination petitions for candidates at any primary election hereunder, in form as designated by the secretary of state, shall be filed at least thirty-five days before such primary election. Nomination petitions for judge of the circuit court shall be filed with the secretary of state, and for all other judicial offices hereby with the county clerk. Petitions shall contain the signatures, addresses and dates of signing of a number of qualified voters equal to not less than two per cent, nor more than four per cent of the total number of votes cast for secretary of state at the last preceding November election in the judicial district or county, as applicable.

One separate judicial ballot containing no party designation shall be used for primary elections and elections hereunder. Such ballots shall contain the names of the candidates certified, or the nominees, as provided herein. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office. At any such primary election no voter shall vote for more candidates for any office than the number to be elected thereto. The candidates receiving the largest number of votes at any such primary election, to a number equal to twice the number of places to be filled, shall be nominated.

This amendment, if adopted, will **dispense with the holding of primary elections for the nomination of certain judicial officers in those cases where the number of candidates whose petitions are filed for any such office does not exceed the number of candidates to be nominated therefor.**

(Proposal No. 2)

Proposed Amendment to the State Constitution Relative to the Length of Time Corporations Shall Be Permitted to Hold Real Estate.

Proposed amendment to Section 5 of Article 10 of the constitution, originated by Joint Resolution of the Legislature and to read as follows:

Sec. 5. No corporation shall hold any real estate for a longer period than 10 years, except such real estate as shall be actually occupied by such corporation in the exercise of its franchises: Provided, That in cities or villages or territories in excess of 5,000 as determined by the last federal decennial census or any federal decennial census thereafter taken, and including an area not exceeding 2 miles distant from the boundary limits of such cities or villages, a corporation may hold any such real estate as shall not be actually occupied in the exercise of its franchises for a period of not to exceed 30 years.

The Section of the Constitution Which Would Be Altered in the Event of This Proposed Amendment now reads as follows:

Sec. 5. No corporation shall hold any real estate for a longer period than 10 years, except such real estate as shall be actually occupied by such corporation in the exercise of its franchises.

This amendment, if adopted, would extend the period of time for which corporations are permitted to hold real estate from 10 to 30 years where the real estate is located in or within 2 miles of the boundary limits of cities or villages having populations in excess of 5,000.

Relative to Opening and Closing of the Polls

Act 72—Public Acts of 1943

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

HUGH H. HANNA,
Township Clerk

Mar 27 - Apr. 3

PROPOSED AMENDMENTS
(Proposal No. 1)

Proposed Amendment to the State Constitution Relative to the Non Partisan Primary Election of Judicial Officers in Cases of No Contest.

Proposed amendment to Section 23 of Article 7 of the Constitution, originated by Joint Resolution of the Legislature, and to read as follows:

Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of probate courts and all county judicial officers provided for by the legislature under section 21 of article VII of the constitution shall be non-partisan and shall be conducted hereunder. For the purposes of this section, all elections at which candidates for said judicial offices are nominated are designated "primary elections." Nominations for justices of the supreme court shall be made as now or hereafter provided by law; nominations for all other said judicial offices shall be made at non-partisan primary elections. This section is declared to be self-executing. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern primary elections and elections here under.

Nomination petitions for candidates at any primary election hereunder, in form as designated by the secretary of state, shall be filed at least 35 days before such primary election. Nomination petitions for judge of the circuit court shall be filed with the secretary of state, and for all other judicial offices effected hereby with the county clerk. Petitions shall contain the signatures, addresses and dates of signing of a number of qualified voters equal to not less than 2 per cent, nor more than 4 per cent, of the total number of votes cast for secretary of state at the last preceding November election in the judicial district or county, as applicable.

This amendment, if adopted, will extend the period of time for which corporations are permitted to hold real estate from 10 to 30 years where the real estate is located in or within 2 miles of the boundary limits of cities or villages having populations in excess of 5,000.

THE TECUMSEH HERALD

NINETY-SEVENTH YEAR—NUMBER TWENTY | TECUMSEH, MICHIGAN, THURSDAY, APRIL 10, 1947 | FIVE CENTS PER COPY

School Budget Is Up $20,000

DISTRICT AUTHORIZES WAGE BOOSTS CONTINGENT UPON STATE ASSISTANCE

The board of education, in session Tuesday evening, adopted its budget for the school year of 1947-48 authorizing a total expenditure of $113,680, an increase of approximately $20,000. The boost is largely due to increases authorized in teachers' salaries, the latter being contingent upon state aid received from the sales tax diversion. The Tecumseh district expects to receive approximately $25,000 from this source and, as a result, the boost in the budget should not disturb local tax rates, it was said.

In connection with the proposed salary raises, the board agreed to adhere to the schedule provided state funds become available. Should some change be made in the state aid set-up, in all probability the board would be forced to revamp its budget program. Raises granted to teachers, next year, average between $400 end $500. The base pay for a teacher with a degree, but without previous experience, would be $2,250, a boost of about $450. The base maximum for teachers with a bachelors degree would be $2,600, and for teachers with a masters degree, $2,700.

The board approved and set up a schedule for the rental of text books in the school next year, but this program will not become effective unless 90 percent or more of the parents with children now in school give to the district the books their children are now using.

If parents cooperate with the district and turn over the books they now own, they will be able, next September, to rent all necessary text and work books for children in elementary grades at a rate of $2.50 each. In the upper grades, 9 to 12, the rental will be $3. This figure, however, includes lab and shop fees.

The rental plan was sponsored by the P. T. A., and it is expected that 100 percent cooperation on the part of parents will be received, due to the low cost of the rental program.

The board also discussed some adjustment program for teachers' salaries this year, but no action can be taken until it is known what funds will be coming from the state sales tax refund. It is possible that from $3,800 to $7,500 may become available.

The superintendent was authorized to review the district's insurance program with an eye toward increasing the coverage. This is due to boosts in building costs over the past two or three years.

Zeigler and Butler New Rotary Officers

John R. Zeigler was elected president of the Tecumseh Rotary Club and Charles O. Butler was named as vice president, by the board of directors of the organization, following a dinner meeting at Brees House, Tuesday evening. Other officers chosen, both of them re-elected, are Lester Rogers, secretary, and Geo. E. Green, treasurer. The new officers do not assume their duties until July, but election at this time is mandatory that they may attend a district conference of Rotary International at Detroit, April 24.

Mr. Zeigler will succeed Wade L. Jones as president, and Mr. Butler will succeed Mr. Zeigler as vice-president.

The club also voted to give $50 to the Easter seal sale to aid crippled children, and another $50 was voted as an initial payment to the Paul Harris Foundation, a $2,000,000 endowment fund being created by Rotary to further world peace.

Funds needed to send a Tecumseh boy to Boys' State at Lansing in June were appropriated by the board, the club's candidate to be named later. Rotary, each year, sends some local boy to Boys' State. Last year's candidate was Charles Manley.

LEGION HEARS OF YOUTH ACTIVITIES

At the regular meeting of Underwood-Orr Post, American Legion, held Thursday evening, A Ben Alber of Ann Arbor, in charge of Youth Activities, gave an interesting talk.

The Post voted $50 to the Children's Billett at Otter Lake. They had previously voted $50 to the Disabled Veterans of Michigan.

NOTICE

A group of Tecumseh people will appear on Radio Station WPAG at Ann Arbor, Sunday, April 13, from 2:15 to 2:30 in a 15-minute interview on "What Makes Tecumseh?" The dial number is 1050.

Eight-Room Farm House Is Destroyed By Fire

An eight room frame house on the Harold Mapes farm southwest of Onsted was completely destroyed by fire of undetermined origin shortly after 6 o'clock Sunday evening. The blaze fanned by the strong wind, was soon out of control despite the efforts of both the Onsted and Addison fire departments. Mr. and Mrs. Mapes were able to save only a stove, an ice box and a washing machine from the first floor. The loss is partially covered by insurance.

The family plan to remodel another house on the farm for temporary living quarters.

Phone Service Uninterrupted

TECUMSEH AND LENAWEE COUNTY NOT AFFECTED BY BELL WALK-OUT

Telephone service in Tecumseh and throughout Lenawee county was uninterrupted this week because of the strike of some 340,000 National Federation of Telephone Workers and affiliates, which tied up the nation's communication system and caused a general work stoppage in cities throughout the United States.

Telephone systems in the country are not affiliated with the NFTW and consequently their employees were on the job as usual. However, it was impossible to place a long distance call for points outside the county and industry and business generally was slowed down because of a lack of communication.

The Bell Telephone System said that "emergency calls"—if there were not too many of them—would be handled on long distant lines. They defined "emergency" calls as those dealing with fire, flood, wreck, tornado, riot, serious accident or illness, death or any other disaster requiring police, doctors, ambulances, etc.

Local Western Union offices reported that business was exceptionally heavy, because of the phone strike. Their service was not affected by the strike and many persons turned to the telegraph company when phone communication went down. Messages were being subjected to two hour delays over normal, it was said, because of the heavy load.

Scout Ceremonial To Be Held Here, April 16

New Scouts will be admitted to Troop 57 and other Scouts will be advanced in rank, next Wednesday evening, April 16, at 7:30 at a public ceremony in charge of Scoutmaster A. A. Musch in the New Youth Center of the sponsoring institution, St. Peter's church. The troop committee under the chairmanship of Fred Hadley will welcome all parents and friends of boys in Troop 57 who are cordially invited to attend the investiture.

Boys who will be admitted as Tenderfoot Scouts include Henry McCarbery, James Fielder, Raymond Seitz and James Wilson. Roger Sheldon will advance from Cub Pack 4 to Troop 57. The Raven Patrol has elected James Hite patrol leader.

The youth committee of the church, Glenn Driscoll, chairman, hopes to have the major part of the remodeling completed for the meeting. The new lighting for the center is being done by Forest Abner of the Tecumseh Electric Supply, a member of the troop committee, who with his co-workers, is donating the time and labor involved.

Miss Marilyn Wilson Bride of Gerald Driscoll

Miss Marilyn Wilson, daughter of Mr. and Mrs. Seaton Wilson and Gerald Driscoll, son of Mr. and Mrs. Glenn Driscoll, both of Tecumseh, were married Tuesday afternoon at 4 o'clock at St. Peter's Episcopal church by the Rev. Allan L. Ramsay. They were attended by the groom's sister and husband, Mr. and Mrs. Harry Crosby.

Following the ceremony a reception for friends and relatives was held in the parish house. Later Mr. and Mrs. Driscoll left on a trip to Detroit and Chicago and on their return will reside in Tecumseh.

Both are graduates of Tecumseh high school and Mr. Driscoll served four years with the Army Air Forces, part of the time overseas. He is now employed at Tecumseh Products Company. The bride is employed as secretary in the office of Luther Kemp at Tecumseh Products.

The Presbyterian League will meet Tuesday evening, April 15, at the home of Mrs. Harold Wilson on South Democrat street.

Flood Damages Mill Race Bank

LOCAL HYDRO PLANT OUT OF PRODUCTION; REPAIRS ARE UNDER WAY

Although Tecumseh and Lenawee county escaped, for the most part, the most damaging flood in many years of Michigan's history, the swollen waters of the Raisin River did break through the Middle Pond race banks here Saturday at 4 p.m., causing hundreds of dollars in damage and forcing the temporary shutdown of the hydro-electric plant in operation at the Globe Pond. P. C. Satterthwaite, owner, was unable to estimate the damage to the race, but declared that it would be heavy. He said that repairs are being made, and that the hydro plant would be in operation again soon.

Mr. Satterthwaite pointed out that there is plenty of control, insofar as gates are concerned, at the Standish, Middle and Globe Ponds, but he said that the pressure of the water was so great against the banks that it finally broke through. It was the first damage of its kind because of high water since 1914.

The Middle Pond has a race bank of about 2,000 feet and although it was under constant supervision from the time that the high waters started, on Saturday, workmen were unable to keep the floating timber and other debris out of the spillway in sufficient quantity to permit complete freedom of the water. It was about 12 inches above high stage when the bank gave way for a distance of about 100 feet. Damage to surrounding property was negligible.

At Saline, high water threatened the former Ford dam skirting US-112, and it was feared for a time Saturday afternoon and evening that this dam would go out. However, the efforts of scores of farmers, state police and highway department employees saved the structure. It was sandbagged and otherwise supported.

Traffic for a short time was halted at Saline, and for a period on Saturday and Sunday US-112 between Eloise and Ypsilanti was closed because of water over the highway. Other roads in that area, especially the Expressway, also were temporarily closed.

Water was over the highway at the foot of Waldron's Hill Saturday night, and on M-50 between Adrian and Billington's Corners, water flooded the concrete in a couple of places. The county road north of Billington's to US-112 also was temporarily closed. Water was over the road in several places on the Macon-Tecumseh road, and the road between Macon and Clinton was under water in one place making travel impossible.

The storm, which did millions of dollars worth of damage in Michigan, especially in the Flint-Pontiac areas, struck on Saturday. Locally, it started with a rain and electrical storm, early Saturday morning, which caused creeks and rivers to swell. At about 7:30 p.m., it was almost impossible for motor cars to operate, so strong was the wind and so heavy was the fall of rain. The evening storm lasted for nearly an hour.

Except in isolated cases, roads are now open to traffic, but it probably will be several days before all small bridges and culverts, flooded by the water, can be repaired.

Otto G. Garlinghouse Dies In Long Beach, Calif.

Word has been received here of the death of Otto G. Garlinghouse, which occurred Saturday in Long Beach, Calif., where he had made his home for several years. He was a son of the late G. B. and Minnie Gates Garlinghouse and spent most of his life in Tecumseh until going to California. He had been ill for several weeks. He was born in Tecumseh October 27, 1886 and graduated from Tecumseh high school and Cleary College in Ypsilanti.

Survivors are two sisters, Miss Ethelyn Garlinghouse of Tecumseh, Mrs. May Wilson of Detroit, and a brother, Dr. Arnet Garlinghouse of Charlotte, also one niece and two nephews.

The body will be cremated and the ashes sent to Tecumseh. Funeral services will be held Sunday afternoon at 3 o'clock at the Green Funeral Home and the ashes will be placed in the Mausoleum at Brookside cemetery. Rev. B. Q. Bashore will officiate.

MONDAY CLUB LUNCHEON TO BE HELD APRIL 14

The annual spring luncheon of Tecumseh Monday Club will be held Monday, April 14 at 1 o'clock in the Methodist church. Officers of the club will be hostesses and the program will be presented by a group from Siena Heights College in Adrian.

Three Cars Damaged At Billington's Corners

A Plymouth coupe belonging to Robert L. Wood was demolished in a collision at Billington's corners Friday evening about 6 o'clock. Charles S. Broughton of Carleton, going east, lost control of his car when he put on his brakes to avoid hitting another and ran head on into the Wood car which was going west. He then struck a car traveling west and driven by Forrest Denny of Adrian, which was badly damaged. The Broughton car was also demolished.

State police of the Clinton Post investigated the accident.

Easter Crowds Fill Churches

600 ATTEND PRESENTATION OF "THE MESSIAH" ON SUNDAY AFTERNOON

Easter services locally in the several churches were well attended, 80 being present for the union sunrise service in the Friends church and nearly 600 attending the presentation of Handel's "Messiah" at the Presbyterian church in the afternoon. The church was beautifully decorated with Easter lilies, hydrangeas and lighted candleabra, making a fitting background for the 57 choir singers in white cottas. Soloists were F. C. Dickinson, Mrs. Harley McConnell, Mrs. Edward Beal, Wallace Whiting, Mary Jane Hayden and Mrs. Henry Vaughan, and Worthy Mallory of Clinton deserves much praise for his efficient directing. The chorus is also grateful to the Methodist church for its use for rehearsals.

Several musical scores of "The Messiah" are still out and it is requested that they be returned to Mrs. R. S. Moore for filing.

Baptismal services were held at the Presbyterian, Friends and Baptist churches Sunday morning and at St. Peter's church Saturday afternoon.

Heidenreich Is Chosen As Eminent Commander

P. G. Hildenreich of Tecumseh was elected eminent commander of Adrian Commandery No. 4, Knights Templar at the annual meeting held Friday evening. Other officers are generalissimo, Dr. Charles H. Kingon of Adrian; captain general, Donald L. Frazier of Adrian; senior warden, Dr. E. C. W. Schubel of Blissfield; junior warden, Bertram S. Klappich of Holloway; prelate, Leo R. Curtiss treasurer, Earl G. Kuney, recorder, Leon W. Willnow, standard bearer, Theodore W. VanOrden, all of Adrian; sword bearer, Lawrence W. Larsen of Tecumseh; warder, William Jeffrey and sentinel, Milo L. Mitchell, both of Adrian.

These officers will be installed at a ceremony to be held Friday evening, April 18.

Raynor L. Lloyd Dies At Home In Ridgeway

Funeral services were held Friday afternoon for Raynor Lavern Lloyd, 41, whose death occurred April 1 at the home of his parents Mr. and Mrs. Henry Lloyd in Ridgeway.

Mr. Lloyd was born in Britton and spent his entire life in the vicinity.

Besides his parents he leaves two brothers Wesley of Clinton and William at home, two sisters Mrs. Elmer Robey of Britton and Mrs. Marjorie McLennan at home. A brother and a sister preceded him in death.

Rev. Allan Ramsay officiated at the service and burial was made in Brookside Cemetery in Tecumseh.

CLINTON STUDY CLUB TO BE GUEST HERE

The Child Study Club will meet Monday evening, April 14, in the Presbyterian church when the Clinton Child Study Club will be guests and Mrs. Irma Herrmann of Milan will be the speaker.

Hostesses are Mrs. Garth Hall, Mrs. Duncan Oliphant, Mrs. Virgil Tucker, Mrs. Howard Truesdale and Mrs. Robt. Manchester.

WALKER—BANCROFT

Helen Bancroft and David Walker, both of Tecumseh, were married Sunday, April 6, at 12:30 at the Methodist church by Dr. Norman MacNaughton. They were attended by Mr. and Mrs. Gerald Allen. They are making their home with her mother.

$100 ROOF FIRE

The fire department was called to the Lyle Cubberly home at 106 South Maiden Lane about 1 o'clock yesterday to extinguish a roof fire which did about $100 damage.

BOYS SEEK TO FURNISH NEW RUSTIC CABIN

Will You Help the Boy Scouts By Donating Your Waste Paper?

Another village-wide waste paper drive, the proceeds to go toward the purchase of equipment for their new cabin which will be built in Elliott park this Spring, will be staged in Tecumseh on Saturday, April 12, beginning at 9 o'clock, E. M. Campbell, chairman of the Rotary Club's committee on Scouting, said today.

"We want to make this collection the largest ever attempted by the Scouts here," Mr. Campbell said. "The Scouts are vitally interested in making it a success, because they realize that all of the proceeds will go toward equipping their new cabin. If we can realize $200 or more from the collection it will help materially."

Trucks needed to make the collection have been donated to the Scouts by business men, and Leslie Becker will be in direct charge of the pick-up, aided by Scouts from all local troops. The collection will start about 9 a.m., and will continue throughout the day, the trucks operating on all streets.

Persons having waste paper for the Scouts are asked to have it on porches or boulevards by 9 o'clock in the morning. It should be tied or otherwise secured so that the wind will not blow it away. If some persons find it inconvenient to bundle the paper, or if the quantity is large, they may call Mr. Campbell's Cleaning Shop and boys will call and do the work

"We don't want to overlook anyone who has paper to give to the Scouts," Campbell said. "We want to cooperate in every way that we can, and we know that the residents will cooperate with us."

In the last paper drive, the Scouts realized $156 from the sale. They hope that they can double this amount in the drive on Saturday.

Henry Ford Dies

BRAIN HEMORRHAGE IS FATAL TO INDUSTRIALIST; FUNERAL SERVICES TODAY

Funeral services will be held from St. Paul's Episcopal Cathedral, Detroit, today for Henry Ford, 83, founder of the Ford Motor Co., who died suddenly at 11:40 p.m., Monday, at his home in Dearborn. Death was due to a cerebral hemorrhage. Mr. Ford had been in his usual good health on Monday and had inspected several Ford properties, especially on flood water damage in the River Rouge area. He had planned other inspections for Tuesday.

Mr. Ford was a frequent caller in Tecumseh, often visiting his vast holdings in this area as much as four and five times a week, up to about four years ago. Ford properties here included about 10,000 acres of farm land, the store, chapel, several houses, and two mills and a large workshop in Macon, as well as a school here, (Brownville), another in the Holloway area, and others at Macon. The schools a year ago in the Tecumseh area were turned over to the local district, and Green Lane Academy was sold to private owners.

Mr. Ford also was for a considerable time vitally interested in Perry Hayden's Dynamic Kernels project and this brought him to Tecumseh frequently when the crop was planted on his land. Mr. and Mrs. Ford at one time were guests in the Hayden home for luncheon, and on another occasion he and his grandson, Henry II, were guests at a luncheon at St. Peter's church here.

The death of the world-famed industrialist now leaves his grandson, Henry II, in complete charge of the far-flung family-owned empire, the greatest the world has ever known.

PUBLIC INVITED TO GYM DEMONSTRATION

The Tecumseh Parent-Teacher Association has invited the public to attend a gym demonstration at the high school, this evening at 8 o'clock, the program taking the place of the regular P.T.A. session. Students from all grades will participate, with Miss Agnes Hansen and Miles Runk in charge. No admission will be charged.

PRESBYTERIAN WOMEN TO MEET APRIL 16

The Presbyterian Women's Association will meet at the church Wednesday evening, April 16, at 8 o'clock. Mrs. Clyde Bailey is program leader and Mrs. Stanley Kruse will conduct devotions. The hostesses are Miss Marie Koernig, Mrs. C. W. Boyce, Miss Ruby Preston and Miss Margretta Brisbin.

Only 186 Votes Cast On Monday

UNOPPOSED REPUBLICAN TOWNSHIP TICKET ELECTED AT POLLS HERE

Only 186 votes were cast in Tecumseh township on Monday in what might have been termed an uninteresting election, insofar as local voters were concerned. Only one ticket, the Republican, was on the ballot for township offices and all members were incumbents and were re-elected. The ticket was made up of LeRoy Titley, supervisor, H. H. Hanna, clerk, Amey Scutt, treasurer, Geo. Sanford, highway commissioner, F. C. Hanna and Clyde Barber, justices, B. B. TurnBull, member of board of review, and Wm. Hanna, B. W. Mominee, Roy Prichard and A. B. Harding, constables.

In neighboring townships these supervisors were elected: William Schneirla, R., Clinton; Herman Titley, R. Franklin; William Gibson, R., Macon; James Mitchell, R., Raisin; Raynor Benedict, D., Ridgeway.

Tecumseh joined with Lenawee county in giving Maurice E. Tripp, judge of probate, a fine complimentary vote for the office of justice of the Supreme Court. Judge Tripp defeating John R. Dethmers in the county by more than five to one. G. Arthur Rathbun, unopposed for re-election to the circuit judgeship, also received a handsome vote not only in Tecumseh but throughout the county. Milton C. Porter, Blissfield, was unopposed for the office of county school commissioner.

Tecumseh opposed the two proposed amendments to the constitution, as did most of the voters throughout the state.

Miss Nina C. Marsh Weds Andrew B. Clark

At a pretty wedding held Saturday afternoon at 4 o'clock in the Baptist church, Miss Nina C. Marsh, daughter of Mrs. J. Nina Marsh of Tecumseh, became the bride of Andrew Burr Clark, son of Mr. and Mrs. Burr Clark of Hanover. The double ring service was performed by the Rev. Charles Marsh, of Detroit, brother of the bride and the Rev. B. O. Bashore, pasor of the church.

As the wedding party took their places before the candle lighted altar, decorated with palms, Easter lilies and large hampers of white snapdragons, F. C. Dickinson sang "O Promise Me" and "I Love You Truly" accompanied by Mrs. Dickinson who also played the wedding march.

The bride who was given in marriage by her brother Frank Marsh, wore a street length dress of light blue with shoulder length veil and corsage of pink and white carnations and carried a white Bible. Mrs. Ray Marsh, the matron of honor, wore a gray dress, street length, and Miss Margaret Reeves, bridesmaid, wore navy blue, both with a corsage of carnations. Henry Clark of Hanover was his brother's best man. Mrs. Marsh and Mrs. Clark both wore navy blue with corsages of carnations.

Following the ceremony a reception was held in the church parlors for 50 relatives and friends from Hanover, Jackson, Detroit, Pontiac, Ridgeway, Clinton and Tecumseh.

They will make their home for the present with Mr. and Mrs. Ray Marsh.

The bride received her education in the Tecumseh and Ford schools. The groom is a graduate of Hanover high school and is now employed as a driver for Michigan Motor Freight Lines.

Truesdale In Mayor's Chair

NEW COUNCIL TAKES OVER VILLAGE GOVERNMENT AT MEETING ON MONDAY

John C. Truesdale, newly elected president of the Village of Tecumseh, and other members of the Progressive Party chosen in the March balloting, officially took their offices when the council met in regular session, Monday evening.

Mr. Truesdale withheld most of his appointments after he had assumed the mayor's chair, declaring that he had not had sufficient time to consider all phases of the office since returning 10 days ago from the Mayo Hospital, Rochester, Minn., where he underwent surgery. However, he said that the appointments would be forthcoming when the council meets on April 21.

The new mayor did reorganize the Brookside Cemetery board of trustees. He named Ellsworth A. Collins to succeed John R. Nyland whose term of office had expired. The council accepted the resignation of Wade L. Jones as a member of the board and Truesdale appointed M. G. Partridge to succeed him. Mr. Collins' term runs until 1950 and Mr. Partridge's until 1949. D. F. Wright, the other member of the board, serves until 1948. The appointments were confirmed.

The only other act of the new mayor was the appointment of a finance committee. He selected Geo. H. Dickinson as chairman, to be assisted by B. B. TurnBull and Charles Mensing.

The council approved beer and wine licenses for the Rocket Tavern, Tecumseh Recreation and Tecumseh Tavern, and club and dance permits for the American Legion, the Eagles Club, and the Tecumseh Club. A petition from residents of Pottawatamie street west of Adrian street, asking for the installation of curb and gutter, was received and referred to the street committee to report its findings back to the council. Eleven property owners signed the petition.

The old council, with J. Floyd Elliott as president, met previous to the organization of the new government, and transacted its business. Reports of the several committees and department heads were heard and Clyde A. Barber, accountant, was authorized to audit the village books.

The council also authorized the water department to drill either a test well or a permanent well at its pumping station site and rescinded a previous resolution restricting the size of the well. The department felt that the drilling of a test well was unnecessary because of the certainty of water in the area.

Mayor Elliott, in adjourning the council session, expressed his appreciation to members of the group for their support and loyalty during the six years that he had served as president. Retiring with Mr. Elliott were E. H. VanVleet, president pro tem, who has served for 14 years on the council. In that period he has been absent only three times from official or special meetings, believed to be a record in the village. The other retiring councilmen were J. H. Rohweder and Howard Truesdale.

Taking office with Mayor Truesdale were Councilmen Charles Mensing, Geo. McCombs and Archie Porter. Charles Fay, treasurer, and Thos. O'Hara, assessor. Wade L. Jones, veteran clerk, was re-elected on the Progressive ticket.

EXCHANGE LADIES NIGHT NEXT MONDAY EVENING

Fourteen entertainers from radio station WPAG, Ann Arbor, will present a musical variety program at the Ladies' Night dinner of Tecumseh Exchange Club, to be held Monday evening, April 14, in the high school. Dinner at 7 will precede the program which is in charge of Leon P. Williamson. Dancing will complete the evening's entertainment.

TO WED IN MANCHESTER

Invitations are out for the wedding of Miss Rosemary Schwab, daughter of Mr. and Mrs. Carl F. Schwab of Manchester and Louis Lowe Schneider of Tecumseh, on Saturday morning, April 12, at 11 o'clock in St. Mary's church in Manchester.

WHAT PRICE STRIKES?

In an effort to measure the cost to workers, industry and the public at large, the American Economic Foundation has made a survey of five of the principal postwar strikes. The conclusions gleaned are necessarily incomplete, due to the many intangibles involved, but it is evident that the cost is immeasurably greater than most of us realize.

Between September 1, 1945, and September 30, 1946, more than 124,000,000 man-days were lost because of strikes, according to the Bureau of Labor Statistics. Assigning eight hour to each day, and assuming that the lower figure of $1 per hour was the average wage, this means that more than $998,000,000 was lost in direct wages alone, to say nothing of the infinitely greater loss in production of goods, related layoffs in other industries, etc.

In the coal strike in the Spring of 1946, wage loss to miners, according to the Bituminous Coal Institute, totaled $145,000,000. But that was only the start of it. According to the CPA administrator, the secondary cost, measured in lost production affecting all Americans, was $2,000,000,000 more.

So it goes, down the long and dismal list. The worker loses, industry loses, and the public loses most of all in unprocured goods, lost opportunities, diminished returns on investments, fewer jobs. The total loss is obviously incalculable.

The only solution, it seems, is a system of arbitration which will keep industries producing while the pros and cons of labor disputes are thrashed out. Then the worker will get whatever benefits his case entitles him to, and the country will be spared the shutdowns which have made normal production impossible.

The sooner everybody learns this, the better off all of us will be.

From where I sit ... *by* Joe Marsh

And That Ain't Hay —Or Is It?

I guess all of us secretly hanker, from time to time, for the good old days and the good old-fashioned pleasures. [illegible] Buddy Richards done a thriving business reviving the old-time hayride.

With a team of horses, and a stout straw-bedded rack, Buddy can take as many as thirty adults—at fifty cents a head!

Two or three times a week they start from Town Hall, and go out along the river; stop for a friendly glass of beer at Shoreside Tavern; and come home by way of Pound Ridge . . . nine miles in all.

Not very exciting you might say. But from where I sit it's not excitement that we need these days—but those simple country pleasures that are part and parcel of America—the old-fashioned hayride, with its song and jollity; the horseshoe games; the friendly glass of beer; and the good companionship that they engender.

DIAMOND SHAPES . . . Bing Crosby and Bob Hope take a detour from "The Road to Rio," to do a little bragging about their favorite outdoor sport. Both baseball owners, they look askance at each other as they exhibit what the well-dressed baseball player will wear on the diamond this season. They seem to have forgotten their horses and golf in their new-found love. Pittsburgh Pirates and Cleveland Indians may ask them to be active in management of clubs next summer.

10%
What are the facts?
Actually the railroads earned only 2¾% in 1946.
To provide the service you want, railroads need to earn at least 6%. But estimates indicate that even with the recent freight rate increase, the return for 1947 will be only about half that requirement.
2¾%

Why it takes 6% to make the grade...

Impartial research polls show that, on the average, people think we make 15%. They also think a fair return would be 10%.

What We Make

But for the year 1946, with the biggest peace-time traffic in history, the railroads earned only . . . 2¾%. This is less than one-half the comparable earnings for other industries.

The reasons for this low return are not hard to find. Since 1939 railroad wages have increased 52%10% and the prices of fuel, materials and supplies have gone up 61%10%.

But freight rates have just recently been increased an average of only 17%10%—a year after the effective date of the last big wage increase.

What About This Year?

It is estimated that the return for 1947, even with the recent freight rate increase, will be only about half the 6% minimum return required to provide the improvements and service needed. This will be because of increased costs of materials and supplies; because certain wage increases granted in 1946 were in effect for only part of 1946 but will be in effect for all of 1947; because of increased special payroll taxes on railroads; and because of a decline in passenger business.

What Does This Mean To You?

The answer is "Plenty!" Your standard of living is the highest in the world because of MASS PRODUCTION. But mass production would not be possible without MASS TRANSPORTATION, which the railroads provide at low cost.

Why 6% Is Needed

The kind of service your standard of living requires takes a lot of money for new equipment and improvements. To carry out the post-war improvement program for better equipment, tracks, terminals and modern safety devices, a minimum return of 6% is needed.

So when the railroads make only 2¾ cents on each $1.00 of their net property investment, it concerns you.*

The funds for future new equipment and improvements must come from railroad earnings and also from investors. They will furnish money on reasonable terms only if they have confidence in the future earnings of the railroads.

You Have Another Stake In This

Even if you do not own any railroad stocks or bonds, insurance companies and savings banks do. So you still have a special interest in seeing that the railroads are allowed enough to do a good job . . . for you.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

*On total property investment, the railroads made only 2.19%.

Who says you're only young once?

Take a look at this trim, new Buick — or better, take its wheel — and see just how wrong that old saw is!

One look at these sleek lines, the long, taste-of-tomorrow fenders — and just watch yourself start getting young ideas.

Find an open road, gun this beauty just a bit — and see how the spirit of springtime wells up in your soul and sets the red blood coursing.

Good road or bad, on these soft all-coil springs you take everything with youthful zip and zest, quite freed from jar or jolt.

City street or country road, with all this poised and husky roadweight beneath you, you travel your level course, steady and non-swerving even on curves.

Pull up somewhere — and see how people turn to note the Very Important Person who's arriving.

Take it through the tangle of traffic and see how nimbly it maneuvers — check it at a boulevard stop and see how sure and positive its controls are.

In all truth, here's a car that's any man's darling, every man's pride. A car that not only meets your needs for transportation, but satisfies your every hankering for size and power, style and room, solid worth and top-dollar value.

Naturally, it's a much wanted car. America's most wanted automobile, in fact. Definitely not the number to be picked up off the counter any time, anywhere.

That's why forethought pays and prompt decision gets results. You are simply playing safe when you *get your order in now!*

Holloway Couple Married Fifty Years

Mr. and Mrs. Alonzo B. Quackenbush of Holloway celebrated their golden wedding anniversary at the home of their daughter Mrs. Irving Dwyer in Morenci where open house was held Sunday afternoon following a family dinner.

Maggie Place and Mr. Quackenbush were married in Paulding Co. Ohio, March 31, 1897. They moved to Michigan in 1904 and have spent their married lives in Hudson, Morenci, Clayton and Holloway. They have three daughters, Mrs. Frank Bowman of Hudson, Mrs. Linford Sprague of Grass Lake and Mrs. Dwyer, a son Percy of Pittsford and several grandchildren.

Cancer Control Unit Is Formed

TECUMSEH TO TAKE AN ACTIVE PART IN STATE AND NATIONAL CAMPAIGN

A cancer control unit was recently formed in Tecumseh with Mrs. Frank K. Smith as chairman. Other members of the board now named are; Mrs. Joseph Rohweder, vice chairman; Mrs. R. C. Carey, educational; Mrs. Hilda Will, bandages; Mrs. R. H. Moore, campaign; Mrs. Edith C. Smith, Miss Gertrude Spaulding, Mrs. Richard Preston, Mrs. George Wittrup, Dr. F. G. Hodge, Rev. Allan L. Ramsay, Ned Rosacrans and Dr. H. H. Hammel, representing nearly every organization in the community.

Lenawee county has been asked to raise $8000 in the drive for funds to carry on the battle against the disease which strikes persons in all walks of life. If cancer is detected in time between 30 and 50% of the cases can be cured. Proof that the Cancer Society's efforts are producing results is shown in the fact that cancer deaths were on a downward trend during the past year. The society, however, does more than educational work and fund raising. Volunteers make thousands of bandages for victims. Clubs and other organizations make bandages during work meetings and more than 1000 bandages were made and used in Lenawee last year.

Half of the funds raised in Lenawee county will remain in the county for local use; 10% goes to the state and 40% to the national society for research and national control.

The program of the Lenawee branch is to financially assist persons in need of medical treatment, (five of these cases were cared for this year); to educate persons regarding cancer, and to sew bandages for use of patients. All work is done on a volunteer basis. There are no paid workers in Lenawee county. C. G. Campbell is county chairman and Mrs. C. G. Root, commander. Both are from Adrian.

Mrs. Root was present at a meeting of the American Legion Auxiliary here on Monday evening and gave an interesting talk on the work to members present.

The Strand Theatre, during one week of April, will show a trailer on the subject and a coin box will be placed in the theatre lobby for contributions.

Rebekahs To Initiate Class Here, April 10

Children To Present Program At St. Peter's

On Sunday morning, April 13, at 11:15 the children of St. Peter's Sunday school will present a special program for parents and friends. The Nursery school will sing two numbers during the service.

A pageant, "The Church in the Philippines," will be presented with Patty Johnson as narrator. Those taking part are Robert Hadley as Bishop Brent; Russell Hubbard as a Philippino minister; Neil O'Hara and Charles Hand as warriors; Rita Kay Richardson, William Browne, Jean Johnson and John Kopka as natives; John Browne and Fred Lewis as soldiers; Hilary Browne as a child of the United States; Irma Broiller, Joyce Broiller, Ross Hadley and Judy Johnston representing work in schools and hospitals.

Following the pageant all children of the school will bring forward their mite box offering for aiding the work of the church in the Philippine Ieslands.

Top Hat and Tails Needed For Journey To Nepal Kingdom

Although his misson took him to the rugged mountain kingdom of Nepal, Joseph C. Satterthwaite, veteran State Department foreign service officer, packed his top hat and tails when he left Washington, last week, to begin his journey, according to an article appearing in the Washington Star. Mr. Satterthwaite is a native of Tecumseh, the son of the late Mr. and Mrs. J. N. Satterthwaite.

The Washingon newspaper's story follows:

The purpose of the trip, on which he will start today by plane, is to establish diplomatic and commercial relations for the first time with the little kingdom in the Him alayas between China and India.

The two-week phase of the journey does not dismay Mr. Satterthwaite. He welcomes it, in fact, because he has yet to memorize the full name and title of the king, a 6-footer with handle-bar moustache, to whom he must present his credentials. It goes.

Maharajaheraja, Tribhubana Bir Bihram Jung Bahadur, Shah Bahadur Shumshere Jung Deva.

The trip to Katmandu, Nepal's capital 5,000 feet above sea level, entails a 1,000-mile journey from New Delhi, India by train, auto and horseback. Horses will be used for a 12-hour crossing of two mountains near the Indian border.

But the top hat and tails are necessary, Mr. Satterthwaite told an interviewer for the formal ceremony of presenting his credentials. The King and his entourage, on such occasions, usually wear bright tight-fitting military uniforms with brilliant jewelled head-piece surmounted by a curved feather draping down to the shoulder.

Mr. Satterthwaite believes he will be the 25th American to visit Katmandu. The first apparently was T. E. Lynch of Schenectady, N. Y.

Mr. Lynch wrote Mr. Satterthwaite he went there in 1910 to assemble and install a complete water power plant for the General Electric Co.

Mr. Lynch's rank in Katmandu's society evidently was judged by the fact that he lived across the street from the Prime Minister in a 200-room house. He said the Prime Minister had a 400-room house and the King got along with 600 rooms.

Annual Cage Banquet Held At High School

The annual basketball banquet sponsored by the Athletic Club Mothers was held last Wednesday evening at the high school gym with 54 persons seated for the ham dinner. The group included Tecumseh's championship basketball teams, their fathers, the men teachers and coaches and Clarence Gilman.

Supt. W. L. Berkhof gave the invocation and the program included group singing with Wilfred Waldron, jr., as accompanist; readings by Mrs. Pauline Kopke and movies shown by David Dick.

To Build Boys Camp At Vineyard Lake

Work will begin soon on a group of buildings for a boys camp at Vineyard Lake, on land recently purchased by St. Frances DeSales Inc., of the Allen S. Snyder estate. The tract is comprised of about 200 acres with a half mile of lake frontage and is at Rosa Rita Shores. The camp will be a Catholic institution for under privileged boys of the Toledo area.

The first building will be a large dining hall, and cottages for the accomodation of 100 boys at one time.

HONOR MOTHER

Mr. and Mrs. Ray Marsh entertained at a family dinner Sunday evening in honor of the birthday of his mother, Mrs. Nina Marsh. In addition to her family, Mr. and Mrs. L. A. VanGieson of Clinton were guests.

W.S.C.S. MEETS

Mrs. Guy Belding, Mrs. Claud Gray and Miss Elizbeth Beamish were co-hostesses yesterday for the regular meeting of the Methodist W.S.C.S. in the Belding home. Miss Lavie Snedecor conducted the worship service and Mrs. George Wittrup was leader of the program on "100 Years of Methodism in China."

D.A.R. WILL MEET

Abi Evans Chapter, D.A.R., will meet Friday evening at 8 o'clock at the home of Mrs. O. W. Laidlaw.

LANNING P. T. A.

The Lanning P. T. A. will meet Thursday evening at the home of Mr. and Mrs. Kenneth Ives. Refreshments of jello, sandwiches, cookies and donuts will be served. Howard Evans will show movies in connection with Lenawee county soil conservation.

Announces Details of $20,000,000 Price Reductions

Details of the recently announced International Harvester policy of making price reductions to save users of our products approximately $20,000,000 a year have now been worked out.

We have reduced prices on 163 models. These cover 12 basic models of farm tractors, 123 basic models of farm machines, 16 basic models of industrial tractors and engines, and 12 models of motor trucks, as well as certain motor truck attachments. The new lower prices are effective as of March 10, 1947.

These reductions were made not because of any decline in demand, but because we believe nothing is more important to this country than to lower the prices of the goods people buy.

While prices have not been changed on all products, we have made reductions wherever possible, in the amounts possible. Prices of many of our most popular products have been substantially lowered.

Altogether, more than half of the company's customers will be benefited by the reductions, which range from 1% to 23.8% and from $2.50 to $300 per item, based on list prices, F.O.B. Chicago.

Since the people have demanded that the government withdraw from price control in peacetime, the responsibility to keep prices in check is back where it should be—in the hands of business and industry. The business outlook makes it possible for us to move toward the goal of lower prices, and we have felt a duty to act as promptly as possible.

Our ability to maintain these lower prices will depend on the supply and price of materials we buy from others and on uninterrupted production at reasonable wage levels.

The prices listed here carry out our announced policy that *"Any price is too high if it can be reduced."*

FARM TRACTORS 12 Models
Reduced $10 to $134 (up to 10.6%)

MOTOR TRUCKS 12 Models
Reduced $50 to $300 (1.9% to 3.6%)

FARM MACHINES 123 Models
Reduced $2.50 to $122.50 (1.9% to 23.8%)

INDUSTRIAL TRACTORS (Crawler)—4 Models
Reduced $35 to $50 (1.0% to 1.6%)

25 More Types of Products

Plows—52 models reduced from $9.00 to $20.00 (3% to 10.7%).

Cultivators—13 basic models reduced $5.00 to $10.00 (4.5% to 7.4%).

Listers and Middlebusters—7 models reduced $5.00 in each case (2.8% to 4%).

Corn Planters—4 basic models reduced $5.00 in each case (3% to 4.8%).

It's Time to Think About Your Garden!

Spring is in the air, the frost is out of the ground, and it's time to begin thinking about your early garden.

And, when you hink of gardening you should be [illegible] the high quality, pre-tested seeds that we have in stock—the same high quality that we have sold for years and years—the kind that have brought seed customers back to our store, year after year.

If you'd like to "show up" your neighbors, we'd suggest that you stop in and choose some of the early varieties we now have in our seed stock.

Ford

The Ford Motor Company has just announced that the Ford three-window, six-cylinder business coupe is back in production *at a price twenty dollars below that which prevailed when this model was temporarily discontinued last fall.*

This reduction, plus those announced, last January 15th, makes the Ford business coupe and the two-door sedan the lowest priced cars in their field.

We Ford Dealers are proud to be part of the organization that pioneered and is continuing such a clear, realistic and progressive policy.

We consider this newest Ford price reduction still further proof that the Ford Motor Company leads in offering the American Public the most value at the lowest possible price.

And we feel certain that it will play a definite part in speeding the return of sound and sensible prices, and a secure future for consumer, seller and producer alike.

State Warns Of Rabid Dogs

SIXTY-FOUR CASES OF RABIES HAVE BEEN REPORTED IN MICHIGAN

Sixty-four cases of rabies have been reported in southern Michigan this year, and many children are now receiving preventive treatment for hydrophobia, Dr. Fred S. Leede, director of the Bureau of Disease Control, Michigan Department of Health, announced this week.

"Rabies in dogs," he counselled, "is hydrophobia in humans."

To prevent rabies and hydrophobia, all dogs should be vaccinated, quarantines should be established in infected areas, stray dogs should be avoided and reported to authorities, and persons bitten by animals should consult their physicians at once.

Rabies and hydrophobia are communicated through a virus in the saliva of an infected animal. Rabies can be prevented by a yearly "one-shot" vaccination of all dogs. Stray dogs are the greatest carriers. A family pet, once infected is as dangerous as a stray.

For every dog getting rabies an average of three persons must receive treatment to prevent hydrophobia. The fourteen injections of antirabic serum are expensive, and unpleasant, but they are imperative for an exposed person. Hydrophobia, once developed, it fatal.

If a dog appears ill or if he bites an animal or person, he should be confined under the observation of a veterinarian for ten days to see if rabies develops. He should not be killed except to protect others, but every care should be exercised [illegible] him from biting or getting his saliva on humans. He should not be shot through the head. Analysis of brain tissue is the only sure diagnosis of rabies.

If the animal dies or if he is killed, sheriff's officers should be called to remove his head, prepare it and ship it to the Michigan Department of Health Laboratories for analysis. This analysis is of the greatest importance, Dr. Leeder said, because hydrophobia in man does not develop for weeks after a bite or other infection. If the dog is rabid, it is imperative that all humans who have been in close contact with him or bitten by him be given anti-rabic treatment at once.

While dogs are the primary carriers of rabies, cats, cows, goats, horses, squirrels, rabbits, wolves and skunk. In fact any warm-blooded animal may contract and communicate the disease, thus complicating the control problem.

Four southern Michigan counties, Berrien, Cass, Van Buren and Monroe, have established 90 day quarantines and Kalamazoo county is considering quarantines.

Heart Attack Is Fatal To Hc...an C. Tucker

Hiram C. Tucker, aged 72 years, a former resident of Britton, was found dead Sunday noon near the N.Y.C. railroad tracks in Deerfield. Coroner Edward Braun of Adrian was called and decided death was the result of a heart attack, probably on Saturday evening. He had suffered from heart trouble for some time.

Mr. Tucker was born in Monroe county where he was engaged in farming most of his life. Two years ago he retired and came to Britton to live with his brother. He had been in Deerfield the past few months.

Survivors are two daughters, Mrs. Leora Miller of Ida and Mrs. Earl Schwichtenberg of Petersburg; two brothers, Reuben H. of Britton and Harry W. Tucker of Tecumseh; two sisters, Mrs. Jessie VanNest of Romulus and Mrs. Grace Newell of Deerfield, and eight grandchildren.

Funeral services were held Tuesday afternoon in Petersburg with burial in Deerfield cemetery.

BRITTON

Born March 29 to Mr. and Mrs. Thos. Craig, a son at Mercy hospital in Monroe.

Pvt. Richard Cadmus who was home from Ft. Knox, Ky., visiting his parents Mr. and Mrs. Percy Cadmus, left Friday for Camp Kilmer, N. J., to report for overseas duty.

RANGERS ELECT

Scouts Collect 12 Tons Paper

EXPECT TO REALIZE MORE THAN $300 FOR USE OF THREE TROOPS HERE

Tecumseh's Boy Scouts, members of Troops 4 and 57 and the Cub Scouts, collected more than 12 tons of waste paper here Saturday in what was declared the most successful old-paper-pickup ever staged by the local organization. The paper was loaded immediately onto trucks from Monroe mills and while payment has not yet been received for the paper it is expected that its value will amount to $300 or more.

Boys from all three troops worked diligently from early Saturday morning until late in the afternoon in making the collection. E. M. Campbell, chairman of the Rotary Club's committee on Scouting, acted as general chairman, and he was assisted by several others, including Leslie Becker and the Rev. Allan Ramsay. Those assisting the boys in the campaign today expressed appreciation to local residents for their fine cooperation in making the collection a success.

Funds obtained from the sale of the paper will go entirely to Scouting. Troops 4 and 57 each will receive 40 per cent of the proceeds and the Cubs get 20 per cent. Troop 57, sponsored by St. Peter's church, and the Cub troop, sponsored by the Baptist church, plan to use the funds they receive for equipment. Troop 4, sponsored by Rotary, plans to use its funds for equipping its new cabin, now under construction in Elliott park. The foundation and floor of the cabin already have been built, and construction of the rustic building is under way this week. Troop 4, with funds received from Saturday's drive, expects to have sufficient money to complete the cabin's equipment. Troop 57 meets in the old NYC passenger depot, near St. Peter's church, and the Cubs meet at the Baptist church.

Miss Rosemary Schwab Weds Louis L. Schneider

At an impressive ceremony held Saturday morning at St. Mary's church in Manchester, Miss Rosemary Schwab, daughter of Mr. and Mrs. Carl F. Schwab of that village, became the bride of Louis Lowe Schneider, son of Mr. and Mrs. Louis S. Schneider of Tecumseh. The service was read by the Rev. Fr. Walter Hennes.

The bride who was given in marriage by her father, was attended by her sister Miss Doris Ann Schwab as maid of honor. Kenneth Kelley of Monroe, a World War II buddy of the groom, was his best man.

The bride was dressed in a gown of white slipper satin with braid cap and finger tip veil and carried a bouquet of butterfly orchids and white carnations; also a string of pearls, the gift of the groom. The maid of honor wore green moire with a colonial bouquet of pink roses, encircled with lavender and purple sweetpeas, tied with pink ribbon to match her headdress.

Following the ceremony a reception for 150 guests was held at the home of the bride's parents. Mr. and Mrs. Schneider left later on a two week's motor trip and on their return will make their home in Tecumseh where he is connected with Schneider Bros. Garage, Inc.

The bride graduated from Manchester high school in 1940, served 2½ years in the WAVES, then returned to Cleary College where she graduated and was later employed by the Double A Products at Manchester.

Mr. Schneider graduated from Tecumseh high school in 1940, attended Adrian College, spent 3½ years in the navy, received his lieutenants's commission at Notre Dame, spent a year at Annapolis and 7½ months in the Aleutians.

A CAPPELLA CHOIR TO GIVE CONCERT HERE

The Taylor University A Cappella Choir will present a concert in Tecumseh on Monday morning, April 21, at 11 a.m. It will be given in the high school auditorium.

The choir consists of 40 selected voices, under the personal direction of Dr. Frew D. Mohr, head of the department of Fine Arts at Taylor University, at Upland, Ind. They sing entirely unaccompanied. Their reportoire is mainly sacred music.

Dalton Van Valkenburg of Tecumseh is a freshman at Taylor University, and a member of this organization.

I've got paying jobs for a couple of more mechanics. Percentage type pay, work as hard as you want to, make as much as you want to. Harry Schuch, service manager, Butler Motor Sales.—adv.

Sheldons Offer Land To Enlarge Grange Site

At a meeting of Tecumseh Grange, held Thursday evening, Mr. and Mrs. Fred Sheldon offered as a gift to the Grange, a plot of ground for enlarging the hall. M. G. Partridge, M. Keasel and George Everett were appointed as an investigating committee to report later on the proposal.

The Grange voted money to the Cancer Control and also to the Crippled Children's fund. Pictures of the New Alcan highway were shown by Harry Culp of Ann Arbor.

Clinton Grange will bring the traveling gavel to the next regular meeting April 24. The visitors will present the program.

Siena Girls At Club's Luncheon

COLLEGE GROUP PRESENTS PROGRAM AT MONDAY CLUB ANNUAL SPRING MEETING

The annual spring luncheon of Tecumseh Monday Club was held Monday in the Methodist church parlors with officers of the club as hostesses. About 60 were seated for the luncheon at tables decorated with spring flowers. Officer's places were marked with corsages of spring blossoms.

Mrs. Perry M. Hayden presided and during the business session annual reports of officers and committees were given and $5 was voted to the Cancer Control fund.

Mrs. Earl L. Wickwire was leader of the program and introduced a group of girls from Siena Heights College, Adrian, who presented a scene from "Jeanne D'Arc," timed during the 15th Century in France.

The girls taking part were Joan Mary Gullage, Maryanna Garman, Lois Ann Matyn, Mary de Lourdes Serrano, Rita Helen McQueen, Gertrude Zetner and Mary Alice Conway. Dolores Kuder gave vocal numbers accompanied by Lenora Atkinson, who also played a piano solo.

Mrs. Guy T. Pocklington invited the club to hold its mid-summer picnic at her home near Ridgeway.

Free Cancer Detection Examinations Available

Mrs. Frank K. Smith, chairman of the local Cancer Control unit has announced that Mrs. Wade Hendershot has been added to the list of board members announced last week. The Harmony Home Makers, of which Mrs. Hendershot is a member, spent one afternoon last week folding 2000 letters and also donated $5 to the fund. The Methodist W.S.C.S. has also donated $10 to the fund. Several other organizations have voted money for the fund. A movie trailer is being run this week at the Strand Theatre and coin boxes have been placed in the theatre lobby and also in other business places.

Application blanks for free cancer detection examination have been placed in offices of local physicians. Those wishing the free detection examination are to fill out the forms and the cancer control unit will pay the examination fee.

ROTARY CLUB HEARS ABOUT CANCER CONTROL

The Tecumseh Rotary Club received first hand information on the county's cancer control plan when Dr. J. C. Huntley, of the Lenawee County Health Unit, Mrs. Frank Smith, chairman of the Tecumseh Cancer Control Unit, and Miss Gertrude Spaulding, superintendent of Tecumseh Hospital, presented a program at the club's regular dinner meeting at Brees House, Tuesday evening.

Dr. Huntley showed a reel of talking pictures, bearing on the need for such a program, and then spoke briefly urging county residents to cooperate. Mrs. Smith told of Tecumseh's activity in connection with the county-wide movement.

PLAN FOR DANCE

Tecumseh Hospital Auxiliary, at its recent meeting in the home of Mrs. R. F. Heizerman, made plans for the annual hospital auxiliary benefit dance to be held May 21. The next meeting will be held May 13 at the home of Mrs. Paul Breitenwischer.

The program included a debate on "Should Our Nation Adopt a System of Socialized Medicine," by the high school debating team. Refreshments were served in conclusion.

HOT SHOTS TO MEET

The Holloway Hot Shots 4-H Club will meet Saturday evening, April 26 at the home of Ned Swift. Lawrence Williams is local leader.

The Albion college band and orchestra, conducted by Dr. Conway Peters, (inset) will be heard on Thursday evening, April 24, at 8 o'clock, at Tecumseh high school in a varied program of selections. The band is being brought to Tecumseh by the Band Parents Club, and all net proceeds realized from the sale of tickets will be used for the purchase of new uniforms for the local band.

Rebekahs Hold Local Assembly

MORE THAN 300 ATTEND SESSIONS IN TECUMSEH MONDAY AFTERNOON, EVENING

Three hundred Rebekahs were in Tecumseh Monday for the assembly meeting of District No. 10, which includes Britton, Blissfield, Dundee, Deerfield, Lambertville, Milan, Petersburg, Temperance and Tecumseh. Guests also attended from Detroit, Coldwater, Jasper, Grand Rapids and Wyandotte, also Mrs. Mabel Peavey, assembly president from White Cloud.

Preceding the meeting, district presidents were entertained at luncheon at Brees House where covers were laid for 40.

The meeting was opened at one o'clock by the Tecumseh lodge with an address of welcome by Eva Beevers and response by Ruby Conrad of Ypsilanti. The order of ceremonies was as follows: Draping of the charter by Ann Arbor 131; qualifications by Monroe 55; working for a lodge by Dundee and Petersburg; quiz program by Ann Arbor 115 and Deerfield 337; assembly election representative, Temperance; awarding of the White Bible to Ypsilanti for obtaining the most new members during the year; memorial by Milan 99; a play Britton 386; presentation of the Mystery Box for the I.O.O.F. Home by Lambertville; conferring of degrees by Blissfield staff with 17 from Tecumseh and five from Ann Arbor receiving the rites of initiation.

New officers elected for the coming year are: Clarabelle Rodd of Dundee, president; Lena Wilkey of Ann Arbor, vice president; Eva Beevers of Tecumseh, secretary; Audrey Underwood of Britton, treasurer, and Hazel Thayer of Ypsilanti, junior past president.

Dinner was served the group at 6 o'clock in the K. of P. hall by the Nomads.

Public Is Invited To THS "Sponge" Dance

The Tecumseh high school senior class is sponsoring an informal "Sponge" dance tomorrow (Friday) evening in the high school gymnasium.

The dance follows the traditional "Sponge" Week in T.H.S., when the girls court the male sex along with other unusual antics for a five-day turn-about.

Paul Johnson's orchestra is featured in the dancing from 9:00 to 12:00 Friday night and the public is cordially invited.

KNOXVILLE PREACHER TO SPEAK HERE SUNDAY

The Rev. Roy W. Peyton of Knoxville, Tenn., will be the guest preacher at the 11 o'clock service, Sunday morning, at the First Presbyterian church. The Rev. Mr. Peyton is coming to Tecumseh at the invitation of the pulpit committee of the church, and according to M. G. Partridge, chairman of that committee, he is a prospective candidate for the local pastorate. Mr. Partridge is anxious that all members of the congregation attend the Sunday service.

O. E. S. MEETING

The Lenawee-Monroe Eastern Star Association will meet Tuesday, April 29, in Hudson.

FATHER, SON BANQUET

The Baptist Father and Son banquet will be held at the church Tuesday evening, April 22.

CROWN PRINCE AND MOTHER . . . Prince Constantine of Greece, who became the crown prince at the age of five. He is shown with his mother as they review a military parade. The crown prince has an older sister who is barred from the throne.

Asa Sherman Rogers Buried Here, Tuesday

Asa Sherman Rogers, aged 77 years, died Saturday night at the home of his daughter, Mrs. Paul Keyser on North Maiden Lane, where he had gone the day previous from his room in the Kidman home. He had been in failing health for some time.

Mr. Rogers was born in Canada and had lived in Lenawee county for 50 years, moving from Holloway to Tecumseh. He was a member of the Methodist church.

Survivors are four daughters, Mrs. Ruth Keyser, Mrs. Bernice Hardy, Mrs. Margaret Lamson and Mrs. Gertrude Tressler, all of Tecumseh, two sons, Wellington Rogers of Detroit and Arnold Rogers of Ann Arbor; two sisters, Miss Lyda Rogers of Holland and Mrs. Lena Clark of Grand Rapids, also seven grandchildren. Mrs. Rogers died several years ago.

Funeral services were held Tuesday afternoon at the Green Funeral Home. Dr. Norman MacNaughton officiated and burial was in Brookside cemetery.

TRUESDALE EXPECTTED TO MAKE APPOINTMENTS

The council will meet in regular session next Monday evening and at that time it is expected that Tecumseh's newly elected president, John C. Truesale, will complete his appointments to the village's official family. Mayor Truesdale assumed office two weeks ago but told the council that he would not make many of his appointments until next Monday, because of his desire to further consider some of the vacancies.

WHO SAID SPRING?

The fellow who was crowing about Spring arriving in Tecumseh on Tuesday, changed his mind when he crawled out of bed yesterday morning to find the ground covered with an inch of snow. The storm continued throughout the morning, and in all about three inches of snow fell. It melted rapidly, however, but it definitely dampened the youngsters' spirits for kites, marbles and baseball.

Shop Payrolls Show Increase

7,459 EMPLOYED IN COUNTY'S LEADING INDUSTRIES, REPORT SHOWS

An increase of 280 since January 15 raised payrolls to a total of 7,459 workers on March 15 in Lenawee county's 13 larger industrial plants which have been used as an employment barometer during the past year, Clifford Rice, manager of the Michigan State Employment Service, Adrian, said today. Included in the group of 13 is Tecumseh Products Co.

Mr. Rice declared that the survey shows that 56 per cent of the county's non-agricultural workers are employed in 17 industrial plants in Lenawee, and that in these 17 plants, 8,639 persons are now on payrolls.

As of March 15, Rice said, employment in the 141 Lenawee plants which hire eight or more persons revealed these facts:

In the 141 establishments 12,876 persons were employed of which number 9,690 were men and 3,186 women. Manufacturing institutions employ over 10,000 of the number and others are listed in construction, trade and finance, service and repair, government, transportation, utilities, etc.

As of March 15, Rice declared, unemployment in the county was estimated at 1,000, of which number 650 were women.

Rice predicted that by the latter part of April 273 more workers would be employed in the county's leading industrial plants, because of the withdrawal of farmers who will be desirous of returning to their fields after a winter's work in the shops.

LOCAL TOWN HALL MEETING APRIL 29

Another Town Hall program, for the purpose of discussing local problems in connection with Tecumseh's steady growth, is being planned for Tuesday evening, April 29, at the high school, Neville Hart, vice-president of Town Hall Council, has announced.

Mr. Hart said that while all details of the program have not been completed he expects that several phases of the community's growth will be considered, including the building of a new post office, enlargement of the public schools, and several others.

A similar meeting was held a month ago at the school and about 150 persons attended. At that time it was voted to hold more of the meetings that the public might be better informed as to what lies ahead for the village in the way of "growing pains."

LOCAL HYDRO PLANT AGAIN IN OPERATION

The local hydro plant, operating at the Middle Pond, which went out of commission on April 5 when flood waters washed out the race banks, is again in operation, although it is not up to capacity, P. C. Satterthwaite, owner, said today.

Repairs to the race bank are being made rapidly, Mr. Satterthwaite said, and should be completed within a week. As quickly as these repairs are made, and sufficient water can again be controlled, the hydro plant will again operate normally.

4-H RANGERS

The Macon 4-H Rangers will meet tonight at 8 o'clock at Tecumseh Grange hall. Virgil Bortel is leader.

New Partridge Building Ready About June 1st

The new building on West Chicago Boulevard road under construction by the Partridge Implement Company, will be completed about the first of June and the company will move into it about that date from its present quarters on South Pearl Street, M. G. Partridge said today.

The new structure is very modern and entirely fireproof. The walls, roof and floor of the building already are finished, but it will take another 30 days or more to complete the interior work. Moving, also, Partridge said, will require a considerable time.

The Partridge company has occupied its present quarters for several years but the steady growth of the business has necessitated expansion of both building and facilities.

Exchange Enjoys Dinner, Program

185 PERSONS ATTEND LADIES' NIGHT MEETING AT HIGH SCHOOL, MONDAY

Members of the Tecumseh Exchange Club, and their wives and guests from Adrian and Tecumseh, numbering 185 in all, attended the organization's annual Ladies' Night program, Monday evening at the high school. Dinner, at long tables attractively decorated with baskets of spring flowers, was served at 7 p.m., and each lady was presented with a corsage, the gift of the club.

Ellsworth A. Collins, president of the club, called the meeting to order and group singing was under the direction of John Saling. The Rev. Edward Escolme asked the invocation. Mr. Collins then briefly welcomed the guests and turned the program over to Leon P. Williamson, chairman of the club's entertainment committee.

The program was furnished by radio talent from station WPAG, Ann Arbor, and included a radio quiz show with WPAG's chief announcer as quiz master and members of the audience acting as contestants. Each winner, (and all were winners, it was planned that way), received a $1 award, and the jack-pot winner was awarded $5. Another member of the radio staff, a magician, entertained for more than 30 minutes with a series of tricks that mystified his audience.

Following the radio program, Mr. Williamson announced that the remainder of the evening would be spent in dancing. Music for the dinner and dancing was furnished by Glen Driscoll's orchestra.

Guests at the dinner from Adrian included Mr. and Mrs. Hub Daley, Mr. and Mrs. Clifford Miller and Mr. and Mrs. Douglas Hurlbut. Mr. Daley is an officer of national Exchange, Mr. Miller is president of the Adrian club, and Mr. Hurlbut an officer of the Adrian club.

Miss Myrtle Derr Is Bride Of A. C. Reiniche

Miss Myrtle Derr and Adelbert C. Reiniche, both of Tecumseh, were married Saturday morning at the Catholic rectory in Hillsdale by the Rev. Fr. McCann. They were attended by Miss Eva Derr of Ypsilanti and Leo Reiniche of Jackson. Following the ceremony a wedding dinner was served at the home of the groom's brother Joseph Reiniche at Ransom.

Those from here who attended the wedding and dinner were Mr. and Mrs. Harry Derr, Earl Derr, Miss Anna Wells, Wm. Everhart, Mrs. L. Jennings, Mrs. Raymond Pask and childrtn, Mrs. Irene Bame and Mrs. Betty Strand.

Mrs. Reiniche, who served as army nurse with the WAC, was released from service last summer. Mr. Reiniche is employed at the Kuehmann Potato Farm. They will make their home in Tecumseh.

CAMBURN GETS POST AT STATE BAND MEET

Clare Camburn, local high school band instructor, has been appointed chairman of the sight reading committee for the State Band and Orchestra Festival to be held Saturday, April 19, in Ann Arbor. This includes all Class A, B and C orchestras and Class C bands.

Students taking part in the state solo festival on Friday at Ann Arbor are: Marilyn Lindsley, Sally Brown and Charles Goodacre. The two girls play piano and the latter the trombone.

SMOKE, NO FIRE

The Tecumseh fire department was called early Friday morning to the Ed L. Mark farm south of Tecumseh where an over-heated refrigerator motor burned out, causing considerable smoke. No other damage resulted.

Town Hall Will Meet Monday

DR. C. M. NEWCOMB, WHO SPENT SOME TIME IN GERMANY, TO SPEAK

A most interesting subject—propaganda, how it may be recognized, and is effects on the German nation — will be discussed here next Monday evening at Town Hall by Dr. C. M. Newcomb, associate professor of sociology at the University of Michigan. Dr. Newcomb was scheduled to speak here on March 24 but was unable to come to Tecumseh because of the severe wind and rain storm which struck this area on that date.

Neville Hart, vice-president of the Town Hall Council, said today that he had definite assurance that Dr. Newcomb would keep next Monday's engagement. He pointed out that the University professor is thoroughly competent to discuss the subject, having spent some months in Germany with other Americans, studying Hitler's propaganda machine. He pointed out that the program should be one of the most interesting of the local Town Hall series thus far.

Town Hall has proved popular with local residents this season, and crowds ranging from 100 to 150 have attended the sessions. The programs start at 8:15, and are free. The cost of the meetings are paid for by local civic organizations.

Leon M. Maynard Dies After Long Illness

Leon M. Maynard, aged 65 years, died Sunday morning at Tecumseh hospital where he had been a patient for nine weeks. Mr. Maynard had been ill for several months and entered University hospital in Ann Arbor January 24 for an operation. He was later moved to the local hospital.

Mr. Maynard was born July 10, 1881 in Macon township and was a son of Thomas and Phoebe Skinner Maynard. His entire life was spent in this vicinity. For 19 years he served as janitor at Tecumseh high school, and also had worked for Ford Motor Company and Tecumseh Products Company.

He leaves the widow Florence, three daughters Mrs. Elizabeth Manley and Mrs. Mildred Chase of Tecumseh and Mrs. Ruth Oswalt of Adrian, Oc., two sons Herbert of Tecumseh and Ivan of Bloomington, Ill., one brother, T. Lawrence Maynard of Tecumseh and 10 grandchildren. A sister Mrs. Florence Griffeth died 10 years ago.

Funeral services were held Tuesday afternoon at Collins Funeral Home. Rev. Edward Escolme officiated and bearers were O. M. Powell, C. R. Dustin, O. W. Meads, Dan Schultz, W. J. Hanna and J. F. Elliott. Burial was in Brookside cemetery.

Miss Thelma Jane Yager Is Bride of Robert Wood

Miss Thelma June Yager, daughter of Mr. and Mrs. Herbert Yager of Hudson and Robert Wood, son of Mr. and Mrs. Luther Wood of Tecumseh, were married Thursday evening by Dr. Norman Mac Naughton at his home in Adrian. They were attended by Mr. and Mrs. Lowell Wise.

After the ceremony the wedding party drove to Jackson for dinner and Mr. and Mrs. Wood left later on a trip to Ohio and Illinois.

The bride attended Hudson high school and the groom, a graduate of Tecumseh high school, served 21 months with the paratroops, part of the time in Japan. He is now employed by the Bruce Foundry and Manufacturing Company, and they will make their home at 205 W. Chicago Blvd., until their new home is completed.

INFANT SON DIES IN U. OF M. HOSPITAL

David Charles Kelley, 11-months-old son of Mr. and Mrs. Robert Kelley of 212 East Chicago Blvd., died Saturday morning at University hospital in Ann Arbor.

Besides the parents he leaves a sister Carolyn, grandparents, Mr. and Mrs. Charles Easter of Adrian and Mr. and Mrs. Seaman Martin of Tecumseh.

Funeral services were held Tuesday afternoon at Green Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

NOMADS TO MEET

The Nomads will meet this evening in the K. of P. hall to complete plans for their first ceremonial to be held here April 28.

PRICE VS VALUE

When we think of price and set a mental value on something we generally base our conclusion on comparison and past experience. However, anyone who compares today's prices with those of five or ten years ago is due for a shock. It is easy to get into the habit of thinking that "normal" prices, to which we will some day return, are those of a vanished year in which a five dollar bill would do a job that it takes double the amount to do today.

The real truth of the matter is that prices are not going to return to the remembered lows, unless we have another depression—and a severe one. We have, for example, some $260,000,000,000, (some say over $300,000,000) worth of federal debt, which in itself is an inflationary factor. We are paying record wages to all classes of labor, and in many important fields, output per man hour has declined while costs have risen. We are fastened with the highest taxes in our history, and these are reflected in all prices. We are, in short, living in a high-priced economy, and there can be no valid comparison of the present with the past.

The best, then, that we can hope for is honest value, which is simply the lowest prices, quality for quality, in keeping with the conditions of the times. The American merchant,-whether he operates a small country store or a 10-story chain in a metropolitan area, is the consumers' most dependable friend in giving us that. He is the man who pares his operating costs in order to hold price rises to a minimum, and to lower prices when he can. He is the man who buys with care, so that the customer will get the most for his money.

Customers, however, should remember that he cannot perform the impossible—but he can and does do all in his power to protect the purchasing power of that green-colored folding stuff that is carried in the public's pocketbook.

From where I sit ... *by* Joe Marsh

A Great Bunch —Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

Spring Housecleaning Can Be Fun

You can lighten your work and make Spring housecleaning real fun if you'll plan your work and interest the entire family in the job.

And the best way that we know to "interest the family" is to buy the needed materials—solvents, brushes, mops, pails, etc., from our store—so that every task can be accomplished as easily and as quickly as possible.

So—make it a game, and "play" your spring housecleaning jobs the family way.

Motor Truck Attachments—7 items reduced from $6.25 to $268.00, including a change in specifications on two items.

Details of the International Harvester policy of making price reductions to save customers approximately $20,000,000 a year have now been worked out.

Prices have been reduced on 163 models. These cover 12 basic models of farm tractors, 123 basic models of farm machines, 16 basic models of industrial tractors and engines, and 12 models of motor trucks, as well as certain motor truck attachments. The new lower prices are effective as of March 10, 1947.

INTERNATIONAL HARVESTER says... "Any price is too high if it can be reduced."

These reductions were made not because of any decline in demand, but because the company believes nothing is more important than to lower the prices of the goods people buy.

While prices have not been changed on all products, reductions have been made wherever possible, in the amounts possible. Prices of many of the most popular products have been substantially lowered.

Altogether, more than half of the company's customers will be benefited by the reductions, which range from 1% to 23.8% and from $2.50 to $300 per item, based on the company's list prices.

The ability to maintain these lower prices will depend on the supply and price of materials the company buys from others and on uninterrupted production at reasonable wage levels.

The prices listed here carry out the announced policy that *"Any price is too high if it can be reduced."* As dealers in this territory, we will do our part!

You're practically that, of course, the minute you take over any new 1947 Buick. Never before has any automobile so completely won the country by its beauty — so clearly defined the shape of cars to come.

But really to take the stage and hold it — to cut a dashing figure in the smartest of smart company —

Mister, just picture yourself in this bold beauty here.

It is without question the most wanted version of America's most wanted car.

It's wanted for the freedom that's yours when its handy control swings back the top — and the sky becomes your roof and the birds your travel mates.

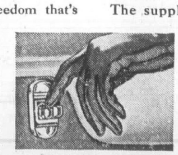
It's wanted for the lift and surge of its satiny straight-eight Fireball power plant, master of every grade and hill, monarch of the farthest horizon.

It's wanted for bigness, and the deep comfort of low-set, cushiony seats — wanted for the floating ease of soft all-coil springing, and the sure-footed stride of a car that's big enough and brawny enough for its job.

It's wanted for styling that already has set the pattern for years to come — it's wanted for fun, for adventure, and for year-round, all-round full family use.

The demand for it? Great, of course. The supply? Mounting as fast as Buick's beaver-busy production staff can free up the supply of the fine materials that go into it.

So with patience, one can be yours. With patience, that is — and the foresight to get your order in now.



A FINGER TOUCH — *and the door window runs up or down automatically. Other handy controls raise or lower the top and adjust the front seat.*

MINUTES OF BOARD OF EDUCATION
April 8, 1947

The meeting was called to order by the President, Mr. Touborg. Members present were Mr. Touborg, Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley, and Dr. Helzerman.

The minutes of the last meeting were read and approved.

Upon motion made by Dr. Helzerman and seconded by Mr. Lindsley, the bills as incorporated into the minutes, amounting to $1,562.61 were approved and ordered paid.

Data concerning the proposed rental plan for texts was presented by the superintendent. Following a discussion concerning the matter, it was moved by Dr. Helzerman and seconded by Mr. Spafford that rental fees of $2.50 per child be established for children in grades one through eight and $3.00 for high school students in grades nine through twelve, these fees to be paid at the time of enrollment and to cover all text and laboratory costs. The motion was carried.

The matter of the budget for the next school year, and the proposed salary schedule upon which it is based, were next discussed by the Board. Following the discussion, it was moved by Dr. Helzerman and seconded by Mr. Spafford that the salary schedule as presented by the Superintendent for the next school year be adopted. The motion was carried.

It was moved by Mr. Lindsley and seconded by Dr. Helzerman that the Superintendent be authorized to investigate any legal questions which may be involved in the expenditure of additional state aid from the Tax Amendment which is due the district for the current fiscal year. The motion was carried.

A motion was made by Mr. Spafford and seconded by Dr. Helzerman that the fire insurance on the high school building be increased by an additional $37,000.00 to meet the recommendations received through the insurance agent. The motion was carried.

Upon motion made by Dr. Helzerman and seconded by Mr. Spafford the meeting was adjourned.

Local Gardeners Rely On Our Pre-Tested Seeds

Year after year, and for more than a generation, we've been selling local gardeners high-quality, pre-tested seeds—the kind that return crops of which they may be justly proud.

Why take chances with "just any seed" for your garden when you can buy from us a high quality product that has stood the test of the grower? Our seeds cost no more than the ordinary—and they give so much in return.

If you are not now one of our seed customers, we'd suggest that you call on us this year for your garden needs. When you harvest your crop we know that you'll be satisfied and that next Spring you'll still be our customer, too.

Do You Drive a Car For Pleasure?

If You Do, Here's a Tip...

Yes, here's a tip on how to get more fun out of driving. Quit worrying. Of course you know that even careful drivers do have accidents, but worry over the possible cost of paying damages to someone injured in an accident doesn't help matters. What you need is automobile liability insurance.

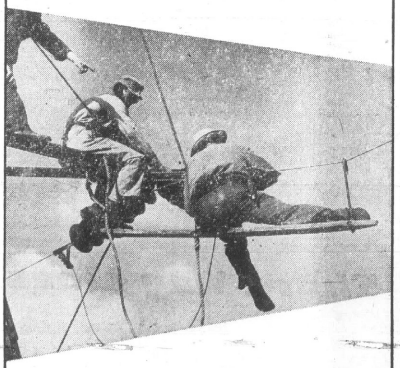
TEAMWORK Makes Your Electric Service DEPENDABLE

Yes, it takes more than wire, transformers and giant generators to bring you *dependable electric service.* It takes people. People who are especially trained, and in the case of Consumers Power Company over 6,000 skilled men and women.

Working together as skilfully as a carefully drilled team, these men and women guide, operate, and control the vast Company resources to make possible the high quality electric service you enjoy.

Even the Company's 50 generating plants that develop over 850,000 horsepower are interconnected so that when trouble strikes they too can switch their output to one another, again assuring you the best possible service 24 hours a day, every day in the year.



Typical of the hundreds of skilled linemen who keep the power flowing through more than 2,700 miles of Consumers Power Company transmission lines are these Company linemen. Day or night, in all kinds of weather, these men are constantly on the job, part of the teamwork that means dependable, economical electric service for you and your family.

30 Educators Visit Schools

TECUMSEH HONORED BY GROUP UNDER AUSPICES OF ILLINOIS STATE COLLEGE

The Tecumseh Public Schools and W. L. Berkhof, superintendent, were honored yesterday when 30 superintendents and board members from county and municipal schools in Illinois visited the local school, selected as one of three in Michigan for an inspection under the auspices of the Western Illinois State Teachers College at Mcomb, Ill.

The visiting educators were especially interested in the Tecumseh school's community relationship program which is rated as one of the best in the state. In other schools visited, reorganization and community relationship were considered. On Monday the group visited the Ann J. Kellogg school at Battle Creek, and on Tuesday the Lincoln Consolidated School at Ypsilanti.

A special program was provided for the visitors at the school yesterday. At 8:15 a chapel service was held with James Sisson, president of the Student Council, presiding. The Rev. B. O. Bashore of the Baptist church, was the speaker, and special music was under the direction of Miss Alice Peugeot.

Group conferences stated at the homemaking room at 9:45 with Mr. Berkhof making the introductory remarks. Mrs. Ayesha Laidlaw explained the school lunch program, and Aden Mead, the school guidance program. James McDowell high school principal, explained the community recreation program, and Neville Hart talked on the Community Adult Education Program.

The visitors also inspected these departments of the local school: Homemaking, physical education, recreation center, industrial arts, music, agricultural, commercial, community library, science, high school library, Brownville and St. Peter's church schools, and selected grade school classes.

At noon the educators were guests at a luncheon in the home economics department, leaving during the afternoon by special bus for Macomb.

Mr. and Mrs. Geo. Rubadou Married Fifty Years

Mr. and Mrs. George Rubadou celebrated their golden wedding anniversary April 15 and on Sunday, April 20 were entertained in their home on West Pottawatamie street by their daughter Mrs. Margaret Ward of Ann Arbor and their granddaughter and husband, Mr. and Mrs. John Bard and twin sons, Edward and James of Detroit.

Other relatives present were Mr and Mrs. Alva Hunter and Alva Hunter, Jr., of Ypsilanti, Mrs. Anna Bard, Mr. and Mrs. Fred Hunter, Mrs. Mabel Walters and Mrs. Inez Kriderman of Detroit, Mr. and Mrs. James Bleach of Dearborn and Mrs. Alice Beneway of Tecumseh.

Mr. and Mrs. Rubadou received many gifts of cards, money and flowers, which were greatly appreciated.

Mr. Rubadou is 81 years old and Mrs. Rubadou, the former Nettie Cannon is 69. They have lived all their married life in Tecumseh.

TECUMSEH CONTRIBUTES OVER $300 TO RED CROSS

Although Tecumseh did not conduct a drive this year to raise funds for the American Red Cross, this community did contribute $318.75, the Rev. Edward Escolme announced today. The Presbyterian, Baptist, Methodist, Friends and St. Peter's churches through local appeal contributed $168.75 of the amount, and the balance was given by other groups.

Tecumseh's quota to the Red Cross this year was $1,200 but because the campaign got underway at a late date, and was without a chairman, no drive for cash was made. A movement is on foot to include the Red Cross in next Fall's Community Chest campaign, that immediate funds may be available in 1948 when quotas are announced.

County Urges Gas Tax Boost

ADDED FUNDS NEEDED TO CARE FOR INCREASING COSTS, SUPERVISORS SAY

The Lenawee County Board of Supervisors, in session at Adrian last week, voted unanimously for a two-cent increase in the state tax on gasoline, pointing out that increased costs in both labor and material are bringing the state and county highway systems face to face with a serious financial problem.

The board's action was taken as its organization meeting was brought to a close, and highlighted its entire session. Only routine business has appeared on the board's calendar, including the fixing of the county tax rate for the coming year at five mills.

The resolution, as adopted by the supervisors, follows:

"WHEREAS: Michigan has billions of dollars invested in a highway system which is vital to the prosperity of this great industrial and agricultural state.

"And whereas, because of the increased cost of labor, material and equipment in the construction of highways and a decrease in revenue, the state and county highway systems are faced with a serious financial problem.

"And whereas, we believe that the gasoline tax is the most equitable way to finance our highways and city and village streets.

"Therefore, be is resolved, that the board of supervisors of Lenawee county go on record in favor of a two cent increase in the gasoline tax, to be divided equitably between the state highways, the county highways and city and village streets.

"Be it further resolved, that copies of this resolution be sent to the Hon. Kim Sigler, governor of Michigan, to Elmer Porter, state senator, to Rollo G. Conlin, state representative, and to the roads and bridges committee of the house of representatives and the highway committee of the senate of the legislature."

The state gasoline tax at present is three cents a gallon.

W. Jay Morse Dies; Funeral This Afternoon

W. Jay Morse, aged 75 years, well known local resident, died Sunday night at Tecumseh hospital, where he had been taken earlier in the day.

Mr. Morse was born in Illinois, December 26, 1871, and was the son of William S. and Sarah Brunfield Morse, natives of New York. He lived in Tecumseh for many years and also spent several years in Monroe where he was employed as shipping clerk for the Monroe Auto Equipment, returning to their home here a few years ago. He was a member of Tecumseh Baptist church, a life member of Tecumseh Lodge, F. & A. M., and the Order of the Eastern Star.

Tells Dangers Of Propaganda

TOWN HALL SPEAKER, BACK FROM GERMANY, EXPLAINS METHODS USED IN WAR

Propaganda, its use during World War II, especially in Germany, and suggestions as to policies that may be carried out in the United States to defeat the vicious war-time rumors, were discussed by Dr. C. M. Newcomb, associate professor of sociology at the University of Michigan, and an interested audience when he addressed the last of a series of Town Hall meetings, Monday evening at the high school. About 60 persons attended the meeting, at which Mrs. Truman Rentschler, president of the Town Hall Council, presided.

Dr. Newcomb spent considerable time in Germany with other Americans, studying Hitler's propaganda machine. He explained carefully the meaning of the word propaganda, and told how it is used not only in war time but in peace time as well, both by business and government. Especially, he discussed its use in international relationships, and pointed out its dangers when it is used by monopolistic groups.

The audience participated in a discussion with Dr. Newcomb relative to the possible types of propaganda that might be used by the United States in war-orn areas of Europe a the present time, and decided that food and clothing were far better "good will builders" than magazines and radio programs.

Dr. Newcomb expressed complete satisfaction with Monday's meeting, declaring that Tecumseh's Town Hall is functioning in an excellent manner.

The Town Hall has been operating here over the past three months and has attracted an average of 100 persons to each meeting. Its cost is paid for by clubs and civic organizations, making possible free admission. It is expected that a similar series will be announced next fall, the meetings to begin in October or November.

Edward G. Aebersold Weds Florida Girl

Announcement is made of the wedding of Miss Barbara Jean Dixon, daughter of Mr. and Mrs. H. R. Dixon of St. Petersburg, Fla. and Edward Gregg Aebersold, son of Mr. and Mrs. E. J. Aebersold of Tecumseh which took place April 9 at the Woodlawn Presbyterian church in St. Petersburg. The Rev. J. G. Hutchinson read the service and Mr. and Mrs. Phillip Gee were their attendants.

Mr. and Mrs. Aebersold are now in Tecumseh where they will make their home. Mr. Aebersold is attending the University of Michigan since his release from the army air corps in which he served two years.

BOY SCOUTS COLLECT 15 TONS WASTE PAPER

Tecumseh Boy Scouts, in their waste paper collection here 10 days ago, picked up about 15½ tons of paper, and proceeds of the sale netted them $287.11, according to a report to the Rotary Club on Tuesday evening by E. M. Campbell, chairman of the club's committee on scouting. The proceeds were divided among the Scout troops of the village.

Mr. Campbell declared the collection the most successful staged here, and thanked those who assisted, and the community for its excellent cooperation.

BOARD MEETING

A board meeting of the Tecumseh Unit of the Lenawee County Cancer Society will be held Monday evening, April 28, at 7:30 in the library basement.

The unit has received two more donations of $5 each from the Westminster Junior League and the Presbyterian League.

P. T. A. TO MEET

Tecumseh P.T.A. will meet Thursday evening, May 1, at the schoolhouse instead of May 8 as previously announced.

Mayor Urges Immediate Steps To Build Addition To Hospital; Would Annex New Subdivisions

The board of trustees of Tecumseh Hospital should make immediate plans for the building of an addition to the hospital, and submit to the village council an estimate of the cost of such an addition, with plans and specifications and equipment required, so that the whole matter may be given prompt consideration. John C. Truesdale, Tecumseh's new village president, told members of the council when they met in regular session, Monday evening.

"If possible," Mayor Truesdale said, "a plan of financing should be worked out at once so that construction can be started in order to take advantage of the summer months for building. We all know that the hospital has been a God-send, not alone to our own citizens but to the surrounding community as well. I am asking the trustees of the hospital to submit their plans for a conference with the council as quickly as possible."

Plans for the enlargement of the hospital have been under consideration for about a year and the mayor's action now clears the way for a proposal on the part of its board of trustees. E. M. Campbell is president of the hospital board, and in all probability some plan will be laid on the council table at its meeting the first Monday in May. Mr. Campbell recently has warned that the community has outgrown the hospital, and that an enlargement must be forthcoming if it is to continue to serve Tecumseh and its surrounding areas.

Mayor Truesdale also told the council that he was firmly of the opinion that Tecumseh would be a village of 5,000 population by the end of 1950. He asked that the council consider the possible annexation of outlying adjacent properties in order to take care of this expansion.

"For instance," the mayor continued, "the so-called Quaker Oats Subdivision now has about 60 houses and I understand that there will be about 40 more. About 90% of the owners of these new houses are veterans of the last war, and they are just starting out in life. I suggest, if possible, all cooperation be given in the necessary procedure for the annexation of this property to the village. I would further suggest that we put water mains in the area for fire protection and, over the next year or two, work about a plan for sewers. There are also other properties lying near the village which should be given consideration as soon as applications can be made to have them annexed to the village."

In connection with street maintenance, the mayor said that "we all know" that, due to the war, streets have not been kept in the best of repair because of the shortages of materials and labor. "I would suggest to the committee on streets," he continued, "that we take a certain number of streets each year and put them back in first class condition, and that petitions submitted to the council for curb and gutter be given every consideration. After all," he declared, "we are here to serve the citizens and to act as their agents in fulfilling their wishes."

Mr. Truesdale also touched upon the enlargement of Brookside cemetery. "I am recommending to the [illegible] he said, "that the properties owned by the cemetery and not now being used, be improved immediately, and subdivided into lots and sold to the public. As the town grows, we are going to find that we will be needing additional burial lots."

A greater part of the council meeting was given over to reorganization, and the announcement of appointments by the mayor. These committees were named:

Fire and fire limits, Archie Porter, Chas. Mensing, Geo. McCombs; ordinance, B. B. TurnBull, Mensing, Geo. Adamson; health, McCombs, Adamson and TurnBull; water, streets and sewer, S. Henry Smith, Porter, McCombs; finance, Adamson, TurnBull, Mensing; lighting, Adamson, McCombs, TurnBull; building inspector, Merton Thielan; health physician, Dr. H. rf. Loveland; fire chief, B. B. Moon; fire truck driver, Carl Leonard; relief fire truck driver, Lester Collier; president pro tem, Geo. H. Adamson; village engineer, Frank Hoekstra; assistant engineer, Vern Mansfield; purchasing agent, Wade L. Jones; deputy marshalls, Leo Smith, A. B. Harding, Carl Leonard, Robert Williamson; village attorney, John Zeigler; members of planning commission, terms expiring April 1, 1950, P. C. Satterthwaite and F. K. Smith; zoning board of appeals, W. L. Jones, term ending April 1, 1950.

The council approved the continuation of the rental of offices for the village clerk from Mr. Jones, and named the United Savings Bank as the depository for village funds. Purchase of a new truck for the highway department was authorized, and the dump at the foot of Cummins street was open for the disposal of ashes, cans and rubbish, but garbage was prohibited.

Mrs. Isabelle Bloomer Is Buried At Ridgeway

Mrs. Isabelle Bloomer, aged 88 years, widow of the late James Bloomer of Holloway, died Friday at the home of her daughter Mrs. Olive Barrow in Ithaca where she had made her home for three years. Mrs. Bloomer was formerly Isabelle Speller and was born in Blissfield. She was a member of the Holloway Presbyterian church.

Survivors are two daughters Mrs. Barrow and Miss Mary Bloomer of Ann Arbor, two brothers Danford Speller of Midland and Silas Speller of Blissfield, two sisters Mrs. Mary Belcher of Briar, Mo., and Mrs. Laura Samuelson of Salina, Kans., and one grandson.

The body was brought to the Green Funeral Home here where services were held Monday afternoon. Rev. W. J. Prestidge of Deerfield officiated and burial was in Ridgeway cemetery.

ALTAR SOCIETY VOTES $5 TO CANCER FUND

The April meeting of St. Elizabeth Altar Society was held last Wednesday evening at the home of Mrs. Kenneth McEnroe. It was voted to give $5 to the cancer fund and to continue the benefit parties every two weeks, the next party to be held Monday evening, May 5. A family night potluck supper was planned for Sunday evening, May 4 at 5:30 in the church basement. Mrs. Gertrude Golat and Mrs. Paul Breitenwischer were appointed to the sick committee.

HIGH SCHOOL DEBATERS GIVE ROTARY PROGRAM

The debate team from Tecumseh high school, directed by Aden Mead, presented the program at the dinner-meeting of the Rotary Club, Tuesday evening at Brees House.

The team this season has been debating the question of compulsory socialized medicine, and Marian Murphy and Patsy Wilson presented the affirmative side, while David Green and Irving Shaw took the negative. The debate was very interesting and showed considerable preparation on the part of the students.

Returned Missionary Talks To Church Women

Mrs. Emma Warner who recently returned to the states after 28 years in Agra, India, as a missionary, was the principal speaker at the regular meeting of the Women's Association of the Presbyterian church, held last Wednesday evening. She told of her life in that country and introduced her protege Sundar Singh, a native who has come to this country to further his education and is a student at Adrian College.

Don Walkout, a music student at the college, entertained with several piano numbers.

Mrs. Clyde Bailey was program leader and Miss Marie Koernig, Mrs. Wilbur Boyce and Miss Ruby Preston were hostesses.

ALBION BAND TO PLAY CONCERT HERE, TONIGHT

The Albion College Band and Orchestra, under the direction of Dr. Conway Peters, will play a concert here tonight in the auditorium of the high school, beginning at 8 o'clock. Net proceeds of the entertainment will go to the Band Parents Club, and will be used for the purchase of new uniforms for the high school band.

NEW HOUSE DAMAGED BY FIRE ON MONDAY

THE SAME OLD TUNE

The Lenawee County Board of Supervisors has gone on record as favoring a two-cent increase in the state tax on gasoline in an attempt to provide more funds with which to maintain Michigan's roads. It is pointed out that the maintenance of highways at the present time is not up to normal because of a lack of funds, and that further funds to meet increased costs must be had if the trunk line systems and county highways are to be kept in repair.

There is a lot of sound logic in the supervisors' suggestions. We all know that wages have increased sharply over the past few years, and that materials, too, have gone up in price. Most of us drive automobiles or operate trucks and each of us is vitally interested in road repair. We dislike to ride on rough, dangerous pavements, but if we are to continue to maintain our roads as we have in the past, then we must have funds to meet the costs and, unfortunately, the only source of government revenue is taxation.

However, it is not only in the road maintenance department that we are short of funds. Schools, hospitals, prisons, mental institutions, in fact all state operated institutions are seeking more money and, in addition, municipalities are beginning to feel the pinch for cash.

It is estimated that at the present time about one-third of every wage-earner's dollar goes for taxation—direct or indirect. Perhaps the tax "take" is even greater than is estimated.

It is little wonder, then, with the many branches of government taking an increased slice of the public's income that prices, wages and services are spiraling upward. And, if the trend is allowed to continue, how long will it be before we will be paying half or even more of our wages and incomes into government coffers?

We agree, entirely, that it costs money to maintain all government services, and we agree, too, that everybody is expecting more and more from government. But where is the end?

We must remember that the power to tax is the power to destroy and we must remember, too, that deficit spending, whether in government or private enterprise, also is destructive if practiced long enough. Instead of increasing taxes and continuing reckless spending, perhaps a bit of economy should be practiced. Economy may not be good politics in an election year, but sooner or later, as we see it, it must be practiced if we are to remain solvent and continue as a democracy.

From where I sit ... *by* Joe Marsh

"As Homelike As a Barn"

Cy Hartman finally got his new barn painted, but plenty of folks had a hand in it. Whenever someone got a free day, or a little extra time, they'd come over and help out with paint and brush.

And Cy, to show his appreciation, held a big "barn warming" Saturday—for all the folks who'd helped him, but not barring those who couldn't. Ma Hartman supplied sandwiches, and Cy rolled out a mellow keg of beer.

You'd never think of a barn as "homelike." But with those lanterns hanging from the rafters; makeshift tables spread heavy with food; and Ed Carey's fiddle playing while the folks enjoyed their beer—Cy's barn was sure a mighty hospitable-looking place!

From where I sit, it's just about as appropriate to have a barn warming as a housewarming . . . if only because it's another chance to get neighbors together in a spirit of good fellowship.

Don't Let a Cold Catch You Napping

Summer, Fall, Spring and Winter, all wrapped up in a single April day of changing temperatures makes it necessary that we be constantly on the guard against colds. Especially is this true with children.

Always keep handy home remedies in your medicine chest, ready for instant use. The minute you discover a cold starting, begin to fight it.

However, if the illness does not respond readily to home treatment, call your doctor. And, if he gives you a prescription, bring it to us for careful, scientific compounding.

Vaccination Suggested In Smallpox Outbreak

"Outbreak of deadly smallpox in New York state makes is advisable for every adult child in Michigan who has not been vaccinated for smallpox in three years to be vaccinated at once," Dr. William DeKleine, State Health Commissioner, warned this week.

Michigan is extremely vulnerable to smallpox because of the large number of people who are not vaccinated against the disease. Immediate vaccination is especially urgent. Two deaths have been reported among eight cases in New York State. Smallpox is highly communicable and a traveller from New York might bring the disease to many persons and localities in the state before he knew he was seriously ill, Dr. DeKleine said.

The Michigan Department of Health last week complied with an emergency request from the Nassau county, New York, health department for 40,000 tubes of smallpox vaccine to be used in fighting the outbreak there.

WITH THE AUTO-ROCK

CAREFUL SERVICE — ALL MAKES OF CARS

We love 'em in December as we do in May

REMEMBER the day you first romped away in that Buick of yours? How those eight Fireball cylinders fairly floated you over the hills—how those road-steady two tons of lively car answered sweetly every light touch of your hand on the wheel—how you glided along with foursquare BuiCoil springing smoothing every wrinkle in the road?

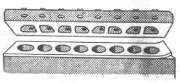
That's what your Buick was built to do. Years and years of that kind of driving are in it—especially when it gets the interested, informed car care this fine an automobile should have.

That doesn't mean just periodic lubrication, a body wash, battery check or bolt-tighten. It means thorough attention by competent Buick men—attention that keeps a Buick always a Buick.

Buicks are our babies. Even the smallest details are handled the way they should be for a Buick. We have Buick tools that do jobs better and quicker. We have men who know Buicks best. We have Buick-engineered parts that are precisely right for your car.

Put that all together and it's Buick car care.

Pretty clear, isn't it, that here is where your Buick will receive the best attention? After all, we love 'em heart and soul.



"TOP" SECRET

One of the things that play a part in Fireball snap is Buick's wafer-thin steel cylinder gasket. Just 15 thousandths of an inch thick, it's a "must" for the high compression this powerful straight-eight is designed for. Other kinds that are thicker cut down the compression and the car's liveliness.

In carbon and valve jobs, or any other where this gasket must be replaced, only this Buick gasket will assure the fit Buick engineers intended. No wise Buick owner would have any other in his engine.

Just another example of how you get more for your money—in major adjustments, tune-ups, lubrication or anything your car needs—when you make sure it gets Buick car care.

Beaver Boys Disband After Year Of Activity

The final meeting of the Beaver Boys was held Monday evening at the home of Mrs. Vernon Rupp where a candlelight supper was served at 5:30. Tables were decorated in the Beaver colors, brown and white, and flowers, nut cups and place cards were also used. The boys enjoyed baseball and marbles, played good manner games and sang songs. The group is now disbanding as four have joined the cub scouts and two more will soon be of cub scout age, Mrs. Rupp also expects to leave soon to join her husband in California.

The Beaver Boys were organized in January 1946 when Mrs. Rupp began a system of supervised play with a group of seven boys. Rules were posted, arm bands were made and the group met each Monday afternoon after school since that time. They had a club song and meetings were conducted regularly. The projects included individual hobby collections, autograph books, constructive play, nature study, reading of stories on animal life and adventure stories.

Points of interest in Tecumseh were visited by the group. They also visited the county jail in Adrian, Bixby hospital, and the zoo at Toledo. Hikes and picnics were enjoyed as well as fishing trips, swimming and campfire suppers. The boys also learned to make kites and to tie sailor knots.

The group included Donald Partridge, Bobby Manley, Ronald Rupp, Ross Hadley, Eddie Hodges, Vere Hart, Gary Lykken and Robert Hadley, Beaver chief. Gary Lykken moved from Tecumseh several months ago, the only break in the group.

Light Necessary

A stranger, passing some mines in Pennsylvania, asked a little boy why the field was so full of mules.

"These mules are worked in the mine during the week," replied the boy, "and are brought up into the light on Sunday to keep them from going blind."

The application is apparent. Do not allow yourself to go spiritually blind. Come to church on Sunday and let the light of God's Word shine into your heart.

CLINTON

Mrs. William Baird is a patient at Blanchard hospital in Morenci where she underwent a major operation.

Since the recent explosion in Texas City, Texas, no word has been received here concerning Sally Brown, who left Clinton about a month ago to live with her sister in Texas City, and was operated on recently for appendicitis in the Texas City hospital.

Mrs. Francis Baird is recovering from a cracked elbow bone and is able to do her housework. Mr. Baird, who suffered a broken bone in his foot when steel doors at the school fell on it, has his foot in a cast and gets around a little with the aid of a crutch and a cane.

Mrs. Arthur Martiny has returned from Ford hospital in Detroit, accompanied by Mrs. C. Wagner who will visit here.

Bert Reynold is recovering from an appendix operation performed last week at University hospital in Ann Arbor.

Mrs. Emma Hause has returned from a visit in Flint.

Albert A. Ward who was 90 years of age April 10, was guest of honor at a family dinner held Sunday in the home of Mr. and Mrs. Lawson Ward. Spring Cleanup Will Make Homes A Safer Place

Have you set a date for spring clean-up week in your home? The purpose of such a week is not only neatness, but to remove fire, accident, and health hazards from your home.

Fred Roth, farm safety specialist at Michigan State College, recommends that you make a thorough check-up of all dangerous areas. Your closets, basement and attic should be kept free from loose or piled paper, rags and any rubbish.

Make a careful check of flues, chimneys and stove pipes and of electric wiring.

Do you have a safe storage place for kindling and other fuel? Gasoline and kerosene should be at least 50 feet from major farm buildings. Remember that farm fires destroy about 90 million dollars worth of farm property a year. While you're checking, ask yourself whether you know where to shut off water, gas and electricity in your home.

If in the process of your spring cleaning, you decide to do some home dry-cleaning, do it outside the house. Keep your hands out of the cleaning fluid. Use a suction washer. Use only a fluid which is labeled non-flammable. Dry the garments outside and keep children and pets at a safe distance from your cleaning.

Home dry cleaning has disfigured or fatally burned many persons and has burned houses to the ground. You can't afford to take a chance.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the many friends, relatives and neighbors for the many kindnesses shown and for the many beautiful floral pieces at the time of the death of our wife and daughter Mrs. Marion M. Kempf; also to the Rev. B. O. Bashore for his comforting words; to Mrs. Williamson for the beautiful music; to the bearers, and to Mr. Green for his understanding sympathy and kindness in our bereavement.

Leonard H. Kempf and family
George W. Hoag.

Our heartfelt thanks to everyone for their kindness during the illness and death of our husband and father, especially to the Tecumseh Products Union, the Tecumseh Products Company, the Tecumseh hospital staff, Dr. R. F. Helzerman and Rev. Edward Escolme and for the many lovely flowers.

Mrs. Leon Maynard
and family.

We wish to thank our many friends and relatives for their gifts and cards on our 50th wedding anniversary.

Mr. and Mrs. George Rubadou.

I wish to thank all my friends and neighbors for the beautiful cards, flowers and gifts sent me during the months confined at my home and U. of M. Hospital. And especially the Pythian Sisters, Royal Neighbors, Lady Eagles Auxiliary, Past Chiefs Club, Nomads and Mrs. Pearl Beaubien.

Fannie E. Brees.

Many thanks to my friends for their cards and flowers during my recent illness; especially to the Telephone Co. employees and the Lady Eagles Auxiliary for their kindness.

Mrs. Helen Morningstar.

I wish to thank my friends and neighbors for the beautiful plants, flowers, cards and other gifts during my recent illness. I also wish to thank the Parrett Nursing Home, Dr. Blanden, and the Lady Eagles Auxiliary for their kindness.

"SPEEDY" by BUTLER Motor Sales

Our Business Is Growing

And We Need More Mechanics!

Because our repair business is growing steadily, and because we'd like to continue to give our customers prompt, courteous service, we are in need of one or two more good mechanics.

If you are a mechanic and would like to join our staff, call in and see Harry Schuch, our service manager.

Our mechanics are paid on a percentage basis. You have an opportunity to really "make money"—in fact, the harder you work, the more money you make.

If you'd like steady employment, good working conditions, and good pay, see Mr. Schuch at once. He'll explain to you how you, too, can make "real money" and at the same time be assured of full-time employment.

Tecumseh Gets Sales Tax Cash

VILLAGE RECEIVES $4,673 AND SCHOOLS EXPECT ABOUT $4,300 SOON

The Village of Tecumseh, its public schools and the township will receive nearly $10,000 as the initial share in the sales tax diversion fund, it appeared today. The return of the money, back to local government, was approved by electors in last November's balloting.

The village has been advised that a check is now in the mail for $4,673.60 as its share of the first refund, for the period ending March 31. The township will receive $750.40.

W.L. Berkhof, superintendent of schools, said that he had not yet been advised as to the amount that the schools will receive but he estimated that it would be about $4,300. This sum is based on a return of $5.95 per census child.

The board of education, about two months ago, voted that in the event the tax diversion was declared legal by the courts, the first sum received from the state would be divided as a "bonus" for teachers and other employees. On the $4,300 basis, it is believed that each employee, including teachers, will shortly receive about $125.

Diversion money to other sections of the county will amount to many thousands of dollars, divided as follows:

Adrian city, $22,768; Adrian township $4,364.80; Hudson city, $3,881.60; Hudson township $1,457.60; Morenci, $2,952; Addison $744; Blissfield, $3,430.40; Blissfield township, $1,144; Britton, $654; Clayton, $600; Deerfield, $910.40; Deerfield township, $1,241.60; Onsted, $662.40; Cambridge township, $1,370.40; Clinton township, $699.20; Dover township, $1,611.20; Fairfield township, $2,864; Franklin township, $1,771.20; Macon township, $1,379.20; Madison township, $1,944; Ogden township, $2,195.20; Palmyra township, $2,643.20; Raisin township, $2,012.80; Ridgeway township, $1,435.20; Riga township, $2,571.20; Rollin township, $1,964.80; Rome township, $1,627.20; Seneca township, $1,896 and Woodstock township, $2,217.60.

Leon E. Temple Dies: Funeral This Afternoon

Leon Elbert Temple, 37, vice-president of the Short Way Bus Lines, Inc., died at 3:15 o'clock Tuesday morning at the home of his parents, Mr. and Mrs. Leon Temple, 4152 Brookside Drive, Ottawa Hills, Toledo. He had been in failing health since his discharge from military service. He served for three years and six months in World War II.

Mr. Temple and his family were former residents of Tecumseh, having lived in Toledo for 17 years. He was graduated from Adrian high school, and received his bachelor of science and bachelor of philosophy degrees from Toledo University. He was a member of St. Peter's Episcopal church, Tecumseh, and of the Toledo Loyal Order of Moose.

Surviving are his parents, a brother, Frederick M., of Toledo, and several aunts, uncles and cousins.

Funeral services will be held at 11 o'clock this morning from the Garner Funeral Home, Lawrence and Bancroft Avenues, Toledo, and at 2:30 this afternoon from Collins Funeral Home, Tecumseh. The Rev. Malcolm Ward of Maumee, O., will officiate and burial will be in Brookside cemetery, Tecumseh.

JUNIOR BASEBALL TOURNAMENT HERE

It was announced today that Tecumseh will be the host to the Junior Baseball League's four-county tournament, to be held during the summer months. Teams from Lenawee, Monroe, Jackson and Washtenaw counties will participate.

Tecumseh's Junior Baseball team is sponsored by the Legion and will be organized again this year as quickly as the public schools recess for the summer.

It will be the first time that Tecumseh has played host to the league's tourney.

BAND CLUB TO MEET

The Clinton Band Mothers will meet at the high school in Clinton, next Monday evening at 8 o'clock.

$55 Contributed Here To Cancer Control Unit

The executive board of the local unit of the Lenawee Cancer Control, met Monday evening at the library. Mrs. Don Root, commander of the county unit, was present and told of the organization and of duties of the local group. Twelve members attended the meeting.

Donations locally to the present time amount to $55.00. Donations may be made to the local board or to the county unit. Mrs. F. K. Smith is local chairman.

The board will meet again May 26 in the library basement.

Strike Settled

Between 800 and 900 employees of the Clinton Machine Company, on strike since last Thursday, returned to their work yesterday. The workers had charged that the company was stalling in negotiations of a new contract.

The decision to return to work was reached on Tuesday afternoon in a meeting of the union committee and a committee from the Clinton Chamber of Commerce, headed by O. E. Priest.

According to announcement, the contract negotiations will continue while the men work.

The company, Clinton's largest, manufactures small gasoline motors. It's payroll is between $40,000 and $50,000 a week.

Mrs. Ada F. Lockwood Aged Resident, Dies

Mrs. Ada F. Lockwood, aged 82 years, widow of the late Elmer E. Lockwood, died Thursday night at her home on South VanBuren street after a long period of failing health. She had been seriously ill for only 10 days. Mrs. Lockwood was formerly Ada VanValkenburg, daughter of Heman and Martha Van Valkenburg and was born October 25, 1864 in Ridgeway township. She was the last of a family of eight children and had lived in Tecumseh for 65 years. She was a member of the Friends church and a charter member of the Royal Neighbors.

Survivors are two daughters, Mrs. Lena Cox and Mabel, a son Heman, three grandchildren and one great-grandson. Mr. Lockwood died in September 1943.

Funeral services were held Monday afternoon at the Collins Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Bearers were P. M. Hayden, Amos Wilson, Oscar Meads, John Hamilton, B. W. Mominee and R. R. Van Winkle. Relatives and friends attended from Columbus, Toledo and Sylvania, O., Indianapolis and Danville, Ind.; Ann Arbor, Onsted, Britton, Ridgeway, Adrian, Saline, Clinton and Tecumseh.

FARM BUREAU MEETS

The Macon Farm Bureau group met Monday evening in the home of Mr. and Mrs. Charles Bigelow with 19 in attendance. Following a short business session Mrs. Anna Hintz reported on the meeting of Farm Bureau women held recently in Adrian.

Leland Bush, discussion leader, reviewed briefly the 15 mill limitation, its purpose and provisions and a further discussion of the proposed 2 mill property tax brought out unanimous opposition from the group. There were also discussions of the luxury tax, income tax and additional sales tax without arriving at a satisfactory solution.

Recreation, music and refreshments concluded the meeting and the group adjourned to meet May 26 with Mr. and Mrs. Irving Downing.

D. A. R. BREAKFAST

The annual May breakfast of Abi Evans chapter, D.A.R., will be held Friday, May 9, at 11:30 a.m., at the home of Mrs. W. J. Penman. Reservations must be made with Mrs. Penman or Mrs. Louis Schneider before Wednesday, May 7. Members are requested to bring their own table service.

DANCE NETS $91

The Association reports proceeds of $91.67 from the recent dance which will go toward expense of the Day Camp planned to open July 14. They wish to thank all who contributed in any way.

Hospital Board Talks Building

PROPOSED EXPANSION WOULD COST OVER $30,000; COUNCIL AID NEEDED

The board of trustees of Tecumseh Hospital, headed by E. M. Campbell, is expected to confer with the village council next Monday evening on ways and means to bring about a proposed enlargement of the hospital, in keeping with suggestion made two weeks ago by Mayor John Truesdale. The board met in regular session, Tuesday evening, and canvassed plans for the institution's growth.

While the expansion program is still in the formative stage, Mr. Campbell is of the opinion that between $35,000 and $45,000 will be needed to meet building costs, aside from the cost of equipment. The proposal calls for the building of another wing on the present building, about 73 by 40 feet in size, with full basement. This would make possible sufficient room for about 20 more beds, and basement space would be given over to X-ray rooms, nurses rooms, and for other needs.

The original hospital was built by public subscription in 1938 at a cost of about $45,000 and was of 21-bed capacity aside from the nursery. In 1941, at a cost of $25,000, an addition 80 by 40 feet was built, giving the hospital at the present time 34 beds aside from the nursery. The proposed new addition would increase the bed space in the hospital to 54.

Mr. Campbell pointed out that the hospital's original capital assets before depreciation were $73,000 in building and equipment, and that the institution now has some available cash which it plans to spend for much needed equipment. He doubted that any of the institution's cash reserve might be used to defray new building costs.

"We understand," Mr. Campbell said, "that there is now before the Michigan legislature a proposal to aid municipally operated hospitals in the state that face a building program. Perhaps, up to one-third of the cost of such improvements might be borne by the state and federal government, the remaining two-thirds locally.

"The legislation has not yet passed, and we are not fully informed on it," he continued. "We want to investigate the possibility of outside aid before we make our plans here, and we would also like to get the council's opinion. For that reason, we plan to present our case to the council when it meets in regular session on the evening of May 5."

The Tecumseh hospital has for several months been crowded to overflowing and it has been realized that an addition would be necessary. However, rising building costs and material shortages have delayed any tangible program.

SPECIAL SERVICE AT GOSPEL TABERNACLE

On Sunday evening, May 4, at the Gospel Tabernacle, 321 North Pearl street, a special service will be held with the Evangel quartet of young people from the Evangel Chapel, Assemblies of God, in Ann Arbor, presenting the service in song and song. Phone Tie-up Delays Doctor

FARMER SUFFERS BROKEN LEG, BUT IS UNABLE TO TELEPHONE PHYSICIAN

Edward Brighton, 80-year-old Cambridge township farmer, lay on the kitchen floor of his home for three hours, suffering from a broken leg, and was unable to obtain the services of a physician because the Manchester exchange of the Michigan Bell Telephone Co., refused to accept a long distance call for a doctor. The Bell telephone employees have been on strike for over three weeks, and have been accepting only "emergency."

Mr. Brighton was walked on by a cow when he visited his barns at his home, 14 miles west of here, about 7 o'clock, Sunday morning. He dragged himself 200 yards to his house, where he fell on the kitchen floor. The Brightons do not have a phone, and Mrs. Brighton went to the Mrs. Charles Kohler residence to call Dr. P. B. Hardy of Tecumseh.

Dr. Hardy says that he was told that the Manchester exchange refused to accept the call, although Mrs. Kohler told the operator the conditions. She says she was advised by the phone company that there was nothing they could do about it.

The manager of the Manchester exchange explained that during the strike a recording is playing when subscribers attempt to make a call. The recording explains that only emergency calls are accepted, and notifies the subscriber that if the call is an emergency, the operator is to be flashed by pulling down the phone hook.

The manager said that evidently the Kohlers did not understand the signaling system. He said that the company's records do not show that the call was placed, and he said that there was no reason why it should not have been handled. The exchange was not busy, he said, and regretted the incident.

Mrs. Kohler after her unsuccessful atempt to phone the doctor, returned to her home and a messenger was sent to Tecumseh by car to notify the physician, who arrived about 10 a.m., and reduced the fracture. During the waiting period, Mr. Brighton was made as comfortable as possible on the kitchen floor with the aid of pillows.

Former Herald Employee Is Killed In Accident

O. P. Sparks, 79, formerly employed as a printer at The Tecumseh Herald, died Sunday at Mercy hospital in Monroe, from injuries suffered Saturday night in an automobile accident near Monroe where he was employed.

Construction Due To Start Soon On 200-Acre Site Near Tecumseh

Construction of 125 new dwellings in two subdivisions, both of them immediately outside the corporate limits of the Village of Tecumseh, will be launched within a few weeks by the Country Home Building Co., of Detroit, it was learned today.

One hundred of the new houses will be built on a 200-acre site purchased from the Ford Motor Co., lying along the south side of M-50 east of the Waring school house road and extending eastward along the highway for about a mile. This plot of ground will be subdivided into lots of approximately two acres each.

Twenty-five more houses will be built on a plot of land near the southerly limits of Clinton, west of M-52, about three and a half miles north of here.

While the sale price of the new houses has not been announced, it is believed that they will be in the $6,200-$6,800 class. The combined projects will represent an expenditure of more than $800,000, and it is understood that the houses will be offered for sale as quickly as they are completed.

Surveys of the Clinton plot were made on Tuesday, and it is likely that ground for the first of the houses there will be broken yet this week. Work at the subdivision east of Tecumseh is expected to begin within a few weeks.

The land bordering M-50 east of here, and on which the 100 new houses will be built, was a part of the vast acreage held by the late Henry Ford. The work of subdividing the tract, it is said, will begin on the east and work toward Tecumseh. The houses probably will be built in groups of 25.

The Country Home Company is well known to this section of the county. It is now completing 54 houses in the so-called Quaker Oats Subdivision, at the southerly limits of the village. These houses are of the one and two bedroom type, and sell in the $6,200-$6,800 price range. Twenty-nine of these houses already are occupied and the others will be occupied as soon as they are completed.

S. Brooks Barron, of Detroit, is secretary of the Home company, and Fred Hendershot, local engineer, is in direct charge of the building operations.

Legislature Studies New Taxation As Retail Prices Continue to Rise

SEES INFLATION AS HIDDEN TAX; NEW TAXES TO FURTHER CUT PURCHASING POWER

By Gene Alleman
(Special To The Herald)

LANSING—The ides of May are here, and the state legislature in its fifth month of deliberations is still floundering on the rocks of financial confusion.

It's anybody's guess what the outcome will be.

Governor Kim Sigler, ambitious politically, believes it would be better to meet realities of the tax situation in 1947 than in 1948, a presidential and state campaign year. If new taxes were enacted this spring, the voters would have a year to forget them. And possibly in 1948 something could be done to clear up the "considerable misunderstanding concerning the present financial condition of the State of Michigan," to quote the governor's own words to the legislature.

Several legislative leaders have warned the governor that deferring of new taxes until 1948 would be political suicide for him.

The "unpleasant realities," according to Sigler, should be faced now, not in 1948.

Hence legislative committees are reporting out an assortment of tax levies with the hope that some new sources of revenue may be tapped to prevent or reduce the threatened $66 million dollar deficit in the coming fiscal year beginning July 1, 1947.

For example, the governor recommended pre-tempting two mills of the local property tax, a device which would finance the veterans' bonus annually—$18,000,000. The senate taxation committee recommends a one mill levy which would raise one-half of that amount.

A six cent levy on each gallon of soft drink is advocated by the senate taxation committee which estimates receipts at $6,000,000 a year. The Michigan Bottlers of Carbonated Beverages Association is opposing the tax vigorously, claiming it would force many firms out of business. A five cent drink would go to six cents, it is said.

The state tax on beer would be doubled. This would net $6,000,000.

A 2-cent tax on each package of cigarettes, another proposal, would raise $7,000,000.

Add these all up, and you get $27,500,000. Subtract this from the prospective deficit ($66,000,000).

Town Hall Meeting Date To Be Announced Soon

The Town Hall meeting, scheduled for last Tuesday evening at the high school for the purpose of further discussing Tecumseh's future as a rapidly growing community, was postponed to a future date, yet to be announced, according to Mrs. Truman Renschler, president of the Council.

At the next meeting, which may be in the form of a banquet, a more elaborate program will be worked out, and the scope of the discussion widened. However, it was explained that an announcement concerning the meeting date could not be made at this time.

On the program for the meeting which was cancelled, the school problem, and the building of a new postoffice were to have been topics under discussion.

THE PRICE PROBLEM

President Truman's recent remarks on inflation, in which he appealed to business to hold down and if possible reduce prices, presents some difficult problems. It is undoubtedly true, as the President said, that if the wage-price spiral continues, it will be ruinous for the country. But business, caught on all sides by rising costs, can do nothing but price its products accordingly.

Some manufacturers have recently announced price decreases, which is a favorable sign. And it is a safe bet that the manufacturer who deliberately overprices his wares is very rare indeed. Competition from other concerns in the same line exerts a definite control over the would-be profiteer. And retail business, which must buy and stock the goods before it goes into the hands of the consumer, has proven itself a very important influence in limiting price increases.

The buyers for large retail organizations are being very careful in making their purchases now. They will not buy unless they are satisfied that maximum quality is offered at minimum price, and that no better deal is possible. The good effects of this are likewise found in the small stores, as manufacturers cooperate with retailers to give better values.

Business, at both the manufacturing and retail levels, knows that nothing can be so destructive as unbridled inflation. It knows that reasonable prices are essential to the mass-production and mass-sales on which our economy depends. It will fight inflation with every weapon possible.

From where I sit ... by Joe Marsh

We Got to the Fish Fry After All

That community fish fry was sure a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of frying the fish—soft and flaky inside—brown and crisp around the edges.

But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.

Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steaming covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.

From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great *eating*, they were symbols of the thoughtfulness that makes for better *living!*

Well Kept Farm Buildings Give Genuine Satisfaction

It's really true, well-kept, neatly repaired farm buildings are a genuine source of pride and satisfaction to the owner, and are admired by all who see them.

We realize, that during the war years, it was difficult to properly maintain all property, due to the shortage of materials. Now, however, with materials more plentiful, the work can be done.

In our THREE big yards—at Tecumseh, Clinton and Britton, you'll find everything that you will need in the way of lumber and other materials, either for new construction and repair work. We'll also be glad to furnish you with estimates of costs, and assist you in any other way that we can.

Call on us anytime for the things that you may need. If we should happen to be out of stock, we probably can obtain the materials for you by the time you will be needing them.

HOW ABOUT A MESS OF PIGWEED FOR SUPPER?

Leafy Greens Needed for Health, Doctor Says

"The small shoots of wild greens just coming up in Michigan backyards and along roadways have just as many vitamins and minerals as the leafy green vegetables you buy in stores," Dr. William DeKleine, state health commissioner said today in advising use of the wild greens in filling one of the "basic seven" food requirements.

Some of the common weeds in Michigan gardens are considered excellent eating by connoisseurs of some lands. Pursley, the pest of the home gardener, when eaten raw or steamed is considered a great delicacy in many countries. Shoots of milkweed may be used like asparagus and their flavor is equal or better than that vegetable.

The average family picks the tender rosettes of dandelions to cook, and takes water cress from country streams to use in the place of other greens in salads or cooked, but few housewives know many of the other wild greens which are edible, the commissioner said.

Young tender leaves of marsh marigold, chicory, wintercress, pigweed, mustard and sorrell are all edible. Like all green leafy vegetables, wild greens belong to the group of "protective" foods, chiefly because they are so high in iron and vitamin A. They also contain considerable amounts of other minerals and vitamins such as Vitamin B1, C and G and calcium, and they afford bulk or roughage.

In selecting wild greens, take only the small tender leaves and shoots. Wash them several times in warm water ending with a cold bath. Do not allow them to stand in water. Cook them in just the water that clings to the leaves. Salt them when you put them over the fire. Take the cover off as soon as greens are wilted to preserve the color. Cook only five to ten minutes. Use cooking water in gravies, soups or stews. These rules save food values and make the greens more attractive and palatable.

For seasoning, use the standard salt, pepper and butter, or bits of crisp fried salt pork. Variety can be had by adding sliced hard boiled eggs, or slices of crisp bacon, or finely chopped pepper or onion.

Use only greens you can identify. Some wild greens are poisonous.

Legislature Studies New Taxation As Retail Prices Continue to Rise

(Continued from page one)

and you find that $38,500.00 more taxes are needed.

If the legislature heeds the governor's recommendations and makes the state government the beneficiary of around $20,000,000 in special revenues which were earmarked in 1946 for aid to cities, then the tax district would be cut to around $18,500,000.

These special revenues include extra liquor taxes, intangible taxes, and liquor license fees. They were granted to cities by the Kelly administraton in the spirit of appeasement.

Other new taxes proposed and still in committee include a three-mill tax on Michigan manufacturers ($18,000,000-); 1 per cent tax on wholesale transactions ($18,000,000), and a 1 per cent tax on net incomes ($28,000,000).

The legislature has been showing more zeal in saving taxes for Michigan taxpayers than in increasing them.

A measure sponsored by Senator Harry F. Hittle, Lansing, would save Michigan taxpayers a sum each year estimated at from $100,000,000 to $207,000,000 in federal income taxes. Here is how the thrift would be achieved.

All income of a husband or wife would become "community income," whereby the husband would report one-half to the federal government and the wife would report the other one-half. A husband's annual earning of $3,000 taxed thus in two bills, would result in a saving of $19. For a $5,000 income the saving would be $76.

The prospect of saving $100 to $200 millions for the taxpayers has been greeted with cheers.

Little is said about the logic of diverting some of these savings to the state treasury through adoption of a state income tax.

A state income tax bill, already introduced, would raise an estimated $28,000,000 annually through a flat 1 per cent levy on net incomes as reported by Michigan taxpayers to the federal government for federal income tax purposes. Such a levy, if adopted, would still permit substantial savings to the taxpayers under the Hittle bill.

Another remedy which is being considered seriously in some quarters of the legislature is to ignore the constitutional diversion of tax funds to the public schools. Rep. John Espies, chairman of the house ways and means committee, reports that the idea is receiving widespread support in both the house and senate. This inaction would remove $25,000,000 in tax needs, and it might permit the state to finish construction of buildings at colleges and institutions.

Underlying cause of the financial problem is the current post-war inflation which has been mounting recently with new acceleration. Retail prices of consumers' goods, rents and services rose 2 per cent between mid-February and mid-March. The consumers' price index hit a new high above 156.

In the past ten months wholesale prices have soared 31 per cent—almost as much as in the previous seven years. Meat prices have climbed 60 per cent since the end of OPA; soap, 62 per cent; drug products, 67 per cent; cotton goods 39 per cent; leather goods, 63 per cent, and so on.

Inflation is a hidden tax. It lowers the purchasing power of every family.

New taxes will reduce this purchasing power still more.

Take Care of Your Garden

—Photo Courtesy Perry-Morse Seed Co.

The time to kill weeds in your garden is before they begin to grow! Hoeing the surface soil in vegetable or flower garden not only destroys sprouting weed seeds; it actually prevents their germination. As soon as the seedlings break through in the garden rows so that they can easily be seen, it is time to begin stirring the soil between rows and as close to the plants as possible without disturbing them. Either a hand hoe or a wheel hoe is an excellent tool.

If it rains a few days after the first cultivation, stir the surface soil again as soon as it is dry enough, but do not wait longer than a week before cultivating a second time,—rain or no rain,—unless the ground is too wet to work.

Weeds within the row will probably have to be removed by hand while the plants are small. Some gardeners find an old kitchen knife a handy helper. Or, a hand weeder is a convenient tool. As plants grow larger, they usually dominate so that weeds in the row do not prove troublesome. Onions are one exception; the spear-like leaves do not shade the ground enough to keep down the husky weeds.

For the good of the vegetables and flowers and for the sake of a garden's appearance, it is important to cultivate all through the gardening season. Besides keeping ahead of the weeds, tilling the surface soil lightly forms a mulch to prevent evaporation of moisture. It is particularly essential to stir the soil around plants as soon as soil and plants are dry enough after every rain. Care should be taken, however, not to dig so deeply near the plants as to injure the roots.

Another reason for cultivating the garden all summer is that stirring the soil allows air to enter. Next to moisture, ventilation is one of the most valuable means of releasing soil food to growing plants.

Nomads Initiate Group At Special Meet, Here

At a special meeting of El Misti Santha No. 93, Nomads of Avrudaka, held Saturday evening in the I.O.O.F. hall, a group of 14 candidates was initiated and included Marie Listman of Tipton, Mabel Baxter and Clara Ford of Hillsdale, Rosemary Godfrey and Emma Meiner of Adrian, Arlene Sherman, June Smith, Carmen Mathews, Henry Kempf, Alfred Beckman and Virgil Kash of Tecumseh. Clayton Greenwald and Margaret Kempf were the presiding officers and this was the first ceremonial of the group.

Following the work a social evening with refreshments was held in the K. of P. hall. The committee in charge consisted of Leila Wood, Esther Beckman, Ruth Vincent, Ellen Ireland, Grace Ross and Annise Burmor. Guests attended from Toledo and Detroit, including Marguerite Morton, imperial committee woman.

The next meeting will be held Friday evening, May 2, in the K. of P. hall.

REPORTS ARE GIVEN ON ROTARY CONFERENCE

Reports on the district Rotary Conference, held last week Thursday in the Statler Hotel, Detroit, were given to the local club, after its dinner meeting, Tuesday evening, at Brees House, by members who attended from Tecumsen. The conference was one of the largest ever held in the 153rd district, which comprises a section of Michigan and Canada. More than 1,000 attended the governor's dinner in the evening.

Representing the Tecumsen club at the conference were Wade L. Jones, president, Mr. and Mrs. Chas. O. Butler, Mr. and Mrs. Lester C. Rogers, Mr. and Mrs. John R. Zeigler and Mr. and Mrs. Earl L. Wickwire.

CONCERT AT ONSTED

Cure for Crop Aches ...The **ALL-CROP HARVESTER**

An All-Crop Harvester owner reports that his machine saved 44.7 bushels of wheat per acre from a neighbor's field which was hopelessly lodged and written off as a total loss. The All-Crop handled straw six feet long, tangled and flat on the ground.

Unusual features explain the All-Crop Harvester's ability to cope with extreme conditions. Its close-cutting header literally shaves the ground. The full-width cylinder takes heavy straw and green growth in full stride . . . the oversize straw rack handles big straw volume.

A Quick Speed-Changer crank controls cylinder speed instantly for over 100 different grains, beans and seeds. Weed seeds and dockage are screened out by a ScourKleen attachment.

Harvest worries disappear when you change to the All-Crop Harvester . . . Successor to the Binder.

Replacement Parts On Your Ford Should Be Genuine Ford Parts

When some part wears out on your Ford car or truck, you should always insist that the replacement part be GENUINE Ford part if you would get the most for your money.

Ford parts are machined, tested and made to replace worn parts. They are made by Ford to fit your Ford. They are machined and finished by Ford-trained mechanics. They are not made to fit "any car"—but rather YOUR car.

And, when these parts are installed the work should be done by trained Ford mechanics such as we have in our shop.

The next time anything goes wrong with your Ford, bring it "HOME" for service.

It's true—"there's no place like home for your Ford"—and in Tecumseh, that's our garage.

Money Problems Worry Council

ADAMSON WARNS THAT NEW SOURCES OF REVENUE MUST BE DISCOVERED

New sources of revenue must be tapped, and considerable long-range planning must be done if this rapidly growing community is to keep pace with the demands that are being made upon it for public improvements, Geo. H. Adamson, chairman of the finance committee and president pro tem, told members if the Village Council, in session, Monday evening.

Mr. Adamson pointed out that at the present time the village has a cash balance of about $43,818. During the coming year, he said, it will collect from its seven sources of revenue, about $67,000, exclusive of sales tax diversion. This, he said, should make available, about $111,000 for public spending.

The operating overhead of the village, exclusive of any out-of-the-ordinary improvements, for the coming year, Adamson said, will amount to $61,000. This he divided as follows: $19,000 in the general fund category; $8,000 for highways; $3,000 for hospital; $2,000 for cemetery; $8,000 for sewers; $15,000 for water; $5,000 for garbage.

Adamson then pointed out that there is under consideration and undoubtedly a "must" for this year, four programs that will cost an additional $29,500. These he listed as follows: $10,000 to prepare and resurface streets, many of them neglected during the war years because of a shortage of labor and materials; $2,500 for the building and repair of sidewalks; $5,000 fo the drilling, housing and installation of a new water well, already authorized; $12,000 for storm water sewer extensions.

If the $29,500 program is carried out, Adamson said that the cash balance, at the end of the present fiscal year, will be reduced to about $20,000, or less than half of what it is at the present time.

The council now has before it several petitions for the installation of curb and gutter. To accomplish these improvements, Adamson said, the village would be spending approximately $1,000 per block, exclusive of the cost of building of a storm sewer in streets so improved. The storm sewers should be built, he said, before curb and gutters are laid.

The chairman also pointed out that within the next two or four years the village faces the building of a sewage disposal plant, at an estimated cost of $225,000. The village already has been ordered by the state to build the plant, but the order has been held up, due to the shortage of materials.

Referring to the proposed addition to the Tecumseh Hospital, Mr. Adamson said that such an improvement would cost another $65,000.

There is discussion, Adamson said, on the advisability of annexing the so-called Quaker Oats subdivision. He declared that should the addition be annexed the increased revenue from taxes there would be about $4,000 a year. However, to install sewer and water, and five fire hydrants in the area would cost the village $24,850, he said. It would take about six years' taxes from the area to pay for the cost of the improvements.

Adamson pointed out that if the village is to meet the ever-increasing demands of the growing community it must be looking to new sources of revenue to defray the costs. These he listed as increased water rates, a personal property tax, or a raise in tax assessment values.

The finance chairman also said that it might be advisable to consider changing Tecumseh's form of government from a village to a city. This, he said, could give the government a wider tax range, if it was so desired.

The council, at the suggestion of the finance committee, increased the pay of street, water and garbage collection employees, and of the police department and fire truck driver, ten per cent. The extension of the water main on Chippewa street, east of Maiden Lane, for a distance of about 240 feet, was authorized. The remainder of the session was given over to reports of committees and the auditing of bills.

H. H. M. TO MEET

The Harmony Home Makers will meet Wednesday, May 14, at the home of Mrs. I. W. Boltz, for pot-luck dinner at noon followed by the regular meeting.

TO MEET TUESDAY

Tecumseh Hospital Auxiliary will meet Tuesday evening, May 13 at the home of Mrs. C. O. Butler, 210 South Union street.

Two Senior Boys To Get Scholarships At U. of M.

The selection committee at the University has just completed the review of candidates for the University of Michigan Regents Alumni Scholarships for the coming year. James McDowell, high school principal, has received notice that James Sisson and Wilfred Waldron, seniors who will graduate in June, will both be given these scholarships. W. L. Berkhof, superintendent, and Mr. McDowell, being alumni and familiar with the system of awarding these scholarships, feel that Tecumseh is extremely fortunate in being allowed two such scholarships, and that the boys are to be congratulated on their high scholarship. Jim has a straight A average for four years and Wilfred is just a few points lower.

The scholarships are contingent upon merit and are renewable for eight terms.

Moore Plans 16 New Houses

BROWN STREET, WEST OF UNION, TO BE SITE; LARGER SUBDIVISION TALKED

Plans for the building of 16 new houses on the north side of West Brown street, west of Union street, were announced to the council Monday evening by R. H. Moore, of the R. S. Moore & Son Co. Here, Mr. Moore and the council entered into an agreement for the installation of sewer and water in the area, and it is likely that actual building operations will begin about July 1.

Mr. Moore also intimated that if a suitable plan for improvement could be reached with the village, he would subdivide and develop the area lying immediately north of the new 16-house subdivision, with circular drive entrance from North Union street. That area, he said, would afford lots for the building of about 125 new houses, all of them within the corporate limits.

At the present time, 12 new houses are being built on North Union street, north of Brown street. In this area, 42 lots are available and Moore said that in all probability 25 more houses would be built in the section this summer and fall. These houses are in the $7,000-$7,500 price range.

Referring to his new subdivision, Moore said that the houses there also would be in the same price class.

Howard Truesdale has purchased six lots from Mr. Moore on West Brown street, east of the NYC railroad, and it is understood that he plans to start building on these immediately. Mr. Truesdale also owns other lots in the Brown, Water and Mill street areas, and it is likely that still more houses will be built there this year.

DR. PURDHAM SPEAKS TO THE ROTARY CLUB

The general outlook of business in the United States, was the interesting topic discussed by Dr. T. Luther Purdham, director of the bureau of appointments at the University of Michigan, when he spoke at the dinner meeting of the Rotary Club, Tuesday evening at Brees House. He was accompanied by Clint Smith, registrar of the University.

Dr. Purdham made many observation and warned that a major depression would be plying into the hands of Communism. Prices, he thinks, must come down, and heavy profits by major corporations must be slashed if the nation's economic stability is to be maintained.

$133 FOR CANCER DRIVE

Mrs. Frank K. Smith, chairman of the cancer fund drive in Tecumseh, reports donations from organizations and individuals amounting to $133. The sum of $114.33 was collected from the coin boxes making a total of $247.33. Mrs. Smith is expecting a few more additions to this amount.

NEW COMMANDER

Corporal Carl Miller of East Lansing, has taken command of the Clinton post of the state police, succeeding Sgt. Ray Sweet who left last week for Mt. Pleasant. The post includes Troopers Zanotti, Krans, Seward and Catton.

ATTENTION HUNTERS AND SPORTSMEN

There will be a meeting of the Clinton Rifle and Pistol Club Sunday morning, May 11 at 10:30 in the rear of the Clinton Town Hall. Business will be discussed in regard to the range and the charter will be close. If you are interested please attend.—adv.

Last Town Hall Meeting, May 19

NEED FOR SCHOOL ENLARGEMENT, RECREATION CENTER, POST OFFICE ON PROGRAM

What the Tecumseh school district faces in the way of a building program, and what steps, if any, can be taken to relieve present congested schoolroom conditions until such time as new buildings become available, will be the interesting topic discussed by W. L. Berkhof, superintendent of schools, when he addresses the final Town Hall meeting of the year, Monday evening, May 19, in the school auditorium. Two other speakers also will appear on the same program, Fay Whelan, treasurer of the Tecumseh Recreation Center, and Wiley McCann, acting postmaster. The public is invited to the meeting. There is no admission charge.

"We believe that all subjects to be discussed are very close to the public's heart here, and we hope that we will have a large audience," Neville Hart, vice-president of Town Hall Council, said. "Our attendance at meeting thus far have been large, but we'd like to see the crowd at the last meeting even larger."

Mrs. Truman Rentschler, president, also announced that at this meeting three members of the Council-at-large will be named. At the present time all members are from clubs and organizations.

Mr. Whelan will discuss at the meeting the present financial position of Recreation Center, and ask his audience as to what plans are in the making for the coming summer season, and listen to suggestions from the audience as to what the public desires at the park.

Mr. McCann plans to talk about the possibility of the building of a new postoffice building here, on the site now owned by the government on South Pearl street. The building program has been shelved for several years, due to the war and the shortage of materials.

Friends Here To Collect Clothing For Europe

From Monday to Thursday, next week, a depot will be opened in the small room of the Tecumseh Friends church for good used clothing for European relief. In 1946 the American Friends Service Committee shipped the following amounts of clothing: Austria 95½ tons; Finland 161½ tons; France 91 tons; Germany 147 tons; Holland 28½ tons; Hungary 50 tons; Poland 95 tons, and lesser amounts to other countries.

It is requested that only good clean serviceable clothing be brought to the church so that it can be immediately shipped to Philadelphia for shipment overseas. Anyone wishing to make a cash contribution to defray the expense of shipping the clothing, or for the exclusive overseas work of the American Friends Service Committee may leave cash with Mrs. Naomi Sallows, treasurer of the local Friends church.

BUILD THEIR OWN HOME WITHOUT AID OF LABOR

Mr. and Mrs. Stanley Kasno have just completed their home ½ mile north of Tecumseh airport. The all-modern house, 45x30, is of tile veneer, with six rooms and bath and full basement.

Mr. and Mrs. Kasno did all the work of building with not a cent invested for labor. The building operations covered a period of 13 months.

MISS LARSEN HONORED

Gay Larsen, daughter of Mr. and Mrs. L. W. Larsen, Tuesday was initiated as a member of Scroll, senior honorary society at the University of Michigan, where Miss Larsen is a junior in the literary school. She was chosen for her all-around interests on the campus. She is a member of Alpha Omicron Pi, night editor of the Michigan Daily, a member of the varsity committee, and chairman of the public relations committee of the student legislature.

ATTACKED BY BULL

Earl Taylor of Britton was brought to Tecumseh hospital Tuesday afternoon after being attacked by a bull on his farm. He suffered a dislocated shoulder and crushed ribs and X-rays were to be taken to determine the extent of his injuries.

CONCERT SUNDAY

Chorus To Give Operetta Here

TWO-ACT [illegible] TO BE PRESENTED TONIGHT AND FRIDAY NIGHT

The two-act operetta, "Jerry of Jericho Road," will be presented here tonight and tomorrow night at 8:15 o'clock in the auditorium of the Tecumseh High School by the school's chorus.

The story is as follows: Alan O'Day (Bill Hayden), a wealthy Eostener, desires the hand of Sandy Bank, (Mariou Gilman) in marriage. Sandy rejects him because her mother, Lettice Bank, (Viola Retter) so shamelessly favors the match on account of Alan's money. In an effort to forget Sandy, Alan goes west to his ranch, which he converts into a tourist camp.

Lettice Bank, not to be thwarted, takes her husband and Sandy and follows Alan, her excuse for the venture being that she wishes to live in the open to regain her health. The little party camp on some land adjoining Alan's ranch, which turns out to be some very valuable oil land owned by Geraldine Bank, (Martha Hewlett), a niece.

Geraldine, known as Jerry, fearing arrest by the police whose station she has demolished with her aunt's automobile, hires out to Alan as a helper to hide her identity.

John Drayton, (Sonny Waldron), Alan's cousin, wishing to locate the land for the purpose of buying her land for a syndicate of which he is a member, hires Hunter, (Gordon Comfort), a detective, to assist him. When he finds that Hunter is cheating so as to get the land for himself, he discharges him.

Mimi, (Shirlie Moore), a friend of John, locates Jerry at the ranch. John and Jerry form an attachment for each other, but thru a twist of circumstances, Jerry is led to believe that John and Mimi are trying underhandedly to acquire her land at a profit for themselves. At a masquerade she denounces them and leaves. The next morning, it is discovered that Jerry, Sandy and Hunter have disappeared; also a Mr. Bean (Jim Colson), from Boston.

Later, Sandy returns and tells that Hunter, thinking she was Jerry, forced her into his car, but on finding his mistake, left her in the road and followed Mr. Bean and Jerry to Jericho.

When Jerry and Mr. Bean return, she announces that she has given him an option on her land until her papers arrive from home; but, if by that time oil has been found, she intends to sell the land to Hunter at his price.

All ends happily as Alan and Sandy forgive and forget; and Jerry, thoroughly ashamed, promises never to doubt John again.

Poppy Day Sale Here On May 24

"LET YOUR HEART REMEMBER" TO BE THE SLOGAN IN FLOWER CAMPAIGN

"Let your heart remember!" on POPPY DAY, May 24, when volunteer workers will be on the streets of Tecumseh to distribute the Memorial Poppy.

"We have 3500 poppies to sell," said Mrs. H. F. Hammel, president of the Legion Auxiliary, at its last meeting. "Whatever goes into the coin-boxes on Poppy Day will help those who still live in suffering and hardship because of war wounds and illness. These we must not forget."

The poppies to be distributed here have been made by disabled veterans in Government hospitals in Michigan. For this work they are paid a small amount per poppy and with it they buy stamps, pencils, writing paper, shaving soap, etc. with which they are not provided, but which items represent a considerable drain on the family's resources.

Auxiliary workers will all be unpaid volunteers, permitting the full amount of all contributions placed in the coin-boxes on Poppy Day to go into the Auxiliary's rehabilitation and Child Welfare work. Local veteran's families have first call on this fund.

Places of business in the village will be canvassed on May 23.

Mrs. Mae F. Keyser, 77, Buried In Brookside

70- Bed Hospital Plan Discussed

PROJECT, EXCLUSIVE OF EQUIPMENT, WOULD COST $66,000, COUNCIL TOLD

The village Council learned, first hand, what Tecumseh faces in the way of expansion at Tecumseh Hospital when E. M. Campbell, chairman of its board of trustees, appeared before that body on Monday evening and declared that plans are under discussion to more than double the size of the institution, at a cost, exclusive of equipment, of about $66,000. Mr. Campbell's appearance at the meeting was at the council's direction. Two weeks ago, Mayor John C. Truesdale had urged that the hospital board take immediate steps for the enlargement of the institution.

"Your hospital board," Mr. Campbell said, "originally had under advisement a plan for the building of a hospital addition 40 by 76 feet, large enough to permit 18 more beds, at a cost of about $35,000. We submitted the plan to the staff doctors at a meeting last week, and then the doctors submitted a plan to us.

"We were told that a 16-bed addition would be only a temporary plan. What is needed, they said, is a 36-bed addition, making a total of 70 beds available in the hospital. To build an addition such as the doctors suggest would, we believe, cost about $66,000, exclusive of the equipment."

Mr. Campbell said that while the doctor's plan seems to be somewhat ambitious, when one considers that it was only in 1941—six years ago—that a 13-bed addition was built, and it already has been outgrown, it carries considerable merit. He said that the board was told that should a 16-bed addition be built now, it would be only a matter of three or four years before another expansion would be necessary. The doctors argued that a building large enough, built all at one time, would be cheaper than a piece-meal program.

The council admitted the need for the enlargement but was unable to see funds available at this time to meet the cost. However, it instructed the hospital board to proceed with the drawing of plans and specifications, and to report back when the council meets, June 2. F. K. Smith, a member of the hospital board, accompanied Mr. Campbell.

The council was told by the hospital chairman that there is a bill before the Michigan legislature that might give Tecumseh some relief in such a building program. He said that he was not completely advised on the law, but as he understood, up to one-half of the cost of such a program might be borne by the state and federal governments. He said that a further investigation of the aid program would be made a once.

The original hospital was built here in 1938 by public subscription at a cost of about $45,000, and turned over to the village debt-free. In 1941, a 13-bed adition was built at a cost of $25,000, for which bonds were issued. The village still owes $20,000 on the improvement.

"I am not worrying about equipping the hospital," Campbell told the council. "I believe that if the new addition could be built there are enough public spirited persons in the community who would be glad to equip a room, or buy a bed. However, we must admit that the $66,000 figure must be considered."

LIBERTY VS DEATH

A bill has been introduced and appears to find some favor in the state legislature at Lansing that would, after 100 years, return capital punishment to Michigan as the penalty for murder. Its author is Rep. Eugene Betz of Monroe, who believes that the enactment of such legislation would act as a crime deterrent.

Rep. Betz also has some friends who believe as he does. They say that 100 murderers are now living in prisons at state expense at a cost of about $1,000 a year, and that some of them even have chewing gum, canaries, and "other luxuries."

We don't know where Rep. Betz gets his ideas, or his facts or figures. But we'd gamble all of the tea in China that Michigan's crime record is not one-two-three to that of the state of Illinois, where capital punishment has been and is the law—when it is enforced.

The thing that is needed as a crime deterrent is NOT the death penalty but the CERTAINTY that existing laws will be enforced. If criminals know that they can "beat" the death penalty law as easily as they can "beat" the life improsinment law, then the death penalty will be no more of a crime deterrent than is the life-in-prison statute.

We do not believe in the death penalty. Maybe it is costing the taxpayers $10,000 a year to keep 100 lifers behind bars, but we would rather pay the tax than we would to kill one innocent person.

We'd like to say to the Representative that if it were possible to enact a law that would assure law enforcement, we'd be for his plan. Heaven knows, we have enough laws on the statute books now, and too few of them mean anything. That is why crime thrives. And you'll always find criminals doing a land office business in sections of the country where law enforcement is lax.

Let's enforce the laws that we now have, and if a court decides that a criminal should serve a life sentence, let's be sure that he stays in prison until he dies. There are many things worse than death and, in our opinion, one of them is the loss of liberty.

The Michigan legislature would do well to quit fooling around with the capital punishment bill and give a little more thought and assistance to Gov. Sigler's fight against Communism and his effort to establish a more stable economic system.

Unsound economy, unrest and discouragement only help to fertilize Michigan's mental soil where, it seems certain, the seeds of Communism have been planted. And, if we ever harvest a crop of Communism we are certain to lose our liberty.

And, on that, we'll wager that even Rep. Betz will agree with us.

From where I sit ... *by* Joe Marsh

Where's the Argument?

You should have heard Ed Carey and Spike Miller debating the merits of Guernseys versus Holsteins. Ed's our firechief, and Spike handles hardware—but to hear them argue you'd have thought that they'd been dairying for life.

Finally they put it up to Sam Carter, who *breeds* dairy cows! Sam hems and haws . . . and concludes there's a lot to be said for Holsteins, and about as much for Guernseys . . . take your pick!

Actually, Ed and Spike were like people arguing about—say, beer versus buttermilk. Folks who've never tasted beer will sometimes get mighty vehement about their choice of beverages. And folks who've never tasted but—will be equally pig-headed.

From where I sit, it's in things we know nothing about that we get bigoted and stubborn. But when it comes to things we know a lot about, we're able to see both sides . . . be tolerant and reasonable . . . and above all, understanding.

Here's The Answer To

Warm Weather Comfort

In winter, when the temperature is low, you can stoke the furnace, open the drafts and increase the heat. But, in summer, you can't "turn off the sun" or drop the temperature.

There is a way, however, to make your home much cooler—in fact many degrees cooler. The answer is—**INSULATION.**

And right now is the time to insulate if you would get the most out of it this summer. And remember, too, insulation works for you 12 months out of the year—winter and summer.

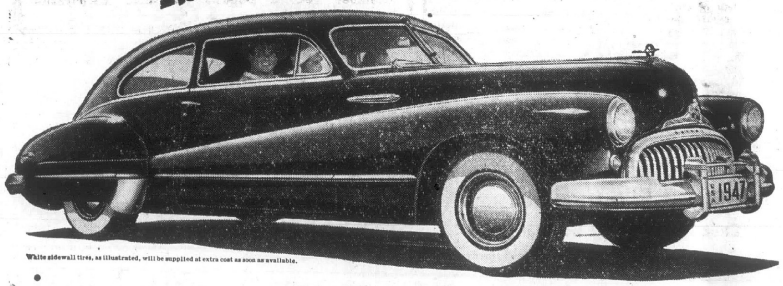
Every Line is a look at Tomorrow



White sidewall tires, as illustrated, will be supplied at extra cost as soon as available.

You spot it on the highway every time a Buick comes along:

Here you meet the future face-to-face.

Here you see the clean, rich, uncluttered design that marks the swing away from what was to what is going to be.

Here's the sweep and flow of fender line that's called for by a streamlined age — here's the solid, steady look that spells roadability — the broad beam that means room — the massive bonnet that tells of Fireball power aplenty.

Here's grace, here's ability, here's sturdy dependability — all wrapped up in one handsome package that's not merely up-to-the-times but ahead of it.

Here are the good looks that bespeak good works; you handly have to be told of precisions carried to ten-thousandths of an inch, of materials searched out from the finest to be found.

Any wonder that such a creation is America's most wanted automobile? Any wonder people pass up cars that may be easier to get to wait for a car that's going to stay fresh and new and modern-looking?

The simple fact is that you're *buying in the future* when you buy any good car today.

Why not settle on the one that most obviously foretells what the future will be — that has the most in it of what is to come?

Buick dealers' showrooms are kept pretty bare of display models by the eagerness of Buick buyers to "take over" the first minute they can.

But you'll be greeted in every one of them with courtesy and sincere interest in getting your buick at the first minute possible.

Drop in — talk it over — and insure yourself a happy future by placing your order now. We'll take it, with or without a car to trade.

Moral Rearmament 'Task Force' Puzzles Michigan's Lawmakers

LANSING — Michigan's capital city, well acclimated by now to the Sigler reform wave, this week had something new and unknown to talk about in the line of moral uplift.

Mackinac Island's "Moral Rearmament" movement, led by a "task force" of between 200 and 250 converts, hit the town with a snappy musical revue called "Ideas Have Legs."

Something entirely new and different, the entertainment was a strange and yet effective combination of old-time morality—the age-old conflict between materialism and spiritual truth—and a 1947 headline theme, the present ideological showdown between democracy and dictatorship.

All of this to the snappy and worth-whistling tunes of swing music, and you have a faint and dizzy idea why the sophisticated city has been both bewildered and impressed.

Rep. Elton R. Eaton, Plymouth newpaper editor, was among the state legislators who came in doubt and left in praise. On the floor of the House, he confessed that he had been on the verge of introducing a resolution to ask the conservation department why the state were permitting the Moral Rearmament group to occupy the Island House, state-owned hotel on Mackinac Island, for a nominal fee.

"This is one of the finest groups that America has ever produced," he enthused. "I, for one, would be willing to have the State subsidize this group so they could go to every state of the Union."

The "task force" lived and dined at a capitol square hotel for two weeks or more. The premier performance was preceded with a complimentary dinner—all from the goodness of a Committee of Invitation. Among the sponsors was State Police Commissioner Donald Leonard.

Puzzling and entirely unorthodox to Lansing was the fact that no one was asked to "join" or to become a "member." No requests were made for donations. The show was free—and three performances were held.

With headquarters on Mackinac Island, Moral Rearmament is not a sect; it has no creed; it seeks the moral regeneration of the individual. It preaches the old, old principle of the Golden Rule.

Who pays the expenses—the hotel bills, transportation, clothing and the like? Lansingites were openly suspicious, wondering when the "bite" would come. One lobbyist told us with conviction: "I'm going to get to the bottom of this if it takes me ten years.

Wit And Wisdom Club Holds Annual Banquet

The Wit and Wisdom Club held its annual banquet Monday evening at the Grange hall, with the dinner served by the ladies of the Grange. Master Freddie Snyder sang "The Lord's Prayer" for the invocation.

Following dinner a brief business session was held with Fay VanValkenburg presiding. Mrs. O. W. Laidlaw, the new president, was introduced and appointed the following committees: Program, Mrs. Leon VanValkenburg, Mrs. H. E. Whelan, Miss Gertrude Spaulding, Rev. and Mrs. A. L. Ramsay; summer picnic, Mr. and Mrs. W. G. Waldron, Mr. and Mrs. M. G. Partridge, Mr. and Mrs. E. A. Collins.

Mrs. Collins was in charge of the musical program which consisted of piano solos "Robin's Lullaby" and "In the Boat" by Janet Bashore; cornet duet by David Lott and Gerald VanValkenburg; piano solos, "Clair De Luc," "Arabian Nights" and "Impromptu."

Ronald Pocklington was then introduced and gave an interesting and informative talk on the production of rubber in Central and South America where he spent several years.

IRA LAMKIN, WIFE OBSERVE ANNIVERSARY

Mr. and Mrs. Ira Lamkin celebrated their 49th wedding anniversary Sunday and in honor of the occasion their daughter and husband Mr. and Mrs. Robert Hutton entertained at a family dinner followed by open house, at their home in Dearborn.

Mr. and Mrs. Lamkin were married in Three Rivers May 4, 1898 and have spent most of their married life near Tecumseh. They recently sold their farm south of Billingtons Corners and have since spent the time with their daughters Mrs. Hutton in Dearborn and Mrs. Dewey Berry in Blissfield.

Mr. and Mrs. B. J. Roberts of Tecumseh were among the guests at Sunday's celebration.

The Priority of God

When a builder starts to erect a building of wood, brick, or stone, there is something in the very nature of all material things that must be considered in all aspects of the process. That is, gravitation. Without it no building could be put up. The wood, or brick, or stone would vanish into invisible dust; the mortar would not stick.

In our political, social and moral building there is something equally necessary. That is God. "Except God build the city they labor in vain that build it." Unless we bring Him into all we do, our building will be crooked, unsafe, or completely fail.

I AM ANXIOUS TO SERVE THE 18,721 CUSTOMERS WHO ARE WAITING FOR ELECTRIC SERVICE

"I certainly feel a keen responsibility to the many thousands of applicants for electric service. I recognize my obligation to furnish them with service as quickly as possible.

"Working against shortages in materials and equipment we completed last year over 25,900 installations for new customers, more than in any other year of the Company's history. But in spite of the best that we could do there were still on hand at the first part of this year 18,721 new service orders that we had been unable to complete. And new ones coming in at the rate of 2,500 a month.

"Believe me, I won't be satisfied until the time comes when you can request new service 'today' and get it 'tomorrow' — the way it used to be and the way it will be again."

TWO REASONS WHY YOU HAVE BEEN WAITING FOR ELECTRIC SERVICE

"Our line trucks that were already old took a beating in 1946 and only a very few new ones could be obtained. Manufacturers of many other items needed in electric construction were unable to meet the demand. Critical shortages developed in poles and transformers and wire, so that with our most strenuous efforts the best that we could get delivered was 42 per cent less copper wire and 34 per cent fewer transformers than we had ordered.

"As the backlog of service orders is tackled this Spring, poles and transformers are a little easier. An occasional new line truck is delivered and goes out with a new crew trained this Winter. But metal capped insulators and some items of line hardware continue short — wherever malleable iron comes in. Also a copper shortage worse than that of last year is threatening and may seriously cripple our work. The alternate use of aluminum helps a lot now but there is a serious shortage of steel core that aluminum cable needs for strength on long spans.

"All of us at the Company are much concerned about these service requests that we haven't been able to fill. Each one of them will be taken care of in turn just as quickly as possible. We hope that all who are waiting will appreciate the situation and continue to be patient with us for a while longer."

Reddy Kilowatt

TO THOSE WHO PLAN TO BUILD OR BUY
Delays in extending new services are bound to take place until we can complete the work needed by the long list of people who already have orders on file with us. So we urge you to consult us before building, buying or planning any move that will require new electric service. See us as far in advance as possible. It is important to you.

Sincerity is a rare, but pleasing virtue.

NINETY-SEVENTH YEAR—NUMBER TWENTY-FIVE TECUMSEH, MICHIGAN, THURSDAY, MAY 15, 1947 FIVE CENTS PER COPY

KEEP YOUR DOG AT HOME OR PAY, MAYOR WARNS

Dogs Found Running At Large To Be Seized By Police

Because many dog owners in Tecumseh permit their pets to roam at large, much to the annoyance of a majority of other residents, Mayor John C. Truesdale announced today that tomorrow, Friday, May 16, a dog pound would be opened here and that effective on that date, all dogs found running at large and off the premises of the owners would be seized by police. He said that both licensed and unlicensed dogs would be captured, pointing out that the licensing of an animal does not give the owner permission to permit it to run at large.

"Dogs seized by the police," Mayor Truesdale said, "will be impounded in Tecumseh by the officials of the county dog warden at Adrian, and he may make whatever disposition of the animal he sees fit. If a local owner misses his dog, tomorrow or any day thereafter, he may contact the police and if the dog has been impounded here it will be turned back to the owner upon payment of a $2 fee. If the animal has been taken to Adrian, then he should contact the county warden, and it is likely that the fee will be larger."

Mayor Truesdale said that the village has been receiving many complaints this spring regarding dogs running through flowers and gardens and otherwise making a nuisance of themselves. He declared that under the law, dogs must be kept on the owners' premises, or, if they are permitted on the street or other places, they must be accompanied and on a leash.

The mayor urged dog owners to cooperate with police by keeping their animals on their own property. He also asked residents to notify the police in the event dogs are permitted o run at large. He said that police would answer these calls and impound the animals. Officers on a 24-hour period. After that time, they will be turned over

Poppy Money To Aid War Victims

EVERY CENT COLLECTED IN SALE IS SACREDLY ADMINISTERED BY AUXILIARY

"Let your heart remember," will be the slogan next week Saturday, May 24, when the ladies of the American Legion Auxiliary launch their annual Poppy Day sale in Tecumseh.

"Every dime, every dollar collected on Poppy Day goes to the Poppy Fund, which is sacredly administered in behalf of the war-wounded and their children or those left fatherless by the war," it was pointed out. "Some of these cases may be right in our own community; if so, they will receive first call. Years of experience have created an efficient organization behind this child welfare work and assures the one who drops his coin in the containers that it will help where it is most needed."

Mrs. L. A. Carlson, chairman of the American Legion's Auxiliary committee, has named these assistants who will make the solicitation here next week: Mrs. John Snyder, Miss Nerissa Fosdick and Mrs. Carl Thompson are members of the committee sponsoring the sale. Mrs. Louis Schneider, Mrs. Ray Sleeter, Mrs. Leon Metz, Mrs. Charles Butler and Mrs. Bertha Kimball will canvass the business district during the campaign.

LEON P. KEYSER DIES IN JACKSON HOSPITAL

Leon P. Keyser, formerly of Tecumseh, died Friday at Foote Memorial Hospital in Jackson, following a heart attack. Mr. Keyser was a son of the late Wesley and Emeline Keyser and was born in Clinton township, April 27, 1884. He was married to Isabelle Case of Tecumseh November 30, 1904 and they made their home in the vicinity until they moved to Jackson in 1916. He was a member of Clinton Lodge, F. & A. M.

He leaves the widow, six daughters Dolores, Mrs. R. B. O'Connor, Mrs. Carl Addison, Mrs. Carl Durkee and Mrs. Robert Hanna, all of Jackson and Mrs. Paul Anderson of Saginaw two sons Raynor and Robert of Jackson, two sisters Miss Ethel Keyser of Tecumseh and Mrs. A. E. Underwood of Tilbury, Canada, also nine grandchildren.

Funeral services were held Monday at Wetherby Funeral Home in Jackson, with burial in Roseland cemetery.

FACE, HANDS BURNED

Vern Thomas of Ridgeway, employed at Ford Farms, suffered burns to his face, head and hands, Saturday, while at work in the shop at Macon. Mr. Thomas was cleaning a machine with gasoline and the fumes from the liquid apparently were ignited by a spark from an electric motor, operating in another section of the building. An explosion resulted. The fact that Thomas was wearing glasses and a cap protected his hair and eyes. He is able to be about, but reports to a local physician daily for treatment.

ASKS STATE GRANT

The board of education, meeting here Monday evening, instructed W. L. Berkhof, superintendent, to reapply for a state grant for the planning of a new school building in Tecumseh. Under the state program, Tecumseh would pay half and the state half of the cost of plans and specifications for a new school building. The district, it is said, would receive about $3,000 from the state.

BUILD NEW SIDEWALK

The industrial arts class of the high school here has completed the construction of a new cement sidewalk, diagionally across the school lawn, 130 feet in length and seven feet in width. The work was under the direction of Miles Runk, the class instructor.

The Indian medley relay team, composed of Lawrence Church, Charles Goodacre, Ronald Henkel and Wesley Whelan, and the half-mile relay team, made up of Don VanCamp, Lee Phibbs, Wilfred Waldron and Marvin Barber also scored wins.

Other members of the squad are Roger Williams, who scored a tie in the shot put, Jerry Judd, Garland Holmes, Seaton Wilson, Dick Purkey, Franklin Rumler and Bill Tilton.

REV. MR. RAMSAY IS ROTARY CLUB SPEAKER

The Rev. Allan L. Ramsay, a member of the Tecumseh Rotary Club, was the speaker at the club's dinner meeting at Brees House, Tuesday evening, using as his subject, "Why I became a minister." The Rev. Mr. Ramsay is rector of St. Peter's Episcopal church. Mr. Ramsay pointed out that it was not until after he had graduated from college that he decided to enter the ministry, and declared that he believes most young folk are "called" to their profession. His talk was most interesting. Raymond Jeffries of Cleveland, was the guest of Perry M. Hayden at the meeting.

Baptist Church Names Officers

REVIEW OF ACTIVITIES SHOWS LOCAL CHURCH A LEADER IN ASSOCIATION

The annual meeting of the Baptist church was held last Wednesday evening in the church parlors with 60 members in attendance. Under the leadership of the Rev. B. O. Bashore, assisted by Mrs. Bashore, the church and church groups have been steadily growing during the past year. By popular vote of the members, the church became the sponsors of the only Boy Scout Cub pack in Tecumsen. The pack, which has grown considerably, meets once each month in the church parlors. The Rev. Mr. Bashore is institutional head of the pack, and has served on the Boy Scout committee of the Rotary Club. He also serves as institutional representative on the Wolverine Council, Mrs. Bashore is on the Girl Scout Council and the Brownie Scout Board.

In the Baptist Lenawee association, the local church is one of three to have an organized young married women's group and has done by far the best work this year. The World Wide Guild and Baptist Youth Fellowship are the only young people's groups in the association actively participating in buying cereal and collecting shoes for needy Europe. The church also reports a larger per gift than any other in the association, the gift being almost four times larger than three years ago. Mr. Bashore was elected chairman of the Christian Committee of the association for the coming year. During the past year he was the secretary and treasurer of the Michigan Baptist Ministers Council. Mrs. Bashore served on the State Board of the Women's Missionary Society. Both Mr. and Mrs. Bashore will council at the Lake Louise girls camp this summer.

The following officers were elected for the coming year; deacons for three years, Fred Bryan and Dean VanValkenburg; Earnest Harris is to fill out the term of the late Jay Morse; junior deacons for one year, Conrad Fosbender and Dalton VanValkenburg; deaconesses for three years, Mrs. Mary Nichols; Mrs. Arlie Becker was appointed to fill out the term of Mrs. Joe Springer who resigned; junior deaconesses for one year, Jennie Bird and Priscilla Sisson; trustees for three years, George Green, Jr., and Mills Swick; church clerk, Miss Elizabeth Chase; financial secretary, Mrs. E. H. VanVleet; treasurer, E. H. VanVleet; benevolence treasurer, Mrs. Bertha Hoag. Sunday school superintendent, Curtis Dolan; publicity chairman, Dorothy Schumm.

Refreshments were served following the meeting, and a social period was enjoyed.

Patriotic Organizations To Attend Service, Sunday

The members of Tecumseh's patriotic organizations will attend a special service on Sunday, May 25, at St. Peter's church. The American Legion and the Legion Auxiliary, the Veterans of Foreign Wars and the V.F.W. Auxiliary will attend in a body.

National and organizational colors will be carried in procession with the church colors. During the service the pledge to the flag will be given and the National Anthem sung. Familiar hymns suitable for national days and "The Recessional," an anthem by Kipling, will be included. The Rev. Allan L. Ramsay, rector of St. Peter's, will preach on the topic, "What Has Heroism Wrought?" The public is welcome and the hour of service is 11:15 a.m.

PLAN COURT OF HONOR

The Girl Scout Association met last Wednesday evening at the high school and made plans for a court of honor to be held Tuesday evening, May 20.

Married Fifty Years

Mr. and Mrs. L. W. Coller

Mr. and Mrs. L. W. Coller To Observe Anniversary

Mr. and Mrs. Lewis W. Coller will celebrate their 50th wedding anniversary Sunday, May 18, at their home in Macon, where he has always lived, and where Mrs. Coller has lived since their marriage.

Open house will be held from 2 till 5 p.m.

Mrs. Coller, the former Leanna Morgan and Mr. Coller were married by the Rev. Mr. Ramsdell, May 27, 1897. That date is also Mr. Coller's birthday. They have two daughters, Mrs. Arlene Kerr and Mrs. Lillian Bilby, both of Tecumseh; also seven grandchildren and two great grandchildren. Mr. Coller is 75 and Mrs. Coller 71 years of age.

Committees Are Named For Alumni Banquet

The annual alumni banquet of Tecumseh High School will be held on Friday evening, June 6, in the school gymnasium here, Gibbs Barber, president of the association, announced today. Mr. Barber has named these committees:

Program: Mrs. Dualne Service, chairmanfi assisted by Miss Clara Waldron, Mrs. Gorden Miller, Ned Rosacrans, Fred Dickinson, sr., and William Wright. NEW RATION STAMPS GOOD FOR MORE SUGAR

The Department of Agriculture has announced that sugar ration stamp No. 12 for individual consumers will become valid on June 1 instead of July 1, as originally planned, and will allow the purchase of 10 pounds of sugar. This supply, the department pointed out, must last until Ocober 31, when rationing conrols expire, unless extended by Congress.

Local Schools Get $2,563 In State Aid

Tecumseh village schools have received $2563.49 as Tecumseh's share of the fifth distribution of state aid to school districts for the year. This is in addition to the benefits recently received from the sales tax diversion. The total amount received in Lenawee county was $42,260.15. From this amount Britton receives $504.40; Clinton $1830.18; Onsted $2607.17; Blissfield $3356.44; Clayton $1145.41; Addison $2195.52; the rest going to Adrian, Hudson, Morenci, Madison township and Palmyra township.

Mrs. Fred Nixon, 67, Dies In Traverse City

Mrs. Fred Nixon, aged 67 years, a former resident of this vicinity, died May 6 at her home in Traverse City. Mrs. Nixon was born in Britton July 11, 1879 and was formerly Mayrion Pocklington, daughter of Mr. and Mrs. Frank Pocklington. After her marriage to Mr. Nixon in 1902 she had made her home in Petoskey and Traverse City.

She leaves two stepons, Gilbert Nixon of Newberry and Burt Nixon of Louisville, Ky.; three brothers, Bert and Earl Pocklington of Adrian and Will Pocklington of Detroit; two sisters, Mrs. Viola Gilbert of Columbus, O., and Mrs. Garfield Gray of Britton. Mr. Nixon died in November 1935.

The funeral was held Friday in Traverse City.

MRS. LA VERNE LINN, 71, DIES IN HOSPITAL HERE

Funeral services will be held at 2 o'clock Saturday afternoon in the Ackland Funeral Home, Morenci, for Mrs. La Verne Linn, 71, of Britton, who died at 3:10 Tuesday afternoon in Tecumseh Hospital. The burial will be in the Morenci cemetery.

Mrs. Linn, formerly Blanche Mae Bryant, was born in Sand Creek, May 24, 1875. Surviving are her husband, three sisters, Mrs. Will Hart of Seneca, Miss Florence Bryant and Mrs. Floyd Wiley, both of St. Petersburg, Fla., a step-son, Virgil Linn, of Britton, eight grand children and one great grandchild.

Mrs. Linn had been a patient in the hospital here since March 11.

TWO STUDENTS GET YPSI SCHOLARSHIPS

Erma W. Spreeman and David House, Tecumseh high school seniors, have been awarded two-year scholarships at the Ypsilanti State Normal. The scholarships permit training in teacher courses. The awards were made, W. L. Berkhof, superintendent of schools, said, on a scholastic basis and upon recommendations of school administrators.

RUMMAGE SALE

The rummage sale planned by the V.F.W. Auxiliary for last weekend, will be held Friday and Saturday, May 16 and 17, in the V.F.W. hall.

TOXIMETER EXPLAINED BY MICHIGAN TROOPER

The toximeter, the successor to the drunk-o-meter, which enables officers to give "on the spot test" of suspected drunk drivers, was explained by Trooper Marvin Krantz of the Michigan State Police, when he spoke to the members of the Junior Chamber of Commerce, following dinner at Brees House, Monday evening. Trooper Krantz is stationed at Clinton. About 15 members attended the dinner.

School Leaders Talk State Aid

URGE DISTRIBUTION BY FORMULA RATHER THAN CENSUS AS EQUITABLE WAY

Thirty-five school superintendents and members of boards of education from Lenawee county, meeting here Saturday evening, went on record as opposing the distribution of state aid to schools on a census basis, and favored disbursement under an equalization formula as a more equitable method. The meeting was called at the high school by W. L. Berkhof, superintendent of Tecumseh's schools, in an effort to determine along what lines educators are thinking as to future school programs.

State Senator Elmer Porter of Blissfield, and Rollo Conlin of Tipton, state representative, were guests at the meeting and both spoke concerning state-aid-for-schools plans in the legislative hopper at Lansing.

Senator Porter pointed out that very little action had thus far been taken on the school's program and he seemed doubtful that any legislation that would levy new taxes to make up the state's deficit as a result of the sales tax diversion would prove popular with the lawmakers. He was quite emphatic and definite in his statement that he, personally, would not favor any new continuing tax for any purpose other than the payment of the veterans bonus.

Rep. Conlin reviewed briefly the tax bills that have been introduced in the lower house of the legislature and declared that the overall picture regarding taxation in the state was not too encouraging. He seemed to feel that this was especially true insofar as further aid for schools is concerned.

After the school men had listened to the members of the legislature they seemed of the opinion that distribution of state aid for all schools on the formula basis would be far more equitable for all than as it is now, accomplished on the census basis.

Mr. Berkhof presided at the meeting and presented the speakers.

New Postoffice Is Urged By JCC

TOWN HALL TO HEAR ABOUT PROGRAM AND PETITIONS WILL BE CIRCULATED

Tecumseh's Junior Chamber of Commerce began this week to put its shoulder to the wheel in an effort to secure the building of a new posoffice here, on the site acquired by the government before the war on South Pearl Street. Petitions to Cong. Earl C. Michener, urging his effor in making funds available for the new construction, will be circulated, Robert French, president of the Chamber, said, and other work will be done in an attempt to speed up the program.

The building of the new postoffice will be one of the topics considered next Monday evening when Tecumseh's Town Hall meets in final session at the high school. Wiley McCann, actng postmaster, will discuss the problems now confronted by the local office and tell of the need for a new building.

It was pointed out today by Mr. French that the postoffice here has been housed in the present rented building since 1917. He said that at that time all of the mail handled did not amount in volume to that of one of Tecumseh's leading industrial firms today. Also, he said that the petitions would call Cong. Michener's attention to Tecumseh's rapid growth, and to the fact that the village is expecting a 5,000 population by 1950. The petitions, he said, will be drafted and ready for the signature of those attending the Town Hall session.

Two other local problems will be discussed at the Town Hall meeting, which is open and free to the public. W. L. Berkhof, superintendent of schools, will tell about Tecumseh's need for new school buildings, and explain the present crowded condition of existing buildings. Fay Whelan, treasurer of the Tecumseh Recreation Center, also will discuss playground plans for the summer.

Three members-at-large of the Town Hall Council, of which Mrs. Truman Rentschler is president, will be elected at the Town Hall meeting on May 19.

Says Teamwork, Not Price Cuts, Needed To Stem Tide of Inflation

SOLUTION TO ECONOMIC PROBLEMS TO COME ONLY THROUGH MUTUAL COOPERATION

By Gene Alleman
(Special To The Herald)

LANSING—This is "Anti-Inflation Week" in Michigan.

Sellers of merchandise are asked by the state legislature to reduce prices.

Source of the idea: The so-called Newburyport (Mass.) plan whereby merchants agreed to cut prices 10 per cent. An unpublicized "catch": Fair-trade law requires retailers to sell a majority of merchandise at prices set by the manufacturer. These prices were exempt from a 10 per cent cut. The Newburyport crusade was a glorified clearance sale, limited to 10 days. Much merchandise sold were surplus goods which had accumulated on shelves and which had to be sold before better-grade merchandise (most of it nationally advertised) could be displayed.

In the opinion of Lew Hahn, president of the National Retail Dry Goods Association, a general spread of the Newburyport plan would lead only to "economic disaster."

It would deprive retailers—and especially small retailers, he says—of profit needed if they are to remain in business and pay today's high operating overhead. Like borrowing from Peter to pay Paul, the retail price depends upon the wholesale price. The wholesale price (when merchandise is bought by the gross or large quantities) is dependent upon the manufacturer's price. The manufactured's price, in turn, is set by production costs plus a mark-up to take care of such things as sales promotion, taxes, and a dividend return to people who have invested money in the business.

Since the retail price cannot be cut unless other prices are lowered—wholesaler and manufacturer—the fallacy of the Newburyport plan is quite obvious.

President Truman has asked business and industry to take the leadership in cutting prices.

Simultaneously, while the White House is prodding business men to lower the cost of living, the federal government through its labor conciliation service is prodding business men to grant new wage increases. So labor costs are going up once more. General Motors, for example, stetled for 15 cents an hour.

Can such a 1947 wage increase be absorbed out of profits without another rise in the retail price? Economists doubt that it can be done. For example, let us assume that 1,155 large corporations (whose profits were listed in the April letter of the National City Bank (New York City) would grant a 15-cent hourly wage increase. Assuming that 1947 production was at 1946 level, the corporation profits (after taxes) would drop from 6 per cent of sales to 2.9 per cent.

The round-the-circle illusion of inflation can be illustrated in the case of the CIO vs. Motor Companies. The CIO made much capital of the fact that the 1940 dollar had shrunk to 63 cents as of last December. Today's dollar is 59 or 60 cents. The CIO appeal was for a 23½ cent wage increase per hour—and, of course, to be paid out of profits.

But, how about the same dollar in the hands of an investor—the widow who puts a life savings into ownership of corporation stock?

WE MUST BE FIRM

Freedom is always destroyed in the name of freedom.

This is one of the tragic lessons to be found in the bloody history of the modern world. Mussolini invented Fascism in the name of liberty for the Italian people, and promptly enslaved them in the police state he created. Hitler came to power with a rallying cry of German rights and liberties—and embarked upon an unparalleled reign of terror within the borders of the Reich. Today, the Soviet Union is pushing out the ruthless tentacles of Communism, also in the name of freedom and democracy.

There is one other lesson modern history should have taught us all, and it is this: There can be no real freedom in a super-state. Liberty and all-powerful government are completely incompatible. Well-intentioned men are cast aside, and dictators take their places. Every fundamental human right is brutally abrogated when it comes in conflict with the ambitions of the leaders.

A nation which weakens its basic liberties in any way gives a hostage to fortune. A nation which depends upon government to perform services which are the proper function of the private individual and of private enterprise is, unwittingly, preparing the way for regimentation and ultimate dictatorship. Now that England is socializing its basic industries, thoughtful observers see a weakening of liberties which have existed there for nearly a thousand years.

There must be no wavering on the part of the people of our own country in opposing European philosophies in our domestic affairs. To lose our liberty means the loss of the American way of life—of democracy as we have known it since the days of the American Revolution.

From where I sit ... *by* Joe Marsh

Industry Looks at Our Town

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasanter living, and more opportunity for wholesome recreation.

Well, looking around our town I'd say that was about right. Most of us own our homes, and keep them looking nice; we enjoy each other's company; and our recreations are mostly simple outdoor sports, and in the evening a mellow glass of beer with pleasant company.

As Doc Walters says, that sort of life just naturally sets you up for work the next day . . . whether it's in office, mill, or field. And Doc should know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance, and friendship are the rule.

HERE you see — in one sleek and tidy package — all the things it takes to make the style-setter and the standout performer of the year.

One eye-filling glance will tell you that here's the clean-lined beauty and hint-of-tomorrow look that will cue the trend of car design for many seasons to come.

But just wait till you get this beauty in motion, and you'll know why folks are saying there's nothing on wheels to match it.

That bonnet's not broad and haughty for looks alone; it's brim-filled with power — the satin-smooth power of Buick's big Fireball straight-eight engine.

Go where you will, its two solid tons and soft coil springs on all four wheels make byroad and highroad equally smooth.

You get this in any Buick. But you get something more in the one pictured here.

Its snug top shelters you at the touch of a finger. Its door windows and even its front seat are power-operated by push-button control.

And thanks to the magic of Buick's new Silent Zone mounted bodies, you ride in a solid and road-steady silence such as Convertibles have never known before.

In other words, here's style and size, power and room, convenience and comfort all wrapped up in one of the most exciting models of the year's most wanted car.

That means, of course, that it takes a bit of waiting before one can be yours. But the best way to shorten that wait is to take the all-important step — and get your order in now. We'll take it with or without a trade-in.

A FINGER TOUCH—and the door window runs up or down automatically. Other handy controls raise or lower the top and adjust the front seat.

Says Teamwork, Not Price Cuts, Needed To Stem Tide of Inflation

(Continued from Page 1)

The Chrysler Corporation's "high" profits during the first quarter of 1947 become "low" profits when the CIO yardstick is applied. The 1947 first quarter profits of $21,502,407 shrink to $12,901,484 in terms of 1940 dollars. What was the Chrysler profit for the first quarter of 1940? Answer: $15,742,387.

About 90 per cent of the troubles of the state legislature at Lansing are due to inflation. It costs more to operate government, home and elsewhere, than it did before the war. The 1947 dollar is only worth 60 cents, remember.

State payroll cost is higher today than at any time in history—and that goes for the governor's executive office down the line. At Washington the cost of running the White House—the President's combination residence and office—will be $501,000 for the coming year. What was it before the war? Only $160,000.

It cost $22,000,000 to operate the U.S. Congress before the war; next year, $52,000,000 — more than double!

Yes, it's the same dollar at Lansing or at Washington or right at home.

As we see the picture from all evidence in sight, inflation will continue to be the major problem until economic laws bring a better balance between supply and demand. The 1947 recession, now under way, will continue until the transition is completed between the current boom in consumer goods and tomorrow's boom in producer goods.

There is every reasn to believe that the 1947 "recession" may prove to be only a "transition" to continued good times.

This transition will not take place peacefully if one group or class seeks to make another group the "scapegoat." The retailer cannot blame the manufacturer, the manufacturer cannot blame labor, labor canno blame "big business" and its "high" profits.

Until everyone realizes that inflation affects all in the same way, our American way of life will be in constant danger. We can find a solution to our problems only in mutual cooperation and teamwork. Let's get to work, America!

BACHELOR WANTS BRIDE . . . "Uncle Dan" Young, 103, South Bend, Ind., states he is willing to consider matrimony—providing he can find a suitable woman of his own age. The bachelor has lived in the same South Bend house for 65 years.

GETTING IN THE GAFF

"I know what's passing in your mind," said the maiden. "I know, too, why you are calling here night after night, appropriating my time to yourself and keeping other nice young men away. You want me to marry you, don't you?"

"I—I do!" gasped the astonished young man.

"I thought so. Very well, I will."

$800 IN THE DUMP

Garden 'Greens' Can Be Continuous

—Photo Courtesy Perry-Morse Seed Co.

Plenty of leafy vegetables, raw and cooked, are necessary in the diet of both children and grownups in order to promote vigor and well-being. In a home garden they can be continuous for many months if various kinds are grown.

Leaf lettuce is one of the first green things to appear. The young leaves can be picked for the table when only a couple of inches in length while the smaller inner leaves are left to grow. The same is true of spinach; the tender new leaves are as good raw as cooked when chopped and served with oil and vinegar dressing. Or, treat them the same as "wilted lettuce" by pouring over them a mixture of hot bacon fat, vinegar, and bits of cooked bacon. To vary the flavor of these greens, add a small amount of peppergrass. The frilled curly foliage of this upland cress is as easy to grow as lettuce.

For long season greens swiss chard is a winner. No leafy vegetable stands hot weather better. The outer leaves should be kept picked, the inner ones left to continue growing, and the result will be tender, brittle stalks and leaves for a long time.

Of the numerous root tops used as greens, beet, mustard, and turnip are increasingly popular. Like all vegetables they are best when young. Mustard and turnip particularly should be used for greens only in the early stages. The tops of mustard and turnip combined are appetizing—a favorite of grandmother's day.

By sowing seed of kale in spring or summer in the North and August to October in the South, fresh greens can be picked from the garden even after the coming of frost and light snow. In fact, some frost improves the texture and flavor of kale, making it a real treat for late autumn and winter meals. Dwarf Curled Kale is one of the best varieties for home gardens.

Let's Talk Sense About Food Prices

In all the talk about lower prices, don't forget this:

Day in and day out, no retailer does a better job of keeping prices down than your food merchant. No food merchant does a better job than A&P.

We would like you to understand two important things about A&P's price situation:

Our net profit during the past five years has averaged only about 1 cent on each dollar of sales. If we were to operate our business without any profit at all, this 1 cent would amount to a saving of less than 4 cents a day on the entire food bill of the average American family.

We sincerely believe that A&P has the lowest cost of distribution of any retail business in the world. When you spend $1.00 in an A&P store, you get 86 cents worth of food and only about 14 cents goes to meet all expenses — wages, taxes, rent, light, heat and the hundreds of other expenses incidental to the stocking and operating of a modern food store — including our very small profit.

Obviously there is little "fat" in such a price structure. Our operating costs and profits are already cut close to the bone.

Merchants generally have reduced prices on many items on which they were overstocked. In recent weeks we have reduced prices on hundreds of such items. That is common merchandising practice and has no relation to a general or permanent price reduction.

While many food prices have already been lowered we must recognize that no substantial general reduction in retail food prices is possible until the cost of food to the retailer is reduced.

As any housewife knows, A&P's business has been built on the policy of selling quality food at the lowest practical price every day.

We pledge to our customers strict adherence to that policy. We will continue to lower our prices as fast as reductions in costs to us and economies in our operations permit.

Ask the Man Who Plants Pre-Tested Garden Seeds

He'll Tell You It Pays To Be Certain of Growth

Yes, it really pays, especially at harvest time, to plant pre-tested seeds in your garden.

Pre-tested seeds, you know, are seeds that have been tested by the grower, and found to be "tops" for planting. They cost no more at our store than ordinary seeds.

Forget, then, about the late season, the rain and cold weather. Plant our pre-tested seeds and let your garden "catch up" with the weather.

We have a large variety—in fact everything in seeds that you'll be wanting to plant.

MOTHERS ENTERTAINED BY CUB SCOUT DEN

Cub Scouts of Den 1 entertained their mothers at tea in the home of their den moher, Mrs. W. L. Berkhof. Each cub presented his mother with a corsage and a gift which he had made. They also presented their cub mother with a gift.

The program consisted of a cub song by Carole Ann Berkhof; clarinet solo, Tommy Will; cornet solo, Billy Bruce Berkhof; clarinet solo, Douglas Hooton; song, Ronny Rupp; cornet solo, Dick McCarbery; poem for mother, Elray Vanderpool; book review, "East River" by Mrs. Berkhof.

SCOUT DAY CAMP WILL NOT BE HELD

At a meeting of the Girl Scouts organization last week, it was decided not to hold a day camp here in July, as previously had been announced, due to a lack of help. The bentfit dance recently staged netted $98.52 and this money will be used to defray the cost of a county field day for Girl Scouts, the latter part of June. Some of the fund also will be used to help pay the cost of weekend camping trips.

60 AT BANQUET

The annual mother and daughter banquet of the Grace Ev. Lutheran church was held last Friday evening at the church, with some 60 guests in attendance. The mistress of ceremonies was Mrs. Dermont Poley, and recitations were by Ruth Ann Frost, Brenda Heeman, Judy Baxter, Maryanne Wilcox and Josephine Poley. A color film showing the work of the church mission among the Apache Indians in Arizona was shown.

W. S. C. S. MEETS

Mrs. Edward Leighton was hostess yesterday afternoon to the W. S. C. S. of the Methodist church. The program was in charge of Mrs. W. G. Large. Mrs. Jennie Temple was the worship leader, and assisting hostesses were Mrs. Charles Schoenholtz and Mrs. B. L. Warren.

W.C.T.U. Officers Are Named At Meeting Here

The Tecumseh Woman's Christian Temperance Union named Mrs. John Brown president, at its annual meeting, held Tuesday in the Baptist church. Other officers are: Mrs. Fay Van Valkenburg, vice-president, Mrs. Howard Everhart, recording secretary, Mrs. Bertha Roberts, corresponding secretary, Mrs. H. H. Loveland, treasurer, and Mrs. Lois Johnson, LTL leader. Mrs. Margaret Kidman was chosen white ribbon recruiting chairman, and Mrs. Perry Hayden, educational chairman, and Mrs. S. W. Boyce, sunshine chairman. Mrs. Hayden, retiring president, presided. The next meeting on June 11 will be held with Mrs. Boyce.

The Lenawee county WCTU convention was held in Adrian last week. Mrs. Elmer Porter of Blissfield, was reelected president of the county group. Mrs. Helen Abling of Wellsville was named as recording secretary, and Mrs. Lawrence Haas of Palmyra, corresponding secretary. Mrs. Erma Kring of Blissfield was named as treasurer, and Mrs. Maude Glasier of Blissfield, first vice-president.

A Mirror is a very useful article. It tells us what stands before it. It wont reflect anything other than the object in the face of the mirror.

Life is like a mirror. It reflects that which is placed before it and nothing else. If we seem to be concerned with juvenile delinquency is it not a reflection of adult delinquency before the mirror?

A wholesome example will reflect itself on all society. To be sure of what reflection the mirror of life will cast from us let us heed our need—a strong Christian character. "GO TO CHURCH" and obtain it.

State May Levy Tax On Income

SUCH A SOLUTION SEEMS "THE BEST BET" OUT OF PRESENT DEFICIT

LANSING—The state legislature is scheduled to adjourn about June 1, after some soluton is found for needed state revenues. Best bet: A state income tax. The Hittle bill to authorize a "community income" basis for payment of federal income taxes in Michigan would save Michigan taxpeyers between $100 and $200 millions a year. Republican thinking is to divert some of this saving to the state treasury and then brag about what is left—a sizeable benefit through lowered tax bills.

The soft drink tax is regarded as killed; the higher beer tax is back in committee. A cigarette tax has a fair chance of passage, it seems.

Home rule powers to cities to levy excise taxes ran into opposition at a house committee hearing. Some municipalites, such as Pontiac, pleaded for virtually a "blank check" to levy local taxes as officials saw fit. Legislators may authorize cities to levy specified taxes, subject to repeal by referendum.

The legislature is not going to enact a fair employment practices commission bill at this session. This "hot potato" is being sidestepped. There appears to be strong evidence that another state agency is not needed to handle the relatively small number of cases of job discrimination because of race, color, religion, national origin or ancestry. Industrialists favor local committees to tolerance as an effective solution.

The Tripp bill to take the state "out of the liquer business" and to put the sale of packaged liquor entirely in the hands of special designated distributors (SDDs) is not given a Chnaman's chance of getting through the House.

Due to the personal popularity of the sponsor, Senator Harold D. Tripp of Allegan, whose drug store sold $32,700 in packaged liquor last year, the Senate approved the bill. No hearing was held at the time.

Opposition quickly arose from such diverse groups as the Michigan Temperance Foundation, Michigan Table-Top Licensees Congress (bar owners), Royal Oark association (liquor people), the Michigan Brewers Association, and Federal Judge Frank A. Picard, first chairman of the state liquor control commission.

Smarting under public criticism that he stood to benefit personally from his own bill, Senator Tripp staged a highly dramatic scene and tore up his state license. He announced that henceforth he would not sell liquor in his drug store at Allegan.

Most damaging fact: The State of Michigan would have lost $9,626,066 in tax revenue if the Tripp bill had been law during the past fiscal year, according to a study released by the state liquor control commission.

Church Banquet

The mother and daughter banquet of the Christian church was held Friday evening with 180 mothers and daughters present. The program was very humorous with a mother-daughter impersonation by a group of men and boys of the church. The master of ceremonies was Stanford Smith; "Mother Macree" and "Take You Home Again Kathleen" were sung by Willard Exelby, accompanied by Mrs. Ford Exelby. Robert Youngloye gave the toast to the mothers while Rev. Gerald Hallauer gave toast to the daughters. Billy Fisher, Robert Youngloye and Robert Moore played on their horns and clarinets, "Songs My Mother Loved" accompanied by Mrs. Geo. Beale. "Romeo and Juliet," a skit was presented by Rev. Hallauer and Ed Rogers, and "America the Beautiful" was played on a cornet by G. L. Gripton.

The awards of the evening went to Mrs. Jennie Lowe as oldest mother, Mrs. Lesley Downing as the youngest mother, Mrs. Charles Downing, Jr., as mother with most daughters there, and little Linda Lee Downing was the youngest daughter.

Supper guests in the home of Mrs. James Adams were, Mr. and Mrs. Harold Adams and family of Adrian, Mr. and Mrs. Archie Hentz and family of Metamora, Mr. and Mrs. Clyde Adams and family of Ypsilanti, Mr. and Mrs. Clifford Adams and family and Mr. and Mrs. Kenneth McEnroe and family of Tecumseh, Maynard Lockwood of Jackson, Gorman Sanderson of Toledo, Miss Maria Hartwell of Lansing and Mr. and Mrs. Burt Moore and family.

Sunday dinner guests in the home of Mr. and Mrs. Robert Exelby and sons were Mrs. Martha Brady, Mr. and Mrs. Duane Brady and son, and Mr. and Mrs. William Brady of Ann Arbor and Mr. and Mrs. Gerald Lincoln and children of Detroit. Mrs. Martha Brady expects to remain for a few days visit.

Mr. and Mrs. Fred Rhora, Mr. and Mrs. Ernest Carothers and family, Mr. and Mrs. Arthur Carothers and Mr. and Mrs. Virgil Bortel and family attended the funeral of Mrs. Verl Quilett and infant son near Wauseon, Ohio, Sunday afternoon.

Mr. and Mrs. Fay Wiggins were Mothers' Day dinner guests of Mr. and Mrs. Robert Mayfield and son in Ann Arbor.

Sunday guests of Mr. and Mrs. R. B. Kanous were Mr. and Mrs. George Althouse of Toledo, Mr. and Mrs. Carl Brablec of Clarkston, Mrs. Charles Herrick and children, and Mrs. Joseph Simecek of Milan and Mr. and Mrs. Paul Baily and children of Tecumseh.

Cure for Crop Aches ...The **ALL-CROP HARVESTER**

An All-Crop Harvester owner reports that his machine saved 44.7 bushels of wheat per acre from a neighbor's field which was hopelessly lodged and written off as a total loss. The All-Crop handled straw six feet long, tangled and flat on the ground.

Unusual features explain the All-Crop Harvester's ability to cope with extreme conditions. Its close-cutting header literally shaves the ground. The full-width cylinder takes heavy straw and green growth in full stride . . . the oversize straw rack handles big straw volume.

A Quick Speed-Changer crank controls cylinder speed instantly for over 100 different grains, beans and seeds. Weed seeds and dockage are screened out by a ScourKleen attachment.

Harvest worries disappear when you change to the All-Crop Harvester . . . Successor to the Binder.

If You Own a Dog This Is Important Read It!

This Order Will Be Rigidly Enforced Starting Friday, May 16, 1947

Because many dog owners seem to have so little regard for "the other fellow," and because, as a result of this attitude, the dog population of Tecumseh seems to be "running at large," your government, at the request of many of its citizens, has been forced to take some rather drastic action.

Effective, therefore, on Friday, May 16, 1947, the following directive will be rigidly enforced:

Any dog, licensed or unlicensed, found running at large on property that is owned by someone other than the dog's owner, or any dog found loose in the streets or on public property within the Village f Tecumseh, will be seized by the police and impounded.

Dogs so seized will be held at the dog pound here for a period of 24 hours, after which time they will be turned over to the county dog warden to be cared for, or for him to make whatever other disposition of the animal he so desires.

Dogs impounded locally may be called for by their owners within the 24-hour period by contacting the police. A FEE OF $2.00 WILL BE CHARGED FOR SUCH IMPOUNDING and MUST be paid by the owner before the dog will be released.

This Is Your Notice That This Directive Will Be Enforced

If, after today, your dog is allowed to run at large and it is impounded, please do not complain when you are forced to pay the $2 fee for his freedom. Remember, dog owners, because of their lack of regard for others, have made this directive necessary.

Please cooperate with your local government by keeping your dog on your own property.

And also, please notify the police department if dogs belonging to others, are running on your property.

Signed: JOHN C. TRUESDALE, President
Village of Tecumseh, Michigan

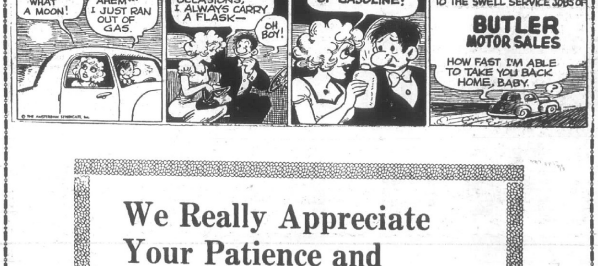
"SPEEDY" by BUTLER Motor Sales



We Really Appreciate Your Patience and Confidence

These are trying times, not only for those who desire to purchase new automobiles, but also for the automobile dealers who desire to sell new cars to their customers.

Before we can sell a new car we must first get the car from the manufacturer, and new cars are coming to us very, very slowly. We have many, many orders on our books that are months old but we are taking them in the order received and notifying our customers in turn.

We realize that many of you have waited a long, long time for a new car and, truthfully, we are sorry. However, there is nothing that we can do about it; no way that we know to hurry up delivery.

We'd like to tell you that we are truly appreciative of your patience, and that we recognize the confidence you have placed in us. We want to assure you that we will do everything in our power to get your new car as quickly as we can and, further, that no one but YOU will get YOUR car when your turn comes.

It's a waiting game. If you'll continue to be patient we'll do everything that we can for you.

DON'T CUSS YOUR POSTMAN FOR POOR SERVICE

You Can't Expect Speed With 30-Year-Old Methods

If you are one of those who often complain about inefficient postal service in Tecumseh it might be well for you to write your Congressman or, if you felt so inclined, the Postmaster General, but, until conditions are changed—through building enlargement and added personnel—there is no reason to complain to your local postmaster. That, in substance, was what Wiley McCann, acting postmaster here, told a Town Hall meeting Monday evening at the high school when he spoke briefly regarding the possibilities of securing a new postoffice building on a site purchased from South Pearl street by the government.

Mr. McCann pointed out that the postoffice has been in its present location since 1917, and that the number of employees of the office is the same now that it was 30 years ago. He declared that what is needed to give better service to the community, which is growing rapidly, is a new or larger building and the addition of personnel.

"Records at the office show," Mr. McCann said, "that the mail handled at the present ime for just one industrial account in Tecumseh more than exceeds in volume all of the mail handled by the office in 1917. When you add to that volume all of the other mail that passes through the office here for the remainder of Tecumseh you can easily see that the burden has been increased many times, but that the facilities and personnel have not kept pace with the growth."

Mr. McCann said that he was doing all in his power to bring about the construction of a new building on the government-owned site. He said that he had had inspectors here, only a week ago.

Robert French, president of the Junior Chamber of Commerce, which organization recently has taken up the postoffice project, spoke briefly and read a petition to Cong. Earl C. Michener, which he urged the public to sign. Mr. French also read a letter from the congressman saying that he recognized the need for a new postoffice here, and assuring his cooperation. Mr. Michener apparently had forgotten that the government owned a site here on which the building would be built.

There was considerable discussion following Mr. McCann's talk and several persons signed the petition which the JCC is circulating. Mr. French said that after sufficient signatures had been obtained it would be forwarded to Washington.

Vaccination Of Children Urged

NEED FOR IMMUNIZATION AGAINST SMALLPOX IS STRESSED BY SCHOOLS

Repeating a recent warning of the state health department, local school authorities are urging all parents whose children have not been vaccinated against smallpox in the past five years to have family physicians attend to this important matter without delay. At least one active case within seventy-five miles of Tecumseh makes a further outbreak of the disease in this and surrounding areas a reasonable possibility. A survey conducted at the beginning of the school year indicated that approximately 70 per cent of the children in the grades from kindergarten through grade six have been immunized within the past five years.

Another survey recently completed indicates that Tecumseh parents have been quite conscientious during the past year in caring for the health needs of their children. Questionnaires concerning 382 children of the total of 469 enrolled in the elementary grades were returned in the survey.

Answers on these questionnaires indicated that, during the school year, 76 children had their eyes examined, 174 children had dental examinations and, although, not specifically requested on the questionnaire, in 44 cases, parents indicated that the child had had a general physical check up, which was in most cases a regular examination at either six months or yearly intervals. Corrective measures had been taken following eye examinations in 30 cases and following dental examinations in 120 cases. In addition, tonsils or adenoids or both had been removed for 16 children. In numerous other cases immunization measures had been taken including smallpox vaccinations and immunization shots to protect the children against whooping cough and diphtheria. In 52% of the cases recommended for correction at child health conferences, corrective measures have been taken.

The survey marked the completion of the health program of the elementary schools which this year has emphasized assistance to parents in detecting and correcting childrens' physical defects and weaknesses. Community organizations which have helped in making the program possible through financial assistance and service include, The Lenawee County Health Unit and in Tecumseh, The Community Health Education Committee, Child Study Club, American Legion Auxiliary, Parent-Teachers Association, Business and Professional Women's Club, the Indian Acres Extension Club, the Monday Club, and Community Chest Committee. The activities of these organizations were coordinated through the efforts of Mrs. Richard Preston of the Community Health Education Committee.

BOARD WILL MEET

A board meeting of the Tecumseh Unit of the Lenawee County Cancer Society, will be held Monday evening, May 26, at 8 o'clock, in the library basement. Members of the board are requested to be present.

In the recent essay contest sponsored by the county society, two Tecumseh high school sudents, Anna Aebersold and Marian Murphy, were awarded $5 prizes.

PRESBYTERIAN CHURCH IS CALLING PREACHER

The Rev. Roy W. Peyton of Knoxville, Tenn., will be the guest preacher at the Presbyterian church here, next Sunday morning, May 25. The Rev. Mr. Peyton will speak as a candidate for the pastorate here, and the entire congregation is urged to attend the service. M. G. Parridge, chairman of the pulpit committee, has announced that the congregational meeting to vote on Mr. Peyton's candidacy will be held immediately following the church service.

Memorial Day Program Here

PARADE AND SERVICE AT CEMETERY ANNOUNCED; STORES TO BE CLOSED

Tecumseh will have its usual observance of Memorial Day next week Friday, May 30, with a parade through the business district beginning at 10 a.m. and a program in Brookside Cemetery.

Louis S. Schneider again will be the officer of the day, and he said today that while all details were not complete, the program this year would be very similar to that held in other years. He pointed out, however, that because there are many returned veterans, it was altogether likely that this year's affair would be larger than at any time since before World War II. The parade, he said, would move promptly at 10 a.m., through the business district and on to Brookside cemetery where wreaths would be placed, a volley fired and taps sounded. He did not announce the speaker at the cemetery program.

There is a definite need for riding horses in the parade, the officer said, and he asked that persons who have horses that may be ridden to contact either Clyde Drewyor or Mr. Schneider.

As has been the custom in years past, all stores and other offices in the business district will be closed on Memorial Day.

Special Memorial Service At St. Peter's On Sunday

A special memorial service will be held Sunday morning at 11:15 at St. Peter's Episcopal church when members of Underwood-Orr Post, American Legion and Auxiliary, and Hall-Slater Post, Veterans of Foreign Wars, and Auxiliary will attend.

The Rev. Allan L. Ramsay, rector, will preach on the topic, "What Has Heroism Wrought?" Organizational and national flags will be carried in profession and displayed for the pledge to the flag and the singing of he National Anthem. The choir, under the direction of Mrs. D. M. Wilcox, accompanied by T. J. Tonneberger, will sing Kipling's "Recessional" for the offertory anthem. Familiar national day hymns and readings will be included in this service which the public is invited to attend.

SENIORS HOME FROM GREAT LAKES CRUISE

155 Girl Scouts Receive Awards

COURT OF HONOR FOR GROWING ORGANIZATION HELD HERE, TUESDAY EVENING

Parents and friends of Tecumseh Girl Scouts caught their first glimpse of the massed strength or that organization, Tuesday evening, when, at the high school, the 155 members of the group received their awards at a court of honor, the first of its kind held locally since the formation of the Tecumseh Girl Scouts Association, a year ago. The auditorium of the school was crowded with parents and friends.

Tecumseh now has nine Girl Scout troops, each with a leader, an assistant and five committee women, made up of mothers of girls in the troops. Troop No. 1 is sponsored by the Exchange Club, No. 2 by the P.E.O., No. 3 by the D.A.R., No. 4 by the Business and Professional Women, No. 5 by the Westminster League, No. 6 by the Presbyterian League, No. 7 by the American Legion Auxiliary, and No. 8 and No. 9 by the Child Study Club.

The Girl Scout Association has as its president Mrs. Vincent Haight. Mrs. Grenville Spangler is vice-president, Mrs. Frank K. Smith, secretary, and Mrs. Harry Duncan, treasurer. It was pointed out by the officers that the organization has enjoyed a steady growth during the past year, and it is expected that the number of troops will be doubled during the next 12 months. The need now, it was said, is for added leadership and sponsorship.

Mrs. Ralph Helzerman, assisted by Mrs. Jens Touborg, Mrs. Walter Pfaus and Mrs. Jerry Spafford, planned and arranged the program at the court of honor. It opened with the singing of America, the welcome by Mrs. Haight and, after the presentation of awards, there was the recitation of the Scout law and promise, the singing of songs, the pledge to the flag and the singing of taps, echoed by David Lott on the trumpet.

Harold E. Miller Dies; Burial In Ridgeway

Harold E. Miller, aged 47 years, died early Monday morning at his home on East Pottawatamie street afer several months illness.

Mr. Miller was a son of the late Fred Miller and Mrs. Ida Miller of Britton, where he spent most of his life, moving to Tecumseh six years ago. He was a former employee of the Wabash Railway but had been employed by Tecumseh Products Company for eight years.

Survivors are the widow, formerly Velma Swick, his mother, Mrs. Ida Miller, an aunt, a cousin, and several nieces and nephews. His father died a few years ago.

Funeral services were held Wednesday afternoon at the Niblack Funeral Home in Britton. Rev. B. O. Bashore of Tecumseh and Rev. Gerald Hallauer of Britton officiated and burial was in the Ridgeway cemetery.

ENGAGEMENT ANNOUNCED

Announcement is made of the engagement of Miss Mary Wright, daughter of Mr. and Mrs. D. F. Wright to Warran H. Steurer, son of Dr. and Mrs. Wm. H. Steurer of Tarrytown, N. Y. Miss Wright is a student at Denison University in Granville, O. Mr. Steurer is a student at St. Lawrence University in New York.

High School Alumni Reunion Here, June 6

Tecumseh High Alumni Association will hold its annual reunion and banquet on Friday evening, June 6 at the high school. The reception at 5:30 will be followed by the banquet at 6:30. Dancing is planned for the evening.

No invitations are being mailed to members living in Tecumseh and its rural area. Those members are requested to make their reservations at Hodges Drug Store or with Mrs. Naomi Sallows at Van's Pastry Shop.

Town Hall Will Choose Officers

REORGANIZATION MEETING TO BE HELD NEXT WEDNESDAY AT THE LIBRARY

The thirty-five members of Town Hall Council, which organization operated Town Hall programs here during the winter months, will meet next Wednesday evening, May 28, at 7:45 in the public library for the purpose of reorganization. Three new members of the council at large were elected at the last Town Hall meeting on Monday at the high school. They are Miss Clara Waldron, Wiley McCann and Earl L. Wickwire.

The by-laws of the Council provide that officers of the organization may hold office for only one term and for that reason it is necessary to hold next week's election. The present officers are: Mrs. Truman Rentschler, president, Neville Hart, vice-president, and Mrs. Robert Reis, secretary-treasurer.

Mrs. Rentschler, at Monday's meeting, expressed her satisfaction of Town Hall meetings held this year, and for the excellent cooperation she had received from one officers and members of the council. She said she believed it would be the council's plan, in the coming year, to start Town Hall in early November and hold at least six meetings during the season. Town Hall this year started late, because of late organization. However, four meetings were held, two with speakers from the University of Michigan, and two other sessions were given over to a discussion of local problems.

The Town Hall Council is made up of representatives of the several organizations of Tecumseh, plus the three members at-large. The cost of operating the project is borne by contributions from the supporting organizations and admission is wthout charge.

8 Dogs Captured

POLICE BEGIN ENFORCEMENT OF "KEEP YOUR DOG AT HOME" ORDER HERE

Eight dogs have been seized by the police here during the past week as the result of an order issued by Mayor John C. Truesdale, requiring that dog owners keep their dogs, licensed or unlicensed, on their own property or on a leash. Dogs seized are taken to the pound and later turned over to the county warden. Dogs may be returned to owners upon payment of a $2 fee.

Thus far, police said, none of the eight dogs captured have been called for by the owners.

Police are instructed to seize any dog found running at large, and the order will be strictly enforced, the mayor said. He urged cooperation on the part of dog owners, and he also requested that residents, bothered by stray dogs, to call the police.

Lester R. Waring Dies; Burial In Brookside

Lester R. Waring, aged 48 years, formerly of Tecumseh, died suddenly Wednesday, May 14 following a heart attack at Veterans Hospital, in Dearborn, where he had been about five months for treatment.

Mr. Waring, who was the son of Mr. and Mrs. H. S. Waring, was born in Tecumseh, November 21, 1898. He attended the local schools until he joined a Redpath circuit for a concert tour. He was always musically inclined, both vocal and instrumental. Mr. Waring was a member of Tecumseh Presbyterian church and Tecumseh Lodge, F. & A. M., and was a veteran of World War I.

Survivors are his father, H. S. Waring and a brother Roger L. Waring, both of Cleveland, O. His mother died in 1939.

The body was brought to the Collins Funeral Home here where funeral services were held Saturday afternoon. Rev. Alvin C. Brazee officiated and bearers were Wyman Service, Wiley McCann, Percy Bowen, Dale Tingley, Ernest Linger and Harry Duncan. Burial was in Brookside cemetery. Relatives and friends from Cleveland, Detroit, Ypsilanti, Morenci, Adrian, Onsted, Tipton, Holloway and Tecumseh attended the services.

Local Author Awarded $5,000 For Short Story

The Rhythm Band led by Greg Mason will play "Amaryllis" by H. Ghys; "Moment Musical" by F. Schubert; "Little Girl With Wooden Shoes" by L. Leslie Loth; "Jullee Dance" by Melcia Krieg and "Bells of the Sea" by A. Solman.

There will be no admission and the public is cordially invited to enjoy this hour with the kindergarten.

MRS. FRANCES RATHBUN IS NURSES PRESIDENT

Mrs. Frances Rathbun was elected president of the Lenawee County Nurses Association, at a dinner meeting held Tuesday evening in the Addison Community House. Other officers are: Lillian Nelson, Adrian, vice-president, Margaret Mahler, Adrian, secretary, and Alice Sherman, Tecumseh, treasurer. Directors for one year are, Miss Gertrude Spaulding, Tecumseh; for two years, Mrs. Mary Kingsbury, Adrian; three years, Mrs. Doris Whitney, Adrian.

The program included reports of the state convention, recently held, and Dr. Huebner of Addison sang three solos. The next meeting will be on June 17 in Palmyra. Eleven from Tecumseh attended the Addison meeting.

MUSIC CLUB MEETING DATE IS POSTPONED

The meeting of Tecumseh Music Club, planned for Tuesday evening May 27, at the home of Mrs. R. S. Moore, has been postponed until a later date because of the serious illness of Mrs. Moore's brother.

The club, however, will meet that evening at the home of Mrs. W. G. Waldron for potluck supper at 6:30 to be followed by chorus practice of Michigan songs. Mrs. Don Goddard and Mrs. Thomas Gallant are in charge of transportation.

D.A.V. COMMANDER

Earl Fritz of Tecumseh has been elected commander of Lenawee chapter No. 20, Disabled Army Veterans.

New High School Is Need By 1950

INCREASED ENROLLMENT, TRENDS IN EDUCATION CITED BY SUPERINTENDENT

Tecumseh's steady growth in both population and school enrollment, and likely school district reorganization in addition to the stepping up of compulsory education for boys and girls in rural areas until they are 16 years of age, are factors that seem certain to make the building of a new high school here imperative not later than 1950, W. L. Berkhof, superintendent of school, told a Town Hall audience, meeting in the high school auditorium, Monday evening. Due to inclement weather, the audience was small but discussion that followed the talk was spirited.

Mr. Berkhof recalled that in 1938, only nine years ago, the total school enrollment here was 599. This number has steadily increased until this year it is 821. He said that census figures show that in Tecumseh alone, because of a high birthrate during the war years, the increase will continue steadily upward. He also pointed to Tecumseh's growth of nearly 1,000 in population in the past decade, and declared that current industrial expansion and future possibilities in this field are limited only by available housing and municipal facilities, including schools.

To care for the already top-heavy enrollment, present buildings are crowded to capacity, the superintendent said. He explained that classes are now meeting in St. Peter's church parish house, and he declared that further emergency measures might have to be taken before a new building was available. However, he said that the board of education had decided to keep its $75,000 sinking fund alallable for the construction of a new building rather than to build additions to present ones. This decision he declared to be wise.

Mr. Berkhof also seemed of the opinion that in the not-to-distant future school districts in the Tecumseh area would be reorganized and students sent to Tecumseh for education beyond possibly the

Poppy Day Here Is Proclaimed

MAYOR JOHN C. TRUESDALE URGES CIVIC COOPERATION IN WORTHY CAUSE

Mayor John C. Truesdale today issued a proclamation declaring Saturday, May 24, as Poppy Day in Tecumseh, and urging civic cooperation in the worthy cause.

Mayor Truesdale's message is as follows:

WHEREAS: We have come through a second World War relatively unscathed, and

WHEREAS. We appreciate that while we who are sound of life and limb are privileged to work for our loved ones, and

WHEREAS: We may mire in DOUBT AND DESPAIR of our own making as we carry on our own burden of responsibilities,

NEVERTHELESS, We know, that because of "BRAVE MEN, LIVING AND DEAD, WHO STRUGGLED" to preserve our NATION, we can now so govern ourselves as FREE CITIZENS of a FREE COUNTRY that HOPE may spring anew for ALL MANKIND!

LET US, THEREFORE, RESOLVE: to re-dedicate ourselves to those who have fought to preserve our ideal of FREEDOM—To bind up the soul-wounds of those who have borne the scars of War for us—who will spend much or all of their lives in hospitals or wheel chairs—or forever in darkness. To honor those WIVES and CHILDREN, the AGED and BEREFT, who strive so faithfully to rebuild a NEW HOPE and a NEW FAITH from the ashes WAR returned to them in the place of a FATHER, SON, HUSBAND, DAUGHTER, or, BROTHER.

WHEREAS: We can not, as single individuals, do all our hearts would prompt us to do as we think on these again and again, for doing for them now takes organization, but

WHEREAS: There are, in our midst, certain "sisters of MERCY," who, since WORLD WAR I have been ministering to the bodies and souls of all whom WAR has ravaged, voluntarily and without pay, and

WHEREAS: They can continue so to do for our World War II victims with the help of our contributions received one day annually,

I, therefore, as MAYOR of TECUMSEH, designate Saturday, May

ITS TIME TO THINK

National surveys indicate that the No. 1 thought on the public's mind today is high prices. And, if a litle intelligent thinking is done, it would appear that the key to the price problem is largely in the hands of labor.

Business is responding, to the best of its ability, to President Truman's appeal that prices be reduced whenever possible. A number of price cuts, most of them of a minor nature, have been announced. Business knows that if costs rise to a point where vast numbers of consumers are priced out of the market the result will be disastrous to an economy which is based on mass production and mass distribution. Most businesses, and this includes practically all basic lines which determine the general price structure, are not earning anything resembling excessive profits, and major price reductions are impossible under present conditions. Many small businesses are struggling to get by because of increased overhead as they attempt to hold selling prices to a minimum.

If labor keeps on demanding wage increases without attempting to increase worker productivity, prices will inevitably follow the trend. The whole history of serious inflation has been that prices always go up faster than wages and salaries. If labor leadership is intelligent, it will devote a major part of its efforts to protecting the workers' purchasing power, and the only way to do that is to maintain the value of his money. The number of dollars a man earns is of far less importance than what each dollar will buy.

The leading retailers of the country, including both independent and chain store owners, are working with the manufacturing industry in an effort to reduce and to stabilize prices in all fields. Retail trade is doing everything in its power to help the tired consumer. But these efforts cannot succeed if the policy of labor leaders is to continue to demand more money for less work.

From where I sit ... *by* Joe Marsh

When Ed's Crops Failed

Three years ago Ed Smith's luck went bad. His crops failed, and it wasn't long before Ed's home and furnishings were up for auction.

Half the town turned out, and Ed must have thought his neighbors were a bunch of hungry vultures—buying up all his precious possessions for a song.

When it was over, and the auctioneer had left, Sam Abernathy turns to the crowd and says: "All right, folks, let's take time out for a glass of beer, and then put this stuff back where it belongs!"

Two hours later, Ed was in possession of his home and furnishings; and the folks who'd paid for them were sitting around Ed's fire enjoying a neighborly glass of beer —to show their friendship and their confidence in Ed.

Today, Ed's back on his feet—another constructive member of the community. And from where I sit, we've all been well repaid—a good investment in a good man.

UNUSUAL ACCIDENT

Syosset, L. I. — While playing on a swing in Oak's trailer park, near where she lived with her parents little Carol Anne Scalise, 3, was strangled to death when the top of her woolen cap caught in the branch of a tree, causing the cap's chin strap to tighten and strangle her. When her mother found her, the child was hanging from the tree, her feet suspended 44 inches off the ground. The hat apparently had caught on the tree limb in mid-air and the swing then moved out from underneath, leaving the child suspended.

RAMBLINGS FROM COLUMNIST'S NOTEBOOK

Nation's Liquor Business in Slump

LANSING—Jottings from a columnist's notebook:

That 169 farm people were accidentally killed in Michigan during 1946. Agriculture has more major accidental work deaths than any major industry. That's why Farm Safety Week will be observed July 20 to 26.

That Governor Kim Sigler will relate his cowboy experiences over Michigan State College's radio station WKAR at 12:30 p.m. Tuesday, June 3, as a feature for June Dairy Month . . . That the Sigler family is moving to the governor's summer residence on Mackinac Island, adjoining the old fort, about the middle of June. The governor will fly up for week-ends.

That 540 American Legion posts and 370 auxiliaries will offer poppies for sale May 22-24; that each red poppy is made by a hospitalized war veteran who sells the poppy to the Legion; that the funds raised will assist worthy veterans.

That the spring growing season in Michigan is already 12 days behind schedule; that Holland had to import blooming tulips for its Tulip Festival last week; that Charles Figy (Michigan agricultural commission) believes the 1947 peach crop will be just peachy—it may even top the 1946 record yield of 4,536,000 bushels.

That the average [illegible] who complains about the price of clothes or fruit almost never sews her own clothes or cans her own fruit. 'Taint funny, either.

That Senator Arthur Vandenberg is advocating the St. Lawrence seaway to the Great Lakes whereby cost of the same would be paid out of tolls paid by boats.

That Michigan has forest tracts owned by 370 schools and 125 cities under terms of a state law enacted in 1931.

That Michigan's newest member of the state conservation commission—Dick Fletcher of Bay City—is one of the grandest hosts on the AuSable. We still glow at the memory of the sight of two trout fishermen returning their live creel to the AuSable after a day's float. That is real sportsmanship!

That the U. S. Health Service estimates a million of us Americans become infected each year with tuberculosis germs and that 100,000 of us develop an active disease and take ill. The X-ray film is still the best preventive.

That the city of Detroit made $45,000 profit last year out of a city-owned restaurant which sells beer.

That it pays to be feeble-minded, at least in Elba township in Lapeer county. This township is receiving a windfall of $12,000 from Lansing as a result of the sales tax diversion amendment. Why? Because 60 per cent of the folks who live in Elbo township are residents of the state home for feeble-minded in Lapeer.

That the Gwinn's hardware store gets results from newspaper advertising such as this: "What could be nicer than a home complete; where you go to the privy without wetting your feet." Could it be that Mr. Gwinn has heard "Oklahoma?"

That the betting at the state capitol is ten to one that the state treasury will have a red-ink deficit by the end of the coming fiscal year. Legislators are not tax-minded; rural vs. city antagonism is at the root of the differences.

That the Hastings Manufacturing Company, makers of piston rings, is now operating only four days a week due to lack of orders. About 100 workers have been laid off. Another recession sign: The Dow Chemical Company at Midland also has a top-heavy inventory and is slowing down production.

That both General Electric and Packard, which recently granted wage boosts, are now increasing prices once more.

That the Royal trailer coach factory at Hastings, founded in 1940, is now turning out 12 to 14 handmade trailers each week; that the trailer, 21 or 24 feet in length, is virtually a custom-made cabin on two wheels; that the price for the 21-foot model (which we inspected at Hastings the other day) is $1,995 including an electric refrigerator, license plates and taxes; that two-door trailers are best for safey; that we're going to stick to an old-fashioned tent for a while.

That the state legislature is really going to adjourn soon. We're told, June 6.

That there is a real slump in the liquor business; that 500 bartenders are out of work in old Chicago and 600 of the city's 6,000 saloons are reported ready to fold up; that folks are just not buying fancy, high-priced wine any more.

That Michigan ranked second last year in work time lost due to strikes; fifth in number of strikes, and ninth in number of labor disputes before the NLRB. No, we're not bragging.

That the guzzling of canned fruit juice is 271 per cent over pre-war. Aaint statistics wonderful!

That the fair employment practice commission bill, now shelved by the senate labor committee, was rejected by the Illinois legislature for the second time in two years. Instead of solving the problem of racial prejudice, the anti-discrimination scheme would stir up trouble, so Illinois legislators are convinced.

That federal government economists insist a bond bought today will be worth 10 to 20 per cent more a year from now — that is in buying power. Buy a bond!

That Harvey Campbell, the Motor City's ace toastmaster, thinks Mackinac Island is missing a good bet by not dramatizing its blacksmith shop. "Millions of kids have never seen a practical, working smithy," says Harvey.

That the lobbyists have never been more influential with legislators than during the 1947 Sigler session at Lansing; the governor even called in Wilfred F. "Bill" Doyle for advice the other day. Honest!

That if you glimpse someone on the street with a full-fledged beard, chances are 160 to 1 that he is from Traverse City. The cherryland capital is celebrating its centennial in July. And if you don't have a Gay Nineties beard, you're in the dog-house.

That 30,000 fewer farmers in Michigan, plus 40,000 tractors, produced 35 per cent more food between 1940 and 1945. The value of Michigan dairy products jumped from $51.5 to $121 millions in the same time; poultry, 16.7 to 38.5 millions.

That 80 per cent of the cost of building a home is due to labor; that wage costs in the building business have gone up 78 per cent since 1940.

That 20 per cent of families in these prosperous U.S.A. earn less than $1,000 a year; 40% do not have an automobile; 50% of all farm homes lack electricity.

That the climate in Michigan stimulates physical energy and hence accounts for a lot of our pep.

A Friend in Need!

Jerry, 2½ year Lancaster, Ohio, boy, was stricken with a rare disease . . . needed the type of sugar found in bananas. But, during the war, there were no bananas in town. His doctor appealed to Kroger. Within 24 hours Jerry had bananas. Stated the Lancaster Gazette when awarding Kroger the Gazette weekly orchid: "Jerry's fine . . . thanks to advancement in medical science and the humanitarian efforts of Kroger."

Good way to keep a Honey Happy

THINK back to the days when your Buick stood proud, shiny and new at your door. A touch of your toe and that two tons of car romped away gentle as a breeze — and just as obediently glided to a soft, sure stop.

That's the kind of driving that's right in the heart and soul of Buicks. It's there for you to have for years and years — especially when your car gets the kind of care such a honey should have.

That doesn't mean just filling her up and seeing that the oil doesn't get low. Nor a periodic lube job done with "one-kind-for-all" lubricants. It means competent care by men familiar with every part of a Buick – by men who know Buicks best and have an interest in seeing that you get the greatest satisfaction from yours.

Every detail of our service is aimed at this goal. The men are specialists on Buicks. They work with Buick-designed tools. They're backed up by a parts department stocked with Buick-engineered parts that are just made for Buick cars.

So you see the difference between ordinary service and Buick car care. It's the skilful, considerate care that keeps your Buick always a Buick. It's the kind of care which proves that next to you, we like your Buick best.

TIME TO REPOWER?

Suppose your Buick is crowding the big figures in high mileage. Suppose you don't want to wait for that new one. Here's a happy answer.

If your Buick's any model year from 1937 through 1942, you can make it factory-fresh as far as power is concerned with the Buick Power Package.

This is all the major assembly of a new Buick Fireball engine except carburetion and electrical systems. It puts good-as-new zip and performance into high-mileage cars.

Changing over takes less time and often costs less than a really thorough overhaul and replacement job.

Easy payments if you wish. Come in and talk it over.

Poppy Day Here Is Proclaimed

(Continued from Page 1)

24, as POPPY DAY in our fair Village, when each of us shall conscientiously, and cheerfully and reverently give what he can of "what the LORD hath prospered him," toward this great "mothering enterprise which the Ladies of the Legion Auxiliary and the V.F.W. support and administer.

Volunteer workers in the Poppy sale on Saturday will be familiar to residents of Tecumseh. It was these ladies of the Legion Auxiliary who were called upon to help issue ration books, register draftees, and send the home-town news to servicemen. Service has been their watchword.

Money dropped in coin-boxes for the familiar Legion Poppy will serve wounded veterans of both World Wars and needy children of any service-connected individual. The task grows bigger with the years but every Auxiliary member is a "repeater" volunteer to raise money, for she believes implicitly in her organization's humanitarian use of it.

The following volunteers from the Legion Auxiliary will greet both employees of industry, and shoppers in the down town district, remaining on duty until their quota of poppies is completely sold: Mrs. [illegible] Schneider, Mrs. Leon Mix, Mrs. Ray Sluyter, Mrs. Chas. Butler, Mrs. Hal Lewis, Mrs. Lillard Brown, Mrs. Chas. Howe, Mrs. Bertha Kimball, Mrs. Ed Aebersold, Mrs. Ned Baldwin, Mrs. Yolande Williams, Mrs. Florence Burch, Mrs. Lyman Curtiss, Mrs. Chas. Osburn, Mrs. Ray Puffer, Mrs. Verdi Skinner, Mrs. Clyde Wittrup, Mrs. Clyde Warren, Miss Mary Lou Carlson, Mrs. Al Bagshaw, Mrs. Paul Johnson, Mrs. Ray Schlegel, Mrs. Vincent Haight, Mrs. Susan Porter, Mrs. Ned Rosecrans, Mrs. Crystal Barber, Mrs. Pearl Beaubien, Mrs. Madge Boyd, Yvonne Frear, Phyllis Gillespie, Mrs. Kenneth Herrick.

The Poppy Day committee of the Legion Auxiliary, composed of Mrs. Carl Thompson, Miss Nerissa Fosdick, and Mrs. L. A. Carlson, will manage the sale from its headquarters at the Baldwin Hardware store.

Poppies will also be sold by the V.F.W. and Auxiliary on the same date with members of the auxiliary in charge of the street sales.

Body Of Clinton Man Is Found In River

After continuous dragging of the Huron River by Washtenaw county sheriff's officers since May 11, the body of Fred Roberts of 4576 Kehoe Road, Clinton, was found Sunday afternoon 5½ miles east of Ann Arbor.

Mr. Roberts, who was 41 years of age, left May 6 to go to his work in a Detroit factory. On May 11 his car and a suicide note were found on Superior Road ½ miles from where the body was located.

He leaves his mother, Mrs. Emma Roberts, and a sister, Mrs. George Hammond, of Clinton, also three brothers, Mr. and Mrs. Hammond and Mrs. Roberts and son moved last fall to the former Schneirla farm near Clinton.

Private funeral services and burial were held Tuesday in Ypsilanti.

NEWLYWEDS HONORED

Mr. and Mrs. Louis S. Schneider entertained Sunday at open house honoring Mr. and Mrs. Louis L. Schneider, recently married. Spring flowers were used throughout the rooms and 200 guests were received during the afternoon and evening. Guests were served from a lace covered table by Mrs. Jos. Russell and Mrs. Purnell Osburn; Mrs. Paul Keyser and Mrs. Vincent Haight; Mrs. O. W. Laidlaw and Mrs. E. E. Berry; Mrs. Kenneth Herrick and Mrs. R. C. Osburn. Guests attended from Manchester, Adrian, Milan, Dexter, Brooklyn and Tecumseh.

DAUGHTERS MEET

The Daughters of St. Peter met Tuesday evening at the parish house with Mrs. Clyde Barber and Mrs. Harold Anderson as hostesses. Mrs. B. C. Dannells was chaplain. The group voted to give $5 to the cancer fund and made plans for the annual bazaar to be held November 6. It was announced that skirts and blouses made by the group are ready for delivery to Williams House in Detroit. Refreshments were served at the close of the meeting.

The next meeting will be held June 3 at the home of Mrs. Lester Rogers.

TALKS TO ROTARIANS

The need for America to accept its responsibilities, not only on a national but an international level if democracy and christianity are to be preserved was stressed by Al Rush, dean of Adrian College, when he addressed the dinner meeting of the Rotary Club here, Tuesday evening at Brees House. Dean Rush spoke in the absence of Samuel J. Harrison, president of the College, who is confined to his home by illness.

SCHOOL HEAD QUITS

James K. Nelson has resigned as superintendent of Onsted school to take a similar position with the Coleman school in Midland county.

Elwood Little, agricultural instructor in Onsted for three years, will succeed Mr. Nelson as superintendent.

TO WED IN SEPTEMBER

Mr. and Mrs. Henry L. Kelley are announcing the engagement of their daughter Phyllis to Ogland O. Lay, Jr., son of Mr. and Mrs. O. O. Lay of Kenton, O. The marriage will take place September 14.

MIRACLE VILLAGE IN PATH OF ETNA LAVA . . . Erupting Mt. Etna and streams of lava rolling down its sides form an imposing backdrop for the little village of Passo Pisciardo directly in the path of the Sicily flaming lava. A number of new craters belching flaming lava appeared on volcanic Mt. Etna, but what the Sicilian peasants regard as a miracle, Passo Pisciardo and other hamlets at the foot of the volcano have not yet been engulfed by the river of lava.

New High School Is Need By 1950

third grade. This move, he said, would additionally tax local facilities.

The board, he said, has tentatively agreed on a site for the new school immediately east of the present Recreation Center, and it has asked Willis Baker, owner of about two acres of land there, to meet for a conference in June. Architects sketches of the new building already have been completed.

The superintendent now favors a complete survey to determine just what Tecumseh's school growth will be in the next few years, especially as it is affected by reorganization of districts. He also favors the passage of a bond issue in 1950 of $75,000, to match the sinking fund money. With $150,000 in available cash, he then is hopeful that some form of state or federal aid might be available for building construction or at least a unit of the building.

Fay Whelan, treasurer of Tecumseh Recreation Center, also spoke on the Town Hall program. Mr. Whelan told how the Center had been developed with the $8,400 originally raised through public subscription and pointed out that its only sources of revenue had been from football, the pageant of a few years ago, and a few other donations.

Football, he said, has returned to the Center about $1,000 more than was originally contributed but he pointed out that expenditures for equipment, maintenance, etc., have been heavy and that at the present time about $2,100 remains in the treasury.

Discussion that followed Mr. Whelan's talk seemed to favor the turning over of the field to the village, and to permit its operation out of the municipal park fund. Another suggestion was that a budget for operation be set up in the Community Fund. In any event, it seemed impossible for the board of control of the field to continue its operation on a hit-and-miss financial basis, as has been the past custom, if demands for summer playground equipment, supervised play, etc., are to be met. It is likely that the board will meet at some future time and discuss a more definite program.

215 Relatives, Friends At Golden Wedding Party

Mr. and Mrs. Lewis W. Coller celebrated their 50th wedding anniversary by receiving their many friends and relatives at an open house Sunday afternoon, May 18, at their home in Macon. The house was decorated throughout with many flowers.

The 215 guests were registered by Mrs. Clayton Bigelow of Macon, who presented each family with a printed booklet containing a picture of the honored couple. Guests were from Macon, Britton, Saline, Clinton, Adrian, Ridgeway, Milan, Tecumseh, Tipton, Hudson, Onsted, Jerome, Deerfield, Manitou Beach, Birmingham, Colon, Lansing, Detroit, Plymouth, Royal Oak, Marian, Ypsilanti, Ann Arbor, Jackson, Bryan and Toledo, Ohio and Florida.

Guests were served refreshments from a large candle lighted lace covered table with Mrs. Vern Randall of Manitou Beach, and Mrs. Mary Williams of Macon pouring and Mrs. Clarence Hall serving the two large three-tiered wedding cakes. The cakes were made by Mrs. Mahlon Sebring and Mrs. Frederick Dickinson, granddaughters of Mr. and Mrs. Coller. The honored couple received over 100 cards and many lovely gifts.

The wedding anniversary date was also Mr. Coller's 75th birthday. Mrs. Coller is 71. They have two daughters, Mrs. Raynor Kerr and Mrs. Dow Bilby, both of Tecumseh, also seven grandchildren and two great-grandchildren.

FALSE TEETH AT FOUR

Evanstown, Ill. — A four-year-old boy, a victim of total anodontia in which even the beginnings of teeth are absent, is wearing a complete set of false teeth. The dental plates, about the size of a half dollar, are made of plastic and contain twenty teeth, the normal number for the first teeth of a four-year-old. As the boy grows, new plates will have to be made, possibly every two years.

CABBIE LOSES $7 AND METER

Chicago — Complaining that the taxi meter registered too fast, one of two passengers in Douglas Fitzhugh's taxicab drew a gun and took $7 from him, while the other man pulled out a wrench and removed the meter. Then they fled.

LEARNING DANGEROUS

Olympia, Wash. — During a six months' stay in the State Reformatory, an inmate was taught to read. However, Superintendent Ryan doubts whether is was such a good thing. The inmate is back—this time as a forger.

A Mirror is a very useful article. It tells us what stands before it. It wont reflect anything other than the object in the face of the mirror.

Life is like a mirror. It reflects that which is placed before it and nothing else. If we seem to be concerned with juvenile delinquency is it not a reflection of adult delinquency before the mirror?

A wholesome example will reflect itself on all society. To be sure of what reflection the mirror of life will cast from us let us heed our need—a strong Christian character. "GO TO CHURCH" and obtain it.

If You Own a Dog This Is Important Read It!

This Order Will Be Rigidly Enforced Starting Friday, May 16, 1947

Because many dog owners seem to have so little regard for "the other fellow," and because, as a result of this attitude, the dog population of Tecumseh seems to be "running at large," your government, at the request of many of its citizens, has been forced to take some rather drastic action.

Effective, therefore, on Friday, May 16, 1947, the following directive will be rigidly enforced:

Any dog, licensed or unlicensed, found running at large on property that is owned by someone other than the dog's owner, or any dog found loose in the streets or on public property within the Village f Tecumseh, will be seized by the police and impounded.

Dogs so seized will be held at the dog pound here for a period of 24 hours, after which time they will be turned over to the county dog warden to be cared for, or for him to make whatever other disposition of the animal he so desires.

Dogs impounded locally may be called for by their owners within the 24-hour period by contacting the police. A FEE OF $2.00 WILL BE CHARGED FOR SUCH IMPOUNDING and MUST be paid by the owner before the dog will be released.

This Is Your Notice That This Directive Will Be Enforced

If, after today, your dog is allowed to run at large and it is impounded, please do not complain when you are forced to pay the $2 fee for his freedom. Remember, dog owners, because of their lack of regard for others, have made this directive necessary.

Please cooperate with your local government by keeping your dog on your own property.

And also, please notify the police department if dogs belonging to others, are running on your property.

Signed: JOHN C. TRUESDALE, President
Village of Tecumseh, Michigan

"SPEEDY" by BUTLER Motor Sales

When Your Car Needs Repair
Insist Upon Ford Precision,
Ford Parts and Ford Know-how

It makes all of the difference in the world in the operation of your Ford car after a repair job has been doen if genuine Ford precision parts have been used, and mechanics with "Ford know-how" accomplished the work.

That's why we say, "There's No Place Like Home for Your Ford," — and in Tecumseh, that means our garage.

In our garage we use nothing but genuine Ford precision parts. We use them because we know that Ford engineers designed and built them for your Ford. And, our mechanics are trained in Ford factory methods; they know all of the short-cuts, and that means that repair bills cost you less.

Come in, if your car isn't working right, and talk with Harry Schuch, our service manager. He'll tell you what should be done, and he'll do the work for you as economically as it can be accomplished.

Baccalaureate Service, Sunday

CEREMONIES BEGIN FOR GRADUATION OF 63 SENIORS AT HIGH SCHOOL

The annual Tecumseh high school baccalaureate services for the class of 63 seniors will be held Sunday evening, June 1 at the Presbyterian church, with the Rev. Alvin C. Brazee giving the address, "What Is Your Life?"

The service as arranged is as follows: prelude, "Still As the Night," Bohm; processional, "Pomp and Circumstance," (Elgar), Mrs. F. C. Dickinson; invocation, Rev. Edward Escolme; congregational singing; scripture reading, Rev. B. O. Bashore; prayer, Rev. Allan Ramsay; vocal solo, "The Builder" (Cadmur), F. C. Dickinson; presentation of speaker, Supt. W. L. Berkhof; address by the Rev. Alvin C. Brazee; congregational singing; benediction by Rev. Escolme; recessional, "March in A Major" (West), Mrs. Dickinson.

The Class Night program will be presented on Wednesday evening, June 4, in the high school auditorium. The presentation of the cane will be made by William Hayden, with acceptance by Tom Corkery; class history, Peggy Garno and Ben Hammack; poem, Louise Bowen; prophecy, Louise Wilson, Dorothy Brandt, Dorothy Cook and George Baibak; song, Martha Hewlett; giftatory, Jane Hoekstra, Norma Kenrick, Phyllis Kahle and Ned Ruesink; class will, Shirley Baker, Jean Wilson and Ralph Peotter; president's address, William Hayden.

On Thursday evening, June 5, the commencement exercises will be held in the auditorium with J. B. Rosemurgy, D.D., pastor of the First Methodist Church of Akron, Ohio, as the speaker. Wilfred Waldron will give the salutatory and James Sisson the valedictory.

The program will also include the processional by Marilyn Lindsley; invocation, Rev. Allan Ramsay; "Cherubim Song" (Bwitnianisky) by the high school chorus; selection, "I Have Life" (Mona-Zacca), Martha Hewlett, Jane Hoekstra, William Hayden and Wilfred Waldron; presentation of scholarships by Supt. W. L. Berkhof; presentation of class, James McDowell; presentation of diplomas, Jens K. Touborg; benediction, Rev. Ramsey.

The activities will close on Friday evening with alumni reception and banquet in the high school gymnasium. The reception will be held at 5:30, followed by the banquet at 6:30 and an evening of dancing.

Two hundred students and guests attended the annual May Party held Friday evening in the high school gymnasium. Miss Patty Hammack and Tom Judd were chosen king and queen by the student body. The grand march was led by Mr. and Mrs. Delmar Crisp.

On Thursday evening the junior high school enjoyed an evening of dancing in the gym followed by refreshments.

$728 FOR CANCER FUND IS CONTRIBUTED LOCALLY

Tecumseh unit of the county cancer control met Monday evening at the library, their final meeting for the season. It was reported that funds received in the recent drive in this area amounted to $728.83. Meetings will be resumed in September.

MRS. LAIDLAW TO RETIRE

Mrs. W. L. Berkhof was hostess at afternoon tea Saturday in honor of Mrs. O. W. Laidlaw, who is leaving the teaching staff of Tecumseh high school. Sixty guests were received. Those assisting Mrs. Berkhof were Miss Agnes Hansen, Mrs. H. H. Hanna, Mrs. Edith C. Smith, Mrs. F. C. Dickinson and Mrs. Earl Lindsley.

New officers of the Band Parents Club for the coming year are Mrs. Clark Goodacre, president; Mrs. Karl Fosbender, vice president; Mrs. A. G. Boardman, treasurer and Mrs. Leno Purkey, secretary.

Miss Dorothy Schumm Takes Position at Herald

Miss Dorothy Schumm, daughter of Mr. and Mrs. George Schumm of 508 West Chicago Boulevard, next week will succeed Mrs. L. Edna Satulter as reporter and office assistant on The Tecumseh Herald.

Miss Schumm is a graduate of Tecumseh high school, and until a week ago she was employed in the office of the Tecumseh Products Co., which position she resigned.

Mrs. Staulter has been with The Herald for many years, in fact her training in the printing business began when she finished high school and entered the printing offices of the late Thos. Mingay.

Mrs. Staulter is resigning her position to care for her mother, Mrs. John Lucas, who now is a patient in St. Joseph's hospital, Ann Arbor. Mrs. Lucas' condition is improving, and it is expected that she will be able to return to her home here during the early part of next month.

Local Man and Father to Tour The Near East

DR. FERRIS HODGE AND MR. HODGE TO VISIT IN THE HOLY LAND

Dr. Ferris G. Hodge, local dentist, and his father, Nicholas Hodge of Morenci, will sail from New York City today for an extensive tour of the Near East and Mr. Hodge's former home in Kefire Hasbia in Lebanon. Because of after-the-war conditions, only one-way passage can be booked by the Hodges and the time of their return is somewhat indefinite. In all probability, however, they will be gone three to four months.

The local tourists will land at Beirut, Lebanon, and will spend a few weeks there visiting relatives of Mr. Hodge, including three sisters and their families. They plan to tour up in the Lebanon mountains and to see the biblical cedars. They will go to Damascus, the Sea of Galilee and the Dead Sea, and a part of the Arabian desert. If it is at all possible they plan to visit Jerusalem and Palestine.

Their plans call for about a three-week stay in Egypt, where Dr. Hodge has friends. He also plans to visit Dr. Wesley Thomes at Bahrein, Eastern Arabia. Dr. Thomes is the personal physician to Ibn Saud, King of Arabia. Dr. Hodge was a student at the University of Michigan at the time Dr. Thomes was studying there. Dr. Thomes has visited Tecumseh and in 1936, while he was doing research work at the University, he came here and addressed the Rotary Club.

Enroute home, the Hodges hope to visit Europe, and if it is at all possible they will make a brief stop-over in the British Isles. The return trip, however, will be governed by conditions, it being extremely difficult to obtain passports in many instances.

Dr. Hodge is making the trip at the request of his father, who is very anxious to again visit his homeland. He came to America in 1895 and has not since visited in the Near East. It will be Dr. Hodge's first trip to Lebanon.

FARM BUREAU MEETS

The Clinton Community Farm Bureau met Friday evening at the Congregational church, Amos Wilson presiding. Mrs. C. C. Woodward gave a report of the recent Farm Bureau women's meeting in Adrian. It was decided to hold June and July meetings at 8:30 p.m. Henry Vaughan led the discussion on Farm Bureau services. In conclusion refreshments were served. The group will meet June 27 with Mr. and Mrs. Lester McCombs.

HONORS MOTHER

Mr. and Mrs. Wade Hendershot entertained at dinner Wednesday, May 28, honoring the 85th birthday of his mother, Mrs. R. R. Hendershot. The table centerpiece was a gift from her niece, Mrs. Everett Ridge of Ft. Wayne, Indiana. Her sister and husband, Mr. and Mrs. Sam Patterson and Mr. and Mrs. Frank Hoagland of Britton were dinner guests.

Local Trackmen Win LCCA Title

HAYDEN, TECUMSEH SENIOR, STAR OF COUNTY MEET IN ADRIAN, THURSDAY

The Tecumseh High School's Indian track squad walked away with easy honors at the LCAA meet at Adrian, last Thursday, and Bill Hayden, senior star athlete, stole the show in many events. The Tecumseh boys won the title by running up 62½ points from the defending Morenci team's 48 2/4. Hudson won third place with 29 3/4 points, while Blissfield, Clinton and Addison did not enter teams.

Young Hayden, son of Mr. and Mrs. Perry Hayden, was an easy star of the meet. It seemed as though he could not lose, despite handicaps. He broke his former record of 25.7 in the 200-yard low hurdles, his time this year being 24.7. He accomplished this win after the officials had made an error. In his first running event officials misjudged the distance and sent the runners over a 220-yard course. The results of this race were official, but Hayden was granted an opportunity to run the event again in an effort to set a record. So, five minutes after he had finished the 220-yard leg on the winning 880-yard relay team, he ran the 200-yard hurdles to beat his old time. He also won first place in the 100-yard dash with a time of 10.6.

Jim Dulworth of Hudson won first place in the 120-yard high hurdles and it was Hudson's only win. His time was 18.6. Dick Raabe of Morenci with a time of 5:15.1 won first in the mile run.

LaVon Campbnell of Morenci came in first in the 440-yard dash in the time of 56.6. He was followed closely by Francis Plummer, also of the Bulldogs. Both of these runners are 10th graders. Coach Henry Geisler should have plenty of material with which to work next year in an attempt to regain the league crown.

Coach Aden Mead of the Indians saw another of his thinclads flash across the finish line in first place when Norbert O'Hara won the 880-yard run in 2:17.3.

Marvin Barber of the Tecumseh squad won the 220-yard dash. His winning time was 24.8. Barber and Hayden were co-captains of the Indians.

In the medley relay the Tecumseh team of Church-Goodacre-Van Camp and Cooley scampered home in the winning time of 4:27.2. The Indians also won the 880-yard relay with Hayden-Phibbs-Waldron-Barber carrying the mail. The time was 1:41.9.

The Indians dominated the field events, taking first places in the pole vault, shot put and broad jump. Bruce Jennings took the pole vault with a height of 8' 7½". Bill Brown was first in the shot with a toss of 42' 8". Tom Corkery won the broad jump, leaping 19' 2 3/4".

Randsom Badgley of Morenci was the best man in the high jump with a leap of 5'4".

Other results were as follows:

120-yard high hurdles—Dulworth (H), Waldron (T), Rupp (H), Green (M).

100-yard dash — Hayden (T), Barber (T), Rupp (H), Price (M).

Mile run—Raabe (M), Ames (H), Gillen (T), Van Valkenburg (M).

20-yard low hurdles—Hayden (T), Dulworth (H), Waldron (T), Barnes (M).

440-yard dash — Campbell (M), Plummer (M), Corkery (T), Purkey (T).

880-yard run — O'Hara (T), Sproul (M), Rhoads (H), Shouga (M).

220-yard dash—Barber (T), Kelley (M), Price (M), Zimmerman (H).

Medley relay—Tecumseh, Morenci, Hudson.

880-yard relay—Tecumseh, Morenci, Hudson.

Pole vault—Jennings (T), Atkinson (H), Hollstein (M) and Rumler (T) and Henkel (T) tied for fourth place.

High jump—Badgley (M), Hollstein (M) and a four-way tie for third place between Every (T), Atkinson (H), Van Wagner (M) and Waldron (T).

Shot put—Brown (T), Miller (H), Williams (T), Barnes (M).

Broad jump — Corkery (T) Badgley (M), Rupp (H), Miller (H).

PATSY GOES TO COLLEGE . . . When Patsy, 10 months old, first entered the home management house of University of New Mexico, she was retarded mentally, suffered from a skin rash and was in such a complicated emotional state that medical science seemed stumped. Within two months, under the care of students in domestic science, she was ready to "graduate" with honors. The girls majoring in home economics bathe, feed and rock Patsy to sleep.

Adult Training Popular Here

118 WERE ENROLLED IN THE SEVERAL EDUCATIONAL COURSES OFFERED

The Adult Education Program sponsored by the local public schools and under the direction of Neville L. Hart has completed its activities for the school year.

A total of 118 local adults were enrolled in the various courses. Based on an individual basis, nearly 4,000 hours of instruction were obtained by those enrolled. The following courses were offered: Agriculture, Leadership Training, Recreation, Teacher Extension classes, and Shop Mathematics.

The Tecumseh Veterans Institute, which was under Adult Education Department supervision has completed its work. During its existence the Institute assisted veterans to complete requirements for high school graduation and to carry out a program of on-the-job training.

The Town Hall Council also was organized under the Adult Education program and it held four meetings during the year with attendance at each averaging about 90. The cost of this program was underwritten by the several clubs and organizations of Tecumseh and admission was without charge. Two outside speakers appeared on two of the programs and two meetings were given over to a discussion of local problems.

It has been announced that Town Hall will be reorganized and that similar meetings will be held again next year. Tecumseh's Town Hall program has attracted considerable state-wide attention, especially at the University of Michigan.

Plans are now being formulated for an even wider selection of activities for the next school year, beginning in the fall.

NEWLY WEDS HONORED

Mr. and Mrs. Luther Wood and daughter, Miss Arlene Sherman entertained in the K. of P. hall Sunday afternoon in honor of Mr. and Mrs. Robert Wood, recently married. The 75 guests enjoyed a social afternoon with music and singing. Music was furnished by Rex Knisel of Blissfield and Mrs. Luther Wood. Refreshments were served from a candle lighted table centered with a large wedding cake, by Mr. and Mrs. Carl Thompson, Henry Kempf and Lowell Wise assisted by Mrs. Herbert Yager of Hudson and Miss Joan Alexander of Hudson.

Mr. and Mrs. Wood were presented with miscellaneous shower of gifts.

DELEGATES CHOSEN

Mr. and Mrs. Irving Downing, Mr. and Mrs. Clair Beland, Mr. and Mrs. Wm. Stewart, Mr. and Mrs. Pirl Ash, Mr. and Mrs. Harold Osterhout and Mr. and Mrs. Ernest Harris have been appointed delegates from Tecumseh Grange to the County Pomona Grange meeting at North Adrian June 11.

HOSTESS AT PARTY

Miss Winona Waldron entertained at a house party at the Waldron cottage at Sand Lake over the weekend. Guests included eight sorority sisters from Betsy Barber house in Ann Arbor, also Mrs. Burton Davis of Ovid and Miss Phyllis Camburn of Ypsilanti.

AUXILIARY TO MEET

The American Legion Auxiliary will meet Monday evening, June 2 in the Legion hall. Mrs. Carl Thompson and Mrs. Dale Tingley will be the hostesses.

NOTICE

During my absence while I am on an extensive trip through the Near East, my office will be closed for several weeks. Dr. Ferris G. Hodge, D. D. S.—adv.

Cecil Rome Dustin, 58, Dies of Heart Ailment

Cecil Rome Dustin, aged 58 years, a resident of Tecumseh about five years, died suddenly of a heart attack Friday morning at his home on North Democrat street. He had been in failing health for some time.

Mr. Dustin was born in Williams county, Ohio, July 26, 1888, the son of the late John Dustin and wife. He served as superintendent of suburb schools of Cleveland, O, for 25 years.

After his retirement they came to Tecumseh and built their home on N. Democrat street.

Mr. Dustin was a member of the Church of God, the Free and Accepted Masons, the Knights of Pythias, American Legion and Kiwanis Club all of Ohio.

He leaves the widow Ruth, two sons, Dr. Robert W. Dustin of Columbus, O., and Dr. Richard Dustin with the American Occupational Forces in Yugoslavia; a grandson David of Tecumseh; two brothers Cleveland R. Dustin of Tecumseh and Rev. Kahl Dustin of Columbia City, Ind.

Funeral services were held Sunday afternoon at the Collins Funeral Home, Dr. Norman MacNaughton officiating. The body was taken to Detroit Monday for cremation. Relatives and friends from Columbus, Youngstown, Akron, Bryan, Montpelier and Kunkle O., Columbia City, Ind., Dearborn, Charlotte and Macon attended the services.

MISS LUCILLE MURDOCH WEDS MARVIN REINHARDT

Announcement is received here of the marriage of Miss Lucille G. Murdoch, and Marvin Reinhardt which took place Wednesday afternoon, May 28 at the First Presbyterian church in Princeton, Ill., the Rev. James Cameron Murdoch officiating. They were attended by a college classmate of Miss Murdoch's and James C. Murdoch, Jr.

After a trip to Northern Michigan they will make their home in Detroit, where he is attending a School of Accounting.

Mrs. Miller is the daughter of Rev. and Mrs. J. C. Murdoch and a graduate of Tecumseh high school, and for the past year has been attending college in Illinois. The groom is the son of Mr. and Mrs. Christian Miller of South Onida street and served overseas in the European area 18 months during World War II.

WED IN ANGOLA

Announcement is being made of the marriage of Miss Virginia Well hoff, daughter of Mr. and Mrs. Albert Wellhoff of Manchester and Robert Service, son of Mrs. Rose Service of Tecumseh, which took place May 2 in Angola, Ind. They are making their home in Clinton.

NOTICE

The Post Office will be closed all day Decoration Day, May 30.

Dr. Peyton New Presby Pastor

KNOXVILLE, TENN., MINISTER IS CALLED BY TECUMSEH CONGREGATION

Dr. Roy W. Peyton, pastor of the Fourth Presbyterian Church of Knoxville, Tenn., has been called as pastor of the Tecumseh Presbyterian church, M. G. Partridge, chairman of the pulpit committee, has announced. Dr. Peyton is expected to take over his duties here about the first of July.

The pastor is a native of Missouri, but spent his boyhood in Marshalltown, Iowa. He is a graduate of the Tusculum Presbyterian Seminary of Greeneville, Tenn., and received his doctor's degree at McCormick Seminary, Chicago. Mrs. Peyton is a graduate of Chicago University of Music, specializing in organ.

The Peytons have two children, a son, eight, and a daughter, seven.

Dr. Peyton spoke for the first time in the local church about a month ago, and then returned last Sunday, speaking as a candidate for the pastorate. At a congregational meeting following the service he received a 100 per cent call to the office.

The new pastor will succeed the Rev. James Cameron Murdoch, who resigned his pulpit here on March 1, to go to Princeton, Illinois.

Mrs. Mary Fackler, Former Resident, Dies

Mrs. Mary Fackler, formerly of Tecumseh, died Thursday at the home of her daughter in Sturgis where she had lived for five years.

She leaves five daughters and three sons, including Mrs. Bermont Poley, Eli and Otto Fackler of Tecumseh. Mr. Fackler died several years ago.

Funeral services and burial were held Saturday in Sturgis. Mrs. Poley, Eli and Otto Fackler and their families and Mrs. George Bailey attended from Tecumseh.

FUNERAL SERVICES HELD FOR HAROLD MILLER

Funeral services for Harold Miller of East Pottawatamie street, were held last Wednesday afternoon at the Niblack Funeral Home in Britton. Rev. Gerald Hallauer of Britton officiated and bearers were Richard Drouillard, Henry F. Kempf, Earl Griffin, Harry Roselle, Vere Gill and Claud Drake. Burial was in the Ridgeway Cemetery. Relatives and friends from Lansing, Detroit, Monroe, Toledo, Ashley, Hudson, Saline, Milan, Walled Lake, Dundee, Adrian, Clinton, Britton and Tecumseh attended the services.

BUSH-REED

Miss Edna Mae Reed and Daniel B. Bush, both of Tecumseh, were married Friday afternoon by Rev. Edward Escolme at the Friends parsonage. Their attendants were Miss Pearl McKenzie and Ray McKenzie, also of Tecumseh. Mr. Bush is employed at Tecumseh Products Company and they will make their home here.

TO FLY TO EUROPE

Mrs. Joseph O'Pravil will leave May 31 by plane from Willow Run for New York and will leave LaGuardia Field by plane June 2 for Czechoslovakia to visit her parents, two sisters and a brother whom she has not seen for 32 years.

Memorial Day Program Ready

DEAN AL RUSH OF ADRIAN COLLEGE TO DELIVER ADDRESS AT CEMETERY

Al Rush, dean of Adrian College, will deliver the address at the Memorial Day Ceremonies, to be held in Brookside Cemetery next Friday, honoring the dead of all wars, it was announced today by Louis S. Schneider in charge of the program.

Tecumseh's observance of the holiday will get under way at 9:30 when the parade forms on North Ottawa street, between Logan street and Chicago boulevard. It will move promptly at 10 o'clock westward on the Boulevard to Union street and then to the cemetery. In the line of march will be the delegations from the several military and patriotic organizations, the high school band, Scouts and citizens. There will be a firing squad, mounted color guards, and a caisson bearing wreaths and flowers.

The cemetery program will include the placing of wreaths on the graves of the soldiers of all wars, and on Evans creek, in memory of the departed sailors. During the exercises on airplane will fly overhead and drop flowers on the assembly. A volley will be fired and taps sounded.

In keeping with customs, all stores and business places in Tecumseh will be closed all day on Friday, it was said today.

Customarily, Memorial Day marks the opening of the lakes season in Lenawee county but operators were skeptical today as to the popularity of the lakes at this time this year, due to the wet, cold weatther. Many cottage owners have not yet opened their cottages, and boating and swimming thus far have not been popular.

Heart Attack Fatal To Earl Moon, 53

Earl Moon, aged 53 years, died suddenly of a heart attack Saturday evening in Dr. H. H. Lewland's office. Mr. Moon who lived at 602 South Pearl street was born July 8, 1893 in Macon township and was the son of Alden and Loretta Beaubien Moon. He had spent nearly all his life in this vicinity, was a member of the Fraternal Order of Eagles and was employed by Tecumseh Products Company.

Survivors are two nieces, Mrs. Helen Patterson and Mrs. Georgeanna Brown of Phoenix, Aris., and six nephews, Herbert and Earl Spafford and Ralph Hagadorn of Jackson, George and William Hagadorn of Philadelphia, Pa., and Raynor Hagadorn of Tecumseh.

Funeral services were held Tuesday afternoon at Collins Funeral Home, Rev. Edward Escolme officiating. Members of the F.O.E. acted as bearers and burial was made in Petersburg Cemetery.

LADIES SAY THANKS FOR POPPY DAY CASH

The Ladies of the American Legion Auxiliary were gratified at the public's response to its Poppy Drive on Saturday, and according to Mrs. H. H. Hamnel, president, $545 was collected in a campgn that topped all previous ones in cheerful giving. The sum of $105 had been paid out for the 3500 poppies bought. This went directly to the veterans who made the poppies by hand. The balance of $440 constitutes the Poppy Fund for 1947-48, from which the Auxiliary will draw to aid wounded veterans and support its Child Welfare program.

The following recruits helped to implement the sale. These volunteers were added to the list too late for publication before the sale: Mrs. Joseph Russell, Miss Isabelle Hamilton, Miss Lucy Dell, Mrs. Elmer Burleson, Mrs. Mae Dickenson, Mrs. Jennie Hodges, Mrs. Mabel Russell, Mrs. Gordon Miller, Miss Virginia Snyder, Mrs. Wilma Kruger, Mrs. Joyce Manwaring, Mrs. Gladys Phibbs, Mrs. June Robison, Mrs. Audrey Warren.

SPOONER-WELCH

Mr. and Mrs. Allen H. Welch of Romeo announce the marriage of their daughter Margaret to James T. Spooner, son of Mr. and Mrs. Charles O. Butler of Tecumseh, which took place April 12 in Angola, Ind.

Mrs. Spooner is a member of the nursing staff at Tecumseh hospital and Mr. Spooner is a student at Western Michigan in Kalamazoo.

NOTICE

Tecumseh Public Library will be closed all day Friday, May 30, Decoration Day, and Saturday, May 31, for repairs.

STRENGTH IN FREEDOM

When we speak of our nation's strength many of us consider first of all its natural resources, its industries and its material wealth. But it is not in resources, industries and wealth that the basic strength of a nation lies. Rather, it is in its philosophy of life and government. As vital as industries and wealth may be, they are consequences of philosophy and government. They are the natural development of a system which places maximum freedom for the individual above all other considerations.

Many nations other than ours have great resources, some of them, in some particulars, greater than our own. Russia is a case in point. But other nations have not been able, despite "five year plans" and similar schemes, to put them to full use for the benefit of the people. Super-government, which robs the individual of his freedom, likewise robs him of his ingenuity and his ambition. The individual is simply the tool of the state. He is denied much and often most of the fruits of his labors. Results are gained by mass action, by driving and terrorizing the people. But the individual, except for the man in the saddle, never benefits.

This country grew great under the Constitutional idea of a government of limited powers—a government that maintained an Army and a Navy, the courts and other essential services, and acted as an arbiter in the economic affairs of the country but never as a competitor or participant.

This is the kind, and the only kind, of government under which the rights and freedoms of the people can be preserved, and it must not be undermined here. And this is a good thing for us to think about as Memorial Day approaches and we pay tribute to the thousands of men who fought and died that freedom might be preserved.

From where I sit ... by Joe Marsh

Want to Run a "Collective" Farm?

Was reading the other day about the "collective" farms they have in certain countries. It seems the folks who run them have plenty of help . . . good hours . . . and the best equipment.

Sounds pretty nice—till you learn that the "farmer" doesn't own his land, or even farm it, in our sense. He takes orders from the state; produces whatever they want him to produce, at prices they set. Even his off-hours are spent according to state regulations.

No, that would never go here.

We're willing to work hard, but we like to farm the land our own way, put our own value on the crops, and relax as we like—if only with a temperate, companionable glass of beer.

From where I sit, collective farming may produce results. But the American way—freedom to work and relax as we see fit—is what makes this country a great place to live. So let's not change it!

New Officers Installed By B. & P. W. Club

The Business and Professional Women's Club met Monday evening at the Methodist church with 47 in attendance. Dinner preceded the meeting with Mrs. Mertie Jones, Misses Leitha Derby and Bess M. Spayde as hostesses.

Miss Marie Koernig presided and annual reports were read. The club now has a total of 70 members. Mrs. O. W. Laidlaw acted as installing officer and installed the new officers. Mrs. Iva Van Valkenburg, the new president, read a poem in tribute to the retiring officers and Mrs. Laidlaw presented each with a corsage. Corsages were also presented to the new officers and to Miss Koernig, past president.

Mrs. Anna Hardenburg was in charge of the program which consisted of piano solos by Miss Peugeot and selections by the boys' quartet composed of Bill Hayden, Sonny Waldron, Charles Manley and Gordon Comfort.

Mrs. Van Valkenburg then announced the following committee appointments for the coming year: Program, Geraldine French, Cecile Smith, Ayesha Laidlaw, Ruth Harding and Hilda Will; membership, Margretta Brisbin, Pearl Elliott and Margaret Lowry; finance, Mae Whelan, Helen Mix and Marjorie Widdell; publicity, Gladys Spangler, June Green and Bess Spayde; courtesy, Goldie Watkins, Bernice Parker and Nina Heath; child welfare, Purnell Osburn, Margaret Roberts and Jennie Gillespie; auditing, Marie Koernig, Florence Fogle and Martha Artman; parliamentarian, Lillian Service; picnic, Ethel Truesdale, Mertie Jones, Claudyne Swick, Hazel Creger and Mabel Lockwood.

Kathryn E. Warner Is Bride of Richard Ward

At a pretty home wedding held Saturday afternoon in the home of Mr. and Mrs. Arlo Warner in Clinton their daughter, Kathryn E. Warner became the bride of Richard A. Ward, son of Mr. and Mrs. Lawson A. Ward, also of Clinton. The service was read by the Rev. H. A. Huey of Ann Arbor.

The bride, who was given in marriage by her father was attended by her sister Miss Marilyn Ward as maid of honor. Her brother, William Warner served as best man for the groom.

Preceding the ceremony Miss Roberta Hornsby sang "I Love You Truly" and "Because" with organ accompaniment by Mrs. F. K. Allen.

A reception for 100 guests from Canada, Detroit, Lansing, Newago, Leslie, Royal Oak, Hillsdale, Toledo, Ann Arbor, Ypsilanti, Jackson, and Clinton, was held following the ceremony. Refreshments were served by members of the Philathea class from a lace covered table centered with a large cake surrounded by a bridal wreath and topped with a miniature bride and groom.

Mr. and Mrs. Ward left later on a short wedding trip and on their return will make their home in Lansing where he is employed by the state highway department. He recently returned after 3½ years service in the Navy. Mrs. Ward is a graduate of Hillsdale high school and has recently been employed in the office of the Clinton Machine Company.

Cassidy Lake Director Exchange Club Speaker

Members of the Tecumseh Exchange Club learned something about the Cassidy Lake Camp for wayward boys and first offenders, Monday evening, when H. B. Prin, supervisor of the camp, addressed the club. Five boys from the camp accompanied the supervisor and furnished several musical selections. The Cassidy camp is a new project and houses youths between the ages of 17 and 21 years.

The club also announced that Ellsworth Collins, president, and L. P. Williamson would represent Tecumseh at the annual convention of Michigan State Exchange Clubs at Grand Rapids, June 8-10. Several other members will attend the convention on different days.

Judge D. Russell Bontrager of Elkhart, regional vice-president of the National Exchange, will be the principal speaker at the convention. The judge has received national recognition for his interest in juvenile delinquency and methods to combat the problem.

A WARM WELCOME TO VISITORS

Let us, the living today, honor the memory of those who "gave the last full measure of devotion" by being united in the offices of Christian unity.

Christ, whom the common people heard gladly,
Lord of sincerity and truth,
Before whom all that is hollow
And unreal shrivels up and is consumed away:
Give us the spirit of reality;
Help us fearlessly and honestly
To seek for the truth and to listen to thy challenge;
Cleanse us from prejudice and partisanship,
And purge out from our inmost souls,
O Lord, whatsoever loveth and maketh a lie.

Children's Day To Be Observed

SPECIAL PROGRAMS WILL BE PRESENTED ON SUNDAY IN MANY CHURCHES

Many of Tecumseh's churches will observe Children's Day here next Sunday with special programs in charge of the Sunday School.

Children's Day will be observed at the Tecumseh Friends Church with a joint service of the church and Sunday School to be held at 10:30 a.m., Sunday. A special program entitled "Message of Youth", will be presented by members of the church and Sunday School, directed by Mrs. Naomi Sallows, with Mrs. Amos Wilson, organist. At the Christian Endeavor meeting to be held at 6:30 p.m. the young people will consider the topic, "Alcohol, Tobacco, and My Friends." A representative of the Gideons will speak at the evening meeting at 7:30 p.m.

The Methodist church school will present a song and worship service in observance of Student's Day, formerly known as Children's Day, this Sunday morning in the sanctuary at 10:30 a.m. The community is invited to hear the following program which will be presented by the church school teachers.

Kndergarteners, under the direction of Mrs. A. L. VanWinkle; songs, "Jesus Loved The Flowers", "Bye Low, My Baby"', and "Slip, Slip, Slip, Step." Dramatization of "Baby Moses", by Tom Bailey, Ann Cameron, Bobby Dick, Sally Hunt, Roger Mead, Tommy Oliver, Madean Warren, Katherine West, Anne Wilson.

Primary group under the direction of Miss Bertha LaPointe; songs, "A Song of Praise", "Bring Them On", by Jack Bryan, Wilma Bumpus, Gail Buttorf, Garry Cameron, Larry Coates, Ruth Ann Cooper, William Cooper, Patricia Crist, Fred Deaner, Marilyn Edgar, Judy Ann Fairbanks, Wilma Jean Kerentoff, Kay McClure, Barry Packard, Donald Partridge, Joyce Partridge, Ronald Rupp, Joyce Stewart, Judy VanWinkle and Jimmy Warren. Quartette, "The Children's Friend", by Wilma Bumpus, Judy Ann Fairbanks, Sylvia Busche, Judy VanWinkle.

Juniors under the direction of Mrs. Edward Beal; "Fun on the Move", violin solo, Sally Jo Rentschler, accompanied by Mrs. Kenton Hunt; reading from "My Own Worship Book", by Roger Busche, Brenda Porter, Joyce Gray, Gretta Porter, June Stewart and Bruce Packard; "All the World is God's World" vocal solo, Ruth Ann Coates, accompanied by Mrs. Kenton Hunt; prayer hymn by the group.

Intermediates under the direction of Mrs. Kenton Hunt, "A Hymn of Freedom", by girls choir, Eileen Beach, Donna Burleson, Stephanie Davis, Janet Erhart, Ruth Goodacre, Beverly Hay, Beverly MacLaury, Donna Martin, Virginia Snyder, Nita Mae Spangler and Ruth Ann Stewart.

Children's Day will be observed Sunday morning in the Presbyterian church beginning at 10:30 when the entire program will be presented by the children of the Sunday school. The invocation will be given by David Ousterhout; responsive reading by Jerry Bowen; the Scripture lesson by Tommy Rohweder. David Lott will play a trumpet solo.

In the beginners department "A Big Welcome" will be given by Gary Abner, Meredith Hoffmeister, Ralph Helserman, Philip Hendershot, Todd Herrick, Larry Hartsell and Michael Tucker will tell "What One Boy Did." Song by Larry Titley, "The Bird House" by Barbara Damon; "Helping Mother" by Judith Truesdale; "Strange, But True" Kendra Ringman; "What Mother Says", Doris Oliphant, Carole Ross and Donna Nixon; "One Day", by Alice Titley; "God Game Me Eyes", by Karen Hall, Jerry Kruse, Sherry Tucker, Chummy Hartsell, Linda Baldwin and Gregg Mason.

The Primary department will

IS SOLE OWNER

Albert Bagshaw, who, with Allen French, has for some time been co-owner of the Tecumseh Recreation, announced today that he has purchased Mr. French's interest in the business, effective on June 2, making him the sole owner of the business.

PAWSON-HILL

Phyllis Jean Hill of West Adrian and Calvin C. Pawson, son of Mr. and Mrs. Ernest Pawson of Tipton, were united in marriage at the West Adrian Congregational church at 3 p.m., Sunday, the Rev. B. O. Bashore officiating. A reception was held later in the home of the bride.

SHE WANTS TO FIGHT . . . No one can call Lise Merville names and get away with it. She recently won a bloodless duel over Parisian dramatic critic whom she had challenged to a pistol duel.

Bible School Opens June 9

FIVE CHURCHES COOPERATE IN VACATION PROGRAM FOR CHILDREN 4 TO 14

Five Tecumseh churches are again cooperating this year in a Daily Vacation Bible School program which will begin on June 9 and continue through June 20. The school will meet in the high school gymnasium five days each week, Monday through Friday, from 8 a.m. until 11:30. The Rev. Blair O. Bashore, pastor of the Baptist church, is the dean, and other churches cooperating are the Friends, St. Peter's Episcopal, Methodist and Presbyterian.

This year's program will be based on a study of the life of Christ entitled, "Tales from the Galilean Hills." The sessions will include a chapel service, a Bible study period, a music period, hand work, play period, and Bible story time with pictures on the screen.

Children at the school will be in charge of competent leaders from the several cooperating churches, the Rev. Mr. Bashore pointed out. In place of a registration fee the churches feel that the children will have a greater participation in the school by bringing a small offering each day. Such a procedure also is highly educational, it was said.

The school will close on the evening of June 20 with a demonstration in the high school at 7:30 o'clock. Parents and friends of the school's students are urged to attend this program.

"Last year's school in Tecumseh was very successful, about 180 children attending regularly," Mr. Bashore declared. "This year," he said, "we hope that the attendance will near the 300 mark. We are confident that it will because we believe that more parents are now familiar with the program."

Letters announcing the program to parents of children were to be sent out through the schools this week.

BRITTON HOME DAMAGED EXTENSIVELY BY FIRE

The Robert Stewart residence at Britton was damaged extensively by fire at 2 p.m., Thursday. The fire started in the basement and was discovered when the flames started shooting through the registers. The Britton fire department was called and brought the flames under control. Much damage was done by water and smoke and the curtains and some clothing were burned. All the furniture but the piano was removed.

The loss is fully covered by insurance.

HAND SEVERELY HURT

Word has been received that Stanley Swain, a former resident of Tecumseh, who owns and operates a sash and door business in Santa Cruz, Calif., suffered a painful and serious injury to his left hand on a high power saw. It was necessary to amputate the index finger of the left hand. It is hoped to save the middle finger which was badly injured. Mr. Swain had just returned from Michigan, where he was called by the death of his mother.

D. A. R. PICNIC

The D. A. R. picnic to have been held June 13 at the home of Mrs. Lucy Terry has been postponed to a later date.

Local Dog Law Is Given Teeth

COUNCIL ENACTS CODE GIVING POLICE POWER BACKED BY $100 FINE, OR JAIL

Mayor John C. Truesdale's warning to dog owners to the effect that canines must be kept on owner's propery and not permitted to run at large, was given the strength of law when the village council, in session Monday evening, enacted an ordinance making violations punishable by a fine of not more than $100 or imprisonment of not more than 90 days, or both, in the discretion of the court.

The new ordinance provides that dogs found running at large may be siezed by police and impounded. Return to the owner within 72 hours calls for payment of a fee of $2 plus a board bill of 50 cents a day. After the 72-hour period, dogs unclaimed may be disposed of in the usual manner.

Police say that owners are not cooperating too well with them in the enforcement of the new dog law and a warning was issued to the effect that enforcement will be rigid. Officer Carl Stevens was bitten by a dog this week, when he attempted to capture the animal. Police warned that unlicensed dogs found running at large may be shot on sight. They also pointed out that a license does not permit a dog to run at will.

The council held a rather lengthy session Monday evening, canvassing plans for many needs for corporate expansion, including the laying of water and sewer mains and curb and gutter. Definite action on the program was delayed, however.

It was decided to resurface several streets with asphalt and gravel, picking up the program where it was left off in 1944. The expense of this project, which will begin in July, is over $9,000.

Pipe for the standards for the new street signs, purchased by the Rotary Club, is beginning to arrive and some of the signs may be installed within a few weeks. Erection of all of the signs will be dependent upon the arrival of the standards.

The council voted $100 toward the cost of operating a summer playground for children at Recreation Center. Lester Rogers and William Hanna were named to the board of review. R. K. Anderson was named to the Tecumseh Hospital board to succeed himself. His appointment is for five years.

Current bills were audited and ordered paid, and the reports of the several department heads and committees were read and placed on file.

Tecumseh Student Wins Honor From Red Cross

Miss Donna Mae Adams, a junior in Tecumseh high school, was chosen as a delegate to the national convention of the American Red Cross to be held in Cleveland, June 9 to 12.

The Junior Red Cross home nursing class, under the direction of Mrs. O. W. Laidlaw and assisted by Miss Alice Sherm... completed the course and 31 girls will receive Red Cross home nursing certificates. The class, which met daily in the high school, was composed of junior and senior grade girls, and they will receive regular school credit for the work.

Tecumseh is the only school in Lenawee county to have taken advantage of this course, which is sponsored by the American Red Cross.

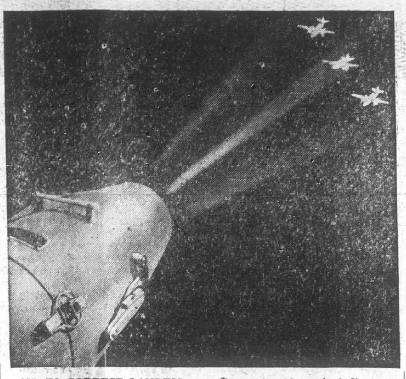
UNION TO MEET

The Ladies Union of the Baptist church will meet Thursday, June 12, at 1 p.m., with Mrs. Leon Van Valkenburg for a picnic lunch. Mrs. William Berkhof will give a book review.



AID TO CORRECT LANDING . . . Two approach angle indicators like this one will be used in the all-weather approach light system to train pilots in correct landing procedures. The pilot in the middle plane is coming in at correct rate of descent and would see a green light. The light would appear as red to the lower plane, which is too low. Installed near the head of the runway, approach angle indicators will be used only in relatively clear weather. They are expected to accustom pilots to correct landings and help make foggy weather operations routine. This device will eliminate many of the landing accidents that have occurred during the past few years. The army and navy have approved of the indicator.

Jones In San Francisco For Rotary Convention

Wade L. Jones, president of the Tecumseh Rotary Club, left Monday evening for San Francisco where he will attend the International Convention of Rotary, beginning tomorrow. Fay Whelan, a member of the club, also will be a delegate to the convention. Mr. Whelan and his family left Sunday by car for California.

At Tuesday's meeting of the club following dinner at Brees House, William Bruce was the speaker. Mr. Bruce told about the annual 500-mile motor classic at Indianapolis, which he has attended regularly for 20 years. His talk was very interesting.

Miss Marilyn Jean Meyer Weds Arthur R. Baaske

Miss Marilyn Jean Meyer, daughter of Mr. and Mrs. Fred Meyer of Manchester, and Arthur R. Baaske, son of Mr. and Mrs. Otto Baaske of Tecumseh were united in marriage Saturday at 7:30 p.m., in the home of the bride's parents in Manchester. The double ring ceremony was read by the Rev. W. Weinlander of North Blissfield, in the living room which was decorated with candelabra and arrangements of tulips and narcissi.

The bride's gown which was made of nylon Chinese silk from a parachute of the bridegroom's was fashioned with a sweetheart neckline and tapered sleeves. She wore a fingertip veil of illusion and carried a bouquet of white roses and lilies of the valley. Miss June Olson of Alpena, the maid of honor, wore a gown of green silk and carried a bouquet of yellow carnations. Louis Schneider, Jr., of Tecumseh, was best man.

The bride's mother was dressed in a gray print, with white accessories. The bridegroom's mother wore a green and white jersey dress with white accessories. Both wore corsages of red roses.

At the reception a buffet lunch was served to seventy-five guests. A five-tiered cake centered the bridal table. Guests were present from Alpena, Lansing, Toledo, Ann Arbor, Jackson, Britton, Clinton, Wamplers Lake, North Blissfield, Tecumseh and Manchester.

After a trip through the eastern states the couple will make their home in Tecumseh. Mrs. Baaske graduated from Manchester high school in 1944 and Mr. Baaske graduated from Tecumseh high school in 1940 and spent three years in the Marine Corp. He is now employed at Tecumseh Products.

DIES IN WINCHESTER

J. R. Abner, 87, father of G. A. Abner of Britton, died Saturday at his home in Winchester, Ky. Mr. Abner visited here about three years ago. Surviving besides the son are three grandchildren, Forest Abner and Mrs. Geo. Meads of Tecumseh and John Abner of Blissfield. The son and Mr. and Mrs. John Abner were with him at the time of death, and remained for the funeral, returning home yesterday.

GUILD TO MEET

The Florence Weld Mission Guild will meet with Mrs. Winifred Bates, Monday, June 9, at 7:30 p.m.

TOWN HALL COUNCIL NAMES NEW OFFICERS

At a meeting of the Town Hall Council, held Tuesday evening in the public library, Earl L. Wickwire was elected president, succeeding Mrs. Truman Rentschler. Mrs. Robert Ries was named as vice-president and Wiley McCann was chosen secretary-treasurer.

Mrs. Rentschler presided at the meeting and expressed appreciation for the excellent cooperation she received from officers and groups during the past year.

A meeting of the executive council will be held during the summer to plan for the Town Hall series, which will begin in November. In all probability, six meetings will be held during the winter months.

Exchange Club Sponsors Model Airplane Club

The Tecumseh Exchange Club will sponsor a Model Airplane Club in Tecumseh, its members to compete in a five-county meet at Willow Run Airport on June 21-22, it was announced at the club's dinner meeting at Brees House, Monday evening. Al Musch, Max Brandt and Earl Updike were named as the committee in charge of the program.

Mr. Musch said today that the club is open to boys of all ages and that a meeting of interested youngsters will be held on Sunday afternoon at 2:30 in the parish house of St. Peter's Episcopal church. Entry blaaks may be obtained at the meeting or from any of the committee members.

The ladies who attended the district meeting of farm bureau women in Adrian recently, gave interesting reports. Leland Bush and Carl Hintz led a discussion of the work and plans for the eradication of Bangs disease in the state and county. The manufacture of farm bureau supplies was touched upon and will be discussed further. Refreshments were served and a social time enjoyed.

Adrian Girl Is Bride of Robert N. Lowe, Jr.

Olga Gorecki of Adrian and Robert N. Lowe Jr., of Tecumseh, were united in marriage Wednesday, May 28, at 11 a. m., at the Methodist parsonage in Adrian, with Rev. Norman MacNaughton officiating. They were attended by Miss Helen Warpel of Detroit, sister of the bride and John A. Woodward of Adrian.

After luncheon at the Family Inn the bridal couple left for New York City and points east. On their return they will reside in Jackson, Michigan. Mr. Lowe is an engineer with the Commonwealth and Southern Corporation.

June 24 Last Day For School Board Petitions

June 24 will be the last day for the filing of petitions declaring nominations for the board of education in Tecumseh, under the Michigan law. Electors, at last years annual meeting, placed Tecumseh school district under the Michigan code which requires that persons desirous of election to the board of trustees file nominating petitions not more than 30 days or less than 20 days prior to the annual meeting day, which is the second Monday in July, or July 14, 1947.

Persons desiring to place their names in nomination must file with the board's secretary, petitions bearing at least 50 signatures of qualified school electors.

In Tecumseh, the terms of Jens Touborg, president of the board, and Earl Lindsley, treasurer, expire with the coming election.

504 Are Killed Over Week End

LENAWEE ESCAPES MEMORIAL DAY WEEK-END WITH ONLY ONE TRAFFIC DEATH

The Memorial Day week-end cost 504 lives in accidents throughout the nation but Lenawee county escaped with only one traffic fatality. Several accidents were reported to state police and sheriffs but injuries in these were not serious.

The fatality occurred at 7:45 Monday morning at the County Line Road crossing of the Wabash railroad, two and a half miles northeast of Britton and took the life of Robert Harbin, 17, Ann Arbor. Erwin Larmee, 47, of Ann Arbor and Frederick Scheffler, 9, of Ypsilanti, were injured.

Young Harbin died about 10 o'clock Monday in the hospital here of head injuries. The other two in the accident were treated at the hospital but their condition was not considered serious.

Larmee is believed to have been driving the truck which was struck by the Wabash passenger train, Detroit-bound.

Nationwide, 228 persons were killed in traffic accidents and 62 persons were drowned.

The traffic death total was far ahead of the 164 for the four day week-end over Memorial Day a year ago, but it was well under the 275 predicted by the National Safety Council.

Miss Esther Mobley Bride of W. J. Walker

Miss Esther Mobley, daughter of Mrs Carlo Mobley of Tecumseh, and William James Walker, son of Mr. and Mrs. Walter Walker of Ontario, were united in marriage at the home of her brother, Mr. and Mrs. Mitchell Mobley of Manchester, Saturday afternoon at 3 o'clock. Rev. William Spencer, pastor of the Bethel Pentecostal church in Toledo, performed the single ring ceremony.

The bride wore a light blue crepe street-length dress and a corsage of pink roses. Her attendant, Mrs. Hubert Mobley, wore a gray street-length dress and a corsage of pink roses. The best man was Hubert Mobley.

The bride's mother wore a blue crepe dress and the bridegroom's mother wore a gray crepe dress. Both wore corsages of yellow roses.

Following the ceremony a reception was held in the home. The table was centered with a three-tiered wedding cake. Mrs. L. Phillips, Mrs. Emily Day and Mrs. Mitchell Mobley assisted with the serving.

Mrs. Walker is employed at the Michigan Associated Telephone Company in Tecumseh. Mr. Walker is employed at Tecumseh Products. He served in the Canadian Army during World War II.

DAUGHTERS MEET

The Daughters of St. Peter met at the home of Mrs. Lester Rogers Tuesday evening with Mrs. Allan Ramsay as assistant hostess. Mrs. Rogers was in charge of the program and after the business meeting Mr. Rogers gave an interesting talk on roses. Refreshments were served by the hostesses and a social time enjoyed.

A picnic supper will be held at the home of Miss Anna Hardenburg June 17.

HONORED AT SHOWER

Miss Barbara Bater, bride-elect of June 6th, was honored by a miscellaneous shower Thursday evening at the home of Mrs. George Kempf with Mrs. Robert Purkey assisting. Games were played and refreshments served by the hostesses.

Diplomas Ready For 63 Seniors

WILL BE PRESENTED AT COMMENCEMENT HERE THIS EVENING

The 63 graduates of Tecumseh high school will receive their diplomas at the annual commencement exercises to be held at 8 o'clock this evening in the school auditorium. Five of the members of the class are veterans, who have since the war's end, completed their course of study.

The Rev. J. B. Rosemurg, D. D., pastor of the First Methodist church of Akron, Ohio, will be the speaker. James Sisson is the valedictorian and Wilfred Waldron the salitatorian.

The Class Night program was presented at the school on Wednesday evening with the cane ceremony and the president's address by William Hayden highlighting the exercises. This event drew a capacity audience.

The baccalaureate service was held on Sunday evening in the Presbyterian church, the Rev. Alvin Brazee delivering the message and using as his subject, "What Is Your Life?" The church was filled with parents, relatives, and friends of the graduates.

The ceremonies in connection with graduation will be brought to a close Friday evening with a banquet in the high school gymnasium. Jon Young, former teacher here and now with the public schools in Lansing, will be the principal speaker. The reception preceding the banquet will begin at 5:30 and the evening's program will be concluded with dancing.

W. L. Berkhof, superintendent of schools, said that all examinations were finished on Wednesday, and that the annual teachers' conference will be held today. Credits will be issued to undergraduates on Friday. Many of the classes will hold picnics at nearby lakes on Friday if the weather permits, Mr. Berkhof said.

Tecumseh Pays Tribute To Dead Of All Wars

Tecumseh paid a fitting tribute to its war dead here on Memorial Day with a parade through the business district and a program in Brookside Cemetery. Al Rush, dean of Adrian College, was the speaker.

Again this year, Louis Schneider, World War I veteran, was the officer of the day, and the parade moved promptly at 10 a.m., and was larger even than a year ago. This fact was due to the return of many World War II veterans who participated in the exercises. At the cemetery, wreaths were placed on the several lots, and on Evans creek, in memory of departed sailors. An airplane flew over head and dropped flowers as the program progressed.

Stores and other business places were closed for the holiday, but the customary rush to nearby lakes was reduced, due to the cold weather.

Field Day And Picnic Planned By St. Peter's

On Saturday, June 7, beginning at 11 a. m., St. Peter's Episcopal Sunday school will hold a field day and picnic lunch at the Recreation field. Children will participate in races, games, and contests under the direction of M. L. Dannells, Jr.

At the 11:15 service on Sunday, June 8 the children will have their closing exercises and receive attendance awards. Parents and friends of the children are to be present for the "Family Service."

NEW LEGION OFFICERS WILL BE INSTALLED

The 40 and 8 society of Lenawee County will install the new officers of the Tecumseh American Legion Thursday evening. They are as follows: Commander, Clair Dickinson; 1st vice commander, M. L. Dannells, Jr.; 2nd vice commander, Roy French; adjutant, Austin Gibbs Barber; chaplain, Lane Holden; secretary, Frank Barritt; Sergeant at Arms, Elmer Burleson child welfare, Louis Schneider.

FORMER BRITTON RESIDENT BURIED AT RIDGEWAY

Morris D. Britton, 79 years old, passed away May 27. He was the son of John and Sarah Britton and was born in Britton, Michigan, April 16, 1868. On August 10, 1892, he was united in marriage to Anna G. Smith of Macon, who survives him. He is also survived by one sister, Mrs. Carrie B. Bachman of Ridgeway. Funeral services were conducted at his home in Detroit on May 29, with the Rev. O. E. Priest officiating. Burial was in the family lot at Ridgeway cemetery.

IT TAKES COOPERATION

Russell Porter, in an article recently in the New York Times, observes that "the business community agrees with Mr. Truman that prices, in general, are too high and should be brought down to avoid runaway inflation and prevent economic collapse. However, it cannot be solved without the cooperation of labor and the government."

It would be ridiculous to assume that representative American business favors an economy of high prices. Our industrial machine depends on mass production and mass consumption, and nothing could be more ruinous than to have millions of buyers priced out of the market. A number of manufacturers have reduced prices lately. On the retail level, the most intense effort is being given to controlling prices and to passing on to the consumer any economics that can be effected. The American merchant, whether he operates a big chain or a corner grocery is in intimate touch with consumer problems, and he thoroughly understands the gravity of the situation.

Important as these efforts to solve the price problem are, they are doomed to failure unless government and labor take steps to put their houses in order. The volume of government spending is, in itself, a major influence in favor of inflation. And so, to an ever increasing degree, is labor's demands for ever higher wages at a time when production per man-hour is well below the normal in many basic industries.

So far we seem to have looked to business alone to lower prices. This is seeking the impossible. Unless the other two dominant influences on our economic life—government and labor—cooperate to the limit, the disastrous inflationary spiral will continue its course.

From where I sit ... *by* Joe Marsh

How to Go to Sleep

We were sitting around Bill Webster's parlor Friday evening and the talk turned to the best way of overcoming sleeplessness...like breathing real slow and deep, imagining that you weigh a ton, or simply throwing away the pillow.

The consensus favored counting sheep. But right away was the question: what *kind* of sheep? There were some votes for countin' Merinos, Shropshires, Oxfords and Dorsets. Ed Mapes said he had best luck counting crossbreeds.

Finally, Bert Childers spoke up with his formula: A light snack and a mellow glass of beer at bedtime. Sort of puts you in the mood for quiet thoughts and peace of mind. Lets you relax . . , and "ho hum," off to pleasant dreams!

From where I sit, there's nothing like a temperate glass of beer to smooth away the creases of the day, relax a body, and pave the way for a good night's sleep. Try it, and see if I'm not right.

Thin The Vegetable Garden Row

—Photo Courtesy Ferry-Morse Seed Co.

It is next to impossible to sow vegetable seed thinly enough so that the young plants do not crowd each other in the row when they come up. This is particularly true when the seeds are very small.

Carrot seedlings, for example, should be thinned to stand about an inch apart when two to three inches tall. Otherwise the roots cannot develop as they should. Radishes are of better shape, too, if the plants are thinned to stand about an inch apart while still tiny seedlings. Green onions can be thinned by pulling and using the extra spears for the table when they come up too thickly.

Beet seed should be planted at least 1½ to 2 inches apart for each little pellet usually contains two to four seeds. When the plants are four to five inches tall, every other one can be pulled for greens. If this is done at intervals while tops and roots are small, space will gradually be left for some of the roots to reach good size.

Sowing leaf lettuce seed sparsely helps to avoid the extra work of later thinning. Even when the stand is fairly thick, instead of thinning the plants some home gardeners prefer to cut the larger outer leaves, leaving the inner ones to grow. If you like to use each lettuce plant intact, thin to about two inches apart when small. Then, as they become large enough to use, pull up alternate plants and leave the others to grow.

Bush beans should be planted two to four inches apart and just enough seedlings removed from the row so that the remaining ones are four to five inches apart. Beans usually produce more abundantly when the plants do not crowd each other.

Turnips usually do better and grow more rapidly to table size if given three or four inches in which to spread. It is important that turnips grow to eating size quickly to avoid being tough and fibrous. Of course the thinnings make delicious greens when young and tender.

HOLLOWAY

Bishop-Williams

In an impressive ceremony performed in St. Mary's church in East Ham, London, England, May 22, Miss Frances Gladys Williams became the bride of Harry G. Bishop, son of Herbert Bishop of near Holloway. Miss Williams is the daughter of Mr. and Mrs. Alfred Williams of East Ham, London. The bride wore a white crepe dress made with a long train and the veil she wore belonged to her grandmother. She carried a bouquet of scarlet carnations. The couple returned to America on May 27, sailing from South Hampton to Halifax.

Mrs. Bishop met her husband overseas while she was in service as a WRNS and Mr. Bishop was with the Armed Forces. She tells of her parents being bombed out of their home twice and part of the house was badly damaged a third time. The food and clothing problem are very bad in London and she says that cigarettes are especially high in cost. As wages go, she thinks that the Americans are much higher paid than in England and that it will take her some time to get used to the money value here. She tells that they are reconstructing the homes and factories as fast as material is available but that things are in bad shape. They are allowed 32 coupons for clothing and that must last about eight months. One pair of hosiery takes three coupons, and four handkerchiefs for one coupon. She is going to like it here, she says. The Bishops live on a farm near Holloway.

Hawley-Brosamer

An attractive spring wedding was performed Tuesday morning in the St. Alphonus church at Deerfield when Miss Mary Brosamer, daughter of Mr. Joseph Brosamer of Britton became the bride of Max Hawley, son of Mrs. Jessie Hawley of Adrian. The Rev. Father Kerby officiated at the double ring ceremony. The altar was decorated with large baskets of tulips and lilacs and Ave Maria was sung during the wedding.

The bride, given in marriage by her father, was lovely in a dress of net over satin with long sleeves extending to points over the hands and a long train. Her fingertip veil was of tulle edged in lace which fell from a beaded crown. She wore as her only jewelry a string of pearls and carried a bouquet of white daffodils and white lilacs.

Mrs. Glenn Forsyth, only sister of the bride was the matron of honor. Her gown was of light blue satin with short sleeves. She carried red tulips and white daffodils. Mrs. Raymond Brosamer, the only bridesmaid, chose a green net dress and carried yellow tulips and white daffodils. Both wore string of pearls, gifts of the bride. Mr. Donald Brosamer was best man and Bernard and Roy Brosamer were ushers. Mrs. Hawley, mother of the bridegroom, wore a white dress with blue dots and a corsage of pink carnations.

A wedding breakfast was served to 30 persons of the immediate family. A reception followed in the afternoon and evening. The table was covered with a lace cloth and a three-tiered wedding cake topped by the traditional bride and groom centered the table. About 200 relatives and friends attended the reception from California, Hillsdale, Indiana, Ann Arbor, Jackson, Clinton, Adrian, Deerfield, Hudson, Britton, Tecumseh and Holloway. For her going away outfit the bride wore a black outfit with white accessories.

Mrs. Hawley is a graduate of Blissfield high school. The bridegroom served in the Armed Forces and is now employed in Adrian. After their trip in the northern part of Michigan, they will make their home in Birdsall where they have purchased a home.

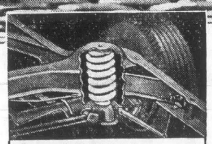
Put yourself on EASY Street

White sidewall tires, as illustrated, will be supplied at extra cost as soon as available.



THESE DO IT — four big-but-gentle coil springs permit each wheel to "step over" bumps as it reaches them. It is this independent *action of* each wheel *that gives Buick its matchless buoyancy on any and all roads.*

SKIP styling for a moment—it's pretty well admitted by now that Buick has called the turn on the shape of cars to come.

And for the present, slide over performance — with that big bonnetful of Fireball power, nobody's going to challenge you much on the open road.

What else has the trim Buick got that others can't quite come up to?

You find one big answer where the cobbles are plentiful, the car tracks tangled, the bumps big.

This brawny traveler has a *ride* — a smooth, level, easy stride that makes you think of a canoe drifting in quiet waters.

One reason: It was Buick that first introduced the American public to soft, gentle *coil* springing on all four wheels.

It was Buick that first made it possible for *each wheel* to step over bumps as they came along, leaving the frame and body to pursue their level way undisturbed.

Buick's coil springs keep their gentle softness always. They need no greasing or attention. They are unaffected by dirt, wear or the weather, and breakage is practically unheard of.

The net of it all is that you put yourself on Easy Street when you seat yourself in a Buick. You make every road a better road — every ride an adventure in smooth and buoyant comfort.

Why not drop in and learn more? Whether you have a car to trade or want to talk on a "clean deal" basis, you'll always find a warm welcome here.

The July meeting, which will be an old-fashioned box social will be at the home of Mr. and Mrs. Paul Anders.

HOST AT DINNER

F. C. Hanna was host to the Bowling team which he sponsored at a chicken dinner at the Family Inn, recently. The team placed first in the Women's League with a record of 76 games won and 24 lost. Members of the team were Edyth Louden, Hazel Creger, Marilyn Sartorius, Maxine Eggleston, and Lenore Coates, captain.

Hoarders Beat Cigarette Tax

PACKAGE OF WEEDS IN ENGLAND, HOWEVER, NOW COST 67 CENTS

Michigan cigarette smokers are already beginning to hoard packages of fags before the new state tax goes into effect. One consolation for whatever it is worth: A package of the weeds sells for 67 cents in England. British are taxing luxuries heavily. Twelve percent of their budget goes for national defense, compared to 6.5 per cent in this country.

There may be a hidden blessing in the late delivery of state bonus checks. Michigan veterans of World War II total 636,000, and the current rate of processing bonus applications is less than 1,500 a day. Federal economists insist that a dollar will be worth 10 to 20 per cent MORE a year from now, as prices decline and consumers get more their money's worth.

If a doctor is occasionally hard to find, remember that 55 per cent of all licensed physicians are specialists, so the University of Michigan post-graduate conference on medical education was told the other day.

Since Michigan state troopers no longer mount steeds or straddle motorcycles, Commissioner Donald Leonard has ordered the following new summer uniforms: Gray slacks, light blue shirt, black Sam Brown belt, and light gray summer helmet. . . . Did you know that Pennsylvania has four times as many state troopers as Michigan? Or that the average daily working force in Michigan is 294 men, spread over 45 posts in 83 counties? With urban crime up 7.4 per cent and rural crime up 14.1 per cent, Leonard has made a good case why Michigan needs more state troopers.

Fire insurance rates are due to be increased soon. Michigan fire losses have mounted sharply since 1940.

If your neighbor's hen cackles loudly and the rooster crows early and often, this may be why. The average American ate 298 eggs last year. War-time rate was 392.

This is personal, but it may tell why public opinion surveys consistently show that most Americans favor legislative restrictions against labor monopoly. We invited a roofer in Lansing to estimate the cost of putting a metal roof over a breakfast room. His oral bid was $130. When his bill arrived, the amount was $180. When we inquired, he said: "I didn't believe the men were going to loaf on the job." . . . And we are NOT going to have our six-room stucco house repainted this year. The painter's estimate: $486.

Members of the Lansing Capitol Club, comprising secretaries of 36 state organizations, are well pleased with the lobbying bill approved by the legislature. Recommendations of the club were incorporated into the final measure. Legislative agents must register wih the secretary of state and must maintain financial records for six years.

Despite all the hub-dub at Lansing, the state liquor monopoly system will remain unchanged. The Tripp bill to kill state stores was defeated in the house. SSD's who sell packaged liquor are doing all right as it is. They sold 61.94 per cent of the liquor purchased in Michigan last year; an increase of 19 per cent over the preceding year. Bar sales dropped in 1946 from 34 to 22 per cent. Package dealers total 18,443; bars, 2,768. Whiskey prices are due to skid. Distillers are now able to produce eight times as much as the public consumes.

"Drink milk and save!" is the 1947 theme of June Dairy Month. Health experts insist that the following is true: One quart of milk is the equivalent of calcium in three pounds of broccoli, vitamin B2 in two and threefourths pounds of round steak, protein of two pork chops, vitamin A in two eggs phosphorus in two pounds of whole fish, energy value of ten slices of bread and thiamine in four ounces of liver.

Michigan's 1947 spring has been the wettest on record. Brrrr!

LOS ANGELES RAISES PRIZE CATTLE . . . Future Farmers of America, including Dowlin Young, 16, of Fullerton, Calif., entered their steers and cows in show held at Los Angeles, the first competition of its kind held in California since Pearl Harbor and the first ever held in Los Angeles. Twenty-three southland high schools were represented in the event. Dowling is shown with his Jersey cow and calf. He had competition from 70 other members of the Future Farmers of America. Many leading agricultural leaders received their start in this organization, the Future Farmers of America. Dowlin did not win by accident—he has studied cattle breeds, feeding and management and reports that the University of California at Davis has helped him day by day.

State Warns Of Rabid Dogs

DISEASE ON INCREASE IN STATE AT RATE OF TWO CASES DAILY

With the incidence of rabies in southern Michigan increasing at the rate of two cases a day, a sixth county has established dog quarantine and a quarantined county has been granted a 90 day extension, May 23, the Michigan Department of Health announced today.

St. Joseph county was the sixth to be granted quarantine by the Department of Agriculture. Only three cases have been reported from the county to date but it is adjacent to quarantined counties which have a high incidence of the disease: Berrien, Kalamazoo, Van Buren and Cass. Quarantine is also in effect in Monroe county. Van Buren, whose quarantine would have expired June 18, was granted extension to September 15.

There are 153 reported cases of rabies in the state so far this year, with 43 of them having appeared from May 1 to 23, and 14 of them in the week, May 17 to 23. The majority of cases have been dogs, but a cow, horse, cat and pig have been infected. It appears possible that the fox population of the state may be infected. A rabid dog is reported to have bitten a fox in Monroe county, and a fox in Clinton county is reported to have been chasing human beings and large animals.

This year's incidence of rabies by counties follows: Allegan, 1; Berrien, 60; Cass, 10; Genesee, 3; Huron, 1; Jackson, 2; Kalamazoo 25; Lenawee, 1; Monroe, 4; Muskegon, 1; Shiawassee, 1; St. Joseph, 3; Van Buren, 28; Wayne, 13.

The Department of Health today repeated its warning to vaccinate all dogs, to avoid stray dogs, and to consult a physician at once if bitten by an animal. The Department said too that a dog which has bitten a person should not be killed but should be confined under the observation of a veterinarian. If, to protect humans it appears necessary to kill the dog, every effort should be made to spare the brain for laboratory examination. In other words, a dog should not be shot through the head, nor should his head be clubbed. Laboratory examination of the brain is needed to spare the lives of persons who may have been bitten by the animal, the Department said.

Men And Boys Water Victims

ONLY ONE OUT OF EVERY 10 WHO DROWN ARE GIRLS OR WOMEN

Nine out of every ten persons who drown in Michigan are men and boys, according to figures of the Bureau of Records and Statistics, Michigan Department of Health. Only 25 women and girls were among the 265 persons who drowned in Michigan in 1946. Twelve of these were girls under ten years of age.

Deaths by drowning in the state were almost equally divided between persons under 25 years of age and those over 25 years of age. Two thirds of the drownings occurred during the summer months. However, even during these "swimming months" by far the larger share of the drownings did not occur at bathing beaches, and almost as many occurred in rivers as in lakes.

Rivers took the lives of ten children under ten years of age, 47 between the ares of 10 and 25 years and 36 over 25 years, for a total of 83. Eighteen children under ten lost their lives in lakes, as did 27 persons between 10 and 25 years of age, and 42 persons over 25 years of age.

Miscellaneous drownings totaling 95 for the year occurred in such places as quarries and gravel pits (4), cisterns, well holes, bath tubs, a private canal, a dump, county ditches and ponds on the farms. These included 31 children under ten years, 25 persons from 10 to 25 years of age and 39 persons over 25 years. The greatest number of miscellaneous drownings occurred in June, July and August, in keeping with the general trend in drownings.

Because there are more miscellaneous drownings than drownings in rivers and lakes the first obvious precaution against drowning is to avoid and to cause children to avoid places where drowncautions are: Learn to swim. Don't show off. Don't swim in swift water. Don't swim alone. Don't swim after dark. Don't swim on an unguarded beach. Do not swim within two hours after eating a hearty meal. Don't dive into shallow water. Avoid the shock of diving into extremely cold water. And don't continue swimming when you are weary.

IT'S CHEAPER TO KEEP WELL!
This Is
Good Weather
For Colds

Damp, changeable weather—when its too warm for winter clothes and too cool for summer ones—is the time when colds are very popular.

If you start a cold, don't neglect it. Begin immediately with home remedies—we have many of them that give excellent results—get plenty of rest, and keep warm.

If your cold does not respond promptly to home remedies, call your physician. And when he gives you a prescription, bring it to us for careful compounding with fresh, potent drugs.

Have You Ever Planted PRE-TESTED GARDEN SEEDS?

If you have never planted pre-tested seeds in your garden, we'd like to suggest that you do so this year. Pre-tested seeds, you know, are those that have been tested by the growers and found to be speedy in growth and certain to produce an excellent harvest.

We have an excellent supply of pre-tested seeds in all of the wanted varieties. They cost no more than ordinary seeds, and we'd suggest that this year, due to the lateness of the season, you hurry up your garden by planting them.

Accident Toll Heavy In State

ONE OUT OF EVERY 15 DEATHS DUE TO SOME FORM OF MISHAP, RECORD SHOWS

Accidents took the lives of one out of every 15 persons who died in Michigan last year and were the fourth cause of death in the state, Dr. William DeKleine, Michigan Commissioner of Health pointed out today.

"Actually the greatest threat of accidental death lies in familiar things, your own home and automobile, or the automobile of your friends," Dr. DeKleine said.

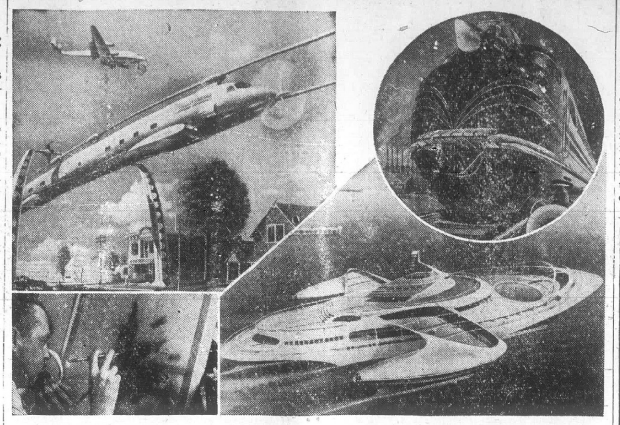
Motor vehicle accidents and accidents in the home took more than three times the lives taken by occupational accidents and accidents in public places or public conveyances other than motor vehicles.

Motor vehicle accidents took 1,451 lives, home accidents, 1,385; public accidents (other than motor vehicle), 657; and occupational accidents, 217; according to provisional figures of the Bureau of Records and Statistics, Michigan Department of Health. Among the motor vehicle deaths were 503 pedestrians and 33 bicycle riders hit by cars; 537 persons killed in collisions with other motor vehicles; 144, in collision with fixed objects; and 121, in non-collision accidents.

Of the home accidents, falls caused 825 fatalities; fires, burns and explosions, 253; suffocation, 109; with firearms, gas and poisons causing most of the remainder. Of the occupational deaths, manufacturing caused 53; and public utilities, 23; construction, 21; with mining and other industrial trades and clerical and professional services accounting for the remainder.

Drowning took 272 of the lives lost in public places or conveyances; falls in buildings or outside, 127; railroads, 54; air transportation, 49; firearms, 33; fires, burns and explosions, 19; with a number of varied causes accounting for the remainder.

"Accidents do not just happen; they are caused. A survey of the possible hazards in your own home, business and recreation is one of the best ways of preventing accidental loss of life," Dr. DeKleine said.



THE WORLD OF TOMORROW . . . Futuristic designer of transportation, Arthur Radebaugh of Detroit's New Center studios has his own idea of what transportation will become in the years to come. His ideas are shown in drawings depicting air, water and land transportation of the future. Radebaugh has worked for air lines, automobile companies and railroads—is admitted to be ahead of 1948 models in all three fields.

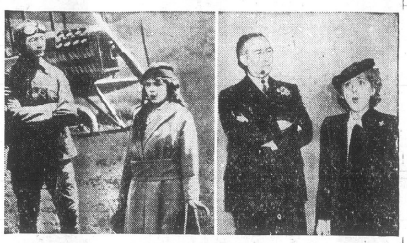
7-INCH RAINFALL DELAYS PLANTING

The seven-inch fall of rain during the month of May and the half-inch which fell in June thus far has greatly delayed the planting season on local farms, but agriculturists are not too discouraged. One farmer recalled this week that four years ago rain delayed corn planting until June . "I had a bumper crop," he declared.

LOCALS AND PERSONALS

Decoration day guests of Mrs. Charles Lister were Mrs. R. A. Wagner of Cleveland, Mr. and Mrs. William Spreeman, Mr. and Mrs. Leon Beasley of Monroe, Mr. and Mrs. Jack Schmidt of Dundee, Mr. and Mrs. Charles Dandson and son of Detroit, Mr. and Mrs. Leonard Beasley and Mr. and Mrs. Bob Beasley and son of Northville.

Bernard J. Murphy and Dolores M. Higgins of Independence, Iowa and Alfred T. Warnke and Beulah M. Martin, also of Independence, were married by Rev. B. O. Bashore in the Baptist parsonage, Friday, May 30. The couples were members of the Baptist church in Independence where the Rev. Mr. Bashore was the pastor before coming here.



AFTER 32 YEARS THEY MEET AGAIN . . . The world knows Glenn L. Martin, industrialist and plane builder, and Mary Pickford, movie producer. At left is a still taken from "The Girl of Yesterday," vintage 1915. Martin, left, is the villain, Mary Pickford, the girl with the curls. At right Glenn Martin and Mary Pickford re-enact the scene, just for old-time's sake. Some of the oldsters will remember Martin as a daredevil barnstorming pilot.

Mrs. Martha Vreeland of Detroit is visiting Mrs. Anna Morse and other friends. Mrs. Vreeland's husband was the Baptist minister here many years ago.

Miss Marjorie Wickwire is home from Siena Heights College for the summer vacation.

George Kimie, Fred Snyder, Henry Jermcay and Mrs. Delia Jermcay, all of Adrian, called Sunday on Carl Burch, who is confined to his bed. Evening callers were Mr. and Mrs. Roy Allhouse of Onsted and Mrs. Dollie Spaulding of Adrian.

Commencement Activities

Commencement week activities began Sunday evening with Baccalaureate services in the school auditorium. The sermon was given by Rev. C. E. Foltz. Class night was held Tuesday evening at the school. This (Thursday) evening 24 seniors will be presented with diplomas by T. B. Nilsen, president of the board of education. Dorothy Neblo will give the valedictory address and Royal Odell the salutatory address.

Memorial Day Observed

Memorial Day services were held Friday under the joint direction of the Veterans of Foreign Wars and the American Legion. Mrs. Mary Hull and Mrs. Almina Hunt conducted the first service at Monument Park and the honor roll on West Michigan Avenue. At the grave of the unknown soldier, Harry N. Barnard, program chairman, introduced Rev. Rial E. Simons of Flat Rock as the guest speaker. The fourth graders recited several selections and the closing prayer was given by Frank Allen, chaplain.

Miss Jean Randall was honored Thursday evening at a bridal shower in the home of Miss Joyce Hindes. The refreshment table was centered with tulips and gifts were concealed under a pink crepe paper parasol. Towels were hemmed and presented to Miss Randall.

The Band Mothers Club met Monday evening at the school house.

The annual meeting of the Child Study Club was held Tuesday evening at the Race Track Inn.

Mrs. Louisa Larzelere and her daughter, Helen of Jackson, attended the graduation of Keith Larzelere at the Burnham high school in Sylvania, Ohio, Wednesday evening.

Mrs. Louise Carpenter of East Lansing spent the week end with her mother, Mrs. Virginia Halladay. Hal Flynn of Flint was a guest in the same home.

Mrs. W. D. Moats, Vivian Moats and John Hewlett arrived from Columbia, Mo., Wednesday evening.

Visitors in the Miss Jennie Davis home Friday were Mrs. Rena Everett of Jackson and Mrs. John Miller of Goodells.

Miss Vivian Moats, daughter of Mr. and Mrs. W. D. Moats was one of 20 in the junior class of 1200 at Stephen's Women's College at Columbia, Mo., that received honorable mention for outstanding scholastic attainments. Miss Moats has been appointed house manager at Tower Residence Hall.

Miss Roberta Hornsby presented a second spring recital Sunday afternoon at the Congregational church. Her 23 pupils took part in the program.

C. L. Kimball returned Sunday from Williamsville, N. Y., after spending the week end with his daughter, Mrs. James Wilson and family, there.

Mrs. J. R. Foreman entertained 16 guests Friday from Homer, Ill., Adrian, Detroit, Morenci, Toledo and Clinton.

Mr. and Mrs. T. H. Feldkamp of Royal Oak, who have been visiting relatievs here, left Friday for an indefinite stay in California.

Care Needed to Keep Piano In Good Condition

According to the National Piano Manufacturers association, many so-called defects that develop in pianos are due to neglect. In a recently published booklet, the association tells how a piano should be cared for.

First, make sure your piano is tuned by a good service man each year. Keep moths from getting into the felt by placing a champhor bag inside the case, or have the tuner spray the felt every two or three years with a moth-resistant product. Keep a piano away from any heating unit, and from the direct rays of sun. Keep furniture polish or oils, which discolor ivory, away from the keys. Clean them only with soap on a very slightly damp cloth.

All fine woods need occasional sudsings to remove accumulated layers of wax and polish that after a time give a greyish look. Your piano, too, should have this excess polish removed when it begins to lose its bright look. Clean a small portion at a time, using a soapy cloth well wrung out, followed by a damp rinsing cloth; and wipe dry before going on to the next spot. Allow to dry well before re-applying polish.

Gravy Stains

Major rule for removing any stain is to start while it is fresh—before it dries if possible — but that doesn't mean hurrying to the washtub as quickly as possible. For successful stain removal, your table linens should be "spotted" before tubbing. Sponge gravy stains with cold or lukewarm water. (Hot water sets the stain.) The best "sponge" is one made of a soft, damp cloth, covered with a layer of dry cloth. Brush lightly on the wrong side of the tablecloth or napkin, working from the outside of the stain to the center. Spots are always sponged from the underneath side so that the foreign material will not have to pass through the fabric. Any grease spot which remains will probably come out when the cloth is washed in warm, soapy water. If it resists washing, sponge it with carbon tetrachloride or some other grease solvent.

Beautiful Aztec Capital Ruined by Spanish Invaders

When the Spaniards first set eyes upon the Aztec capital of Tenochtitlan, site of Mexico City today, they found it a breathtaking spectacle with its stone palaces and temples, floating gardens, paved streets, causeways and Venice-like canals carrying passengers, food and fuel.

The historic meeting between Montezuma and Cortes in the city in 1519 was a glittering affair, with the visitors in shining armor and the Aztec chieftain and his court weighted down by gold ornaments and bejeweled clothing.

Ostensibly, the Spaniards' first descent on the Aztec stronghold in the high valley of Mexico was a peaceful one. Then came the series of events that left Spain master of Mexico for 300 years. Montezuma, quisling of his time, attempting unsuccessfully to win the submission of his people to the conquerors. When the Spaniards killed a group of worshippers and destroyed the Aztec idols in temples stained with the blood of ancient sacrificial rites, the populace rose in fury. Cortes and his shattered army were forced to flee. But the rout was temporary. The return of the Spanish forces, reinforced by additional troops and horses, arms and ships, saw a life-and-death struggle that ended in Spanish victory, with the city of Tenochtitlan in ruins, and the stones of its magnificent buildings filling the canals.

REV. HENRY V . . . To a Briton, Henry V can only mean King Henry V. To a resident of San Antonio, Tex., it can only mean the Rev. Henry V. Hug, the crusader in a cassock, who is equally adept with gun or gospel. He has become something of a legendary figure since he took over as pastor of St. Agnes Catholic church. Father Hug, who began life as a bronco-busting rancher, staged a one-man cleanup of the criminal elements on San Antonio's west side.

IN MEMORIAM

AND GOD WAS SATISFIED

(To Lester R. Waring)

How often other ways
Are but a fragile shell,
A thin veneer of glaze
Behind which sorrows dwell.

How often word and deed,
Misunderstood in part,
Conceal the devious need
Of an all giving heart.

How often the paths that wind,
And seem to lead to wrong,
Are footprints of a mind
Seeking to find a song.

For who can understand
What wisdom can impart,
What moves the open hand,
What stirs the generous heart.

If we give all on earth,
Be it of wealth or love,
Does it not swell the worth
Of what awaits above?

God spoke, He answered, "Here."
Still laboring, he died.
All giving, all sincere,
And God was satisfied.

Roger L. Waring.

Two Proposals Up To Electors

ANNUAL SCHOOL MEETING WILL BE HELD ON MONDAY, JULY 14th

Two proposals will be submitted to qualified electors at the annual school meeting, to be held on Monday, July 14, the board of education in session Tuesday evening, ruled.

The first proposal will concern the continuance of the one mill tax for the support of the public library. This tax was approved some five years ago by the voters.

The second proposal will be that the sum of $3,700 in the debt retirement fund be returned to the general fund. This sum was taken from the general fund at the time of the purchase of Recreation Center for needed improvements before cash from the sale of bonds became available. The Center is now paid for and there still remains in the retirement fund the $3,700 balance. It cannot be returned to the general fund without voter action.

Election of two trustees to the board will be done in a new manner this year, and by ballot. Voting will be during the daytime hours, and petitions, bearing 50 signatures of qualified voters, must be filed for nominees at least 20 days preceding the election. The terms of Jens Toubore, president of the board, and Earl Lindsley, treasurer, expire next month.

At the board meeting Tuesday, Supt. W. L. Berkhof was asked to obtain costs and to proceed with the redecoration of the outside of the Central, West Branch and library buildings. The board also instructed him to endeavor to obtain more classroom space for students at the beginning of the new school year in September. A survey of the heating equipment in the Central building is to be made during the summer months with possible improvements. The hum of $100 was voted for the support of the summer playground program.

Junior Baseball Play-offs To Be Held In Tecumseh

For the first time since the junior baseball program has been organized, Tecumseh American Legion Post No. 34 will be host to the District Play Offs which will be held here on July 11 and 12.

County champions from Monroe, Lenawee, Jackson and Washtenaw counties will compete. This year's tournament is being planned on a two game knockout basis and it is expected there will be many good games. Last year's champs, the Jackson team, will undoubtedly again be eligible for competition.

Teams in the second district who are competing in county play offs are Rose City (Jackson), R. Smith (Jackson), Ann Arbor, Ypsilanti, Monroe, Dundee, Tecumseh and Willow Run.

This junior baseball program is becoming a big affair and it is hoped that there will be good attendance at all games played at the Tecumseh Recreation Center. Red Wilson, former coach at Tecumseh high school is the second district baseball chairman, and it is under his supervision that the tournament will be staged.

ADRIAN RECTOR TO VISIT ST. PETER'S

On Sunday at 11:15 a.m., the Rev. Gilbert Runkel, rector of Christ Church, Adrian, will be the guest preacher at St. Peter's Episcopal church. Mr. Runkel is chairman of the Department of Young People's Work for the Diocese of Michigan. The Rev. Allan L. Ramsay, rector of St. Peter's, will conduct the services in Christ church, Adrian, at 11 a.m. and will speak on behalf of boy's work in the Diocese of Michigan having served as Diocesan director of boy's work before entering the ministry.

SCOUT FIELD DAY

A Girl Scout all-county field day will be held at the Recreation field here June 27. The program will be opened with a flag ceremony at 10 o'clock. A bag lunch at noon will be preceded by a song fest. There will be contests from 1 to 4 o'clock in the afternoon with the closing ceremony at 4 p.m.

NOTICE

Stores Will Close

JUNIOR CHAMBER OBTAINS MANY SIGNATURES, STORES TO CLOSE THURSDAYS

With the exception of drug stores, garages and gasoline stations, grocery stores and meat markets and beer gardens, it was announced today that stores in Tecumseh generally would be closed all day on Thursdays for the remainder of June, and in July and August. The first closing will be today.

Two of Tecumseh's three drug stores announced that they would close on alternate Thursday afternoons during the period, and the third will remain open for business as usual.

Announcement of the closing plan was made by Robert French, president of the Junior Chamber of Commerce, which organization sponsored the movement. Some stores not now closing their doors are considering the possibility of doing so on Thursdays at a later date, Mr. French said.

FLOWER MISSION DAY OBSERVED BY W.C.T.U.

The W. C. T. U. met Tuesday afternoon with Mrs. Alta Boyce. Flower mission day in memory of Jennie Gasseday, originator of the flower mission at the W. C. T. U. convention in 1882, was observed. The bouquets were taken to Tecumseh hospital and the Parrott Nursing Home later. Mrs. John Brown presided at the business meeting and an offering was taken for the servicemen's cookies jar. Mrs. Bertha Roberts, who was in charge of the program, read the Scripture lesson and Mrs. Alta Boyce and Mrs. John Brown led in prayer. Readings were given by Mrs. Margaret Kidman. Mrs. John Brown and Mrs. Alta Boyce.

The July meeting will be held at Adams Park with a picnic lunch. Mr. and Mrs. Fred Sheldon are the sponsors.

CLASS REUNION

The annual reunion of the Tecumseh high school class of 1922 was held at Wamplers lake Saturday and Sunday at the Ousterhout cottage with 11 guests present. Nine were members of the class. Saturday evening a potluck supper was enjoyed at the cottage and dinner was served at the Farm in Onsted. Sunday. Out of town guests included Alton MacIntire of Detroit. Mr. and Mrs. Marion Aldedyce of Milan and Mr. and Mrs. Miles Swick of Macon.

QUARTETS MEET

The Tecumseh Chapter No. 18 SPEESQSA, met Tuesday evening in the dining room of the Hotel Chief. Representatives were here from Milan. The program featured quartet and group singing and a lunch.

PICNIC AT LAKE

The Merrie Maids Class of the Methodist Sunday school enjoyed a picnic at Wamplers lake Sunday. Following the potluck dinner the afternoon was spent swimming. Mrs. Clarence Beach and Mrs. Kenton Hunt, the teachers, accompanied them.

Alumni Banquet Attended By 312

NEW OFFICERS CHOSEN AT BUSINESS MEETING; JON YOUNG IS SPEAKER

The annual Tecumseh high school banquet was held Friday evening in the school's gymnasium with 312 guests present. The reception commenced at 5:30 p. m. with a grand march during which Mrs. Betty Green Miller played at the piano.

After the invocation by Mrs. Muza Rice Grove, president Gibbs Barber presided at the business meeting. The following officers were elected for the coming year; president, Fred Dickinson, Jr., vice president, Fay Whelan; corresponding secretary, Mrs. Margaretta Brisbin; assistant secretary, Halcyon Mead; recording secreary, Geraldine French; assistant recording secretary, Joanne Rosacrans; treasurer, Kenneth Hall.

Ralph Comfort was the master of ceremonies and Superintendent W. L. Berkhof led the assembly singing. The welcome to the class of '47 was given by Wilfred Waldron, sr., with the response by Wilfred Waldron, jr. William Damon, jr., played two violin solos, "Scene-Be-Ballet", by B. Birot, and "Stardust" by Hoagy Carmichael. He was accompanied by Miss Arlene Peugeot. Jon Young of Ann Arbor was the speaker and his topic was "A Time to Remember." The program closed with assembly singing.

A delicious dinner was served by Mrs. Pearl Beaubian and her caterers. The tables were decorated with spring flowers and on the speaker's table was a special bouquet of roses. They were a gift of Mrs. Blanche Sogel Hanke, a graduate of 1920, who was unable to attend because of illness. Dancing was enjoyed with music by Driscoll's orchestra.

Guests attended from Milan, Adrian, Tipton, Pontiac, Manchester, Clinton, Clayton, Ann Arbor, Brighton, Britton, Detroit, Ypsilanti, Lansing, Howell, Royal Oak, Mt. Pleasant, Dearborn Hillsdale, Napoleon, Onsted, Curtice, Ohio, Columbus, Ohio, Sharon, Pennsylvania, Burbank, California, Los Angeles, California, Madison, Wisconsin, and Swampscott, Massachusetts.

T.H.S. Class of 1917 In Reunion at Wamplers

The class of 1917 of the Tecumseh High School held a reunion at Willow Grove Hotel, Wamplers Lake, Sunday, June 8, celebrating their 30th anniversary.

A three course dinner was served at tables decorated in the class colors blue and white, places being laid for 16, nine of which were class members. After the dinner a social time of reminiscing was enjoyed, including a short quiz program.

Those attending were Mr. and Mrs. Otto Cotton of Los Angeles, Calif., Mr. and Mrs. Clarence Tirb and Mr. and Mrs. Amos Wilson of Clinton, Oliver Blum of Ypsilanti, Rev. and Mrs. W. B. Grove of Curtice, Ohio, Mr. and Mrs. Faye Van Valkenburg, Mrs. Melvin McWilliams, Mr. and Mrs. Wilbur Boyce and Mr. and Mrs. Duaine Service of Tecumseh.

Since the graduation of the class of 22 members, these reunions have been held every five years at the same location. They have lost two members—Fred Rentschler and Leon Waldron.

CHILDREN'S SERVICE AT BAPTIST CHURCH SUNDAY

The Children's day program will be held Sunday morning at 10:30 o'clock at the Baptist church. The primary, junior and intermediate departments will take part under the direction of Miss Jenny Bird, Mrs. Llewellyn Sisson, Mrs. Faye VanValkenburg, Miss Jane Hoekstra and Mrs. Ben Roberts.

WIN M. S. C. HONORS

Miss Donna Adams and Richard Cadmus, both of Tecumseh, have been designated by Michigan State College as 1946 State honor roll members in the 4-H club.

Miss Adams was one of six delegates to be selected in Lenawee county to attend the 15th annual Waldenwoods Older 4-H Youth camp held at Hartland recently. She represented the county as a member of the camp committee.

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet Friday, June 20, at the home of Mrs. L. W. Larsen at 2:15 p.m. The assistant hostesses will be Mrs. R. W. Herrick, Mrs. W. H. Wehr and Mrs Oscar Bryan. Mrs. Lester Rogers will give a talk on roses.

NEW DAR PRESIDENT INSTALLED . . . Mrs. Roscoe C. O'Byrne (right) of Brookville, Ind., has been elected president general of the Daughters of the American Revolution. She succeeds Mrs. J. Y. Summer Recreation Program To Get Under Way June 23rd

DETAILS AND SCHEDULE WILL BE ANNOUNCED BY THE HERALD NEXT WEEK

With the Tecumseh Recreation Board setting the pace, this community seems assured of a bang-up summer recreation program this year, details of which will be announced next week and the actual events getting under way on June 23. Gibbs Barber has been named as the board's member on the summertime program group, and Paul Johnson, local, public school instructor, has been hired as director. He will be assisted by Miss Dorothy Bowen. Many organizations are giving financial support and equipment and playing area are being readied for the scheduled opening.

A well-rounded program has been planned, including activities for children of all age groups and adults. Instruction will be given in swimming, tennis, archery and arts and crafts. Individual activities, besides archery and tennis will include badminton, shuffleboard, deck tennis horseshoes and croquet. Group activities will include softball, volley ball, soccer folk dancing and group games for the younger folk.

Besides the regular program, which has been planned for the period from 9 a.m., to 4:30 p.m., daily, it is expected that there will be a softball league composed of church and Boy Scout teams and another made up largely of teams from local industries. With two organized hardball teams in the community, residents should be assured of seeing at least one good baseball game each week. Numerous additional activities have been palnned for the evenings, and occasions throughout the summer.

Special indoor activities will include social dancing, ping pong and shuffle board when the weather is rainy. The indoor activities, including arts and craft work, will be carried on at the high school and at the new recreation building at the rear of St. Peter's Episcopal church.

Mr. Johnson plans to serve as coordinator of the program, and he stands ready to assist the many service organizations of the community in any way that he can. The Girl Scouts have been offered cooperation in promoting merit badge work throughout the summer. The same cooperation will be given to members of the two Boy Scout troops, the Cub Scouts and the Brownie Scouts.

Ministers here already are considering the possibility of the churches conducting several united services at the Center during the summer.

"It is expected that a very flexible program of play and entertainment will be conducted throughout the summer," Mr. Johnson said. "We will always keep in mind the idea of constantly adopting the program to the interests of young and old alike, and to the variations in weather conditions. We want Tecumseh to take advantage of all of the events offered, and we realize that they must be kept interesting if we are to hold their attention."

To keep the public informed of each week's program, Johnson said that he would release a schedule each Thursday to The Herald.

It was pointed out that organizations wishing to use the field should schedule their time through Mr. Johnson not later than Monday on the week preceding the event. This will always assure a complete calendar, one week in advance. In case of Mr. Johnson's absence, Mr. Barber should be contacted.

State Solons Shy At Taxes

MICHIGAN'S FINANCING HEADED FOR RED INK AS RESULT OF RELUCTANCE

LANSING—Michigan is headed back to red ink financing of state government. A state treasury deficit is forseen as the result of legislators' reluctance to enact new taxes and the constitution mandate to divert 76 per cent of the state sales tax to local governments including public schools.

Several capital newspaper correspondents, who watch daily the parade of events at Lansing, confide that the inevitability of new taxes in 1948 will hurt Governor Sigler's chances of re-election. The governor's insistence that the legislature must lead itself also hasn't helped matters. The Detroit Free Press, one of Kim's original bellringers, smartly criticizes the governor for lack of leadership. Excerpt: "Instead of creating behind him the power of public opinion to force enactment of his purposes, his (Sigler) publicity has been largely given over to the fun he is having with his new pilot's license and his plane. This has not set well with the voters of Michigan." Sigler has shown a tolerant willingness to take criticism provided it is constructive.

Root of Michigan's tax trouble lies in the deep antagonism between rural and urban interests, the fear of rural, legislators that the legislators will be dominated by cities, and the lack of urban representation at Lansing although cities foot most of the tax bills. Less than one-half of the counties are self-supporting through taxes. Put this on your phonograph, and you go around and around. Your conclusion will depend largely upon your viewpoint. The Highland Parker, suburban newspaper of Detroit, advocates a constitutional amendment to assure that each county will get back its "just share" of taxes.

Governor Sigler's recommendation for a constitutional study commission was approved by the house, but rejected by the senate. Since the constitution was adopted in 1909, a total of 91 amendments have been submitted to the voters at elections. Of these, 43 were approved.

Will Organize Swim Classes

USE OF PIT DONATED BY OWNER AS PART OF SUMMER RECREATION PROGRAM

The possibility of a full-time swimming program, in addition to other summertime activities planned at Recreation Center, seemed likely today when Paul Johnson, director of Recreation's schedule, announced that Luigi Gallo, owner of the swimming pit located on the southwest side of the village, has given wholeheartedly approval to a plan for supervised swimming under Recreation's direction. Mr. Gallo is donating the use of his facilities during the morning hours for such classes, Mr. Johnson said.

"The Pit," as it is known, has been developed for several years by its owner into an excellent recreation spot. Besides improving the beach and providing a sun-bathing platform, a bathhouse, refreshment stand and recreation building has been built. Picnic tables are available, and a large area has recently been leveled to provide a play area.

"Too few people know of the service that has been given to Tecumseh's young folk through Mr. Gallo's efforts," Johnson said. "The fact that no serious accident has occurred during the time that the pit has been used for swimming indicates that careful and conscientious supervison has been provided Mr. Gallo's reply when approached concerning use of the pit for morning classes is typical of his attitude. He said: 'I like kids, and I want to help the young people to have a good time. I'd like to see as many as possible learn to swim.'"

The morning classes at the pit, which will be announced within a week, will be supervised by Johnson and Miss Dorothy Bowen, his assistant. Miss Bowen, is a qualified Red Cross Life Saving Instructor, and besides giving class instruction in the morning will act as life guard during the afternoons.

Mrs. Frank Buck Buried Monday

WELL-KNOWN LOCAL WOMAN, TEACHER, WRITER, SUCCUMBS TO ILLNESS

Funeral services for Mrs. Frank Buck, 66, who died at her home southwest of Tecumseh at 8 a. m. Saturday after several months of failing health, were conducted at the grave in Amboy cemetery, Metamora, Ohio, Monday afternoon at 4 p.m., and attended by the family and a group of close friends. The bearers were R. H. Moore, Carroll Frost and Dr. Truman Rentschler of Tecumseh, Earl Kuner and S. Howard Swift of Adrian and George Hathaway of Blissfield.

Born in Adrian, December 24, 1880, Anna Carpenter Buck attended the Blissfield and Adrian schools and taught in the schools of both Adrian and Blissfield. For some time she was employed in the offices of the Continental Sugar Co., Blissfield. She was married to Frank C. Buck of Metamora on April 28, 1914, at Blissfield.

Mrs. Buck had been a resident of Tecumseh for several years and until recently the family home was on North Pearl street. They moved to their country home, just southwest of Tecumseh, about two years ago.

Mrs. Buck was well known in Tecumseh and had a wide acquaintance and a host of friends. For many years she was the Tecumseh correspondent for The Adrian Daily Telegram, and she also wrote for the Blade and Times in Toledo. She was one of the founders of the Tau Delta Sorority in Adrian, and was a member of the Lucy Wolcott Barnum chapter of the Daughters of the American Revolution, taking a demit several years ago. She was a past secretary of the Tecumseh Monday Club.

Surviving are the husband and two sons, Charles of Ann Arbor, and James of Sylvania, and a grandson, Allen Richard of Sylvania.

The body was taken to the Bickl & Marlowe Funeral Home in Metamora, Ohio.
